ITEM SUMMARY

DATE: 7/20/2021

TO: The Economic Development Authority

FROM: Christopher Johnson- EDA Secretary

SUBJECT: Virginia United Methodist Homes of Williamsburg, Inc. (VUMH) Revenue Bond Issuance

VUMH is requesting up to \$65,000,000 in revenue bonds to provide funds to refinance previously-issued bonds and to finance other capital projects at the WindsorMeade development. The bonds are not deemed to constitute a debt or pledge of the faith and credit or taxing power of the EDA or the County.

The EDA's bond counsel, Hunton Andrews Kurth, LLP, has reviewed the request and have indicated no legal issues result. Counsel did note one unique term in the proposal: the financing structure means that no bank-qualified (BQ) bonds can be issued by the EDA in the year that the tax-exempt refunding bonds will be issued (anticipated to be CY2023). Bank-qualified debt is a special subset of tax-exempt bonds that restricts the aggregate issuance of tax-exempt bonds in a calendar year to no more than ten million dollars in return for typically a lower interest rate. Most of the County's recent issuances have been over ten million dollars, so bank-qualified debt structure is not often a viable option to the County. As a result, it is unlikely to affect plans for any future County bond issuances. However, it would preclude the EDA from issuing BQ bonds to other borrowers in CY2022 or CY2023, depending upon the timing of the VUMH refunding bond issuance.

B. The Authority has received a request from Virginia United Methodist Homes of Williamsburg, Inc., a Virginia nonstock corporation (the "Borrower"), to issue its revenue bonds (the "Bonds"), in one or more series at one time or from time to time, to provide funds to make a loan to the Borrower:

(1) to refinance the Authority's (i) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013A (Senior), (ii) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013A (Subordinate), (iii) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013B (Senior), and (iv) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013C (Senior/Taxable) (collectively, the "2013 Bonds") proceeds of which were used to refinance prior bonds of the Authority that were issued to provide the initial financing for the Borrower's senior living community (the "Community") located in and around 3900 Windsor Hall Drive, James City County, Virginia.

(2) to refinance the Authority's Residential Care Facility Revenue Bond (Virginia United Methodist Homes of Williamsburg), Series 2016 (the "2016 Bond"), proceeds of which were used to (a) finance costs associated with the renovation and expansion of the health center facility for the Borrower's Community, and (b) to finance costs related to a debt service reserve fund, costs of issuance, working capital, routine capital expenditures of the Community and other expenses in connection with the issuance of the 2016 Bond; and

Items (1) through (3) above are collectively referred to as the "Plan of Finance".

C. Preliminary plans for the Plan of Finance have been described to the Authority and a public hearing has been held as required by Section 147(f) of the Code and Section 15.2-4906 of the Code of Virginia of 1950, as amended;

D. The Borrower has represented that the estimated cost of undertaking the Plan of Finance will require an issue of Bonds, in one or more series at one time or from time to time, in the aggregate principal amount not to exceed \$65,000,000;

**NOW, THEREFORE, BE IT RESOLVED BY THE ECONOMIC DEVELOPMENT
AUTHORITY OF JAMES CITY COUNTY, VIRGINIA:**

1. It is hereby found and determined that the Plan of Finance will be in the public interest and will promote the commerce, safety, health, welfare, convenience or prosperity of the Commonwealth of Virginia, James City County, Virginia (the "County"), and their citizens and in particular will promote the providing of health care facilities and other facilities for the residence and care of the aged in accordance with their special needs.

2. The Bonds will be issued pursuant to documents satisfactory to the Authority. The Bonds may be issued in one or more series at one time or from time to time.

3. It having been represented to the Authority that it is necessary to proceed immediately with the Plan of Finance, and the planning therefor, the Authority agrees that the Borrower may proceed with the Plan of Finance, enter into contracts for land, construction, materials and equipment for the Project, and take such other steps as it may deem appropriate in connection with the Plan of Finance, provided, however, that nothing in this resolution shall be deemed to authorize the Borrower to obligate the Authority without its consent in each instance to the payment of any moneys or the performance of any acts in connection with the Plan of Finance. The Authority agrees that the Borrower may be reimbursed from the proceeds of the Bonds for all expenditures and costs so incurred by it, provided such expenditures and costs are properly reimbursable under the Act and applicable federal laws.

4. At the request of the Borrower, the Authority approves McGuireWoods LLP, Richmond, Virginia, as Bond Counsel in connection with the issuance of the Bonds.

5. The Bonds shall provide that neither the Commonwealth of Virginia nor any political subdivision thereof, including the Authority and the County, shall be obligated to pay the obligations under the Bonds except from the revenues, receipts and payments pledged thereof, and that neither the faith and credit nor the taxing power of the Commonwealth of Virginia or any political subdivision thereof, including the Authority and the County, is pledged to the payment of such obligations.

6. All costs and expenses in connection with the undertaking of the Plan of Finance, including the fees and expenses of Bond Counsel and Authority Counsel, shall be paid by the Borrower or, to the extent permitted by applicable law, from the proceeds of the Bonds. If for any reason such bonds are not issued, it is understood that all such expenses shall be paid by the Borrower and that the Authority shall have no responsibility therefor.

7. The Authority recommends that the governing body of the County approve the issuance of the Bonds for the purpose of undertaking the Plan of Finance.

8. No Bonds may be issued pursuant to this resolution until such time as the issuance of the Bonds has been approved by the governing body of the County.

**RESOLUTION OF THE ECONOMIC DEVELOPMENT AUTHORITY OF
JAMES CITY COUNTY, VIRGINIA, AUTHORIZING THE ISSUANCE OF
REVENUE BONDS IN AN AMOUNT UP TO \$65,000,000 FOR THE
BENEFIT OF VIRGINIA UNITED METHODIST HOMES OF
WILLIAMSBURG, INC.**

A. The Economic Development Authority of James City County, Virginia (the "Authority") is empowered by the Industrial Development and Revenue Bond Act, Chapter 49, Title 15.2, Code of Virginia of 1950, as amended (the "Act"), to issue its revenue bonds to finance or refinance the construction and equipping of facilities for the residence or care of the aged to protect and promote the health and welfare of the inhabitants of the Commonwealth of Virginia.

B. The Authority has received a request from Virginia United Methodist Homes of Williamsburg, Inc., a Virginia nonstock corporation (the "Borrower"), to issue its revenue bonds (the "Bonds"), in one or more series at one time or from time to time, to provide funds to make a loan to the Borrower:

(1) to refinance the Authority's (i) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013A (Senior), (ii) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013A (Subordinate), (iii) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013B (Senior), and (iv) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013C (Senior/Taxable) (collectively, the "2013 Bonds") proceeds of which were used to refinance prior bonds of the Authority that were issued to provide the initial financing for the Borrower's senior living community (the "Community") located in and around 3900 Windsor Hall Drive, James City County, Virginia.

(2) to refinance the Authority's Residential Care Facility Revenue Bond (Virginia United Methodist Homes of Williamsburg), Series 2016 (the "2016 Bond"), proceeds of which were used to (a) finance costs associated with the renovation and expansion of the health center facility for the Borrower's Community, and (b) to finance costs related to a debt service reserve fund, costs of issuance, working capital, routine capital expenditures of the Community and other expenses in connection with the issuance of the 2016 Bond; and

(3) to finance other capital projects at the Community all within the existing structures or existing parking facilities located at the Community and amounts required for reserves, working capital, capitalized interest, costs of issuance and other financing expenses related to the issuance of the Bonds. Items (1) through (3) above are collectively referred to as the "Plan of Finance".

C. The Authority may issue one or more series of Bonds under one or more Bond Purchase and Loan Agreements (each a "Bond Purchase and Loan Agreement"), among the Authority, the Borrower and Truist Bank (or an affiliate of Truist Bank) (each a "Lender"), and the Lender will loan the proceeds of each series of the Bonds to the Authority under the respective Bond Purchase and Loan Agreement. The Authority will loan the proceeds of the Bonds to the Borrower under such Bond Purchase and Loan Agreements, and the Borrower will apply the

proceeds under the terms of such Bond Purchase and Loan Agreements to undertake the Plan of Finance.

D. To evidence the Borrower's obligations under the Bond Purchase and Loan Agreements, the Borrower will execute and deliver one or more promissory notes to secure the applicable series of Bonds (each a "BPLA Note").

E. The Authority may also issue one or more series of Bonds under one or more Bond Trust Indentures (each a "Bond Indenture"), between the Authority and a bond trustee to be selected by the Borrower (the "Bond Trustee"). The Authority will loan the proceeds of the Bonds to the Borrower under one or more Loan Agreements (each a "Loan Agreement"), between the Authority and the Borrower.

H. The Bonds offered for sale by the Underwriters will be accompanied by a disclosure document in the form of an official statement in preliminary form to be dated the date of its delivery (the "Preliminary Official Statement"), prepared under the direction of the Borrower in connection with the offering and sale of those series of Bonds.

I. AUTHORITY OF JAMES CITY COUNTY, VIRGINIA:**

1. It is hereby found and determined that the Plan of Finance will be in the public interest and will promote the commerce, safety, health, welfare, convenience or prosperity of the Commonwealth of Virginia, James City County, Virginia and their citizens and in particular will promote the provision of health care facilities and other facilities for the residence and care of the aged in accordance with their special needs.

2. The issuance of the Bonds, in one or more series, for the purpose of undertaking the Plan of Finance is hereby approved. The Bonds shall be in substantially the form attached to the Bond Purchase and Loan Agreement or the Bond Indenture, as applicable.

3. The Bonds and the Authority Documents are hereby approved in substantially the forms submitted to this meeting, with such changes, insertions or omissions (including, without limitation, changes of the dates thereof) consistent with the Bond Terms as may be approved by the Chairman or the Vice Chairman of the Authority (either of whom may act), whose approval will be evidenced conclusively by the execution and delivery of the Bond.

4. The Chairman and Vice Chairman of the Authority (either of whom may act) are each hereby authorized and directed to execute and deliver the Bonds to or for the account of the Lender and the Authority Documents to the other parties thereto upon approval of their final form, terms and conditions consistent with the Bond Terms. The Chairman and the Vice Chairman of the Authority (either of whom may act) are each authorized to approve the number of series, interest rates, maturities, redemption provisions, put provisions and other terms of the Bonds, consistent with the Bond Terms, with the inclusion of such terms in the Bond Purchase and Loan Agreements or the Bond Purchase Agreements, as applicable, being conclusive evidence of such approval. The sale of the Bonds to the Lender pursuant to the Bond Purchase and Loan Agreements is hereby approved and authorized provided such sale shall be consistent with the Bond Terms. The sale of the Bonds to the Underwriters pursuant to the Bond Purchase Agreements is hereby approved and authorized provided such sale shall be consistent with the Bond Terms.

5. The use and distribution by the Underwriters of the Preliminary Official Statement in the form on file with the Authority are in all respects authorized, ratified and approved. For purposes of Rule 15c2-12 of the Securities and Exchange Commission, the Chairman or Vice Chairman of the Authority, either of whom may act, are authorized to deem the Preliminary Official Statement relating to the Bonds final except for information permitted to be omitted under paragraph (b)(1) of such Rule. The Chairman and Vice Chairman of the Authority, either of whom may act, are authorized and directed to execute and deliver the Authority's approval of the final

official statement (the "Official Statement") upon approval of its form, terms and conditions. Such officer's execution shall constitute conclusive evidence of his approval of such form, terms and conditions. Execution of the final Official Statement shall constitute conclusive evidence that the Official Statement has been deemed final within the meaning of Rule 15c2-12.

6. The Official Statement and its use and distribution by the Underwriters is hereby authorized and approved. The Official Statement shall be in substantially the form of the Preliminary Official Statement submitted to this meeting, which is hereby approved, with such completions, omissions, insertions and changes as may be approved by the Chairman or Vice Chairman, whose execution thereof shall constitute conclusive evidence of his approval of such form, terms and conditions.

7. The Chairman and the Vice Chairman of the Authority (either of whom may act) are each hereby authorized to execute on behalf of the Authority the Bonds and the Authority Documents to which the Authority is a party, and the Secretary and the Assistant Secretary of the Authority are each hereby authorized to affix the seal of the Authority to the Bonds and, if required, the Authority Documents and to attest such seal. The signatures of the Chairman, the Vice Chairman, the Secretary and the Assistant Secretary and the seal of the Authority may be by facsimile. Each officer of the Authority is hereby authorized to execute and deliver on behalf of the Authority such instruments, documents or certificates and to do and perform such things and acts, as he or she deems necessary or appropriate to carry out the transactions authorized by this Resolution or contemplated by the Bonds, the Authority Documents or such instruments, documents or certificates, and all of the foregoing, previously done or performed by such officers of the Authority, are in all respects approved, ratified and confirmed.

8. The Bonds and the Authority Documents shall provide that neither the Commonwealth of Virginia nor any political subdivision thereof, including the Authority and James City County, Virginia (the "County"), shall be obligated to pay the obligations under the Bonds and the Authority Documents except from the revenues, receipts and payments pledged thereof, and that neither the faith and credit nor the taxing power of the Commonwealth of Virginia or any political subdivision thereof, including the Authority and the County, is pledged to the payment of such obligations.

9. All costs and expenses in connection with the undertaking of the Plan of Finance, including the fees and expenses of Bond Counsel and Authority Counsel, shall be paid by the Borrower or, to the extent permitted by applicable law, from the proceeds of the Bonds. If for any reason no bond is issued, it is understood that all such expenses shall be paid by the Borrower and that the Authority shall have no responsibility therefor.

10. At the request of the Borrower, the Authority hereby approves McGuireWoods LLP, as bond counsel in connection with the issuance of each series of Bonds.

11. The Authority acknowledges one or more series of Bonds could be issued under a forward-delivery Bond Purchase and Loan Agreement. Accordingly, the initially issued series of Bonds will bear interest at a taxable rate and at a date in the future, under any forward-delivery Bond Purchase and Loan Agreement the taxable series of Bonds will be refunded by a tax-exempt series of Bonds. The Authority acknowledges that such subsequent refunding is expected to occur,

if at all, in calendar year 2023 and that the principal amount of the subsequent refunding series of Bonds as of the date of such refunding would impact the Authority's ability to issue "bank-qualified" bonds pursuant to Section 265 of the Internal Revenue Code of 1986, as amended, in the calendar year in which such interest rate conversion occurs. The Authority agrees to cooperate with the Borrower and Bond Counsel to permit the taxable series of Bonds to be refunded by a subsequent tax-exempt series of Bonds, and, to the extent such actions are not inconsistent with the needs and expectations of the Authority, the County and other interested parties at the time of the refunding, take action as may be requested by the Borrower or Bond Counsel.

12. This resolution shall be effective immediately.

13. The authorizations granted in this resolution shall continue in full force and effect for a period of three years after adoption, unless specifically extended by the Authority.

Section 2.2 Representations by the Borrower. The Borrower makes the following representations as the basis for its undertakings hereunder:

(a) The Borrower is a nonstock corporation duly incorporated and in good standing under the laws of the State. The Borrower has the power and authority to own and operate its properties, including the Facilities, and to enter into the Financing Instruments to which it is a party and the transactions contemplated thereby and to perform its obligations thereunder, and by proper action has duly authorized the execution and delivery of such Financing Instruments.

(b) The loan to the Borrower of the proceeds from the sale of the Series 2023 Bond by the Authority will constitute an inducement to the Borrower to locate or maintain the facilities financed and/or refinanced with the proceeds of the Series 2023 Bond in James City County, Virginia, which will provide improved residential facilities for the residence or care of the aged to protect and promote the health and welfare of the inhabitants of the State.

(c) The Borrower intends to operate the Facilities, or cause such to be operated, as facilities for the residence and care of the aged until the Payment of the Series 2023 Bond.

(d) No litigation at law or in equity or any proceeding before any Governmental Authority involving the Borrower is pending or, to the knowledge of the Borrower, threatened in which any liability of the Borrower is not adequately covered by insurance or in which any judgment or order would have a material adverse effect upon the business or assets of the Borrower, its ability to do business, the Facilities, the validity of the Financing Instruments to which the Borrower is a party or the performance of its obligations thereunder. Neither the Borrower nor the Facilities is subject to any material claim, dispute or litigation that has not been previously disclosed to the Lender in writing.

(e) The execution and delivery of, and compliance by the Borrower with the terms and conditions of, the Financing Instruments to which it is a party will not conflict with, or constitute or result in a default under or violation of, (i) the Borrower's organizational documents, (ii) any agreement or other instrument to which the Borrower is a party or by which its property is bound, or (iii) any constitutional or statutory provision or order, rule, regulation, decree or ordinance of any court, government or Governmental Authority having jurisdiction over the Borrower or its property. This Agreement has been duly executed and delivered by the Borrower, and constitutes, and each other Financing Instrument to which the Borrower is a party, when executed and delivered by the Borrower will constitute, valid and binding obligations of the Borrower, enforceable against it in accordance with their respective terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

(f) The Borrower has obtained all consents, approvals, authorizations and orders of any governmental or regulatory authority that are required to be obtained by the Borrower as a condition precedent to the issuance of the Series 2023 Bond or the execution and delivery of the Financing Instruments to which the Borrower is a party, or that are required to date for the performance by the Borrower of its obligations under the Financing Instruments and the financing of the Plan of Refunding. The Borrower has no reason to believe that any such consents, approvals, authorizations or orders which may be required in the future cannot be obtained as and when needed.

(g) The facilities refinanced with the proceeds of the Series 2023 Bond are located entirely at the location referred to in the Authorizing Resolution and in the notice of the public hearing to be held by the Authority with respect to the Series 2023 Bond.

(h) The Borrower is a 501(c)(3) Organization that is not a private foundation (within the meaning of Section 509(a) of the Code). The Borrower has conducted its operations and filed all required reports and documents with the Internal Revenue Service (the "Service") so

as to maintain its status as a 501(c)(3) Organization, the letter from the Service to the effect that the Borrower is a 501(c)(3) Organization has not been modified, limited or revoked and the Borrower has received no notice from the Service inquiring about, threatening or proposing to audit its status as a 501(c)(3) Organization. The Borrower is in compliance with all terms, conditions and limitations, if any, contained in such letter or any other notification from the Service. In particular, (i) the Borrower is organized and operated exclusively for benevolent or charitable purposes, (ii) no part of the net earnings of the Borrower has inured to the benefit of any private shareholder or individual, (iii) no substantial part of the activities of the Borrower has consisted of carrying on propaganda, or otherwise attempting, to influence legislation (except as otherwise permitted by Section 501(h) of the Code), and (iv) the Borrower has not participated or intervened (through the publishing or distribution of statements or otherwise) in any political campaign on behalf of or in opposition to any candidate for public office. The Borrower is not organized or operated exclusively for religious purposes.

(i) The Borrower has not collected, and does not expect to collect, Restricted Gifts, that exceed, in the aggregate, the difference between (i) the anticipated aggregate cost of (A) the renovation, construction, equipping and installation of the project financed with the proceeds of the Series 2023 Bond and (B) the costs of issuing the Series 2023 Bond, and (ii) the original principal amount of the Series 2023 Bond plus the anticipated earnings from the investment of the proceeds thereof.

(j) No person other than the Borrower has been a user of any portion of the Facilities since the acquisition of such portion by the Borrower. No portion of such Facilities have been used in an Unrelated Trade or Business by the Borrower.

(k) The Borrower normally receives at least 75% of its support (as such term is used for purposes of Section 509 of the Code) in the form of gross receipts from the performance of services and the furnishing of facilities by the Borrower in an activity which is not an Unrelated Trade or Business (not including such receipts from any person or any bureau or similar agency of a governmental unit, as described in Section 170(c)(1) of the Code, in any taxable year to the extent such receipts exceed the greater of \$5,000 or 1% of the Borrower's support in such taxable year) from persons other than disqualified persons (as defined in Section 4946 of the Code) with respect to the Borrower.

(l) All financial statements and other information delivered to the Lender by the Borrower in connection with the Lender's purchase of the Series 2023 Bond are accurate and are sufficiently complete to accurately reflect the Borrower's financial condition. There has been no material adverse change in the business or financial condition of the Borrower from that reflected in such financial statements and other information, except as may have been otherwise disclosed to the Lender in writing.

(m) The information contained in the certifications of the Borrower delivered at the time of the execution and delivery of this Agreement with respect to compliance with the requirements of the Code, including the information in IRS Form 8038 filed by the Authority with respect to the Series 2023 Bond on or after the Issuance Date, is true and correct in all respects.

(n) No Financing Instrument nor any information (financial or otherwise) furnished by or on behalf of the Borrower in connection with the negotiation or the sale of the Series 2023 Bond contains any untrue statement of a material fact or omits (when considered together with all information furnished) a material fact necessary to make the statements contained therein, in the light of the circumstances in which they were made, not misleading. There is no fact that the Borrower has not disclosed in writing to the Lender that materially affects adversely or, so far as the Borrower can now foresee, based on facts known to it, will have a Material Adverse Effect.

(o) No part of the proceeds of the loan evidenced by the Series 2023 Bond will be used directly or indirectly (a) to fund or finance any operations, investments or activities in or make any payments to a (1) Person that is, or is owned or Controlled by, Persons that are the subject of any Sanctions (as defined below) (a "Sanctioned Person") or (2) country or territory that is, or is owned or Controlled by Persons that are, the subject of Sanctions (a "Sanctioned Country"), or in any other manner that would result in a violation of any Sanctions by any Person, or (b) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any laws, rules or regulations of any jurisdiction concerning or relating to bribery or corruption. While the loan evidenced by the Series 2023 Bond remains outstanding, each Obligor (as defined below), each subsidiary or affiliate of each Obligor, and their respective directors, officers, employees, or agents will not (x) be or become a Sanctioned Person, (y) allow any of their assets to be located in a Sanctioned Country, or (z) derive any of their operating income from investments in, or transactions with, Sanctioned Persons or Sanctioned Countries. As used herein, "Sanctions" means any trade, economic or financial sanctions administered or enforced by the Office of Foreign Assets Control, the U.S. Department of State, the United Nations Security Council, the EU, Her Majesty's Treasury or other relevant sanctions authority. As used herein, the term "Obligor" shall individually and collectively refer to the Borrower and any other Person that is primarily or secondarily liable for the payment of the loan evidenced by the Series 2023 Note and any Person that has conveyed or may hereafter convey any security interest or lien to Lender in any real or personal property to secure payment of the Series 2023 Note.

(p) To the best of its knowledge, the Borrower (i) has not failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has not become subject to any Environmental Liability, (iii) has not received notice of any claim with respect to any Environmental Liability, and (iv) knows of no basis for any Environmental Liability.

(q) The Borrower is not (a) an "investment company" or "controlled" by an "investment company", as such terms are defined in, or subject to regulation under, the Investment Company Act of 1940, as amended, or (b) otherwise subject to any other regulatory scheme limiting its ability to incur debt or having any approval or consent from, or registration with any Governmental Authority in connection therewith.

(r) The Borrower has timely filed or caused to be filed all Federal income tax returns and all other material tax returns that are required to be filed by it, and has paid all Taxes shown to be due and payable on such returns or on any assessments made against it or its property and all other Taxes imposed on it or any of its property by any Governmental Authority, except

(a) to the extent the failure to do so would not have a Material Adverse Effect or (b) where the same are currently being contested in good faith by appropriate proceedings and for which the Borrower has set aside on its books adequate reserves in accordance with GAAP. As of the Closing Date, the charges, accruals and reserves on the books of any Member of the Obligated Group in respect of such Taxes are adequate, and no tax liabilities that could be materially in excess of the amount so provided are anticipated.

(s) None of the proceeds of the Series 2023 Bond will be used, directly or indirectly, for "purchasing" or "carrying" any "margin stock" within the respective meanings of each of such terms under Regulation U or for any purpose that violates the provisions of Regulation T, Regulation U or Regulation X. Neither the Borrower nor any other Member of the Obligated Group (if any) is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying "margin stock."

(t) No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events for which liability is reasonably expected to occur, could reasonably be expected to result in a Material Adverse Effect.

(u) There are no strikes, lockouts or other material labor disputes or grievances against any Member of the Obligated Group, to the Borrower's knowledge, threatened against or affecting any Member of the Obligated Group, and no significant unfair labor practice, charges or grievances are pending against any Member of the Obligated Group, or to the Borrower's knowledge, threatened against any of them before any Governmental Authority. All payments due from any Member of the Obligated Group pursuant to the provisions of any collective bargaining agreement have been paid or accrued as a liability on the books of any Member of the Obligated Group, except where the failure to do so could not reasonably be expected to have a Material Adverse Effect.

(v) The Borrower does not "control" the Lender, either directly or indirectly through one or more controlled companies, within the meaning of Section 2(a)(9) of the Investment Company Act of 1940.

(w) To the Borrower's knowledge, the Borrower (i) is not a person whose property or interest in property is blocked or subject to blocking pursuant to Section 1 of Executive Order 13224 of September 23, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism (66 Fed. Reg. 49079 (2001)), (ii) does not engage in any dealings or transactions prohibited by Section 2 of such executive order, and is not otherwise associated with any such person in any manner that violates of Section 2, and (iii) is not a person on the list of Specially Designated Nationals and Blocked Persons or subject to the limitations or prohibitions under any other U.S. Department of Treasury's Office of Foreign Assets Control regulation or executive order.

(x) To the Borrower's knowledge, the Borrower is in compliance, in all material respects, with (i) the Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto, and (ii) the Patriot Act. No part of the proceeds of the Series 2023 Bond will be used, directly or indirectly, for any

payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, as amended. As of effective date of this Agreement, the information included in the Beneficial Ownership Certification of the Borrower is true and correct in all respects.

(y) The Borrower is in compliance with (a) all Requirements of Law and all judgments, decrees and orders of any Governmental Authority, and (b) all indentures, agreements or other instruments binding upon it or its properties, except where non-compliance, either individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(z) As of the date of execution and delivery of this Agreement, there exists no Event of Default on the part of the Borrower or any condition or event which would constitute, or with the passage of time or the giving of notice, or both, would constitute an Event of Default on the part of the Borrower hereunder.

ARTICLE III ISSUANCE OF BOND

Section 3.1 Sale and Purchase of Bond. (a) The Authority shall issue and sell the Series 2023 Bond to the Lender and secure the Series 2023 Bond by assigning the Series 2023 Note to the Lender, upon the terms and conditions set forth herein.

(b) The Lender represents that it is purchasing the Series 2023 Bond for its own account as evidence of a loan and has no present intention of reselling or disposing of the Series 2023 Bond or engaging in any "distribution" thereof (as that term is used in the 1933 Act, and the regulations of the Securities and Exchange Commission thereunder). The Lender is a Qualified Buyer as defined in Rule 144A promulgated under the 1933 Act. The Lender has not offered, offered to sell, offered for sale or sold the Series 2023 Bond by means of any form of general solicitation or general advertising.

(c) The Lender represents that it is familiar with the operations and financial condition of the Borrower based upon information furnished to the Lender by the Borrower and has made such inquiries as it deems appropriate in connection with the purchase of the Series 2023 Bond. In determining to purchase the Series 2023 Bond, the Lender has not relied upon any information (including financial information) relating to the Borrower provided by the Authority, nor has it relied upon the omission of the Authority to provide any such information. The Lender relieves the Authority of any liability for failure to provide such information.

(d) The Lender shall not assign or offer the Series 2023 Bond, or any participation therein, for sale in any state of the United States without first (a) either (i) taking all necessary action to qualify the Series 2023 Bond for offer and sale under the securities and "Blue Sky" laws of the United States and such state, or (ii) determining that no such action is necessary because of a registration exemption or exemptions, and (b) providing to the purchaser of the Series 2023 Bond, or any participant therein, all material information in the Lender's possession necessary

to evaluate the risks and merits of the investment represented by the purchase of or participation in the Series 2023 Bond.

(e) The Lender understands that the scope of engagement of McGuireWoods LLP as bond counsel with respect to the Series 2023 Bond has been limited to matters set forth in its bond counsel opinion based on its review of such proceedings and documents as they deem necessary to approve the validity of the Series 2023 Bond and the excludability of the interest thereon for federal and state income tax purposes, and that McGuireWoods LLP has not made any assurances or opinion as to the accuracy or completeness of any information that may have been furnished to the Lender or relied upon by the Lender in acquiring the Series 2023 Bond.

Section 3.2 Conditions Precedent to Closing. The obligations of the Lender under this Agreement are conditioned on receipt by the Lender, in form and substance satisfactory to it, of the following:

(g) A "pro-forma" endorsement to the Title Insurance Policy (with the final endorsement to be issued promptly after the Closing Date), recognizing the recordation of the Deed of Trust and increasing the amount of the Title Insurance Policy to equal the maximum principal amount of all outstanding Obligations under the Master Indenture, including without limitation Obligation No. 4, confirming that the Deed of Trust continues to be a first lien on the Mortgaged Premises subject to no exceptions other than Permitted Liens, containing no exceptions for filed or unfiled mechanics' and materialmen's liens except as otherwise covered by pending disbursements language acceptable to the Lender, containing no exceptions as to survey matters, and containing no other exceptions except those notice of which has been given to the Lender prior to the execution of this Agreement and which are acceptable to the Lender.

(h) Evidence regarding the status of title to personal property owned by the Borrower, including information regarding liens or other encumbrances thereon, which evidence may be in the form of a UCC search conducted by a firm or attorney acceptable to the Lender, including but not limited to evidence satisfactory to the Lender that the Master Indenture constitutes a first priority lien upon all collateral purported to be covered by such lien.

(i) Evidence that the Mortgaged Premises are not within an area identified as having special flood hazards or evidence of flood insurance as required by applicable law.

(j) Certificates of insurance which provide satisfactory evidence of the Borrower's paid property insurance, flood hazard insurance (if applicable) and commercial general liability insurance covering the Facilities, with terms and amounts of insurance acceptable to the Lender.

(k) Evidence satisfactory to the Lender that the Borrower has paid or will pay all fees, costs and expenses (including fees and costs of the Lender's counsel) then required to be paid pursuant to this Agreement and all other Financing Instruments.

(l) All documentation and other information required by bank regulatory authorities or reasonably requested by the Lender under or in respect of applicable "know your customer" and anti-money laundering legal requirements including the Patriot Act and a Beneficial Ownership Certification in relation to the Obligated Group.

(m) Such other documentation, certificates and opinions as may be reasonably required by the Lender.

Section 3.3 Conditions Precedent to Delivery of Series 2023 Bond. The obligation of the Lender to accept delivery of the Series 2023 Bond in substantially the form attached hereto as Exhibit A on the Issuance Date shall be conditioned upon delivery to the Lender, in form and substance satisfactory to it, of the following: Executed copy of the Series 2023 Note and its assignment to the Lender.

(ii) The written opinion of McGuireWoods LLP, as bond counsel, that the Series 2023 Bond has been validly authorized and issued by the Authority and is the valid and binding limited obligation of the Authority, enforceable in accordance with its terms, and, subject to customary exceptions, that interest thereon is excludable from gross income for federal income tax purposes and exempt from income taxation by the State.

(iii) The written opinion of counsel to the Authority, relating to the organization of the Authority, the due approval, validity and enforceability of the Series 2023 Bond, and such other matters as the Lender may reasonably request.

(iv) Payment of all accrued and unpaid interest on the Series 2021B Bond through the Issuance Date.

(v) Evidence satisfactory to the Lender that the Borrower has paid or will pay all fees, costs and expenses (including fees and costs of the Lender's counsel) then required to be paid pursuant to this Agreement and all other Financing Instruments.

(vi) Such other documentation, certificates and opinions as may be reasonably required by the Lender.

(b) The obligation of the Authority to issue and sell the Series 2023 Bond is conditioned upon the issuance of the Series 2023 Bond being consistent with the needs and expectations of the Authority, James City County, Virginia, and other interested parties.

Section 3.4 Execution. The Series 2023 Bond shall be executed on behalf of the Authority by the Chairman or Vice Chairman of the Authority and shall have impressed thereon the official seal of the Authority attested by the Secretary or an Assistant Secretary of the Authority.

ARTICLE IV DISPOSITION OF PROCEEDS

Section 4.1 Disposition of Proceeds. On the Issuance Date, the Lender will be deemed to have disbursed proceeds of the Series 2023 Bond in the amount of the outstanding principal amount of the Series 2021B Bond to redeem the Series 2021B Bond on the Issuance Date.

ARTICLE V LOAN BY THE AUTHORITY

Section 5.1 Loan by the Authority; Repayment of Loan. Upon the terms and conditions of this Agreement, the Authority shall lend to the Borrower the proceeds of the Series 2023 Bond. Prior to or simultaneously with the issuance of the Series 2023 Bond, to evidence its obligations to repay such loan, the Borrower shall deliver the Series 2023 Note to the Authority for assignment to the Lender as security for the Payment of the Series 2023 Bond. The Authority hereby assigns the Series 2023 Note to the Lender and shall also execute the form of assignment affixed to the Series 2023 Note. The Borrower hereby consents to the assignment of the Series 2023 Note to the Lender by the Authority.

Section 5.2 Series 2023 Note as Obligation. The Series 2023 Note shall constitute an "Obligation" under the Master Indenture, and the Borrower represents and warrants that the Indebtedness represented by this Agreement and the Series 2023 Note is authorized and permitted under the Master Indenture and that the Borrower is in full compliance with the provisions thereof.

ARTICLE VI PAYMENTS

Section 6.1 Amounts Payable.

(a) The Borrower shall make, or cause to be made, all payments required under the Series 2023 Note and, for the account of the Authority, shall make, or cause to be made, all payments required under the Series 2023 Bond, as and when the same become due (whether at maturity, by acceleration or otherwise), in the manner set forth in the Series 2023 Bond and shall

make, or cause to be made, all other Required Payments in the manner set forth in the applicable Financing Instruments. Payments to the Lender shall be made in lawful money of the United States of America at the address of the Lender set forth in Section 11.9 or at such other place as the Lender may direct in writing. Any amount at any time paid to the Lender as a payment of principal of or interest on the Series 2023 Bond shall be credited against the Borrower's obligations hereunder and under the Series 2023 Note (but subject to collection of any instrument, draft, check or order for payment received by the Lender).

(b) The Borrower shall pay to the Authority (i) the out-of-pocket expenses, administrative expenses and counsel fees of the Authority, and (ii) the fees of the Authority consisting of (A) an application fee of \$400 which was paid before the date the Series 2023 Bond was issued, (B) a \$1,000 closing fee to be paid at Closing, (iii) an administrative fee equal to 0.005 times the Series 2023 Bond amount up to \$5,000,000, plus 0.001 times the Series 2023 Bond amount over \$5,000,000, to be paid at closing and (4) its reasonable costs and expenses, including the reasonable fees of its counsel and other advisers, directly related to the Series 2023 Bond (provided that the amounts so paid shall not equal or exceed an amount that would cause the "yield" on the Series 2023 Note or any other "acquired purpose obligation" to be "materially higher" than the "yield" on the Series 2023 Bond, as such terms are defined under Section 148 of the Code). The obligations of the Borrower under this subsection shall survive Payment of the Bond.

(c) The Borrower shall pay (i) on the Closing Date, the Lender's fees and expenses as reflected in the Final Closing Memorandum dated _____, 2021, and accepted by the Borrower, (ii) the reasonable fees and expenses of the Lender, the Master Trustee, bond counsel, counsel to the Lender, counsel to the Master Trustee and all other costs, fees and expenses incidental to the financing hereunder, the issuance of the Series 2023 Bond and the costs of producing the Financing Instruments, and (iii) all taxes of any kind whatsoever lawfully assessed, levied or imposed with respect to the transactions contemplated by this Agreement. The obligations of the Borrower under this subsection shall survive Payment of the Series 2023 Bond.

Section 6.2 Interest Rate; Payments of Principal and Interest.

(a) The outstanding principal balance of the Series 2023 Bond shall bear interest at the Adjusted SOFR Rate, which rate shall be subject to adjustment from time to time as set forth in the Series 2023 Bond. Payments of principal and interest shall be due and payable as set forth in the Series 2023 Bond. The Series 2023 Bond shall be subject to mandatory prepayment, optional prepayment and mandatory tender as provided herein and in the Series 2023 Bond. Upon an Event of Default the interest rate on the Series 2023 Bond shall immediately and automatically be changed to the Default Rate (as defined in the Series 2023 Bond). If an Event of Taxability occurs, the interest rate on the Series 2023 Bond shall be changed to the Taxable Adjusted SOFR Rate as provided in the Series 2023 Bond.

(b) The Borrower agrees (and agrees to execute any other agreements to confirm) that all payments due pursuant the Series 2023 Bond, the Series 2023 Note and this Agreement shall be made by ACH Direct Debit from an account maintained by the Borrower with the Lender.

Section 6.3 Unconditional Obligations. The obligations of the Borrower to make, or cause to be made, Required Payments and to perform and observe all other covenants, conditions and agreements hereunder shall be general obligations of the Borrower and shall be absolute and unconditional, irrespective of any defense or any rights of setoff, recoupment or counterclaim the Borrower might otherwise have against the Authority or the Lender. Nothing in this Section shall be construed as a waiver by the Borrower of any rights or claims it may have against the Authority or the Lender under this Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Authority or the Lender separately. Subject to Section 11.1, the Borrower shall not suspend or discontinue any such payment hereunder or fail to observe and perform any of its other covenants, conditions and agreements under the Financing Instruments for any cause, including without limitation any acts or circumstances that may constitute failure of consideration, failure of title to any part or all of the Facilities, or commercial frustration of purpose, or any damage to or destruction of all or any part of the Facilities, or any change in the tax or other laws of the United States of America, the State or any political subdivision of either, or any failure of the Authority or the Lender to observe and perform any covenant, condition or agreement, whether express or implied, or any duty, liability or obligation contained in or arising out of or in connection with any Financing Instrument.

Section 6.4 Payments Assigned. The Borrower consents to the assignment of the Series 2023 Note and of certain rights of the Authority under this Agreement to the Lender and agrees to pay, or cause to be paid, to the Lender all amounts payable pursuant to the Series 2023 Note and this Agreement, except for any amounts payable directly to the Authority or the Master Trustee pursuant to the provisions hereof.

Section 6.5 Yield Protection Provisions.

(a) If, after the issuance of the Series 2023 Bond, any Change in Law shall (i) impose, modify or deem applicable any reserve, special deposit or similar requirement that is not otherwise included in the determination of the Adjusted SOFR Rate against assets of, deposits with or for the account of, or credit extended by, the Lender (except any such reserve requirement reflected in the Adjusted SOFR Rate), (ii) impose on the Lender or the eurodollar interbank market any other condition affecting this Agreement or the Series 2023 Bond, or (iii) subject the Lender to any Taxes (other than Indemnified Taxes and Excluded Taxes) with respect to the Series 2023 Bond, and the result of any of the foregoing is to increase the cost to the Lender of owning the Series 2023 Bond, then, from time to time, the Lender may provide the Borrower with written notice and demand with respect to such increased costs or reduced amounts, and within five Business Days after receipt of such notice and demand the Borrower shall pay to the Lender such additional amounts as will compensate the Lender for any such increased costs incurred or reduction suffered.

(b) If, after the date of this Agreement, the Lender shall have reasonably determined that a Change in Law shall have occurred that has or would have the effect of reducing the rate of return on the Lender's capital, on the Series 2023 Bond or otherwise, as a consequence of its ownership of the Series 2023 Bond to a level below that which the Lender could have achieved but for such adoption, change or compliance (taking into consideration the Lender's or its affiliates' policies with respect to capital adequacy) by an amount deemed by the Lender to be material, then from time to time, promptly upon demand by the Lender, the Borrower hereby

agrees to pay the Lender such additional amount or amounts as will compensate the Lender for such reduction. The Borrower shall pay to the Lender such additional amount or amounts as will compensate the Lender for such reduction, provided that at such time the Lender shall generally be assessing such amounts on a non-discriminatory basis against borrowers having loans similar to the loan evidenced by the Series 2023 Bond. A certificate of the Lender claiming compensation under this subsection and setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive absent manifest error. In determining any such amount, the Lender may use any reasonable averaging and attribution methods. The Lender shall notify the Borrower in writing of any adjustments pursuant to this paragraph.

(c) Immediately upon the occurrence of an Event of Taxability, the Borrower agrees to pay to the Lender certain additional amounts, as follows: (i) an additional amount equal to the difference between (x) the amount of interest paid on the Series 2023 Bond during the Taxable Period and (y) the amount of interest that would have been paid on the Series 2023 Bond during the Taxable Period had the Series 2023 Bond borne interest at the Taxable Adjusted SOFR Rate; plus (ii) an amount equal to any interest, penalties on overdue interest and additions to tax (as referred to in Subchapter A of Chapter 68 of the Code) owed by the Lender as a result of the occurrence of such Event of Taxability. Following the occurrence of an Event of Taxability, neither the Lender nor the Authority shall be obligated to contest or protest the determination that interest on the Series 2023 Bond is or was taxable, nor cooperate with the Borrower in pursuing any such contest or protest, but they may do so in their discretion if indemnified by the Borrower to their satisfaction.

(d) All adjustments of the interest rate on the Series 2023 Bond made pursuant the terms of the Series 2023 Bond, and all amounts payable under this Section 6.5, shall be binding on the Authority and the Borrower absent manifest error.

(e) Failure or delay on the part of the Lender to demand compensation pursuant to this Section 6.5 shall not constitute a waiver of the Lender's right to demand such compensation.

(f) The provisions set forth in Section 6.5(c) shall survive payment of the Series 2023 Bond until such time as the federal statute of limitations under which the interest on the Series 2023 Bond could be declared taxable under the Code shall have expired.

(g) The Borrower shall not be required to compensate the Lender under this Section for any costs or losses incurred more than six months prior to the date that the Lender notifies the Borrower of the Change in Law giving rise to such costs or losses and of the Lender's intention to claim compensation under this Section; provided, however, that if the change giving rise to such increased costs or reductions is retroactive, then such six-month period shall be extended to include the period of such retroactive effect.

Section 6.6 Automatic Put. On the Put Date, the Series 2023 Bond is subject to automatic mandatory tender by the Lender for purchase by the Borrower, provided, that the Lender may give written notice to the Borrower not later than 180 days before the Put Date that the Lender has elected, in its sole discretion, to extend the Put Date to a date determined by the Lender and specified in such notice (the "Put Extension Notice"), which Put Extension Notice shall specify the terms (including, without limitation, an alteration in the interest rate and/or the principal

repayment schedule) that shall apply to the Series 2023 Bond after the Put Date. If the Lender and the Borrower agree to such specified terms, the Series 2023 Bond, this Agreement and any other applicable documents shall be amended appropriately to reflect such terms and the Borrower shall cause to be delivered to the Lender a written opinion of Bond Counsel acceptable to the Lender. If the Lender does not give the Put Extension Notice the Series 2023 Bond will remain subject to the automatic mandatory tender on the Put Date. On such Put Date, the Borrower shall pay or cause the payment from available funds the purchase price of the Series 2023 Bond, which shall be the aggregate unpaid principal amount thereof, without a premium, plus accrued and unpaid interest to such Put Date, in accordance with Article X hereof. Failure of the Borrower to provide for the payment in full of the Series 2023 Bond on such date shall constitute an Event of Default hereunder.

ARTICLE VII SPECIAL COVENANTS

Section 7.1 Maintenance and Modifications by the Borrower. The Borrower shall, at its own expense, keep the Facilities in as reasonably safe condition as its operations shall permit and keep the Facilities in good repair and operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs, renewals and replacements. The Borrower may, at its own expense, make any additions, modifications or improvements to the Facilities that it deems desirable.

Section 7.2 Taxes, Charges and Liens. The Borrower (a) shall pay, as the same become due, all taxes and governmental charges of any kind whatsoever lawfully assessed, levied or imposed with respect to payments under this Agreement, the Facilities or any machinery, equipment or other property installed or brought by the Borrower thereon, and (b) shall pay as the same become due all utility and other charges incurred in the operation, maintenance, use and occupancy of the Facilities and all assessments and charges lawfully made by a governmental body for public improvements to the Facilities. The Borrower may, however, contest in good faith any such tax, assessment or charge after giving the Lender ten days' advance notice of such contest, in which event the Borrower may permit such tax, charge or assessment to remain unpaid, or such lien to remain unsatisfied and undischarged, during the period of such contest and any appeal therefrom, provided such proceedings have the effect of preventing forfeiture or sale of the property or asset subject to such tax, assessment or charge and against which adequate reserves have been set aside for the payment thereof in the event the Borrower loses such contest.

Section 7.3 Insurance. The Borrower shall maintain, or cause to be maintained insurance in accordance with the Master Indenture.

Section 7.4 Cure by Authority or the Lender. If the Borrower shall fail to make any payment or perform any act required of the Borrower hereunder, the Authority or the Lender, without prior notice to or demand upon the Borrower and without releasing any obligation or waiving any default, may (but shall be under no obligation to) make such payment or perform such act. All amounts so paid by the Authority or the Lender and all costs, fees and expenses so incurred, including reasonable counsel fees, shall be immediately due and payable by the Borrower as an

additional obligation under this Agreement, together with interest thereon at the Taxable Adjusted SOFR Rate, to the extent permitted by law.

Section 7.5 Use of Facilities. The Borrower shall obtain and maintain all necessary permits and approvals for the operation and maintenance of the Facilities and shall comply with all lawful requirements of any governmental body regarding the use or condition of the Facilities, whether now existing or later enacted or foreseen or unforeseen or whether involving any change in governmental policy or requiring structural or other changes to the Facilities and irrespective of the cost of making the same. Upon request by the Lender, the Borrower shall furnish to the Lender evidence of the Borrower's compliance with the requirements of the preceding sentence. The Borrower shall use the portion of the Facilities the acquisition, renovation or construction of which is financed and/or refinanced, in whole or in part, from the proceeds of the Series 2023 Bond for the purposes contemplated by the Authorizing Resolution until Payment of the Series 2023 Bond; provided that the Borrower may change the use of the Facilities, or cause such use to be changed, if the Borrower shall have first delivered to the Lender an opinion of Bond Counsel that such change in use will not adversely affect the exclusion of interest on the Series 2023 Bond from gross income for federal income tax purposes.

Section 7.6 Indemnification.

(a) The Borrower shall (i) protect, indemnify and save harmless the Authority, the Lender and their respective officers, directors, employees and agents, the Authority's counsel, and any person who "controls" within the meaning of Section 15 of the Securities Act of 1933, as amended, or Section 20(a) of the Securities Exchange Act of 1934, as amended, the Authority or the Lender (collectively, the "Indemnified Parties"), from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including, without limitation, attorneys' fees and expenses and settlement amounts) imposed upon or incurred by or asserted against any Indemnified Party on account of or related to (A) any failure of the Borrower to comply with any of the terms, warranties, covenants or representations in the Financing Instruments, or (B) any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Facilities or the use thereof; and (ii) at all times protect, indemnify and save harmless the Indemnified Parties from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including without limitation, attorneys' fees and expenses and settlement amounts) imposed upon or incurred by or asserted against the Indemnified Parties on account of or related to (A) the initial sale, issuance or offering for sale of the Series 2023 Bond or (B) any action related to the acts, representations, covenants, obligations or other matters contemplated by, required by or related to the Financing Instruments; provided that such indemnity shall be effective only to the extent of any loss that may be sustained by an Indemnified Party in excess of the proceeds received by it from any insurance carried with respect to such loss and provided further that the benefits of this Section shall not inure to any person other than the Indemnified Parties. Nothing contained herein shall require the Borrower to indemnify the Authority for any claim or liability resulting from its gross negligence or its willful, wrongful acts or any other Indemnified Party for any claim or liability resulting from its or his gross negligence or willful, wanton acts.

(b) The Borrower shall also indemnify and hold harmless the Indemnified Parties against any and all losses, claims, damages or liabilities caused by any untrue statement or

alleged untrue statement of a material fact contained in information submitted by the Borrower to the Authority or to the Lender with respect to the initial issuance and purchase of the Series 2023 Bond or caused by any omission or alleged omission of any material fact necessary to be stated therein in order to make such statements to the Authority and the Lender not misleading or incomplete.

(c) If any action is brought against any Indemnified Party in respect of which indemnity may be sought from the Borrower under subsection (a) or (b) above, such Indemnified Party shall promptly notify the Borrower in writing, and the Borrower shall assume the defense thereof, including the employment of counsel, the payment of all expenses and the right to negotiate and consent to settlement. Each Indemnified Party has the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel will be at the expense of such Indemnified Party unless the employment of such counsel has been specifically authorized by the Borrower. The Borrower will not be liable for any settlement of any such action made without its consent, but if such action is settled with the consent of the Borrower or if there be a final judgment for the plaintiff in such action, the Borrower shall indemnify and hold harmless the Indemnified Parties from and against any loss or liability by reason of such settlement or judgment.

(d) The obligations of the Borrower under this Section shall survive Payment of the Series 2023 Bond. All references in this Section to any Indemnified Party shall include its members, directors, officers, employees and agents.

Section 7.7 Tax Exemption for Bond.

(a) Neither the Authority nor the Borrower shall cause any proceeds of the Series 2023 Bond to be expended except pursuant to this Agreement. The Borrower shall not (i) permit the proceeds of the Series 2023 Bond to be expended in any way that would result in (A) more than 5% of the proceeds of the Series 2023 Bond being used (directly or indirectly) in one or more Trades or Businesses of one or more persons other than 501(c)(3) Organizations or in one or more Unrelated Trades or Businesses, (B) more than 5% of the proceeds of the Series 2023 Bond being used (directly or indirectly) to make or finance loans to one or more persons other than 501(c)(3) Organizations or to one or more 501(c)(3) Organizations with respect to one or more Unrelated Trades or Businesses, or (C) Costs of Issuance in excess of 2% of the aggregate proceeds of the Series 2023 Bond being financed from the proceeds from the sale of such bonds, or (ii) take or omit to take any other action with respect to the use of such proceeds if the taking of or omission to take such action would result in interest on the Series 2023 Bond being includable, in whole or in part, in the gross income of the owner of the Series 2023 Bond for federal income tax purposes under Section 103 of the Code. The Borrower shall not take or omit to take any action if the taking of or omission to take such action would cause such interest to be so includable. All property which is provided by the proceeds of the Series 2023 Bond shall be owned by the Borrower at all times.

(b) The Borrower shall not (A) take or omit to take any action, or make or approve any investment or use of any proceeds of the Series 2023 Bond or any other moneys or the taking or omission of any other action, which would cause the Series 2023 Bond to be an arbitrage bond within the meaning of Section 148 of the Code, or (B) approve the use of any proceeds from the sale of the Series 2023 Bond otherwise than in accordance with the Authority's

"non-arbitrage" certificate given at the issuance of the Series 2023 Bond barring any unforeseen circumstances, in which event the Borrower shall use such proceeds with due diligence and shall comply with such certificate to the extent feasible. Without limiting the generality of the foregoing, the Borrower shall at its sole expense take all action required under Sections 145 and 148 of the Code and regulations thereunder to prevent loss of the exclusion from gross income for federal income tax purposes of interest on the Series 2023 Bond under such sections.

(c) The Borrower shall (i) take all such actions as may be necessary to cause the Borrower to continue to be a 501(c)(3) Organization which is not a private foundation (within the meaning of Section 509(a) of the Code), and (ii) not take any action which might cause the Borrower to cease to be such a 501(c)(3) Organization. The Borrower shall file in a timely manner all reports and other documents which are required to be filed with any governmental body (A) by such a 501(c)(3) Organization or (B) in order to remain such a 501(c)(3) Organization.

(d) The Borrower and the Authority (at the request and expense of the Borrower) shall file any reports or statements and take such other action as may be required from time to time to cause the Series 2023 Bond to be and remain a qualified 501(c)(3) bond within the meaning of Section 145 of the Code.

Section 7.8 Certificate as to No Default. The Borrower shall deliver to the Lender and the Authority concurrently with the delivery of each of the annual financial statements required in Section 7.10, the certificate of an Authorized Representative stating that, during the period covered by such financial statements and as of the date of such certificate, no event or condition has occurred or existed, or is occurring or existing, that constitutes or that, with notice or lapse of time or both, would constitute an Event of Default, or if such an event or condition has occurred or existed, or is occurring or existing, specifying the nature and period of such event or condition and what action the Borrower has taken, is taking or proposes to take with respect thereto. The Borrower shall promptly notify the Lender at any time the Borrower becomes aware of any event or condition described in the preceding sentence.

Section 7.9 References to Bond Ineffective after Bond Paid. Upon Payment of the Series 2023 Bond, all references in this Agreement to the Series 2023 Bond shall be ineffective, and the Authority and the Lender shall thereafter have no rights hereunder, except as explicitly provided herein.

Section 7.10 Financial Records and Statements.

(a) **To be updated with final reporting requirements from Master Indenture**

(b) Promptly upon becoming aware thereof, the Borrower shall provide the Lender with written notice of any change in the information provided in the Beneficial Ownership Certification of the Borrower that would result in a change to the list of beneficial owners identified in such certification.

(c) Promptly upon becoming aware thereof, the Borrower will provide the Lender with written notice of the commencement or existence of any proceeding against the Borrower by or before any court or governmental agency that might, in the reasonable judgment of the Borrower, result in a material adverse effect on the business, operations or financial

condition of the or the ability of the Obligated Group to perform its obligations under this Agreement and the other Financing Instruments.

(d) The Borrower shall provide the Lender with such additional financial information and operating data as the Lender may reasonably request from time to time.

Section 7.11 Proof of Payment of Taxes and Other Charges. The Borrower shall upon request furnish the Authority or the Lender proof of payment of any taxes, governmental charges, utility charges, insurance premiums or other charges required to be paid by the Borrower under this Agreement.

Section 7.12 Inspection and Right of Access. The Lender, the Authority and their duly authorized agents shall have the right at all reasonable times and upon reasonable notice to enter upon and inspect any part of the Facilities and to examine, inspect and make copies of the books, records and accounts of the Borrower insofar as such books, records and accounts relate to the Facilities, other than confidential medical or personnel records.

Section 7.13 Depository Relationship. As long as the Series 2023 Bond remains outstanding, the Borrower shall maintain its primary banking relationship (including without limitation primary deposit accounts, purchase/corporate card and investment management and services) with the Bank; provided, however, that the Bank's banking services and the corresponding fee's, charges or prices for such services are reasonably responsive and priced.

Section 7.14 Cross-Default Covenant. The Borrower shall not fail to pay when due any principal of or interest on any of the other Indebtedness of the Borrower which failure shall continue beyond the grace period, if any, applicable thereto, and, further, shall not allow a default to occur under any agreement or instrument evidencing or under which the Borrower has outstanding at the time any Indebtedness and such default shall continue beyond the grace period, if any, applicable thereto, if the effect of such failure or default is to accelerate, or cause the sending of notice of acceleration of, the maturity of such Indebtedness, or a portion thereof, except in any such case where:

(a) any such payment or default is being disputed diligently by appropriate action in good faith on the basis of legal advice and no final court order has been made against the Borrower to make payment or such payment is not made when due by reason only of administrative error and, in either case, the Borrower demonstrates to the reasonable satisfaction of the Lender that it has sufficient funds to effect such payment at any time; or

(b) such payment was not effected due to technical problems and the prospective recipient of such funds has taken no steps and waived its rights to demand or enforce payment thereof following receipt of the Borrower's explanation for the delay.

Section 7.15 Incorporation of Master Indenture. All covenants made by the Members of the Obligated Group contained in the Master Indenture as of the date hereof are hereby incorporated by reference into this Agreement as covenants as if set forth herein in their entirety, together with any definitions necessary to give such provisions and sections their full meanings. Regardless of whether the Master Indenture is amended, discharged, defeased or terminated, the Borrower acknowledges that all such covenants run to the benefit of and are enforceable by the

Lender and the Master Trustee, as applicable, at all times while this Agreement remains in effect and while the Series 2023 Bond is outstanding.

Section 7.16 Compliance with Laws. The Borrower will (a) comply with all laws, rules, regulations and requirements of any Governmental Authority applicable to its business and properties, including without limitation, all Environmental Laws, ERISA and OSHA, except where the failure to do so, either individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, and (b) use and keep the Facilities, and will require that others use and keep the Facilities, only for lawful purposes, without violation of any federal, state or local law, statute or ordinance. The Borrower shall secure and maintain all permits and licenses, if any, necessary for the operation of the Facilities. The Borrower shall comply in all respects with all laws of the jurisdictions in which its operations involving any component of Facilities may extend and of any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the items of the Facilities or its interest or rights under this Agreement and the other Financing Instruments.

Section 7.17 Permitted Liens. The Borrower will not create or suffer to be created or permit the existence of any Lien upon Pledged Assets, Mortgaged Premises or any other Property now owned or hereafter acquired by it other than Permitted Liens.

Section 7.18 Limitations on Incurrence of Indebtedness. The Borrower shall not and shall cause each Member of the Obligated Group to not incur any Indebtedness except in accordance with the Master Indenture.

Section 7.19 Long-Term Debt Service Coverage Ratio. (a) The Borrower shall set rates and collect charges for its facilities, services and products, without considering any forecasted capital gains or losses, such that the Long-Term Debt Service Coverage Ratio, calculated at the end of each Fiscal Year, beginning Fiscal Year ending May 31, 2022, will not be less than 1.20; provided, however, that in any case where Long-Term Indebtedness has been incurred to acquire or construct capital improvements, that include living units or beds, such Long-Term Indebtedness, shall not be taken into account in making the foregoing calculation until the earlier to occur of (1) the first full Fiscal Year next succeeding the date on which the occupancy of living units or beds in such capital improvements is expected to reach 85% and (2) the first full Fiscal Year following the Fiscal Year in which occurs that date that is 18 months from the date such capital improvements were completed.

(b) (i) If for any Fiscal Year (beginning in the Fiscal Year ending May 31, 2022) the Long-Term Debt Service Coverage Ratio is less than 1.20 but not below 1.00 (calculated as set forth in subsection (a)) and the Days' Cash on Hand is greater than 300, then the Borrower shall within 30 days following the calculation, retain a Consultant to make recommendations to increase such Long-Term Debt Service Coverage Ratio in the following Fiscal Year to 1.20. Within 60 days of retaining such Consultant, the Group Representative shall file the Consultant's report and recommendations with the Lender. So long as the Borrower shall follow such Consultant's recommendations to the extent permitted by law, the covenant contained in Section 7.19(a) shall be deemed to have been met.

(ii) If a report of a Consultant is delivered to the Lender, which report shall state that governmental restrictions have been imposed which make it impossible for the coverage requirements in subsection (a) hereof to be met, then such coverage requirement shall be reduced to the maximum coverage permitted by such governmental restrictions but in no event shall the Long-Term Debt Service Coverage Ratio be less than 1.00.

(iii) This section shall not be construed to (1) limit the right of the Members to establish and implement policies for the admission of residents to the Facilities, (2) prohibit the Members from providing services without charge or at reduced rates to persons unable to pay in whole or in part if reasonably deemed necessary by the Members to retain its tax-exempt status under applicable law or to comply with any applicable requirements of law then in effect, or (3) limit the ability of Members to grant fellowships to residents from funds received from non-recurring revenue sources designated specifically for such purpose.

(c) If for any Fiscal Year the Long-Term Debt Service Coverage Ratio (calculated as set forth in subsection (a)) is less than 1.20 and the Days' Cash on Hand is equal to or less than 300, an Event of Default shall have occurred hereunder.

(d) If for any Fiscal Year the Long-Term Debt Service Coverage Ratio is less than 1.00 as of the end of each Fiscal Year, an Event of Default shall have occurred hereunder.

Section 7.20 Liquidity Covenant. (a) (i) The Borrower covenants that it will calculate the Days' Cash on Hand of the Obligated Group as of each Liquidity Testing Date. If for any Liquidity Testing Date, Days' Cash on Hand is less than 150 but not below 120, then the Borrower shall within 30 days following the calculation, retain a Consultant to make recommendations to increase Days' Cash on Hand as of the next Liquidity Testing Date to 150. Within 60 days of retaining such Consultant, the Group Representative shall file the Consultant's report and recommendations with the Lender. So long as the Borrower shall follow such Consultant's recommendations to the extent permitted by law, the covenant contained in Section 7.20(a) shall be deemed to have been met.

(ii) If a report of a Consultant is delivered to the Lender, which report shall state that governmental restrictions have been imposed which make it impossible for the coverage requirements in subsection (a) hereof to be met, then such liquidity requirement shall be reduced to the maximum liquidity requirement permitted by such governmental restrictions.

(iii) This section shall not be construed to (1) limit the right of the Members to establish and implement policies for the admission of residents to the Facilities, (2) prohibit the Members from providing services without charge or at reduced rates to persons unable to pay in whole or in part if reasonably deemed necessary by the Members to retain its tax-exempt status under applicable law or to comply with any applicable requirements of law then in effect, or (3) limit the ability of Members to grant fellowships to residents from funds received from non-recurring revenue sources designated specifically for such purpose.

(b) If for any Liquidity Testing Date, the Days' Cash on Hand is less than 120 as of the Liquidity Testing Date, and Event of Default shall have occurred hereunder.

Section 7.21 More Favorable Terms and Conditions. If, subsequent to the Issuance Date, the Borrower enter into any credit agreement, liquidity agreement, standby bond purchase agreement, reimbursement agreement, direct purchase agreement (such as a continuing covenant agreement or supplemental bondholder's agreement), bond purchase agreement or other agreement or instrument relating to any Indebtedness (any such agreement or instrument being referred to herein as a "Credit Agreement"), or enters into any amendment or supplement to an existing Credit Agreement, in either case which (i) includes covenants not included in this Agreement or covenants that are more restrictive as to the Borrower than those contained in this Agreement, or (ii) provides additional events of default or greater rights or remedies than those contained in this Agreement or otherwise available to the Lender pursuant to the Financing Instruments, then the Borrower shall promptly notify the Lender of such Credit Agreement (or such amendment or supplement) and such additional or more restrictive covenants, additional events of default or greater rights and remedies (or both) shall automatically be deemed to be incorporated into this Agreement and the Lender shall have the benefits thereof as if specifically set forth herein. Promptly upon request of the Lender, the Borrower shall execute and deliver such document or instrument (which may include an amendment to this Agreement specifying such additional or more restrictive covenants, additional events of default or greater rights and remedies (or both)) as the Lender may reasonably require in order to confirm or carry out the provisions of this Section.

Section 7.22 Loans by the Borrower. The Borrower shall not make any loans under Section 3.09 of the Master Indenture unless at the time and after giving effect thereto the Borrower has at least 400 Days' Cash on Hand.

ARTICLE VIII

(a) If before Payment of the Series 2023 Bond any part of the Facilities is damaged or destroyed by fire or other casualty, condemned or lost because of failure of title, the Borrower shall give prompt notice to the Master Trustee and the Lender and shall cause the Net Proceeds received by it on account of any such damage, destruction or condemnation to be to be applied as determined by the Borrower subject, however to the other conditions and requirements of this Section 8.2 (i) to the prepayment of the obligations secured under the Master Indenture in

accordance with the Master Indenture, (ii) to payment of the cost of the replacement, repair, rebuilding or restoration, either on completion thereof or as the work progresses, of the Facilities to substantially the same condition as prior to such damage, destruction, condemnation or loss of title, with such alterations and additions as the Borrower may determine and as will not impair the capacity or character of the Facilities for the purpose for which such are then being used or are intended to be used, or (iii) with the approval of the Lender, to the construction, renovation and equipping of a facility comparable in capacity and purposes to the Facilities on a site chosen by the Borrower and approved by the Lender. Subsections (a)(ii) and (a)(iii) above are subject to the restrictions of Section 3.05 of the Master Indenture. In the event of any such damage, destruction or loss of title, the Lender may (but shall be under no obligation to) make proof of loss to any insurance company if not promptly made by the Borrower.

The Borrower will not by reason of the payment of such excess cost be entitled to any interest other than its interest under this Agreement or to any reimbursement from the Authority or the Lender or to any abatement or diminution of the payments required hereunder or under the Series 2023 Note.

(b) Failure of the Borrower to observe or perform any of its other covenants, conditions or agreements hereunder, which does not constitute an Event of Default under any other provision of this Section 9.1, for a period of 30 days after notice (unless the Borrower and the Lender shall agree in writing to an extension of such time prior to its expiration) specifying such failure and requesting that it be remedied, given by the Lender to the Borrower, or in the case of any such default that can be cured but cannot with due diligence be cured within such 30-day period, failure of the Borrower to proceed promptly to cure the same and thereafter prosecute the

(h) An Event of Default shall occur under any of the other Financing Instruments, which is not otherwise an Event of Default hereunder.

(i) Any event which could reasonably be expected to result in a Material Adverse Effect shall occur.

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or under the Series 2023 Bond or the Series 2023 Note or to enforce observance or performance of any covenant, condition or agreement of the Borrower under the Financing Instruments.

Any balance of the moneys collected pursuant to action taken under this Section remaining after payment of all costs and expenses of collection and amounts due hereunder shall be paid to the Lender and applied toward the making of Required Payments then due and payable, provided that after Payment of the Series 2023 Bond and payment of all other sums required by applicable law any such balance shall be paid to the Borrower.

Section 9.3 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lender is intended to be exclusive of any other remedy, and every remedy shall be cumulative and in addition to every other remedy herein or now or hereafter existing at law, in equity or by statute. Section 9.4 Counsel Fees and Other Expenses. The Borrower shall on demand pay to the Authority and the Lender the reasonable counsel fees and other reasonable expenses incurred by either of them in the collection of payments hereunder or the enforcement of any other obligation of the Borrower upon an Event of Default. Further, the Borrower's obligation to pay the expenses of the Authority, the Lender, or any other expenses (including those of the Master Trustee) because of the occurrence of an Event of Default shall survive Payment of the Series 2023 Bond.

Section 9.5 No Additional Waiver Implied by One Waiver. If any party or its assignee waives a default by any other party under any covenant, condition or agreement herein, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.6 Set-Off. (a) Subject to paragraph (b) below, the Borrower hereby grant to the Lender a right of setoff as security for obligations under this Agreement and the Series 2023 Bond, whether now existing or hereafter arising, upon and against all deposits, credits, collateral and property now or hereafter in the possession, custody, safekeeping or control of the Lender or any affiliate of the Lender or any entity under common Control with the Lender, or in transit to any of them. At any time after the occurrence of and during the continuance of an Event of Default, without further demand or notice, the Lender may setoff the same or any part thereof and apply the same to any obligations under this Agreement and the Series 2023 Bond, even though unmatured and regardless of the adequacy of any other collateral securing the Series 2023 Bond.

(b) The Lender's rights under Section 6.2(c) and the foregoing provisions of this Section to setoff or otherwise apply against any obligations under this Agreement and the Series 2023 Bond any deposits, credits, collateral and property of the Borrower shall be subject to any restrictions or requirements set forth in the documents securing any Obligation, that apply to the Lender as the holder of the Series 2023 Note. The Lender agrees to pay amounts over to the Master Trustee to the extent the Lender receives more than other holders of any Obligations on a pro rata basis as a result of its rights under Section 6.2(c) or this Section.

ARTICLE X PREPAYMENT

Section 10.1 Option to Prepay. (a) The Series 2023 Bond may be prepaid at the option of the Authority (at the direction of the Borrower) according to its terms. Whenever the Borrower shall direct the Authority to make a prepayment of the Series 2023 Bond, the Borrower shall prepay its obligations under this Agreement and the Series 2023 Note by making such prepayment for the account of the Authority. Such prepayment of the Borrower's obligations hereunder and under the Series 2023 Note shall be deemed prepayment of the Series 2023 Bond in the same amount. Prepayment of the Series 2023 Bond in full shall discharge the Borrower from its obligations under this Agreement and the Series 2023 Note (other than obligations which survive Payment of the Series 2023 Bond), but only if such prepayment shall constitute Payment of the Series 2023 Bond.

(b) Any partial prepayment shall be credited first to any unpaid interest accrued on the Series 2023 Bond and then to principal installments on the Series 2023 Bond as directed by the Borrower.

Section 10.2 Ability of the Borrower to Terminate. If the Series 2023 Bond is not delivered, or if the Borrower desires to have the Authority not deliver the Series 2023 Bond because a Change in Law or other circumstances makes delivery of the Series 2023 Bond impossible or impracticable, the Borrower (in either event) shall provide written notice to the Authority and the Lender that it desires to terminate this Agreement. If the Borrower provides notice of its desire to terminate this Agreement as described in the preceding sentence, this

Agreement shall terminate as of the date of the Borrower's notice and the parties shall have no further obligations to each other under this Agreement, except for those that explicitly would survive Payment of the Series 2023 Bond.

ARTICLE XI MISCELLANEOUS

Section 11.1 Term of Agreement. This Agreement shall be effective upon execution and delivery hereof. Subject to earlier satisfaction upon prepayment of all of the Borrower's obligations hereunder pursuant to Article X and the making in full of all other Required Payments due and payable at the date of such prepayment and subject to any provisions hereof which survive Payment of the Series 2023 Bond, the Borrower's obligations hereunder shall expire on the date provided in the Series 2023 Bond for the final payment of principal and all accrued interest thereon, or if all Required Payments have not been made on such date, when all Required Payments shall have been made.

Section 11.2 Successors and Assigns. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns. No assignment by the Borrower shall relieve the Borrower of its obligations hereunder. The Lender may, from time to time, sell or offer to sell the Series 2023 Bond or interests therein to one or more assignees or participants, and is hereby authorized to disseminate any information it has pertaining to the Series 2023 Bond, including, without limitation, credit information on the Borrower, to any such assignee or participant or prospective assignee or prospective participant, and to the extent, if any, specified in any such assignment or participation, such assignee(s) or participant(s) shall have the same rights and benefits with respect to this Agreement and the Series 2023 Bond as such Person(s) would have if such Person(s) were the Lender hereunder. The Lender shall provide prior written notice to the Borrower of any assignment or participation. The Lender shall not sell, transfer, assign or participate any interest in this Agreement or the Series 2023 Bond to any person other than a Qualified Buyer.

Section 11.3 Limitation of Authority's Liability. (a) To the extent permitted by law, no recourse shall be had for the enforcement of any obligation, promise or agreement of the Authority contained herein or in the other Financing Documents to which the Authority is a party or for any claim based hereon or thereon or otherwise in respect hereof or thereof against any director, officer, agent, attorney or employee, as such, in his or her individual capacity, past, present or future, of the Authority or of any successor entity, either directly or through the Authority or any successor entity whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise. No personal liability whatsoever shall attach to, or be incurred by, any director, officer, agent, attorney or employee as such, past, present or future, of the Authority or any successor entity, either directly or through the Authority or any successor entity, under or by reason of any of the obligations, promises or agreements entered into between the Authority and the Borrower or the Lender, whether herein contained or to be implied herefrom as being supplemental hereto; and all personal liability of that character against every such director, officer, agent, attorney and employee is, by the execution of this Agreement and as a condition of, and as part of the consideration for, the execution of this Agreement, expressly waived and released.

(b) No provision hereof shall be construed to impose a charge against the general credit of the Authority or any personal or pecuniary liability upon any past, present or future director, officer, employee or agent of the Authority. No director, officer, agent or employee of the Authority shall incur any personal liability in acting or proceeding or in not acting or not proceeding in accordance with the terms of this Agreement, nor will any such person executing the Series 2023 Bond be liable personally on the Series 2023 Bond by reason of the issuance thereof.

(c) Notwithstanding any other provision of this Agreement the Authority shall not be liable to the Borrower, the Lender or any other Person for any failure of the Authority to take action under this Agreement unless the Authority (i) is requested in writing by an appropriate Person to take such action, (ii) is assured of payment of or reimbursement for any expense in such action, and (iii) is afforded, under the existing circumstances, a reasonable period to take such action, and except with respect to any action for specific performance or any action in the nature of a prohibitory or mandatory injunction, neither the Authority nor any director of the Authority nor any other official, employee or agent of the Authority shall be liable to the Borrower, the Lender or any other Person for any action taken by the Authority or by its directors, officers, servants, agents or employees, or for any failure to take action under this Agreement or the other Financing Documents to which the Authority is a party. In acting under this Agreement, or in refraining from acting under this Agreement, the Authority may conclusively rely on the advice of its counsel.

(d) THE OBLIGATIONS OF THE AUTHORITY UNDER THE FINANCING INSTRUMENTS TO WHICH IT IS A PARTY ARE NOT GENERAL OBLIGATIONS OF THE AUTHORITY BUT ARE LIMITED OBLIGATIONS PAYABLE SOLELY FROM THE REVENUES AND RECEIPTS DERIVED BY THE AUTHORITY FROM THE LOAN OF THE PROCEEDS OF THE SERIES 2023 BOND PURSUANT TO THIS AGREEMENT, INCLUDING PAYMENTS RECEIVED UNDER THE SERIES 2023 NOTE, WHICH REVENUES AND RECEIPTS HAVE BEEN PLEDGED AND ASSIGNED TO SUCH PURPOSES. THE OBLIGATIONS OF THE AUTHORITY HEREUNDER SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR A PLEDGE OF THE FAITH AND CREDIT OF THE COMMONWEALTH OF VIRGINIA OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE AUTHORITY AND JAMES CITY COUNTY, VIRGINIA. NEITHER THE COMMONWEALTH OF VIRGINIA NOR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE AUTHORITY AND JAMES CITY COUNTY, VIRGINIA, SHALL BE OBLIGATED TO PAY THE OBLIGATIONS HEREUNDER OR OTHER COSTS INCIDENT THERETO EXCEPT FROM THE REVENUES, RECEIPTS AND PAYMENTS PLEDGED THEREFOR, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE COMMONWEALTH OF VIRGINIA OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE AUTHORITY AND JAMES CITY COUNTY, VIRGINIA, IS PLEDGED TO THE PAYMENT OF THE OBLIGATIONS HEREUNDER. THE AUTHORITY HAS NO TAXING POWER.

Section 11.4 Reports. In order that the Authority may comply with the provisions of the Virginia Code regarding the filing of annual reports with the Secretary of the Commonwealth of Virginia, the Borrower (if requested by the Authority) shall furnish, or shall cause the Lender to furnish, to the Authority no later than April 1 of each year a statement setting forth (a) the

outstanding principal balance on the Series 2023 Bond as of the date of such statement, and (b) whether payments due under the Series 2023 Bond are current. In order that the Authority may comply with the provisions of the Virginia Code requiring an annual audit of the Authority's records, the Lender (if requested by the Authority) shall furnish to the Authority, at the expense of the Borrower, such additional information with respect to the Series 2023 Bond as the Authority or its auditors may reasonably request.

Section 11.5 Registration of the Series 2023 Bond. The Series 2023 Bond shall be issued in registered form without coupons, payable to the registered owner or registered assigns. The Secretary of the Authority shall keep books for the registration of transfer of the Series 2023 Bond as the Series 2023 Bond registrar. The transfer of the Series 2023 Bond may be registered only upon an assignment executed by the registered owner in such form as shall be satisfactory to the Borrower and the Authority, such registration to be made on the registration books and endorsed on the Series 2023 Bond by the Lender. The person in whose name the Series 2023 Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of and interest and any other payment on the Series 2023 Bond shall be made only to or upon the order of the registered owner thereof or his legal representative.

Section 11.6 Severability. If any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 11.7 Applicable Law; Entire Understanding. This Agreement shall be governed by the applicable laws of the State. The Financing Instruments express the entire understanding and all agreements between the parties and may not be modified except in a writing signed by the parties. No Financing Instrument may be modified before Payment of the Series 2023 Bond without the consent of the Lender and the Borrower. The Lender and the Borrower may, without the consent of the Authority, amend any of the provisions of Article VII, other than those contained in Sections 7.5, 7.6, 7.7, 7.9 and 7.12.

Section 11.8 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original, and all of which together shall constitute but one and the same instrument.

Section 11.9 Notices. Section 11.10 Other Agreements. To the extent that the execution and delivery of any Financing Instrument by the Borrower, or the performance of its obligations thereunder, would constitute a violation of or default under any other agreement to which the Lender and the Borrower are parties, such other agreement is hereby amended to permit such execution and delivery or such performance, as the case may be, and any default under such agreement resulting from such execution and delivery or such performance is hereby waived.

Section 11.11 No Advisory or Fiduciary Relationship. In connection with all aspects of each transaction contemplated hereunder (including in connection with any amendment, waiver or other modification hereof or of any other Financing Instruments), the Borrower and the Authority each acknowledge and agree, that: (a)(i) the Borrower and the Authority has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, (ii) the Borrower and the Authority are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Financing Instruments, (iii) the Lender is not acting as a municipal advisor or financial advisor to the Borrower or the Authority and (iv) the Lender has no fiduciary duty pursuant to Section 15B of the Securities Exchange Act to the Borrower or the Authority with respect to the transactions contemplated hereby and the discussions, undertaking and procedures leading thereto (irrespective of whether the Lender has provided other services or is currently providing other services to the Borrower or Authority on other matters); (b)(i) the Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary, for the Borrower or any Authority, or any other Person and (ii) the Lender has no obligation to the Borrower or Authority, with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Financing

Instruments; and (c) the Lender may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and Authority, and the Lender has no obligation to disclose any of such interests to the Borrower or Authority. To the fullest extent permitted by law, the Borrower and Authority hereby waive and release any claims that either may have against the Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby. If the Borrower or Authority would like a municipal advisor in this transaction that has legal fiduciary duties to the Borrower or Authority, the Borrower or Authority are free to engage a municipal advisor to serve in that capacity. The Financing Instruments are entered into pursuant to and in reliance upon the bank exemption and/or the institutional buyer exemption provided under the municipal advisor rules of the Securities and Exchange Commission, Rule 15Ba1-1 et seq., to the extent that such rules apply to the transactions contemplated hereunder.

Section 11.12 Permission to Use Information. The Borrower agrees and consents that the Lender shall be permitted to use information related to the loan transaction in connection with marketing, press releases or other transactional announcements or updates provided to investors or trade publications, including, but not limited to, the placement of the logo or other identifying name on marketing materials or of "tombstone" advertisements in publications of its choice as its own expense.

Section 11.14 Waiver of Jury Trial. THE BORROWER AND THE LENDER HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY, AND IRREVOCABLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE RIGHT EITHER OF THEM MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION, WHETHER IN CONTRACT OR TORT OR OTHERWISE, AT LAW OR IN EQUITY, BASED HEREON OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THE SERIES 2023 NOTE AND ANY OTHER DOCUMENT OR INSTRUMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION WITH THE SERIES 2023 NOTE, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE LENDER ENTERING INTO OR ACCEPTING THE SERIES 2023 NOTE. FURTHER, BORROWER HEREBY CERTIFIES THAT NO REPRESENTATIVE OR AGENT OF THE LENDER, NOR THE LENDER'S COUNSEL, HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUNTRUST WOULD NOT, IN THE EVENT OF SUCH LITIGATION, SEEK TO ENFORCE THIS WAIVER OF RIGHT TO JURY TRIAL PROVISION.

Section 11.15 Waiver of Damages other than Direct or Actual. TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, THE BORROWER AND THE LENDER HEREBY IRREVOCABLY WAIVE (AND IRREVOCABLY AGREE NOT TO ASSERT) ANY CLAIM WHATSOEVER FOR SPECIAL, INDIRECT, INCIDENTAL, EXEMPLARY,

The Lender has purchased Series 2023 Bond for its own account as evidence of a commercial loan made in the ordinary course of its business and with no present intention of distributing or reselling the Series 2023 Bond or any part thereof, and further it is the Lender's present intention to hold the Series 2023 Bond to the stated tender date, or earlier redemption, but subject, nevertheless, to the disposition of the Series 2023 Bond being at all times within the control of the undersigned and that the Series 2023 Bond will not be sold in contravention of the Securities Exchange Act of 1934 or the Securities Act of 1933, as amended, as amended, or in contravention of the securities laws of any state.

**ECONOMIC DEVELOPMENT AUTHORITY OF JAMES CITY COUNTY,
VIRGINIA**

**Tax-Exempt Residential Care Facility Revenue Refunding Bond
(WindsorMeade),
Series 2023**

The Economic Development Authority of James City County, Virginia, a political subdivision of the Commonwealth of Virginia (the "Authority"), for value received, hereby promises to pay, solely from the source and as hereinafter provided, to the order of STI Institutional & Government, Inc. (together with any successor registered holder of this Bond, the "Lender"), at its principal office in Charlotte, North Carolina, or at such other place as the holder of this Bond may in writing designate, in lawful money of the United States of America, the principal amount of up to \$_____, together with interest on the outstanding and unpaid principal amount as set forth below.

This Bond is authorized and issued pursuant to Industrial Development and Revenue Bond Act, Chapter 49, Title 15.2, Code of Virginia of 1950, as amended (the "Act") and a Forward Delivery Bond Purchase and Loan Agreement dated as of August 1, 2021 (as altered, amended, modified or supplemented from time to time, the "Agreement"), among the Authority, Virginia United Methodist Homes of Williamsburg, Inc. (the "Borrower") and the Lender.

The proceeds of this Bond will be used, along with other available funds, to refund and redeem the Authority's Taxable Residential Care Facility Revenue Refunding Bond (WindsorMeade), Series 2021 (the "Series 2021 Bond").

The proceeds of the Series 2021 Bond were used to refund the outstanding portion of the Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013A (Senior) (the "Series 2013A Bonds"), the proceeds of which were used to assist the Borrower in proceeds of which were used to refinance prior bonds of the Authority that were issued to provide the initial financing for the Borrower's senior living community and to finance Costs of Issuance.

Reference is hereby made to the Agreement for a description of the provisions, among others, with respect to the nature and extent of the security for this Bond, additional amounts payable thereunder, the rights, duties and obligations of the Authority and the rights of the holder of this Bond with respect thereto. Each capitalized term used in this Bond has the meaning given to it in the Agreement, unless otherwise defined in this Bond.

The principal balance of this Bond shall be equal to the principal amount set forth above, less the aggregate amount of the payments and any prepayments of principal which may have been made on this Bond. No notation is required to be made on this Bond of the payment or prepayment of principal. HENCE, THE FACE AMOUNT OF THIS BOND MAY EXCEED THE PRINCIPAL SUM REMAINING OUTSTANDING AND DUE HEREUNDER.

On _____, 2023, and on the 1st day of each month thereafter to and including _____, 20__, the Authority shall pay an amount equal to accrued interest on the unpaid principal balance of this Bond. On _____, 2023, and on the 1st day of each month thereafter to and including _____, 20__, the Authority shall make payments of principal on this Bond in the amounts specified on Schedule 1 attached hereto. Subject to the prepayment provisions set forth in this Bond, principal and interest on this Bond shall be due and payable in full on _____, 20__. If any payment hereunder shall be due on a date which is not a Business Day, such payment shall be made on the next succeeding Business Day.

Interest on this Bond shall be calculated on the basis of a 360-day year and the actual number of days elapsed.

From the date hereof to the Taxable Date, if any, interest on this Bond shall be calculated based on the Adjusted SOFR Rate. Upon the occurrence of an Event of Taxability, then, from and after the Taxable Date, the interest rate used to calculate interest on this Bond shall be the Taxable Adjusted SOFR Rate. From and after the occurrence of an Event of Default, until such time as the Event of Default has been remedied or otherwise waived by the Lender, this Bond shall bear interest at the Default Rate.

If at any time after the date hereof there should be any change in the maximum marginal rate of federal income tax applicable to the taxable income of the Lender, its successors or assigns ("Lender Tax Rate"), then the Adjusted SOFR Rate in effect hereunder from time to time as herein provided, shall be adjusted by the Lender (upward or downward, as the case may be), effective as of the effective date of any such change in the Lender Tax Rate, by multiplying the Adjusted SOFR Rate by a fraction, the denominator of which is one hundred percent (100%) minus the Lender Tax Rate in effect upon the date hereof, and the numerator of which is one hundred percent (100%) minus the Lender Tax Rate after giving effect to such change.

In the event the Lender determines in its sole discretion on a particular date (the "Determination Date") that (i) Lender cannot make, fund, or maintain a loan based upon SOFR, for any reason, including without limitation illegality or the inability to ascertain or determine said rate on the basis provided for herein, and for any length of time (whether by virtue of a temporary unavailability or the cessation of the rate) or (ii) SOFR does not accurately reflect the Lender's cost of funds, then the Lender shall give notice to the Borrower of such determination and thereafter will have no obligation to make, fund or maintain a loan based on SOFR. Upon such

Determination Date, the reference to "Daily Simple SOFR" in the definitions of "Adjusted SOFR Rate" and "Taxable Adjusted SOFR Rate" shall be deemed and interpreted to mean the "Standard Rate" for purposes of any fundings or advances requested by Borrower and shall apply to any outstanding balance and, thereafter, the interest rate on the Bond shall adjust simultaneously with any fluctuation in the Standard Rate. The Spread and minimum fixed rates, if any, shall continue to apply. In the event Lender determines that the circumstances giving rise to a notice pursuant to this Section have ended, the Lender shall provide notice of same at which time the interest rate will revert to the prior rate based upon Daily Simple SOFR plus the Spread. No adjustment to the interest rate under this paragraph shall be effective until the Lender, the Borrower and the Authority receive an opinion of bond counsel satisfactory to each party regarding the change.

The Lender shall, if requested by the Borrower, have an attorney in fact, qualified to practice before the Internal Revenue Service, designated by the Borrower for the purpose of appealing or challenging any Event of Taxability; provided, however, the Borrower provide indemnity reasonably satisfactory to the Lender to indemnify it against any additional tax liability, penalties or interest that may result from any such appeal. All legal fees, costs and expenses of such appeal shall be paid by the Borrower. In the event a final judgment or order shall have been entered within 180 days of the Event of Taxability finding, as a final determination, that no Event of Taxability has indeed occurred, the Lender shall reimburse to the Borrower all supplemental interest that has been paid on this Bond, and no additional supplemental interest shall be payable unless and until an Event of Taxability shall subsequently occur. Notwithstanding anything in this subsection to the contrary, the right of the Borrower to challenge any Event of Taxability shall terminate if no such final judgment or order shall have been entered within 180 days after the occurrence of the Event of Taxability, unless the Lender shall otherwise agree, and after the expiration of such 180-day period without the entry of a final judgment or order, this Bond shall immediately bear interest at the Taxable Rate. In addition, unless the Borrower shall otherwise provide reasonable indemnification to the Lender, the right of the Borrower to challenge any Event of Taxability shall terminate if the exercise of such right would cause any tax return of the Lender to be inaccurate or would delay the timely filing thereof or would in the Lender's opinion result in an adverse impact on its tax returns.

"Adjusted SOFR Rate" means the variable annual interest rate equal to the sum obtained by adding (i) the product of (x) 79% and (y) Daily Simple SOFR plus the Spread, which shall be adjusted based on any changes in Daily Simple SOFR; provided however, the Adjusted SOFR Rate will in no instance exceed the maximum rate permitted by applicable law.

"Business Day" means a day other than a Saturday, Sunday, legal holiday or any other day when Lender is authorized or required by applicable law to be closed.

Any change in Daily Simple SOFR due to a change in SOFR shall be effective from and including the effective date of such change in SOFR without notice to the Borrower.

"Default Rate" shall mean the lesser of (i) the sum of the Prime Rate plus 300 basis points per annum and (ii) the maximum lawful rate.

"Federal Funds Rate" means, for any day, the rate per annum equal to the weighted average of the rates on overnight federal funds transactions with members of the Federal Reserve System, as published by the Federal Reserve Bank of New York on the Business Day next succeeding such day; provided, (a) if such day is not a Business Day, the Federal Funds Rate for such day shall be such rate on such transactions on the next preceding Business Day as so published on the next succeeding Business Day, and (b) if no such rate is so published on such next succeeding Business Day, the Federal Funds Rate for such day shall be the average of the quotations for such day on such transactions received by Truist Bank from three Federal funds brokers of recognized standing selected by Truist Bank.

"Prime Rate" means, for any day, a rate per annum equal to Truist Bank's announced Prime Rate, and shall change effective on the date any change in Truist Bank's Prime Rate is publicly announced as being effective; provided that if the Prime Rate would be less than zero percent (0%), then the Prime Rate shall be deemed to be zero percent (0%).

"SOFR" means, with respect to any Business Day, a rate per annum equal to the secured overnight financing rate (truncated at the 5th decimal place if necessary) for such Business Day published by the SOFR Administrator on the SOFR Administrator's Website, on the immediately preceding Business Day as quoted by Bloomberg Finance L.P., or any quoting service or commonly available source utilized by the Lender; provided that if SOFR would be less than zero percent (0%), then SOFR shall be deemed to be zero percent (0%).

"SOFR Administrator" means the Federal Reserve Bank of New York (or a successor administrator of the secured overnight financing rate).

"SOFR Administrator's Website" means the website of the Federal Reserve Bank of New York, currently at <http://www.newyorkfed.org>, or any successor source for the secured overnight financing rate identified as such by the SOFR Administrator from time to time.

"Spread" means (i) while this Bond accrues interest at the Adjusted SOFR Rate, 1.4062% per annum, and (ii) while the Bond accrues interest at the Taxable Adjusted SOFR Rate, 1.78% per annum.

"Standard Rate" means, for any day, the rate of interest per annum equal to the lesser of (i) the Federal Funds Rate plus 1.00% and (ii) the Prime Rate, provided that in no event will the Standard Rate ever be less than 0%. Each change in the Standard Rate shall be effective on the date any change in the Prime Rate is publicly announced as being effective, if applicable.

"Taxable Adjusted SOFR Rate" means the variable annual interest rate equal to the sum obtained by adding (i) Daily Simple SOFR plus (ii) the Spread, which shall be adjusted based on any changes in Daily Simple SOFR; provided however, the Taxable Adjusted SOFR Rate will in no instance exceed the maximum rate permitted by applicable law.

"Taxable Date" means the date of the Event of Taxability.

"Taxable Period" means the period starting on the Taxable Date and ending when the Borrower pays interest on the Series 2023 Bond at the Taxable Adjusted SOFR Rate.

On _____, 2031 (the "Put Date"), this Bond is subject to automatic mandatory tender by the Lender for purchase by the Borrower, provided, that the Lender may give written notice to the Borrower not later than 180 days prior to the Put Date that the Lender has elected, in its sole discretion, to extend the Put Date to a date determined by the Lender and specified in such notice (the "Put Extension Notice"), which Put Extension Notice shall specify the terms (including, without limitation, an alteration in the interest rate and/or the principal repayment schedule) that shall apply to this Bond after the Put Date. If the Lender and the Borrower agree to such specified terms, this Bond, the Agreement and any other applicable documents shall be amended appropriately to reflect such terms and the Borrower shall cause to be delivered to the Lender a written opinion of Bond Counsel to the effect that such transaction will not have a material adverse effect on the tax-exempt status of this Bond. If the Lender does not give the Put Extension Notice, this Bond will remain subject to the automatic mandatory tender on the Put Date. On such Put Date, the Borrower shall pay or cause the payment from available funds the purchase price of this Bond, which shall be the aggregate unpaid principal amount thereof, without a premium, plus accrued and unpaid interest to such Put Date, in accordance with Article X of the Agreement. Failure of the Borrower to provide for the payment in full of this Bond on such date shall constitute an Event of Default.

This Bond may be prepaid by the Authority, at the direction of the Borrower, in whole or in part at any time upon two Business Days' prior written notice to the Lender at a price equal to par plus accrued interest to the date of prepayment.

The Agreement provides that the Lender, at its option, may declare all amounts payable under this Bond to be immediately due and payable upon an Event of Default thereunder, and upon such declaration all amounts hereunder shall become immediately due and payable.

This Bond is issued pursuant to and in full compliance with the Act. THIS BOND AND PREMIUM, IF ANY, AND INTEREST HEREON ARE LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE REVENUES AND RECEIPTS DERIVED FROM THE AGREEMENT, INCLUDING PAYMENTS RECEIVED THEREUNDER, WHICH PAYMENTS, REVENUES AND RECEIPTS HAVE BEEN PLEDGED AND ASSIGNED TO THE LENDER TO SECURE PAYMENT OF THIS BOND. THIS BOND, THE PREMIUM, IF ANY, AND THE INTEREST THEREON SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR A PLEDGE OF THE FAITH AND CREDIT OF THE COMMONWEALTH OF VIRGINIA OR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE AUTHORITY AND JAMES CITY COUNTY, VIRGINIA. NEITHER THE COMMONWEALTH OF VIRGINIA NOR ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE AUTHORITY AND JAMES CITY COUNTY, VIRGINIA, SHALL BE OBLIGATED TO PAY THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THIS BOND OR OTHER COSTS INCIDENT THERETO EXCEPT FROM THE REVENUES AND RECEIPTS PLEDGED THEREFOR, AND NEITHER THE FAITH AND CREDIT OF THE COMMONWEALTH OF VIRGINIA OR ANY POLITICAL SUBDIVISION OF THE COMMONWEALTH OF VIRGINIA, INCLUDING THE AUTHORITY AND JAMES CITY COUNTY, NOR THE TAXING POWER OF THE COMMONWEALTH OF VIRGINIA OR

ANY POLITICAL SUBDIVISION THEREOF, INCLUDING THE AUTHORITY AND JAMES CITY COUNTY, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THIS BOND OR OTHER COSTS INCIDENT THERETO. THE AUTHORITY HAS NO TAXING POWER. No covenant, condition or agreement contained herein shall be deemed to be a covenant, agreement or obligation of any present or future commissioner, officer, employee or agent of the Authority in his individual capacity, and neither commissioners of the Authority nor any officer thereof executing this Bond shall be liable personally on this Bond or be subject to any personal liability or accountability by reason of the issuance hereof.

Simultaneously with the issuance of this Bond, the Borrower will execute and deliver to the Authority its Promissory Note Designated Obligation No. 4 in the aggregate principal amount of this Bond, to be issued as an Obligation (as altered, amended, modified, or supplemented, from time to time, "Obligation No. 4") under the Master Trust Indenture dated as of August 1, 2021 (as previously supplemented, the "Master Trust Indenture"), between the Borrower and The Bank of New York Mellon Trust Company, N.A., as master trustee (the "Master Trustee") and a Supplemental Indenture for Obligation No. 4 dated as of August 1, 2021 (as altered, amended, modified, or supplemented, from time to time the "Related Supplement"), between the Borrower and the Master Trustee. The Master Trust Indenture as supplemented by the Related Supplement and as it is further altered, amended, modified or supplemented from time to time is referred to as the "Master Indenture."

Under the Agreement and the Assignment affixed to Obligation No. 4, the Authority has assigned to the Lender, as security for this Bond, Obligation No. 4, and certain rights of the Authority under the Agreement. Under Obligation No. 4, the Borrower agrees to pay amounts sufficient to pay the principal of and interest on this Bond as the same become due.

PROMISSORY NOTE DESIGNATED OBLIGATION NO. 4

\$ _____

Dated: _____, 2021

VIRGINIA UNITED METHODIST HOMES OF WILLIAMSBURG, INC. (the "Corporation"), a Virginia nonstock corporation, for value received, hereby promises to pay the Economic Development Authority of James City County, Virginia (the "Authority"), or assigns, the principal sum of _____ DOLLARS (\$ _____), or such lesser amount as may be advanced under the Series 2023 Bond (as defined below), as follows.

This Note is issued as an Obligation under that certain Master Trust Indenture dated as of August 1, 2021 (as altered, amended, modified, or supplemented, from time to time, the "Master Indenture"), between the Obligated Group (as defined in the Master Indenture) and The Bank of New York Mellon Trust Company, N.A., as master trustee (as more particularly defined in the Master Indenture, the "Master Trustee"), and a Supplemental Indenture for Obligation No. 4 dated as of August 1, 2021 ("Supplement No. 4"), between the Corporation and the Master Trustee. Capitalized terms used in this Note and not defined in this Note have the meanings assigned to them in the Master Indenture.

The Corporation shall pay installments of principal and interest as required by the Forward Delivery Bond Purchase and Loan Agreement dated as of August 1, 2021 (as altered, amended, modified, or supplemented from time to time, the "Agreement"), among the Authority, the Corporation and STI Institutional & Government, Inc., as bondholder (as more particularly defined in the Agreement, the "Bondholder"), to make payments on the Authority's Tax-Exempt Residential Care Facility Revenue Refunding Bond (WindsorMeade), Series 2023 in a principal amount equal to \$ _____ (as altered, amended, modified, or supplemented from time to time, the "Series 2023 Bond").

The principal sum payable under this Note shall be equal to the sum of the amounts advanced by the Bondholder under the Series 2023 Bond, as shown on the table of principal advances appearing at the end of the Series 2023 Bond or in a separate ledger maintained by the registered owner of the Series 2023 Bond, less the aggregate amount of principal payments which have been made on the Series 2023 Bond (whether upon principal installment dates, by prepayment or otherwise). No notation is required to be made on this Note of the payment of any principal or interest on normal installment payment dates. HENCE, THE FACE AMOUNT OF THIS NOTE MAY EXCEED THE PRINCIPAL SUM REMAINING OUTSTANDING AND DUE HEREUNDER.

The Corporation shall make all payments under this Note in lawful money of the United States of America at the principal office of the Bondholder, in Richmond, Virginia, or at such other place as the Bondholder may direct in writing and giving notice of payment to the Master Trustee as provided in the Master Indenture.

The Authority, by the execution of the Agreement and the assignment form at the foot of this Note, is assigning this Note and the payments thereon to the Bondholder as security for the

Series 2023 Bond, as issued under the Agreement. Payments of principal of and premium, if any, and interest on this Note shall be made directly to the Bondholder for the account of the Authority under such assignment and applied only to the principal of and premium, if any, and interest on the Series 2023 Bond. All obligations of the Corporation hereunder shall terminate when all sums due and to become due under the Agreement, this Note and the Series 2023 Bond, have been paid or provided for in full.

In addition to the payments of principal of and interest on this Note, the Corporation shall also pay such additional amounts, if any, that it is required to pay under the terms of the Master Indenture and the Agreement.

This Note may be prepaid only as provided in the Series 2023 Bond, the Agreement, and the Master Indenture.

This Note is issued in satisfaction of the Corporation's payment obligations of the Agreement and is entitled to the benefits and subject to the conditions thereof, including the provisions of Section 6.3 thereof that the Corporation's obligations thereunder and hereunder shall be unconditional.

This Note is (1) issued as a single Obligation, (2) designated as "Obligation No. 4," of the Corporation and any other Members of the Obligated Group, (3) limited to up to \$_____ in principal amount, and (4) issued under the Master Indenture. This Note and all other Obligations Outstanding under the Master Indenture are equally and ratably secured by the provisions of the Master Indenture. This Note is issued as an Obligation under the Master Indenture, and, together with all other Obligations Outstanding under the Master Indenture, is equally and ratably secured by an Amended and Restated Deed of Trust and Security Agreement dated as of August 1, 2021 (as the same may be altered, amended, modified to supplemented from time to time, the "Deed of Trust"), from the Corporation to certain deed of trust trustees. All the terms, conditions and provisions of the Agreement, Master Indenture and Deed of Trust are, by this reference thereto, incorporated herein as a part of this Note.

A copy of the Master Indenture is on file at the designated corporate trust office of the Master Trustee and reference is hereby made to the Master Indenture for the provisions, among others, regarding the nature and extent of the rights of the Holders of the Obligations issued under the Master Indenture, the terms and conditions on which, and the purposes for which, the Obligations are and are to be issued and the rights, duties and obligations of the Corporation and the Master Trustee under the Master Indenture, to all of which the Holder hereof, by acceptance of this Note, assents.

The Master Indenture permits the issuance of additional Obligations under the Master Indenture to be secured by the covenants made therein, all of which, regardless of the times of issue or maturity, are to be of equal rank without preference, priority or distinction of any Obligation issued under the Master Indenture over any other Obligation except as expressly provided or permitted in the Master Indenture.

To the extent permitted by and as provided in the Master Indenture, any modifications or changes to the Master Indenture as supplemented, and of the rights and obligations of the

Corporation or of the Holders of the Obligations thereunder may be made by the execution and delivery of an indenture or indentures supplemental to the Master Indenture (each a "Supplement"). Certain modifications or changes which would affect the rights of the Holder of this Note may be made only with the consent of the Holders of not less than a majority in aggregate principal amount of the Obligations then Outstanding under the Master Indenture. No such modifications or changes shall be made without the consent of the Holders of all Obligations then Outstanding which will (i) effect a change in the times, amounts or currency of payment of the principal of, redemption premium, if any, and interest or other payment on any Obligation or a reduction in the principal amount or redemption price of any Obligation or the rate of interest thereon without the consent of the Holder of such Obligation; (ii) permit the preference or priority of any Obligation over any other Obligation without the consent of the Holders of all Obligations then Outstanding; or (iii) reduce the aggregate principal amount of Obligations then Outstanding the consent of the Holders of which is required to authorize such Supplement without the consent of the Holders of all Obligations then Outstanding. Any such consent by the Holder of this Note shall be conclusive and binding upon such Holder and all future holders and owners hereof irrespective of whether or not any notation of such consent is made upon this Note.

Upon the occurrence of certain "Events of Default" (as defined in the Agreement), the outstanding principal amount of this Note may be declared, and thereupon shall become, due and payable as provided in the Agreement. Upon the occurrence and during the continuance of an Event of Default under the Master Indenture, (i) the Holder may require the Master Trustee to accelerate this Note by delivering written notice to the Master Trustee directing the Master Trustee to declare this Note immediately due and payable in accordance with Section 4.02 of the Master Indenture and (ii) the Master Trustee may not accelerate this Note under Section 4.02 of the Master Indenture until the Master Trustee receives the written consent of the Holder to such acceleration.

The Holder of this Note shall have no right to enforce the provisions of the Master Indenture, or to institute an action to enforce the covenants therein, or to take any action regarding any default under the Master Indenture, or to institute, appear in or defend any suit or other proceeding related thereto, except as provided in the Master Indenture.

This Note is issuable only as a fully registered Obligation. This Note shall be registered on the registration books to be maintained by the Master Trustee for that purpose at the corporate trust office of the Master Trustee and the transfer of this Note shall be registrable only upon presentation of this Note at such office by the registered owner or by his duly authorized attorney and subject to the limitations, if any, set forth in the Master Indenture. Such registration of transfer shall be without charge to the registered owner hereof, but any taxes or other governmental charges required to be paid regarding the same shall be paid by the registered owner requesting such registration of transfer as a condition precedent to the exercise of such privilege. Upon any such registration of transfer, the Corporation shall execute and the Master Trustee shall authenticate and deliver in exchange for this Note a new Obligation, registered in the name of the transferee.

No covenant or agreement contained in this Note or the Master Indenture shall be deemed to be a covenant or agreement of any officer, trustee, agent or employee of the Corporation or of the Master Trustee, in his individual capacity, and no officer, agent, employee or member of the Board of Directors of the Corporation shall be liable personally on this Note or be subject to any personal liability or accountability by reason of the issuance of this Note.

This Note shall not be entitled to any benefit under the Master Indenture, or be valid or become obligatory for any purpose, until this Note shall have been authenticated as an Obligation under the Master Indenture by execution by the Master Trustee of the Certificate of Authentication inscribed hereon.

<u>Year</u>	<u>Amount</u>	<u>Rate</u>
	\$	%

(b) Each Series 2021A Bond shall bear interest (i) from the date of its delivery if it is authenticated prior to _____ 1, 2021, and (ii) otherwise from the Interest Payment Date that is, or immediately precedes, the date on which such Series 2021A Bond is authenticated; provided, however, that if at the time of authentication of any Series 2021A Bonds interest is in default, such Series 2021A Bond shall bear interest from the date to which interest has been paid.

The Series 2021A Bonds shall be signed by the manual or facsimile signature of the Chairman or the Vice Chairman of the Authority, and a manual or facsimile of its seal shall be printed thereon and attested by the manual or facsimile signature of the Secretary or the Assistant Secretary of the Authority. The transferor shall also provide or cause to be provided to the Bond Trustee all information necessary to allow the Bond Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Bond Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Prior to due presentment for registration of transfer of any Series 2021A Bond, the Bond Trustee shall treat the registered owner as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the owner, except that interest payments shall be made to the person registered on the 15th day of the month preceding the Interest Payment Date as owner on the registration books maintained by the Bond Trustee.

Section 208. Charges for Exchange of Series 2021A Bonds. Any exchange of Series 2021A Bonds shall be at the expense of the Borrower, except that the Bond Trustee as bond registrar shall make a charge to any Series 2021A Bondholder requesting such exchange in the amount of any tax or other governmental charge required to be paid with respect thereto.

Section 209. Temporary Series 2021A Bonds. Prior to the preparation of Series 2021A Bonds in definitive form the Authority may issue temporary Series 2021A Bonds in such denominations as the Authority may determine, but otherwise in substantially the form hereinabove set forth with appropriate variations, omissions and insertions. The Authority shall promptly prepare, execute and deliver to the Bond Trustee before the first Interest Payment Date Series 2021A Bonds in definitive form and thereupon, upon presentation and surrender of Series 2021A Bonds in temporary form, the Bond Trustee shall authenticate and deliver in exchange therefor Series 2021A Bonds in definitive form of the same series and maturity for the same aggregate principal amount. Until exchanged for Series 2021A Bonds in definitive form, Series 2021A Bonds in temporary form shall be entitled to the lien and benefit of this Bond Indenture. Notwithstanding the foregoing, so long as the Series 2021A Bonds are held in book-entry-only form they may be typewritten.

Section 210. Mutilated, Lost or Destroyed Series 2021A Bonds. If any Series 2021A Bond has been mutilated, lost or destroyed, the Authority shall execute, and the Bond Trustee shall authenticate and deliver, a new Series 2021A Bond of like date and tenor in exchange and substitution for, and upon cancellation of, such mutilated Series 2021A Bond or in lieu of and in substitution for such lost or destroyed Series 2021A Bond; provided, however, that the Authority and the Bond Trustee shall so execute, authenticate and deliver such new Series 2021A Bond only if the holder has paid the reasonable expenses and charges of the Authority and the Bond Trustee in connection therewith and, in the case of a lost or destroyed Series 2021A Bond, (a) has filed with the Authority and the Bond Trustee evidence satisfactory to them that such Series 2021A Bond was lost or destroyed and that the holder was the owner thereof and (b) has furnished to the Authority and the Bond Trustee indemnity satisfactory to them. If any such Series 2021A Bond has matured, instead of issuing a new Series 2021A Bond the Bond Trustee may pay the same without surrender thereof, upon receipt of the evidence and indemnity described above.

Section 211. Cancellation and Disposition of Series 2021A Bonds. All Series 2021A Bonds that have been paid (whether at maturity, upon acceleration or call for redemption or otherwise) or delivered to the Bond Trustee by the Borrower for cancellation shall not be reissued, and the Bond Trustee shall, unless otherwise directed by the Authority, cremate, shred or otherwise dispose of such Series 2021A Bonds in accordance with the standard procedures of the Bond Trustee. The Bond Trustee shall deliver to the Authority a certificate of any such cremation, shredding or other disposition.

Section 212. Book Entry Provisions. (a) The Series 2021A Bonds will be registered

in the name of Cede & Co., a nominee of The Depository Trust Company, New York, New York ("DTC"), and immobilized in DTC's custody, or in the custody of the Bond Trustee as "FAST" agent for DTC. One Series 2021A Bond for the original principal amount of each maturity will be registered to Cede & Co. Beneficial owners of the Series 2021A Bonds will not receive physical delivery of the Series 2021A Bonds. Individual purchases of the Series 2021A Bonds may be made in book-entry form only in original principal amounts of \$5,000 and integral multiples of \$5,000. Payments of principal of and premium, if any, and interest on the Series 2021A Bonds will be made to DTC or its nominee as the sole Series 2021A Bondholder on the applicable payment date.

DTC is responsible for the transfer of the payments of the principal of and premium, if any, and interest on the Series 2021A Bonds to its participants, which include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations (the "Participants") and selection of Series 2021A Bonds to be redeemed in the case of a partial redemption. Transfer of the payments of the principal of and premium, if any, and interest on the Series 2021A Bonds to beneficial owners of the Series 2021A Bonds is the responsibility of the Participants and other nominees of such beneficial owners.

Transfer of the beneficial ownership interests in the Series 2021A Bonds shall be made by DTC and its Participants, acting as nominees of the beneficial owners of the Series 2021A Bonds, in accordance with rules specified by DTC and its Participants. Neither the Authority nor the Series 2021A Bond Trustee makes any assurances that DTC, its Participants or other nominees of the beneficial owners of the Series 2021A Bonds will act in accordance with such rules or on a timely basis.

The Authority and the Bond Trustee disclaim any responsibility or obligation to the Participants or the beneficial owners with respect to (i) the accuracy of any records maintained by DTC or any Participant, (ii) the payment by DTC to any Participant or by any Participant to any beneficial owner of any amount due to any beneficial owner in respect of the principal of and premium, if any, and interest on the Series 2021A Bonds, (iii) the delivery by DTC to any Participant or by any Participant to any beneficial owner of any notice to any beneficial owner which is required or permitted under the terms of this Bond Indenture to be given to Bondholders, (iv) the selection of the beneficial owners to receive payment in any partial redemption of the Series 2021A Bonds, or (v) any other action taken by DTC as Bondholder.

So long as Cede & Co., as nominee of DTC, is the sole Bondholder, references in this Bond Indenture to the Bondholders, holders or registered owners of the Series 2021A Bonds means Cede & Co. and not the beneficial owners of the Series 2021A Bonds. Any notice to or consent requested of Bondholders under this Bond Indenture shall be given to or requested of Cede & Co.

(b) Replacement Series 2021A Bonds (the "Replacement Bonds") will be registered in the name of and be issued directly to beneficial owners of the Series 2021A Bonds rather than to DTC, or its nominee, but only if:

(1) DTC determines not to continue to act as securities depository for the Series 2021A Bonds; or

(2) The Bond Trustee or the Authority has advised DTC of the Bond Trustee's or the Authority's determination that DTC is incapable of discharging its duties or that it is otherwise in the best interests of the beneficial owners of the Series 2021A Bonds to discontinue the book-entry system of transfer.

Upon the occurrence of an event described in clause (1) or (2) (and the Bond Trustee and the Authority undertake no obligation to make any investigation regarding the matters described in clause (2)), the Authority may attempt to locate another qualified securities depository. If the Authority fails to locate another qualified securities depository to replace DTC, the Authority shall execute and the Bond Trustee shall authenticate and deliver to the Participants the Replacement Bonds (substantially in the form set forth in Exhibit A, with such appropriate variations, omissions and insertions as are permitted or required by this Bond Indenture) to which the Participants are entitled for delivery to the beneficial owners of the Series 2021A Bonds. The Bond Trustee shall be entitled to rely on the records provided by DTC as to the Participants entitled to receive Replacement Bonds. The holders of the Replacement Bonds shall be entitled to the lien and benefits of this Bond Indenture.

In connection with any proposed transfer outside DTC's system, the Authority, the Borrower or DTC shall provide or cause to be provided to the Bond Trustee all information necessary to allow the Bond Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Bond Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(a) **Extraordinary Optional Redemption.** The Series 2021A Bonds are subject to redemption, in whole or in part, at a redemption price equal to 100% of the principal amount thereof, without premium, plus accrued interest to, but not including, the redemption date, without premium, on the earliest date for which notice of redemption can be given at the direction of the Borrower, to the extent the Borrower makes a prepayment on Obligation No. 1 under the circumstances permitted by Section 7.1 of the Loan Agreement and Section 3.05 of the Master Indenture. In the circumstance contemplated by Section 7.1(c) of the Loan Agreement, the Series 2021A Bonds shall be subject to extraordinary optional redemption in an amount that bears the same pro rata relationship to the aggregate principal amount of the Series 2021A Bonds then outstanding as that portion of the Mortgaged Premises financed or refinanced with the proceeds of the Series 2021A Bonds (the "Bond Financed Property") with respect to which the insurance proceeds have been received bears to all Bond Financed Property. In the event of a partial extraordinary optional redemption, an Authorized Representative of the Borrower may direct the Bond Trustee to redeem as directed by the Borrower, the Series 2021A Bonds from each maturity then outstanding, to the extent practicable, in the proportion that the principal amount of Series 2021A Bonds of such maturity bears to the total principal amount of all Series 2021A Bonds issued

under this Bond Indenture and then outstanding or in inverse order of maturity, and the Bond Trustee shall redeem in accordance with such Instructions.

(b) Redemption Upon Determination of Taxability. The Series 2021A Bonds are subject to (i) extraordinary mandatory redemption in whole on any Business Day within 60 days after the occurrence of a Determination of Taxability at a redemption price equal to 103% of the principal amount of the Series 2021A Bonds to be redeemed, if the Determination of Taxability was the result of any action or failure to take action on the part of the Borrower, and (ii) optional redemption, at the direction of the Borrower, in whole on any Business Day within 60 days after the occurrence of a Determination of Taxability at a redemption price equal to 100% of the principal amount of the Series 2021A Bonds to be redeemed, if the Determination of Taxability was not the result of any action or failure to take action on the part of the Borrower, plus in either case accrued interest thereon to, but not including, the redemption date. Notwithstanding the foregoing, if, in the opinion of Bond Counsel, an extraordinary mandatory redemption or optional redemption, as applicable, on account of a Determination of Taxability of less than all of the Series 2021A Bonds would result in the interest on the Series 2021A Bonds Outstanding following such redemption not being includable in the gross income of the Bondholders of such Outstanding Series 2021A Bonds, then the Series 2021A Bonds are subject to redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion, provided that such redemption must be in an Authorized Denomination.

(c) Optional Redemption. The Series 2021A Bonds will be subject to redemption by the Authority, at the direction of the Borrower, prior to maturity in whole, or in part by lot, at any time, on and after _____ 1. 20____, at the following redemption prices (expressed as a percentage of the principal amount of the Series 2021A Bonds to be redeemed) plus accrued interest thereon, if any, to the redemption date in the event the Borrower exercises its option to prepay all or a portion of the amounts available under Obligation No. 1 under Sections 7.2 or 7.3 of the Loan Agreement:

Redemption Period:

%

(d) The Term Bonds are required to be redeemed in part under the terms of the sinking fund requirement provided in Section 303 at a redemption price of 100% of the principal amount thereof plus accrued interest thereon to the redemption date.

(e) Except as provided in paragraph (a), if less than all of the Series 2021A Bonds of any maturity are called for redemption, the Series 2021A Bonds to be redeemed shall be selected by DTC in accordance with its procedures, or if DTC is not the securities depository, then by lot in such manner as the Bond Trustee in its discretion may determine, each portion of \$5,000 principal amount being counted as one Series 2021A Bond for such purposes. If a portion of a Series 2021A Bond having a principal amount of more than \$5,000 shall be called for redemption,

a new registered Series 2021A Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

(f) If the Borrower exercises any option to prepay Obligation No. 1 under Article VII of the Loan Agreement or requests any redemption of Series 2021A Bonds permitted hereunder and sufficient amounts are in the funds created herein, the Bond Trustee shall, in the name of the Authority, redeem Series 2021A Bonds as then permitted or required at the earliest practicable date permitted hereunder.

Section 302. Notice of Redemption. The Bond Trustee, upon being satisfactorily indemnified with respect to expenses, shall cause notice of the call for any such redemption identifying the Series 2021A Bonds to be redeemed to be sent by first class mail not less than 30 nor more than 60 days prior to the redemption date to the owner of each Series 2021A Bond to be redeemed at his address as it appears on the registration books. Failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the redemption of any Series 2021A Bond with respect to which no such failure or defect has occurred.

Any notice of redemption mailed as specified in this section shall be deemed to have been duly given when mailed by the Bond Trustee. Any such notice shall be given in the Authority's name, identify the Series 2021A Bonds to be redeemed by name, certificate number, CUSIP number, interest rate, maturity date and any other descriptive information determined by the Bond Trustee to be needed to identify the Series 2021A Bonds. All such notices shall also state that on the redemption date the Series 2021A Bonds called for redemption will be payable at the Bond Trustee's designated corporate trust office and that from that date interest will cease to accrue.

In the case of an optional redemption under Section 301(c), the notice may state that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Bond Trustee no later than the redemption date.

On or before the date fixed for redemption, funds shall be deposited with the Bond Trustee to pay the principal of, premium, if any, and interest accrued thereon to the redemption date on the Series 2021A Bonds called for redemption. Upon the happening of the above conditions, the Series 2021A Bonds or portions thereof thus called for redemption shall cease to bear interest from and after the redemption date, shall no longer be entitled to the benefits provided by this Bond Indenture and shall not be deemed to be Outstanding under the provisions of this Bond Indenture.

Section 303. Mandatory Sinking Fund. As a sinking fund, the Bond Trustee shall redeem Series 2021A Bonds maturing on _____ 1, 20____, on _____ 1 in years and in principal amounts and at a price of 100% of the principal amount of the Series 2021A Bonds to be redeemed plus accrued interest thereon to the redemption date, as follows:

The Authority shall receive a credit against payments required to be made on any mandatory sinking fund redemption date specified by an Authorized Representative of the Borrower for the Series 2021A Bonds of the same series and maturity, in an amount equal to the principal amount of such Series 2021A Bonds that have been redeemed (otherwise than by mandatory sinking fund redemption) before the mandatory sinking fund redemption date or purchased by the Authority or the Borrower and delivered to the Bond Trustee for cancellation at least sixty (60) days before the mandatory sinking fund redemption date, provided the principal amount of such Series 2021A Bonds have not previously been applied as a credit against any other mandatory sinking fund redemption payment.

Section 304. Purchase in Lieu of Redemption. The Authority and, by their acceptance of the Series 2021A Bonds, the owners of the Series 2021A Bonds, irrevocably grant to the Borrower the option to purchase, at any time and from time to time, any Series 2021A Bond which has been called for redemption under the provisions of this Bond Indenture at a price equal to the principal amount thereof, plus any applicable premium, and plus the interest accrued on the principal amount to be redeemed to the date fixed for redemption. To exercise such option, the Borrower shall give the Bond Trustee a written request exercising such option within the time period specified herein as though such written request were a written request of the Authority for redemption, and the Bond Trustee shall thereupon give notice of such purchase in the manner specified herein as though such purchase were a redemption, and the purchase of such Series 2021A Bonds shall be mandatory and enforceable against the owners of any such Series 2021A Bonds. On the date fixed for purchase under any exercise of such option, the Borrower shall pay the purchase price of the Series 2021A Bonds then being purchased to the Bond Trustee in immediately available funds, and the Bond Trustee shall pay the same to the registered owner against delivery thereof. Following such purchase, the Bond Trustee shall cause such Series 2021A Bonds to be registered in the name of the Borrower or its nominee and shall deliver them to the Borrower or its nominee. In the case of the purchase of less than all of the Series 2021A Bonds, the particular Series 2021A Bonds to be purchased shall be selected in accordance with the provisions of Section 302 hereof. No purchase of the Series 2021A Bonds under this provision shall operate to extinguish the indebtedness of the Authority evidenced thereby.

ARTICLE IV

GENERAL COVENANTS AND PROVISIONS

Section 401. Payment of Series 2021A Bonds. The Authority shall promptly pay when due the principal of (whether at maturity, upon acceleration or call for redemption or otherwise) and premium, if any, and interest on the Series 2021A Bonds at the places, on the dates and in the manner provided herein and in the Series 2021A Bonds; provided, however, that such obligations are not general obligations of the Authority but are limited obligations payable solely from the revenues and receipts derived from the trust estate granted in the granting clauses at the beginning of this Bond Indenture, which revenues and receipts are hereby specifically pledged to such purposes in the manner and to the extent provided herein. Neither the directors of the Authority nor any persons executing the Series 2021A Bonds shall be liable personally on the Series 2021A Bonds by reason of the issuance thereof. The Series 2021A Bonds shall not be deemed to constitute a debt or a pledge of the faith and credit of the Authority, the Commonwealth of Virginia or any political subdivision thereof, including the Authority and the County of James City, Virginia. Neither the Commonwealth of Virginia nor any political subdivision thereof, including the Authority and the County of James City, Virginia, shall be liable for the Series 2021A Bonds or obligated to pay the principal, premium, if any, or the interest thereon or other costs incident thereto except from the revenues and receipts pledged therefor, and neither the faith and credit nor the taxing power of the Commonwealth of Virginia or any political subdivision thereof, including the Authority and the County of James City, Virginia, is pledged to the payment of the principal of or the premium, if any, or the interest on the Series 2021A Bonds or other costs incident thereto.

Section 402. Covenants and Representations of Authority. The Authority shall observe and perform all covenants, conditions and agreements on its part contained in this Bond Indenture, in every Series 2021A Bond executed, authenticated and delivered hereunder and in all its proceedings pertaining thereto; provided, however that the liability of the Authority under any such covenant, condition or agreement for any breach or default by the Authority thereof or thereunder shall be limited solely to the revenues and receipts derived from the trust estate. The Authority represents that it is duly authorized under the Constitution and laws of the Commonwealth of Virginia, including particularly and without limitation the Act, to issue the Series 2021A Bonds authorized hereby and to execute this Bond Indenture, to execute and assign the Loan Agreement, to assign Obligation No. 1 and to pledge the revenues, receipts and funds in the manner and to the extent herein set forth; that all action on its part for the issuance of the Series 2021A Bonds and the execution and delivery of this Bond Indenture has been duly and effectively taken; and that the Series 2021A Bonds in the hands of the holders thereof are and will be valid and enforceable obligations of the Authority according to the terms thereof except as limited by bankruptcy laws and usual equity principles.

Section 403. Instruments of Further Assurance. The Authority shall do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Bond Trustee may reasonably require for the better assuring, transferring, conveying, pledging and assigning to the Bond Trustee of all the rights assigned hereby and the revenues and receipts pledged hereby to the payment of the principal of, premium, if any, and interest on the Series

2021A Bonds. The Authority shall cooperate with the Bond Trustee and with the Bondholders in protecting the rights and security of the Bondholders.

Section 404. Inspection of Books of Facilities. All books and documents in the Authority's possession relating to the Loan Agreement and Obligation No. 1 and the revenues derived therefrom shall at all reasonable times be open to inspection by such agents as the Bond Trustee or the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then Outstanding may from time to time designate.

Section 405. Rights under Agreement, Obligation No. 1 and Deed of Trust. The Bond Trustee in its own name or in the name of the Authority may enforce all rights of the Authority, except the Authority's Unassigned Rights, and all obligations of the Borrower under the Loan Agreement, Obligation No. 1 and the Deed of Trust for and on behalf of the Bondholders, whether or not the Authority is in default hereunder.

Section 406. Prohibited Activities, Arbitrage Covenant, Tax Covenant. The Authority shall not knowingly engage in any activities or take any action that might result in the income of the Authority derived from the Borrower becoming taxable to it.

The Authority covenants for the benefit of the Bondholders of the Series 2021A Bonds that it will, to the extent within its control, take no action to cause the proceeds of the Series 2021A Bonds, the earnings on those proceeds or any moneys on deposit in any fund or account maintained with respect to the Series 2021A Bonds (whether such moneys were derived from the proceeds of the sale of the Series 2021A Bonds or from other sources) to be used in a manner that will cause the Series 2021A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code (including but not limited to ensuring compliance with the ongoing requirements of Section 148 of the Code concerning the rebate and non-purpose investment rules) all in accordance with the Tax Agreement. This covenant shall survive the defeasance or payment in full of the Series 2021A Bonds, notwithstanding any other provision of this Bond Indenture until requirements for payment of any rebate amounts pursuant to Section 148(f) of the Code have been satisfied.

The Authority covenants for the benefit of the Bondholders of the Series 2021A Bonds that it will, to the extent within its control, take no action to cause or permit no action to be taken that would cause the interest on the Series 2021A Bonds to be includable in gross income for federal income tax purposes. This covenant shall survive the defeasance or payment in full of the Series 2021A Bonds notwithstanding any other provision of this Bond Indenture until the requirements for payment of any rebate amounts pursuant to Section 148(f) of the Code have been fully satisfied.

Section 407. Reports by Bond Trustee. The Bond Trustee shall make monthly reports to the Borrower of all moneys received and expended by it under this Bond Indenture, and the Bond Trustee shall make annual reports no later than 30 days following the end of each Fiscal Year to the Authority of all moneys received and expended by it under this Bond Indenture. The Bond Trustee shall not be required to provide a report for any month in which there is no activity in any of the funds established under this Bond Indenture.

Section 408. Letter of Representations. The Authority and the Bond Trustee agree that, so long as Cede & Co. or some other nominee of DTC is the sole Bondholder, they each will

give notices, make payments and establish record dates for consents and similar purposes with respect to the Series 2021A Bonds and select Series 2021A Bonds for redemption as set forth in the Letter of Representations.

Section 409. **Loan to Finance the Plan of Finance.** Subject to the provisions of Section 401 and under the Loan Agreement, the Authority shall make a loan to the Borrower with the proceeds of the Series 2021A Bonds so that it can finance the Plan of Finance. The Authority shall not create or knowingly suffer to be created any lien or security interest in the Mortgaged Premises or the Facilities except Permitted Liens (as defined in the Master Indenture), or any lien on the revenues with respect to the loan to the Borrower, except the pledge made under this Bond Indenture.

(k) Reimbursement to the Borrower for any of such costs paid by it whether before or after the execution of this Bond Indenture; provided, however, that reimbursement to any expenditures made prior to the execution of this Bond Indenture shall only be permitted for expenditures meeting the requirements of applicable Treasury Regulations, including but not limited to Treasury Regulations Section 1.150-2 or any successor Treasury Regulations.

Section 503. Disbursement from Construction Fund. The Bond Trustee shall use moneys in the Construction Fund solely to pay Costs of the Project. Before any payment of Costs of the Project shall be made from the Construction Fund, there shall be filed with the Bond Trustee a Requisition in the form attached hereto as Exhibit B.

The Requisition shall contain no items representing any amount constituting a cost of issuance unless the Requisition is accompanied by an Opinion of Bond Counsel that the payment of the amount in the Requisition will not adversely affect the exemption of interest on the Series 2021A Bonds from federal income tax.

The Bond Trustee shall not be responsible for (i) determining whether the funds on hand in the Construction Fund are sufficient to complete the Project, or (ii) collecting lien waivers (if any).

The Borrower shall retain on file copies of all Requisitions and all attachments thereto.

Upon receipt of each such Requisition (including any required attachments and opinions), the Bond Trustee shall within two Business Days make disbursement from the Construction Fund

in accordance with such Requisition; provided, however, that if any default exists hereunder, under the Master Indenture or under the Loan Agreement, the Bond Trustee shall not be required to make but may make such disbursements if it determines that such payment is in the interest of the holders of the Series 2021A Bonds. All such payments shall be made by check or federal funds wire payable either (i) directly to the person, firm or corporation to be paid, (ii) to both the Borrower and such person, firm or corporation or, (iii) upon receipt of evidence that the Borrower have previously paid such amount, to the Borrower.

Notwithstanding the above, to the extent no other funds are available therefor, the Bond Trustee shall use amounts on deposit in the Construction Fund to pay principal of and interest on the Series 2021A Bonds in the event of a default by the Borrower in making payments to the Bond Trustee to pay such principal and interest.

Section 504. Disposition of Balance in Construction Fund. When the Project is complete, and the Bond Trustee receives the Completion Certificate signed by the Authorized Representative of the Borrower stating the date of completion of the Project and what items of the Cost of the Project, if any, have not been paid and for the payment of which moneys should be reserved in the Construction Fund, the balance of any moneys remaining in the Construction Fund in excess of the amount to be reserved for payment of unpaid items of the Cost of the Project shall be applied by the Bond Trustee only in accordance with an Opinion of Bond Counsel.

Section 505. Limit on Investments. In any event, beginning on the date of the third anniversary of the issuance of the Series 2021A Bonds, the Bond Trustee shall invest moneys in the Construction Fund or transferred therefrom to any other fund only in accordance with an Opinion of Bond Counsel.

Section 506. Cost of Issuance Fund. There is hereby established with the Bond Trustee a trust fund designated "Economic Development Authority of James City County, Virginia, Series 2021A Cost of Issuance Fund: WindsorMeade Project."

(a) All investment earnings on amounts held in the Cost of Issuance Fund shall be transferred to the Construction Fund.

(b) The Bond Trustee shall use amounts in the Cost of Issuance Fund at the direction of the Borrower for payment of Costs of Issuance and Costs of the Project.

(c) Before any payment shall be made from the Cost of Issuance Fund there shall be filed with the Bond Trustee a Requisition.

Upon receipt of each such Requisition the Bond Trustee shall within two Business Days, make payment from the Cost of Issuance Fund in accordance with such requisition; provided, however, that if any Event of Default exists, the Bond Trustee shall not be required to make, but may make, such payment if it determines that such payment is in the interest of the holders of the Series 2021A Bonds. All such payments shall be made by check or draft payable either (i) directly to the person, firm or corporation to be paid, (ii) to both the Borrower and such person, firm or corporation, or (iii) upon receipt of evidence that the Borrower have previously paid such amount, to the Borrower.

(d) At the earlier of 180 days after the issuance of the Series 2021A Bonds or when the Bond Trustee shall have received a certificate of the Borrower signed by an Authorized Representative of the Borrower, stating that all Costs of Issuance have been paid, the balance of any moneys remaining in the Cost of Issuance Fund shall be transferred, at the direction of the Borrower, to the Construction Fund.

Section 507. Prior Bond Redemption Fund. Once the Bond Trustee makes the deposits required under Section 206(b), the Bond Trustee shall then immediately transfer such amount, along with any other funds provided to the Bond Trustee for such purpose, in accordance with separate Instructions provided by the Borrower to refund, redeem and defease as applicable, the Refunded Bonds. Notwithstanding any provision to the contrary herein, amounts in the Prior Bond Redemption Fund shall be held in cash and not be invested. Upon the transfer described above, the Bond Trustee shall close the Prior Bond Redemption Fund. If any amounts transferred from the Prior Bond Redemption Fund are returned to the Bond Trustee because those amounts are not needed to refund, redeem and defease as applicable, the Refunded Bonds, the amount returned to the Bond Trustee shall be applied by the Bond Trustee only in accordance with an Opinion of Bond Counsel and a written direction signed by an Authorized Representative of the Borrower.

ARTICLE VI

REVENUES AND FUNDS

Section 601. Establishment of Funds. The following trust fund, to be held by the Bond Trustee, is hereby established under this Bond Indenture:

Economic Development Authority of James City County, Virginia, Series 2021A Bond Fund: WindsorMeade Project, in which there shall be established the following subaccounts:

- (a) the Interest Account; and
- (b) the Principal Account.

Section 602. Funds Received. (a) The Bond Trustee on the tenth day of the month shall deposit all payments and receipts derived from Obligation No. 1, the Loan Agreement, or the security therefor, in the following order, subject to credits as provided in this Article VI:

(1) To the Interest Account of the Bond Fund commencing on _____, 20____, and continuing to _____, 20____, inclusive, an amount equal to one-half of the amount remaining after the interest to become due on the Series 2021A Bonds on _____, 20____, is reduced by the sum of the amount deposited in the Interest Account representing funded interest allocable to such Interest Payment Date, if any, on the Series 2021A Bonds; and commencing on _____, 2021, and continuing on the tenth day of each month thereafter, an amount equal to one-sixth of the amount of interest due on the Series 2021A Bonds on the next Interest Payment Date (after first applying as a credit any excess amounts transferred to the Interest Account under Sections 504 or from

the Reserve Fund), or such lesser amount that, together with amounts already on deposit in the Interest Account, but subject to the provisions of Section 603(a), will be sufficient to pay interest on the Series 2021A Bonds to become due on the following Interest Payment Date.

(2) To the Principal Account of the Bond Fund, commencing on _____, 20____, and continuing on the tenth day of each month thereafter an amount equal to one-twelfth of the amount of principal that will become due on the Series 2021A Bonds on the following _____ 1 or will be payable on such _____ 1 under Section 303 or such lesser amount that, together with amounts already on deposit in the Principal Account, will be sufficient to pay principal of the Series 2021A Bonds to become due or be paid at redemption on such _____.

(b) If on the tenth day of any month sufficient funds are not received by the Bond Trustee to make the deposits to the Bond Fund required on such date, the Bond Trustee shall within three Business Days notify the Borrower (with a copy to the Authority) and the Master Trustee of such by telephone or facsimile with receipt confirmed in writing, by first class registered or certified mail, and the Bond Trustee shall request the Master Trustee withdraw funds (if needed) from the Reserve Fund.

Section 603. Bond Fund.

(a) Interest Account. The Bond Trustee shall use moneys in the Interest Account solely to pay interest on the Series 2021A Bonds as the same becomes due. The Bond Trustee shall use amounts deposited in the Interest Account as funded interest on the Series 2021A Bonds to pay each interest payment thereon until such amount is depleted. If the Bond Trustee is purchasing Series 2021A Bonds under Section 603(b)(1), amounts in the Interest Account may be used to pay the portion of the purchase price consisting of accrued interest to the date of purchase.

In the event the balance in the Interest Account on the tenth (10th) day of the month next preceding an Interest Payment Date or date upon which the Series 2021A Bonds are to be redeemed is insufficient for the payment of interest becoming due on the Series 2021A Bonds on the next ensuing Interest Payment Date or date upon which the Series 2021A Bonds are to be redeemed, the Bond Trustee shall within three Business Days notify the Borrower of the amount of the deficiency. Upon notification, the Borrower shall immediately deliver to the Bond Trustee an amount sufficient to cure the same. If the amount so delivered is not sufficient to cure the deficiency in the Interest Account, the Bond Trustee shall, not later than the Business Day next preceding the Interest Payment Date, deliver a written notice to the Master Trustee to the effect that the amount available to the Bond Trustee to pay interest on the Series 2021A Bonds is less than the amount of interest becoming due, specifying the amount of such deficiency and requesting the transfer of such amount necessary to cure such deficiency from the Reserve Fund. The Bond Trustee shall deposit into the Interest Account all amounts received from the Reserve Fund to cure such deficiency.

(b) Principal Account. The Bond Trustee shall use moneys in the Principal Account solely to pay the principal of and premium, if any, on the Series 2021A Bonds whether at maturity, by acceleration, call for redemption or otherwise. The Bond Trustee shall provide for

redemption of Series 2021A Bonds in accordance with the mandatory sinking fund redemption schedule set forth in Section 303; provided, however, that on or before the 70th day next preceding any such sinking fund payment date the Authority, or the Authorized Representative of the Borrower on behalf of the Authority, may:

(1) pay to the Bond Trustee for deposit in the Principal Account as an advance payment on Obligation No. 1 such amount as the Borrower may determine, accompanied by a certificate signed by an Authorized Representative of the Borrower directing the Bond Trustee to apply such amount on or before such 70th day to the purchase of Series 2021A Bonds required to be redeemed on such sinking fund payment date, and the Bond Trustee shall thereupon use all reasonable efforts to expend such funds as nearly as may be practicable in the purchase of such Series 2021A Bonds at a price (including accrued interest to the date of settlement) not exceeding the principal amount thereof plus accrued interest to such sinking fund redemption date;

(2) deliver to the Bond Trustee for cancellation Series 2021A Bonds required to be redeemed on such sinking fund payment date in any aggregate principal amount desired; or

(3) instruct the Bond Trustee to apply a credit against the Authority's sinking fund redemption obligation for any such Series 2021A Bonds that previously have been redeemed (other than through the operation of the sinking fund) and cancelled by the Bond Trustee and not previously applied as a credit against any sinking fund redemption obligation.

Each Series 2021A Bond so purchased, delivered or previously redeemed shall be credited by the Bond Trustee at 100% of the principal amount thereof against amounts required to be transferred to the Principal Account on account of such Series 2021A Bonds and the principal amount of Series 2021A Bonds to be redeemed on such sinking fund payment date shall be reduced by the amount of Series 2021A Bonds so purchased, delivered or previously redeemed. Any principal amount of such Series 2021A Bonds in excess of the principal amount required to be redeemed on such sinking fund payment date shall be similarly credited in chronological order against future transfers to the Principal Account and shall similarly reduce the principal amount of Series 2021A Bonds to be redeemed on the next sinking fund payment date. In the event the balance in the Principal Account on any _____ 10 is insufficient for the payment of the principal becoming due on the next ensuing _____ 1, the Bond Trustee shall within three Business Days notify the Borrower of the amount of the deficiency. Upon notification, the Borrower shall immediately deliver to the Bond Trustee an amount sufficient to cure the same. If the amount so delivered is not sufficient to cure the deficiency in the Principal Account, the Bond Trustee shall, not later than the Business Day next preceding _____, deliver a written notice to the Master Trustee to the effect that the amount available to the Bond Trustee to pay interest on the Series 2021A Bonds is less than the amount of principal becoming due, specifying the amount of such deficiency and requesting the transfer of such amount necessary to cure such deficiency from the Reserve Fund. The Bond Trustee shall deposit into the Principal Account all amounts received from the Reserve Fund to cure such deficiency.

(c) Investment earnings on amounts in the Interest Account shall be retained in the Interest Account, except that, prior to the Bond Trustee's receipt of the Completion Certificate under Section 504 of this Bond Indenture, such earnings shall be transferred to the Construction Fund to be used to pay the Costs of the Project. If the balance in the Interest Account on any Interest Payment Date (before the transfers to be made to such account on such date) shall exceed the amount payable on account of interest payable on the Series 2021A Bonds on such date, the excess shall be retained in the Interest Account and used as a credit against required transfers to the Interest Account during the following months preceding the next Interest Payment Date. Investment earnings on amounts in the Principal Account shall be credited thereto as earned. In the event the balance in the Principal Account on any _____ 1 (prior to the transfers to be made to such account on such date) shall exceed the amount necessary on such date to pay principal of the Series 2021A Bonds at maturity, the excess shall be retained therein and used to pay principal of the Series 2021A Bonds due and to the extent not so used, credited against required transfers thereto.

(d) When the balances in the Interest Account and Principal Account of the Bond Fund and the Reserve Fund are sufficient to redeem or pay at maturity all Series 2021A Bonds then Outstanding and to pay all interest to accrue thereon prior to redemption or maturity, at the request of the Borrower the balance in the Bond Fund shall be held for redemption or payment of the Series 2021A Bonds at the earliest practicable date and the payment of interest thereon and for no other purpose.

Section 604. Accounts within Funds. The Bond Trustee shall at the direction of the Borrower create accounts within any fund established by this Bond Indenture and shall deposit amounts transferred to such fund in accounts therein and invest the same as directed by the Borrower. In making transfers from any such fund, the Bond Trustee shall draw on accounts therein as directed by the Borrower so long as required transfers can be made consistent with such directions.

Section 605. Non-Presentation of Series 2021A Bonds. If any Series 2021A Bond is not presented for payment when the principal thereof becomes due (whether at maturity, upon acceleration or call for redemption or otherwise), all liability of the Authority to the holder thereof for the payment of such Series 2021A Bond shall forthwith cease, determine and be completely discharged if funds sufficient to pay such Series 2021A Bond and interest due thereon shall be held by the Bond Trustee for the benefit of the holder thereof, and thereupon it shall be the duty of the Bond Trustee to hold such funds, without liability for interest thereon, for the benefit of the holder of such Series 2021A Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Indenture or on, or with respect to, such Series 2021A Bond.

Any moneys that have been set aside by the Bond Trustee for the payment of the principal of and premium, if any, and interest on the Series 2021A Bonds and that shall remain unclaimed by the registered owner of any of the Series 2021A Bonds for a period of five years after the date on which such principal and interest on the Series 2021A Bonds shall have become payable, shall, unless otherwise required by law, be paid to the Borrower, and thereafter the registered owners of such Series 2021A Bonds shall look only to the Borrower as unsecured creditors for the payment

thereof and then only to the extent of the amount so received, without any interest thereon, and the Authority and the Bond Trustee shall have no responsibility with respect to such moneys.

Section 606. Bond Trustee's and Authority's Fees, Costs and Expenses. The initial administrative and acceptance fees and expenses of the Bond Trustee relating to the Series 2021A Bonds, including the reasonable fees and expenses of its legal counsel, shall be paid from the Cost of Issuance Fund as and when the same shall become due, unless such payment would, together with other Costs of Issuance paid from the proceeds of the Series 2021A Bonds, exceed 2% of the proceeds of the Series 2021A Bonds. In such case such fees and expenses shall be paid by the Borrower from its own funds. All other reasonable fees and expenses of the Bond Trustee (including such reasonable fees and expenses not incurred in the ordinary course of business) and the fees, if any, and reasonable costs and expenses of the Authority directly related to the Series 2021A Bonds and the issuance of the Series 2021A Bonds are to be paid by the Borrower from payments made under Section 4.1(b) of the Loan Agreement.

Section 607. Moneys to Be Held in Trust. All moneys required to be deposited with or paid to the Bond Trustee for the account of any of the funds created by this Bond Indenture shall be held by the Bond Trustee in trust, and except for moneys deposited with or paid to the Bond Trustee for the redemption of Series 2021A Bonds, notice of the redemption of which has been duly given, shall, while held by the Bond Trustee, constitute part of the trust estate and be subject to the lien hereof.

Section 608. Repayment to the Borrower from Funds. All amounts remaining in any of the funds created by this Bond Indenture shall be paid to the Borrower after payment in full of the Series 2021A Bonds and the fees, charges and expenses of the Bond Trustee and its agents and counsel, any other paying agent and the deed of trust trustee and other amounts required to be paid hereunder, and the fees, charges and expenses of the Authority and any other amounts required to be paid by the Borrower under Obligation No. 1 or the Loan Agreement.

ARTICLE VII

INVESTMENTS

Section 701. Investment of Funds. The Bond Trustee shall separately invest and reinvest any moneys held in the funds at the written direction of an Authorized Representative of the Borrower in:

- (a) Government Obligations;
- (b) Obligations of the Federal National Mortgage Association, Governmental National Mortgage Association, Federal Farm Credit Banks, Federal Intermediate Credit Banks, Federal Banks for Cooperatives, Federal Land Banks and Federal Home Loan Banks;
- (c) Bonds, notes and other evidences of indebtedness unconditionally guaranteed as to payment of principal and interest by the Commonwealth of Virginia or any city, county or town therein;

(d) Savings accounts, time deposits and certificates of deposit in any bank, including the Bond Trustee, or any affiliate thereof, (1) within the Commonwealth of Virginia, provided that such funds are secured in the manner required by the Virginia Security for Public Deposits Act or any successor provision of law, or (2) within or without the Commonwealth of Virginia having a combined capital, surplus and undivided profits of not less than \$50,000,000, or (3) demand deposits, including interest bearing money market accounts, time deposits, trust funds, trust accounts, overnight bank deposits, interest-bearing deposits, other deposit products, certificates of deposit, including those placed by a third party pursuant to an agreement between the Bond Trustee and the Authority, or bankers acceptances of depository institutions, including the Bond Trustee or any of its affiliates;

(e) Savings accounts and certificates of

(1) savings and loan associations that are under supervision of the Commonwealth of Virginia; and

(2) Federal associations organized under the laws of the United States of America and under federal supervision, but only to the extent that such accounts and certificates are fully insured by the Federal Savings and Loan Insurance Company or any successor federal agency;

(f) "Prime quality" commercial paper, with a maturity of 270 days or less, of issuing corporations organized under the laws of the United States, or of any state thereof, including paper issued by banks and bank holding companies. "Prime quality" shall be as rated by Moody's within its ratings of P-1 or P-2 or by S&P within its ratings of A-1 or A-2;

(g) Bankers' acceptances guaranteed by any bank having a combined capital, surplus and undivided profits of not less than \$50,000,000;

(h) Investments in money market funds restricted to Government Obligations and funds rated in the highest rating category by either Moody's, S&P or Fitch including any such fund administered by the Bond Trustee or for which the Bond Trustee, its affiliates or subsidiaries provide investment advisory or other management services;

(i) Investment agreements with any bank, registered broker/dealer, insurance company or any other financial institution or corporation, or any subsidiary thereof, with a senior unsecured credit rating of, or claims paying ability of, at least "Aa3" by Moody's or "AA-" by S&P or "AA-" by Fitch. The credit rating may be at either the parent or subsidiary level; and

(j) Such other investments as may be directed in writing by an Authorized Representative of the Borrower that are permitted by law. The written direction provided under this section shall specify, to the Bond Trustee's satisfaction (in its sole discretion), the suitability and legality of the directed investments, and the Bond Trustee shall be authorized to rely on such direction.

Any bonds, notes or other evidences of indebtedness listed in subsections (a), (b) and (c) above may be purchased by the Bond Trustee under a repurchase agreement with any bank or investment bank, including an affiliate of the Bond Trustee, within or without the Commonwealth

of Virginia having a combined capital, surplus and undivided profits of not less than \$50,000,000, provided the obligation of the bank or investment bank to repurchase is within the time limitation established for investments as set forth below. A repurchase agreement for securities described in subsections (a), (b) and (c) above shall be considered a purchase of such securities even if title and/or possession of such securities is not transferred to the Bond Trustee so long as (i) the repurchase obligation of the bank or investment bank is collateralized by the securities themselves, (ii) the securities have on the date of the repurchase agreement a fair market value equal to at least 100% of the amount of the repurchase obligation of the bank or investment bank, (iii) the securities are held by a third party and segregated from securities owned generally by the bank or investment bank, (iv) a perfected security interest in such securities is created for the benefit of the holders of the Series 2021A Bonds, under the Uniform Commercial Code of Virginia or book entry procedures prescribed at 31 C.F.R. 306.1 et seq. or 31 C.F.R. 350.0 et seq., and (v) if the repurchase agreement is with the bank serving as Bond Trustee or any related party, the third party holding such securities holds them as agent for the Bond Trustee as fiduciary for the holders of the Series 2021A Bonds and not as agent for the bank serving as Bond Trustee in its commercial capacity or any other party.

All such investments shall be held by or under the control of the Bond Trustee and while so held shall be deemed a part of the fund in which such moneys were originally held, except as otherwise provided herein. The interest accruing from such investment and any profit realized therefrom shall be credited to such funds and any loss resulting from such investments shall be charged to such funds, except as otherwise provided herein. The Borrower shall file with the Bond Trustee and amend as appropriate a statement of when amounts in the Construction Fund are expected to be requisitioned. The Bond Trustee shall sell and reduce to cash a sufficient amount of such investments whenever the cash balance in any fund is insufficient for the purposes thereof. So long as all investment restrictions applicable to each fund or account created hereunder are complied with, the Bond Trustee may commingle the funds and accounts held by it hereunder for purposes of investing amounts held therein.

The Bond Trustee shall, to the extent consistent with other provisions of this section, make any investment requested by the Borrower. At the request of the Borrower, but no more than monthly, the Bond Trustee shall provide the Borrower with reports in reasonable detail regarding the investment of the funds held by the Bond Trustee, which reports may be included in the reports required under Section 407. Confirmations of investments made in accordance with this Section are not required to be issued by the Bond Trustee for each month for which a monthly statement is issued. No statement or report under Section 407 or this paragraph need be received for any fund or account if no activity occurred in such fund or account during such month.

Moneys held in the following funds shall be invested in securities and obligations maturing not later than the following dates:

- (A) Construction Fund -- not later than the dates on which such moneys are expected to be needed to pay the Costs of the Project.
- (B) Bond Fund -- not later than the dates on which such moneys will be needed to pay principal of (whether at maturity or by mandatory sinking fund redemption) or interest on the Series 2021A Bonds.

For the purposes of this section investments shall be considered as maturing on the date on which they are redeemable without penalty at the option of the holder or the date on which the Bond Trustee may require their repurchase, under a repurchase agreement qualifying as described above.

For the purpose of determining the amount on deposit to the credit of any such fund or account, as reflected by annual accounting statements, obligations purchased as an investment of moneys therein shall be valued at least annually at the cost or market price thereof, whichever is lower, inclusive of accrued interest. Except as provided in Sections 603(c), the Bond Trustee shall not be required to calculate the value of investments more frequently than annually.

Section 702. **Investments through Bond Trustee's Bond Department.** The Bond Trustee may make investments permitted by Section 701 through its own bond department.

ARTICLE VIII

DISCHARGE OF INDENTURE

Section 801. **Discharge of Indenture.** The Series 2021A Bonds shall be deemed paid for all purposes of this Bond Indenture when (a) payment of the principal of and the maximum amount of interest that may become due on such Series 2021A Bonds to the due date of such principal and interest (whether at maturity, upon redemption, acceleration or otherwise) either (i) has been made in accordance with the terms of Article III or (ii) has been provided for by depositing with the Bond Trustee (A) moneys sufficient to make such payment which otherwise meet the definition of Defeasance Obligations or (B) noncallable Defeasance Obligations maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment without regard to the reinvestment thereof; and (b) all compensation and expenses of the Authority and the Bond Trustee (as well as the fees and expenses of their counsel) pertaining to each such Series 2021A Bond in respect of which such payment or deposit is made have been paid or provided for to their respective satisfaction. When a Series 2021A Bond is deemed paid, it shall no longer be secured by or entitled to the benefits of this Bond Indenture, except for payment from moneys or Defeasance Obligations under subsection (a) above and except that it may be transferred, exchanged, registered, discharged from registration or replaced as provided in Article II.

Notwithstanding the foregoing, no deposit under subsection (a) above made for the purpose of paying the redemption price of such Series 2021A Bond (as opposed to the final payment thereof upon maturity) will be deemed a payment of such Series 2021A Bond as aforesaid until (x) notice of redemption of such Series 2021A Bond is given in accordance with Article III or, if such Series 2021A Bond is not to be redeemed within the next 60 days, until the Borrower has given the Bond Trustee, in form satisfactory to the Bond Trustee, irrevocable Instructions to notify, as soon as practicable, the holder of such Series 2021A Bond, in accordance with Article III, that the deposit required by subsection (a) above has been made with the Bond Trustee and that such Series 2021A Bond is deemed to be paid under this Article and stating the redemption date upon which moneys are to be available for the payment of the principal of such Series 2021A Bond or (y) the maturity of such Series 2021A Bond. Additionally, and while the deposit under subsection (a) above made for the purpose of paying the final payment of a Series 2021A Bond upon its maturity shall be

deemed a payment of such Series 2021A Bond as aforesaid, the Bond Trustee shall mail notice to the registered owner of such Series 2021A Bond, as soon as practicable stating that the deposit required by subsection (a) above has been made with the Bond Trustee and that such Series 2021A Bond is deemed to be paid under this Article.

When Series 2021A Bonds are deemed paid under the foregoing provisions of this Section and other sums due hereunder and under the Loan Agreement are paid, the Bond Trustee shall, upon request, acknowledge the discharge of the Authority's obligations under this Bond Indenture with respect to such Series 2021A Bonds, except for obligations under Article II in respect of the transfer, exchange, registration, discharge from registration and replacement of Series 2021A Bonds, and obligations under Section 1002 hereof with respect to the Bond Trustee's compensation and indemnification. Series 2021A Bonds delivered to the Bond Trustee for payment shall be cancelled under Section 212.

An Authorized Representative of the Borrower shall direct the deposit, investment and use of the moneys and securities described in this Section such that no deposit will be made and no use made of any such deposit that would cause any Series 2021A Bonds (including Series 2021A Bonds deemed paid under this section) to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code. Before accepting or using any such deposit, the Bond Trustee may request an Opinion of Bond Counsel as to whether such use or acceptance would cause the Series 2021A Bonds (including Series 2021A Bonds deemed paid under this section) to be so treated and, that all conditions hereunder have been satisfied, and the Bond Trustee may conclusively rely on such opinion with regard thereto.

The Bond Trustee may request and shall be fully protected in relying upon a certificate of an independent certified public accountant to the effect that a deposit will be sufficient to defease such Series 2021A Bonds as provided in this Section 801.

ARTICLE IX

DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND BONDHOLDERS

Section 901. Events of Default. Each of the following events shall be an Event of Default:

(a) Default in the due and punctual payment of any interest on any Series 2021A Bond;

(b) Default in the due and punctual payment of the principal of any Series 2021A Bond (whether at maturity, upon acceleration or call for redemption or otherwise);

(c) An "Event of Default" under the Loan Agreement or the Master Indenture, and such "Event of Default" shall not have been remedied or waived; or

(d) Subject to the provisions of Section 911, default in the observance or performance of any other covenant, condition or agreement on the part of the Authority under this Bond Indenture or in the Series 2021A Bonds.

Section 902. Acceleration. If an Event of Default occurs and is continuing, the Bond Trustee may, and if requested by the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then Outstanding shall, by notice to the Authority, declare the entire unpaid principal of and interest on the Series 2021A Bonds due and payable and, thereupon, the entire unpaid principal of and interest on the Series 2021A Bonds shall forthwith become due and payable. Upon any such declaration the Authority shall forthwith pay to the holders of the Series 2021A Bonds the entire unpaid principal of and accrued interest on the Series 2021A Bonds, but only from the revenues and receipts herein specifically pledged for such purpose. Upon the occurrence of an Event of Default and a declaration of acceleration hereunder the Bond Trustee as assignee of the Authority shall immediately exercise its option under Section 6.2(a) of the Loan Agreement to declare all payments on Obligation No. 1 to be immediately due and payable.

Section 903. Other Remedies; Rights of Bondholders. Upon the occurrence of an Event of Default, the Bond Trustee may proceed to protect and enforce its rights as the holder of Obligation No. 1 and the rights of the Bondholders by mandamus or other action, suit or proceeding at law or in equity for specific performance of any agreement herein contained.

Upon the occurrence of an Event of Default, if requested to do so by the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then Outstanding and if indemnified as provided in Section 1001(k), the Bond Trustee shall exercise such one or more of the rights and powers conferred by this article as the Bond Trustee, upon being advised by counsel, shall deem most expedient in the interests of the Bondholders.

No remedy conferred by this Bond Indenture upon or reserved to the Bond Trustee or to the Bondholders is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Bond Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any default or Event of Default hereunder, whether by the Bond Trustee under Section 911 or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Upon the occurrence of an Event of Default under the Master Indenture, the Bond Trustee shall notify the Master Trustee and request that the Master Trustee direct all Members of the Obligated Group to deliver to the Master Trustee all Pledged Assets (as defined in the Master Indenture).

Section 904. Right of Bondholders To Direct Proceeding. Anything in this Bond Indenture to the contrary notwithstanding, the holders of a majority in aggregate principal amount of Series 2021A Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Bond Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and

conditions of this Bond Indenture or any other proceedings hereunder; provided, however, that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Indenture.

Section 905. Application of Moneys. All moneys received by the Bond Trustee under any right given or action taken under the provisions of this article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys, the expenses, liabilities and advances incurred or made by the Bond Trustee and the Deed of Trust Trustee, the fees of the Bond Trustee and the Deed of Trust Trustee and the expenses of the Authority in carrying out this Bond Indenture or the Loan Agreement, be deposited in the Bond Fund and applied as follows:

(a) Unless the principal of all the Series 2021A Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First - To the payment to the persons entitled thereto of all installments of interest then due on the Series 2021A Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2021A Bonds;

Second - To the payment to the persons entitled thereto of the unpaid principal of any of the Series 2021A Bonds which shall have become due (other than Series 2021A Bonds called for redemption for the payment of which moneys are held under the provisions of this Bond Indenture), in the order of their due dates, with interest on such Series 2021A Bonds at the respective rates specified therein from the respective dates on which they became due and, if the amount available shall not be sufficient to pay in full Series 2021A Bonds due on any particular date, together with such interest, then first to the payment of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2021A Bonds; and

Third - To the extent permitted by law, to the payment to persons entitled thereto of the unpaid interest on overdue installments of interest ratably, according to the amount of such interest due on such date, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2021A Bonds.

(b) If the principal of all the Series 2021A Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid on the Series 2021A Bonds, including, to the extent permitted by law, interest on overdue installments of interest, without preference or priority of

principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Series 2021A Bond over any other Series 2021A Bond, ratably, according to the amounts due respectively for principal and interest to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Series 2021A Bonds.

(c) If the principal of all the Series 2021A Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of this article, then, subject to the provisions of subsection (b) of this section in the event that the principal of all the Series 2021A Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this section.

Whenever moneys are to be applied under the provisions of this section, such moneys shall be applied at such times and from time to time as the Bond Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Bond Trustee shall apply such moneys, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) on which such application is to be made and on such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Bond Trustee shall give such notice to be registered holders of the Series 2021A Bonds by first class mail as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the holder of any Series 2021A Bond until such Series 2021A Bond shall be presented to the Bond Trustee for appropriate endorsement or for cancellation if fully paid.

Section 906. Remedies Vested in Bond Trustee. All rights of action (including the right to file proof of claims) under this Bond Indenture or under any of the Series 2021A Bonds may be enforced by the Bond Trustee without the possession of any of the Series 2021A Bonds or the production thereof in any trial or other proceeding relating thereto and any such suit or proceeding instituted by the Bond Trustee may be brought in its name as Bond Trustee without the necessity of joining as plaintiffs or defendants any holders of the Series 2021A Bonds, and any recovery of judgment shall be for the equal benefit of the holders of the outstanding Series 2021A Bonds.

Section 907. Limitation on Suits. Except to enforce the rights given under Sections 902 and 908, no holder of any Series 2021A Bond shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of this Bond Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (a) a default has occurred and is continuing of which the Bond Trustee has been notified as provided in Section 1001(h), or of which by such section it is deemed to have notice, (b) such default has become an Event of Default and the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then Outstanding have made written request to the Bond Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (c) they have offered to the Bond Trustee indemnity as provided in Section 1001(k), (d) the Bond Trustee has for 30 days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his or their

own name or names, (e) no direction inconsistent with such written request has been given to the Bond Trustee during such 30 day period by the holders of a majority in aggregate principal amount of Series 2021A Bonds then Outstanding, and (f) notice of such action, suit or proceeding is given to the Bond Trustee; it being understood and intended that no one or more holders of the Series 2021A Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice this Bond Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted and maintained in the manner herein provided and for the equal benefit of the holders of all Series 2021A Bonds then Outstanding. The notification, request and offer of indemnity set forth above, at the option of the Bond Trustee, shall be conditions precedent to the execution of the powers and trusts of this Bond Indenture and to any action or cause of action for the enforcement of this Bond Indenture or for any other remedy hereunder.

Section 908. Unconditional Right To Receive Principal, Premium and Interest.

Nothing in this Bond Indenture shall, however, affect or impair the right of any Bondholder to enforce, by action at law, payment of the principal of, premium, if any, or interest on any Series 2021A Bond at and after the maturity thereof, or on the date fixed for redemption or (subject to the provisions of Section 902) upon the same being declared due prior to maturity as herein provided, or the obligation of the Authority to pay the principal of, premium, if any, and interest on each of the Series 2021A Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner expressed herein and in the Series 2021A Bonds.

Section 909. Termination of Proceedings. In case the Bond Trustee shall have proceeded to enforce any right under this Bond Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Bond Trustee, then and in every such case the Authority, the Borrower and the Bond Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Bond Trustee shall continue as if no such proceedings had been taken.

Section 910. Waiver of Events of Default. The Bond Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Series 2021A Bonds on the written request of the holders of (a) a majority in aggregate principal amount of Series 2021A Bonds then Outstanding in respect of which default in the payment of principal and/or interest exists, or (b) a majority in aggregate principal amount of Series 2021A Bonds then Outstanding in the case of any other default; provided, however, that

(1) there shall not be waived without the consent of the holders of all Series 2021A Bonds then Outstanding (A) any Event of Default in the payment of the principal of any Outstanding Series 2021A Bonds (whether at maturity or by sinking fund redemption) or (B) any default in the payment when due of the interest on any such Series 2021A Bonds unless, prior to such waiver or rescission,

(i) there shall have been paid or provided for all arrears of interest with interest (to the extent permitted by law) at the rate borne by the Series 2021A Bonds on overdue installments of interest, all arrears of principal and all expenses of the Bond Trustee in connection with such default, and

(ii) in case of any such waiver or rescission or in case of any discontinuance, abandonment or adverse determination of any proceeding taken by the Bond Trustee on account of any such default, the Authority, the Bond Trustee and the Bondholders shall be restored to their former positions and rights hereunder respectively, and

(2) no declaration of maturity under Section 902 made at the request of the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then Outstanding shall be rescinded unless requested by the holders of a majority in aggregate principal amount of Series 2021A Bonds then Outstanding.

No such waiver or rescission shall extend to any subsequent or other default or impair any right consequent thereon.

Section 911. Notice of Defaults; Opportunity of the Borrower To Cure Defaults. Anything herein to the contrary notwithstanding, no default specified in Section 901(d) on the part of the Authority shall constitute an Event of Default until (a) notice of such default shall be given (1) by the Bond Trustee to the Authority and the Borrower or (2) by the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then Outstanding to the Bond Trustee, the Authority and the Borrower, and (b) the Authority and the Borrower shall have had 30 days after such notice to correct such default or cause such default to be corrected, and shall not have corrected such default or caused such default to be corrected within such period; provided, however, that if any default specified in Section 901(d) shall be such that it can be corrected but cannot be corrected within such period, it shall not constitute an Event of Default if corrective action is instituted by the Authority or the Borrower within such period and diligently pursued until such default is corrected, as long as such default is corrected within 90 days.

With regard to any alleged default concerning which notice is given to the Borrower under this section, the Borrower may perform any covenant, condition or agreement the nonperformance of which is alleged in such notice to constitute a default, in the name and stead of the Authority, with full power to do any and all things and acts to the same extent that the Authority could do and perform any such things and acts and with power of substitution.

ARTICLE X

THE BOND TRUSTEE

Section 1001. Acceptance of Trusts and Obligations. The Bond Trustee hereby accepts the trusts and obligations imposed upon it by this Bond Indenture and the Loan Agreement and agrees to perform such trusts and obligations, but only upon and subject to the following express terms and conditions and no implied covenants or obligations shall be read into this Bond Indenture or the Loan Agreement against the Bond Trustee:

(a) The Bond Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Bond Indenture and the Loan Agreement and as a corporate Bond Trustee ordinarily would perform such duties under a corporate indenture. In

case an Event of Default has occurred (which has not been cured or waived) the Bond Trustee shall exercise such rights and powers vested in it by this Bond Indenture, and use the same degree of care and skill in their exercise, as a prudent man ordinarily would exercise and use under the circumstances in the conduct of his own affairs.

(b) The Bond Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees and shall not be answerable for the conduct of the same if appointed with reasonable care, and shall be entitled to consult with and act on the opinion or advice of its counsel concerning all matters of trust hereof and the duties hereunder, and shall be fully protected in acting upon such advice and may in all cases pay reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trust hereof. As a condition to the taking, suffering or omission of any action hereunder, the Bond Trustee may demand and act on an Opinion of Counsel and shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance on such Opinion of Counsel.

(c) The Bond Trustee shall not be responsible for any recital herein, recital in the Series 2021A Bonds (except in respect to the certificate of the Bond Trustee endorsed on the Series 2021A Bonds), any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Series 2021A Bonds, except for any information provided by the Bond Trustee, or for compliance with any state or federal securities laws in connection with the Series 2021A Bonds or for the recording, re-recording, other filing or re-filing of any financing or continuation statement or any other document or instrument, or for insuring the Facilities or collecting any insurance moneys, or for the validity of the execution by the Authority of this Bond Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Series 2021A Bonds issued hereunder or intended to be secured hereby, or for the value of or title to the Mortgaged Premises or otherwise as to the maintenance of the security hereof; except that in the event the Bond Trustee takes possession of any part of the Mortgaged Premises under any provision of this Bond Indenture, the Loan Agreement or the Deed of Trust it shall use due diligence in preserving such part, and the Bond Trustee shall not be bound to ascertain or inquire as to the observance or performance of any covenants, conditions or agreements on the part of the Authority or on the part of the Borrower under the Loan Agreement or the Deed of Trust, except as hereinafter set forth. The Bond Trustee shall not be responsible or liable for any loss suffered in connection with any investment of moneys made by it in accordance with Section 701 or on account of any failure of the Borrower to provide timely written investment direction to the Bond Trustee.

(d) The Bond Trustee shall not be accountable for the use of any Series 2021A Bonds authenticated or delivered hereunder. The bank or trust company acting as Bond Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in the Series 2021A Bonds and may join in any action which any Bondholder may be entitled to take with like effect as if such bank or trust company were not the Bond Trustee. To the extent permitted by law, such bank or trust company may also receive tenders and purchase in good faith Series 2021A Bonds from itself, including any department, affiliate or subsidiary, with like effect as if it were not the Bond Trustee.

(e) The Bond Trustee shall be protected in acting on any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Bond Trustee under this Bond Indenture on the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Series 2021A Bond shall be conclusive and binding on all future owners of the same Series 2021A Bond and Series 2021A Bonds issued in exchange therefor or in place thereof.

(f) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Bond Trustee shall be entitled to rely on a certificate signed on behalf of the Authority by its Chairman or Vice Chairman and attested by its Secretary or Assistant Secretary under its seal, or such other person or persons as may be designated for such purposes by resolution of the Authority, as sufficient evidence of the facts therein contained, and prior to the occurrence of a default of which the Bond Trustee has been notified as provided in subsection (h) of this section, or of which by said subsection it is deemed to have notice, may also accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Bond Trustee may accept a certificate of the Secretary or Assistant Secretary of the Authority under its seal to the effect that a resolution in the form therein set forth has been adopted by the Authority as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(g) The permissive right of the Bond Trustee to do things enumerated in this Bond Indenture shall not be construed as a duty, and the Bond Trustee shall not be answerable for other than its gross negligence or willful misconduct.

(h) The Bond Trustee shall not be required to take notice or be deemed to have notice of any default hereunder, except failure by the Authority to cause to be made any of the payments to the Bond Trustee required to be made by Article VI or failure by the Authority or the Borrower to file with the Bond Trustee any document required by this Bond Indenture, the Loan Agreement or the Deed of Trust to be so filed, unless the Bond Trustee shall be notified of such default by the Authority or by the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then Outstanding.

(i) The Bond Trustee shall not be required to give any bond or surety with respect to the execution of its rights and obligations hereunder.

(j) Notwithstanding any other provision of this Bond Indenture, the Bond Trustee shall have the right, but shall not be required, to demand, as a condition of any action by the Bond Trustee in respect of the authentication of any Series 2021A Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Bond Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that required by the terms hereof.

(k) Before taking any action under this Bond Indenture or the Loan Agreement, the Bond Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all expenses to which it may be put and to protect it against all liability by reason of any action so taken, except liability that is adjudicated to have resulted from its gross negligence or willful misconduct. No provision of this Bond Indenture shall require the Bond Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder.

(l) All moneys received by the Bond Trustee shall, until used or applied or invested as herein provided, be held in trust in the manner and for the purposes for which they were received but need not be segregated from other funds except to the extent required by this Bond Indenture or law. The Bond Trustee shall not be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(m) The Bond Trustee shall cooperate with the Borrower in the contest, at the expense of the Borrower, of any condemnation proceeding or contest over title with respect to the Mortgaged Premises and shall, to the extent it may lawfully do so, permit the Borrower to litigate in any such proceeding or contest in the name and on behalf of the Bond Trustee. In no event shall the Bond Trustee voluntarily settle, or consent to the settlement of, any condemnation proceeding or contest over title with respect to the Mortgaged Premises without the consent of the Borrower.

(n) The Bond Trustee shall not be responsible for the tax-exempt status of the interest on the Series 2021A Bonds.

(o) (1) The Bond Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given under this Bond Indenture and related financing documents and delivered using Electronic Means, except that the Bond Trustee shall only accept Instructions from an Authority Representative or an Authorized Representative of the Borrower (as applicable).

(2) If the Bond Trustee receives Instructions using Electronic Means, and the Bond Trustee in its discretion elects to act upon such Instructions, the Bond Trustee's understanding of such Instructions shall be deemed controlling.

(3) The Authority and the Borrower understand and agree that the Bond Trustee cannot determine the identity of the actual sender of such Instructions and that the Bond Trustee shall conclusively presume that directions that purport to have been sent by an Authority Representative or an Authorized Representative of the Borrower (as applicable) have been sent by such individual.

(4) The Authority and the Borrower shall be responsible for ensuring that only an Authority Representative or an Authorized Representative of the Borrower (as applicable) transmits Instructions to the Bond Trustee and that the Authority and the Borrower are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt.

(5) The Bond Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bond Trustee's reliance upon and compliance with

such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written Instruction.

(6) The Authority and the Borrower agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Bond Trustee, including without limitation the risk of the Bond Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Bond Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority or the Borrower (as applicable); (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Bond Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(p) The Bond Trustee shall have no duty to review, verify or analyze any financial statements of the Borrower and shall hold such financial statements solely as a repository for the benefit of the Bondholders of the Series 2021A Bonds; the Bond Trustee shall not be deemed to have notice of any information contained therein, default or event of default which may be disclosed therein in any manner.

Section 1002. Fees, Charges and Expenses of Bond Trustee. Absent a specific agreement as to payment of the Bond Trustee's fees, charges and expenses, the Bond Trustee and any payment agents shall be entitled to payment and reimbursement for reasonable fees for services rendered hereunder and all advances, counsel fees and disbursements and other expenses reasonably made or incurred by the Bond Trustee in connection with such services, provided that, the trust estate shall not be liable for costs or expenses of the Bond Trustee other than reasonable costs and expenses. Upon an Event of Default, but only upon an Event of Default, the Bond Trustee shall have a first lien with right of payment prior to payment on account of principal of, or premium, if any, and interest on any Series 2021A Bond upon the trust estate created by this Bond Indenture for the foregoing fees, charges and expenses incurred by the Bond Trustee. When the Bond Trustee incurs expenses or renders services after the occurrence of an Event of Default hereunder caused by the occurrence of an "Event of Default" specified in subsections 4.01(e) or 4.01(f) of the Master Indenture, the expenses and the compensation for the services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 1003. Notice Required of Bond Trustee. If the Borrower fails to make any payment on Obligation No. 1 on the day such payment is due and payable, the Bond Trustee shall give notice thereof by telephone or facsimile to the Borrower on the next succeeding Business Day and shall confirm such notice in writing by first class registered or certified mail. In the event of (a) the continuance of any such failure to make payment for 30 days after such payment was due, (b) failure of the Authority to cause any of the payments to be made to the Bond Trustee as required by Article VI, or (c) notification to the Bond Trustee by the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then Outstanding, of any default hereunder, the Bond Trustee shall give notice thereof to the owner of each Series 2021A Bond then outstanding.

Section 1004. Intervention by Bond Trustee. In any judicial proceeding to which the Authority is a party and which in the opinion of the Bond Trustee has a substantial bearing on the interests of the Bondholders, the Bond Trustee may intervene on behalf of the Bondholders and, subject to Section 1001(k), shall do so if requested by the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then outstanding.

Section 1005. Merger or Consolidation of Bond Trustee. Any corporation or association into which the Bond Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall be and become successor Bond Trustee hereunder and vested with all the trusts, powers, discretion, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 1006. Resignation by Bond Trustee. The Bond Trustee may at any time resign from the trusts hereby created by giving 30 days' notice to the Authority, the Borrower and each registered owner of Series 2021A Bonds then Outstanding. Such resignation shall take effect upon the appointment of a successor or temporary Bond Trustee by the Bondholders or the Authority. In the event that no successor or temporary Bond Trustee is appointed within 30 days of the Bond Trustee's giving of notice of its resignation, the Bond Trustee shall have the right to petition any court of competent jurisdiction for such court's appointment of a temporary Bond Trustee provided, however, that nothing in this sentence shall be deemed to authorize appointment of any Bond Trustee other than in accordance with the requirements of Section 1008 hereof.

Section 1007. Removal of Bond Trustee. The Bond Trustee may be removed at any time (i) by an instrument or concurrent instruments in writing delivered to the Bond Trustee and to the Authority and signed by the owners of a majority in aggregate principal amount of Series 2021A Bonds then Outstanding, or (ii) by any instrument signed by an Authorized Representative of the Borrower provided no Event of Default has occurred and is continuing. The removal shall take effect upon the appointment of a temporary or successor Bond Trustee by the Bondholders, the Borrower or a court of competent jurisdiction. In the event that no successor or temporary Bond Trustee is appointed within 30 days of the Bond Trustee's removal the Bond Trustee shall have the right to petition any court of competent jurisdiction for such court's appointment of a temporary Bond Trustee provided, however, that nothing in this sentence shall be deemed to authorize appointment of any Bond Trustee other than in accordance with the requirements of Section 1008 hereof.

Section 1008. Appointment of Successor Bond Trustee; Temporary Bond Trustee. In case the Bond Trustee hereunder shall resign, be removed, be dissolved, be in course of dissolution or liquidation or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers or of a receiver appointed by a court, a successor may be appointed by (a) the owners of a majority in aggregate principal amount of Series 2021A Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by

such owners or (b) so long as no Event of Default has occurred and is continuing, the Borrower by an instrument signed by an Authorized Representative of the Borrower; provided, however, that in case of such vacancy the Authority by an instrument signed by its Chairman or Vice Chairman may appoint a temporary Bond Trustee to fill such vacancy until a successor Bond Trustee shall be appointed by the Bondholders or the Borrower in the manner provided above; and any such temporary Bond Trustee so appointed shall immediately and without further act be superseded by the Bond Trustee so appointed by such Bondholders or the Borrower. Every such Bond Trustee appointed under this section shall be, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms, (a) a bank or trust company, organized under the laws of the Commonwealth of Virginia or the United States of America, in good standing and having a combined capital, surplus and undivided profits of not less than \$50,000,000, or (b) a subsidiary trust company under the Trust Subsidiary Act, Article 3, Chapter 10, Title 6.2, Code of Virginia of 1950, as amended, whose parent Virginia bank or bank holding company has undertaken to be responsible for the acts of such subsidiary trust company pursuant to the provisions of Section 6.2-1056 of the Trust Subsidiary Act, or any successor provision of law, and whose combined capital, surplus and undivided profits, together with that of its parent Virginia bank or bank holding company, as the case may be, is not less than \$50,000,000.

Section 1009. Concerning any Successor Bond Trustee. Every successor Bond Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Authority an instrument in writing accepting such appointment hereunder, and thereafter such successor, without any further act, deed or conveyance, shall become fully vested with all the properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Authority or its successor Bond Trustee, execute and deliver an instrument transferring to such successor Bond Trustee all the properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Bond Trustee shall deliver all securities and moneys held by it as Bond Trustee hereunder to its successor. Should any instrument in writing from the Authority be required by any successor Bond Trustee for more fully and certainly vesting in such successor the properties, rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Authority. The resignation of any Bond Trustee and the instrument or instruments removing any Bond Trustee and appointing a successor hereunder, together with all other instruments provided for in this article, shall be filed and/or recorded by the successor Bond Trustee in each recording office where this Bond Indenture may have been filed and/or recorded.

Section 1010. Right of Bond Trustee To Pay Taxes and Other Charges. In case any tax, assessment or governmental or other charge on any part of the property conveyed under the Deed of Trust is not paid as required herein, the Bond Trustee may pay such tax, assessment or governmental charge, without prejudice, however, to any rights of the Bond Trustee or the Bondholders hereunder arising in consequence of such failure. Any amount at any time so paid under this section, with interest thereon from the date of payment at the Prime Rate (as defined in the Loan Agreement), shall become additional indebtedness secured by this Bond Indenture, and such indebtedness shall be given a preference in payment over any of the Series 2021A Bonds, and shall be paid out of the proceeds of revenues and receipts collected from the property herein conveyed, if not otherwise caused to be paid; but the Bond Trustee shall be under no obligation to make any such payment unless it shall have been requested to do so by the holders of at least 25%

in aggregate principal amount of Series 2021A Bonds then Outstanding and shall have been provided with adequate funds for the purpose of such payment.

Section 1011. Bond Trustee Protected in Relying on Resolutions, Etc. The resolutions, opinions, certificates and other instruments provided for in this Bond Indenture may be accepted by the Bond Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Bond Trustee for the release of property, the withdrawal of cash hereunder or the taking of any other action by the Bond Trustee as provided hereunder.

Section 1012. Successor Bond Trustee as Bond Registrar, Custodian of Funds and Paying Agent. In the event of a change in the office of Bond Trustee the predecessor Bond Trustee which has resigned or been removed shall cease to be bond registrar, custodian of the several funds created under this Bond Indenture and paying agent for principal of and interest on the Series 2021A Bonds and the successor Bond Trustee shall become such bond registrar, custodian and paying agent.

ARTICLE XI

SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Not Requiring Consent of Bondholders. The Authority and the Bond Trustee may, without the consent of, or notice to, any of the Bondholders, enter into such indenture or indentures supplemental to this Bond Indenture as shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Bond Indenture;
- (b) To grant to or confer on the Bond Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred on the Bondholders or the Bond Trustee or either of them;
- (c) To subject to this Bond Indenture additional revenues, properties or collateral;
- (d) To modify, amend or supplement this Bond Indenture in such manner as required to permit the qualification hereof and thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect or any state securities (Blue Sky) law, and, if they so determine, to add to this Bond Indenture such other terms, conditions and provisions as may be required by said Trust Indenture Act of 1939, as amended, or similar federal statute or state securities law;
- (e) To modify, amend or supplement this Bond Indenture in such manner as required to prevent this Bond Indenture or any fund, account or deposit created, established or made pursuant hereto from being deemed an "investment company" as such term is defined in Section 3 of the Investment Company Act of 1940, as amended, or otherwise subject to registration under Section 8 of such Act; or

(f) To make any other change herein that, in the opinion of the Bond Trustee, which may be based upon an Opinion of Counsel, shall not prejudice in any material respect the rights of the holders of the Series 2021A Bonds then Outstanding.

Section 1102. Supplemental Indentures Requiring Consent of Bondholders. (a) Exclusive of supplemental indentures covered by Section 1101 and subject to the terms and provisions contained in this section, the Bondholders of a majority in aggregate principal amount of Series 2021A Bonds then Outstanding shall have the right from time to time, notwithstanding any other provision of this Bond Indenture, to consent to and approve the execution by the Authority and the Bond Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary or desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Bond Indenture or in any supplemental indenture; provided, however, that nothing in this Bond Indenture shall permit, or be construed as permitting (1) an extension of the maturity of the principal of or the interest on any Series 2021A Bond, or (2) a reduction in the principal amount of any Series 2021A Bond or the rate of interest thereon, or (3) an extension of time or a reduction in amount of any payment required by any sinking fund that may be applicable to any Series 2021A Bond, or (4) a privilege or priority of any Series 2021A Bond or Series 2021A Bonds over any other Series 2021A Bond or Series 2021A Bonds, or (5) a reduction in the aggregate principal amount of Series 2021A Bonds required for consent to such supplemental indenture, without the consent and approval of the holders of all of the Series 2021A Bonds then outstanding.

Notwithstanding the foregoing, during any period of time in which an Event of Default has occurred and is continuing, an amendment of the type described in clauses (1), (2), (3), (4) or (5) above may be made with the consent of the Bondholders of at least eighty percent (80%) in aggregate principal amount of all Outstanding Series 2021A Bonds; provided, however, any such amendment shall not result in a change in preference or priority of any Series 2021A Bond over any other Series 2021A Bond and no such amendment described in clauses (1), (2), (3), (4) or (5) shall result in a disproportionate change, reduction or modification with respect to any Series 2021A Bonds.

Notwithstanding subsections (b) and (c), it shall not be necessary for the Bondholders of Series 2021A Bonds to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Bondholder shall approve the substance thereof.

(b) If at any time the Authority shall request the Bond Trustee to enter into any such supplemental indenture for any of the purposes of this section, the Bond Trustee shall, upon being satisfactorily indemnified with respect to expenses and receipt of an Opinion of Counsel satisfactory to the Bond Trustee (in its sole discretion), cause notice of the proposed execution of such supplemental indenture to be sent to each registered owner of Series 2021A Bonds then outstanding by registered or certified mail to the address of such Bondholder as it appears on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings pursuant hereto. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the designated corporate trust office of the Bond Trustee for inspection by all Bondholders. If, within 60 days or such longer period as shall be prescribed by the Authority following the giving of such notice, the Bondholders of a majority in aggregate principal amount

of Series 2021A Bonds then Outstanding shall have consented to and approved the execution thereof as herein provided, no Bondholder of any Series 2021A Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Bond Trustee or the Authority from executing such supplemental indenture or from taking any action under the provisions thereof. Upon the execution of any such supplemental indenture as in this section permitted and provided, this Bond Indenture shall be and be deemed to be modified and amended in accordance therewith.

(c) Series 2021A Bonds owned or held by or for the account of the Authority or the Borrower or any person controlling, controlled by or under common control with either of them shall not be deemed Outstanding for the purpose of consent or any calculation of Outstanding Series 2021A Bonds provided for in this Article XI or in Article XII (unless all Outstanding Series 2021A Bonds are held by one or more such parties). At the time of any such calculation, the Borrower shall furnish the Bond Trustee a certificate of an Authorized Representative of the Borrower, upon which the Bond Trustee may rely, describing all Series 2021A Bonds so to be excluded.

Section 1103. Consent of the Borrower Required. Notwithstanding any other provision of this Bond Indenture, a supplemental indenture under this article that affects any rights of the Borrower shall not become effective until the Borrower shall have consented to the execution and delivery of such supplemental indenture.

Section 1104. Amendment by Unanimous Consent. Notwithstanding any other provision in this Bond Indenture, the Authority and the Bond Trustee may enter into any indenture supplemental to this Bond Indenture upon receipt of the consent of the Bondholders of all Series 2021A Bonds then outstanding, the Opinion of Counsel required by Section 1106 and, if required by Section 1103, the consent of the Borrower.

Section 1105. Amendment without Consent of Authority. In the event the Authority is unwilling or unable to enter into any supplemental indenture permitted by this Article XI the Bond Trustee may, without the consent of the Authority, amend or supplement this Bond Indenture in any manner otherwise permitted by this Article XI so long as such amendment or supplement does not adversely affect the rights of the Authority.

Section 1106. Opinion of Counsel Required. Notwithstanding any other provision of this Bond Indenture, the Bond Trustee (a) shall not execute any supplemental indenture to this Bond Indenture unless there shall have been filed with the Bond Trustee an Opinion of Bond Counsel stating (i) that such supplemental indenture is authorized or permitted by this Bond Indenture and complies with its terms and that upon execution it will be valid and binding on the Authority in accordance with its terms, and (ii) that such supplemental indenture will not have an adverse effect on the exemption of interest on the Series 2021A Bonds from gross income for Federal income tax purposes, and (b) shall not, without the consent of the Borrower, execute any supplemental indenture to this Bond Indenture that will adversely affect any rights of the Borrower and shall in all events give the Borrower at least 15 days' prior notice (which may be waived) of any proposed supplemental indenture.

Section 1107. Trustee's Obligation Regarding Supplemental Indentures and Amendments of Obligation No. 1, Agreement and Deed of Trust. The Bond Trustee shall not unreasonably (a) refuse to enter into any supplemental indenture permitted by this Article or (b) withhold its consent to any amendment, change or modification of the Loan Agreement, the Master Indenture, Obligation No. 1, or the Deed of Trust permitted by Article XII; provided, however, that any such refusal or withholding shall not be unreasonable if the Bond Trustee reasonably believes that such supplemental indenture or amendment, change or modification does or may prejudice any right of the holders of Series 2021A Bonds then outstanding or affect adversely the rights and immunities of, or increase the duties of, the Bond Trustee.

ARTICLE XII

AMENDMENTS OF AGREEMENT, MASTER INDENTURE, OBLIGATION NO. 7 AND DEED OF TRUST

Section 1201. Amendments of Agreement, Master Indenture, Obligation No. 1 and Deed of Trust Not Requiring Consent of Bondholders. The Authority and the Bond Trustee shall, without the consent of or notice to the Bondholders, consent to any amendment, change or modification of the Loan Agreement, Master Indenture, Obligation No. 1, or the Deed of Trust as may be required

(a) by the provisions of the Loan Agreement, Master Indenture, Obligation No. 1, the Deed of Trust, or this Bond Indenture,

(b) for the purpose of curing any ambiguity or formal defect or omission therein,

(c) in connection with additional real estate, furnishings, machinery or equipment that is to become part of the Facilities under the Loan Agreement so as to identify the same more precisely, or

(d) in connection with any other change therein that, in the opinion of the Bond Trustee, which may be based upon an Opinion of Counsel, will not prejudice in any material respect the rights of the Bondholders of the Series 2021A Bonds then outstanding.

The Authority and the Bond Trustee shall, without the consent of or notice to the Bondholders, consent to any such amendment, change or modification made in connection with any modification or amendment of, or supplement to, this Bond Indenture under Section 1101(e).

Section 1202. Amendments of Agreement, Master Indenture, Obligation No. 1 and Deed of Trust Requiring Consent of Bondholders. Except for amendments, changes or modifications as provided in Section 1201 and subject to Section 1206, neither the Authority nor the Bond Trustee shall consent to any amendment, change or modification of the Loan Agreement, the Master Indenture, Obligation No. 1, or the Deed of Trust without the written approval or consent of the Bondholders of a majority in aggregate principal amount of Series 2021A Bonds then outstanding given and procured as provided in Section 1102. If at any time the Authority and the Borrower shall request the consent of the Bond Trustee to any such proposed amendment, change or modification, the Bond Trustee shall, upon being satisfactorily indemnified with respect

to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided by Section 1102 with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that a copy of the instrument embodying the same is on file at the designated corporate trust office of the Bond Trustee for inspection by all Bondholders.

Section 1203. Limitation on Amendments. No amendment, change or modification may decrease the obligation of the Borrower under the Loan Agreement, the Master Indenture, Obligation No. 1 and the Deed of Trust to pay amounts sufficient to pay principal of, premium, if any, and interest on the Series 2021A Bonds as the same become due.

Section 1204. Amendment by Unanimous Consent. Section 1205. Opinion of Counsel Required. The Bond Trustee shall not consent to any amendment, change or modification of the Loan Agreement, the Master Indenture, Obligation No. 1 or the Deed of Trust unless there shall have been filed with the Bond Trustee and the Authority an Opinion of Counsel that such amendment, change or modification is authorized or permitted by this Bond Indenture and complies with its terms and that on execution it will be valid and binding on the party or parties executing it in accordance with its terms, and an Opinion of Bond Counsel stating that such amendment, change or modification will not have an adverse effect on the exemption of interest on the Series 2021A Bonds from gross income for federal income tax purposes.

Section 1206. Partial Consent to Amendment of Master Indenture. Notwithstanding the provisions of Section 1202, if the Bond Trustee, as holder of Obligation No. 1 under the Master Indenture, is requested to make or give any request, direction or consent with respect to the Master Indenture that the Bond Trustee cannot make or give under Section 1201 above and the approval or consent of the Bondholders of a majority in aggregate principal amount of Series 2021A Bonds then outstanding is not obtained, then at the Borrower's request the Bond Trustee shall inform the Master Trustee of the principal amount of Series 2021A Bonds held by Bondholders giving such approval or consent so that the provisions of Section 8.01 of the Master Indenture may be given effect.

This Bond is one of a series of \$_____ Economic Development Authority of James City County, Virginia, Residential Care Facility Revenue Bonds (WindsorMeade), Series 2021A (the "Series 2021A Bonds"), of like date and tenor, except as to number, denomination, rate of interest, maturity and privilege of redemption, authorized and issued pursuant to the Industrial Development and Revenue Bond Act, Chapter 49, Title 15.2, Code of Virginia of 1950, as amended. The Series 2021A Bonds are issued under and are equally and ratably secured by a Bond Trust Indenture dated as of August 1, 2021 (as altered, amended, modified, or supplemented from time to time, the "Bond Indenture"), between the Authority and the Bond Trustee.

The Authority will issue the Series 2021A Bonds and loan the proceeds thereof to Virginia United Methodist Homes of Williamsburg, Inc., a Virginia nonstock corporation (as more particularly defined in the Bond Indenture, the "Borrower") under the terms of a Loan Agreement dated as of August 1, 2021 (as more particularly defined in the Bond Indenture, the "Loan Agreement"), between the Authority and the Borrower.

The Borrower will use the proceeds of the Series 2021A Bonds to (1) to refinance the Authority's (i) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013A (Senior), (ii) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013A (Subordinate), (iii) Residential

Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013B (Senior), and (iv) Residential Care Facility Revenue Bonds (Virginia United Methodist Homes of Williamsburg, Inc.), Series 2013C (Senior/Taxable) (collectively, the "2013 Bonds") proceeds of which were used to refinance prior bonds of the Authority that were issued to provide the initial financing for the Borrower's senior living community (the "Community") located in and around the address indicated above; (2) to refinance the Authority's Residential Care Facility Revenue Bond (Virginia United Methodist Homes of Williamsburg), Series 2016 (the "2016 Bond"), proceeds of which were used to (a) finance costs associated with the renovation and expansion of the health center facility for the Borrower's Community, and (b) to finance costs related to a debt service reserve fund, costs of issuance, working capital, routine capital expenditures of the Community and other expenses in connection with the issuance of the 2016 Bond; and (3) to finance other capital projects at the Community all within the existing structures or existing parking facilities located at the Community and amounts required for reserves, working capital, capitalized interest, costs of issuance and other financing expenses related to the issuance of the Bonds.

Under the Bond Indenture, the Authority has assigned to the Bond Trustee, as security for the Series 2021A Bonds, the Promissory Note Designated Obligation No. 1, issued by the Borrower, in the principal amount of \$_____, dated the date of delivery (as altered, amended, modified, or supplemented from time to time, "Obligation No. 1"), and certain rights of the Authority under the Loan Agreement. In the Loan Agreement, the Borrower agrees to pay amounts sufficient to pay the principal of and premium, if any, and interest on the Series 2021A Bonds as the same become due. Obligation No. 1 is issued as an obligation of the Obligated Group under the Master Trust Indenture dated as of August 1, 2021 (as altered, amended, modified, or supplemented from time to time, the "Master Indenture"), between the Borrower and The Bank of New York Mellon Trust Company, N.A., as the master trustee (the "Master Trustee"), and a Supplemental Indenture for Obligation No. 1 dated as of August 1, 2021, between the Borrower and the Master Trustee.

The Borrower has previously issued other Obligations under the Master Indenture and additional Obligations (as defined in the Master Indenture) of the Borrower and future Members of the Obligated Group may be issued on the terms provided in the Master Indenture. All Obligations of the Obligated Group, including Obligation No. 1, will be equally and ratably secured by the provisions of the Master Indenture. All Obligations of the Obligated Group, including Obligation No. 1, other than those evidencing unsecured indebtedness, are equally and ratably secured by an Amended and Restated Deed of Trust and Security Agreement dated as of August 1, 2021 (as altered, amended, modified, or supplemented from time to time, the "Deed of Trust"), all between the Borrower and individual trustees, which creates a lien on and a security interest in the Mortgaged Premises (as defined in the Master Indenture), which lien and security interest are more fully described in the Deed of Trust.

Reference is hereby made to the Bond Indenture, the Loan Agreement, the Master Indenture and the Deed of Trust, and to all amendments and supplements thereto, for a description of the provisions, among others, with respect to the terms on which the Series 2021A Bonds are issued, the nature and extent of the security for the Series 2021A Bonds, the rights, duties and obligations of the Authority, the Bond Trustee and the Master Trustee, the rights of the holders of the Series 2021A Bonds and the provisions for defeasance of such rights. Capitalized terms used

in this Series 2021A Bond and not defined herein have the meanings given to them in the Bond Indenture.

The Series 2021A Bonds may not be called for redemption by the Authority except as provided in the Bond Indenture and as provided below.

As more fully described in Section 301(a) of the Bond Indenture, the Series 2021A Bonds are required to be redeemed by the Authority in whole or in part at any time at a redemption price of 100% of the principal amount thereof plus accrued interest to the redemption date in the event the Borrower exercises its option to prepay Obligation No. 1, in whole or in part, upon damage to, condemnation of or failure of title to the Mortgaged Premises or certain other extraordinary events.

The Series 2021A Bonds are subject to mandatory redemption in whole at a redemption price equal to 103% of the principal amount of the Series 2021A Bonds to be redeemed plus accrued interest thereon to, but not including, the redemption date on any Business Day within 45 days after the occurrence of a Determination of Taxability; provided, however, if, in the Opinion of Bond Counsel, a mandatory redemption on account of a Determination of Taxability of less than all of the Series 2021A Bonds would result in the interest on the Series 2021A Bonds following such mandatory redemption not being includable in the gross income of the holders of such Outstanding Series 2021A Bonds, then, unless otherwise specified in such Opinion of Bond Counsel, the Series 2021A Bonds are subject to mandatory redemption upon the occurrence of a Determination of Taxability in Authorized Denominations on a pro rata basis among all of the Series 2021A Bonds then Outstanding.

The Series 2021A Bonds will be subject to redemption by the Authority, at the direction of the Borrower, prior to maturity in whole, or in part by lot, at any time, on and after _____ 1, 20____ at the following redemption prices (expressed as a percentage of the principal amount to be redeemed) plus accrued interest thereon, if any, to the redemption date in the event the Borrower exercises its option to prepay all or a portion of the amounts available under Obligation No. 1 under Sections 7.2 or 7.3 of the Loan Agreement:

The Bond Indenture provides for a credit against the sinking fund requirements of the Series 2021A Bonds of the same series and maturity, to the extent the Series 2021A Bonds of such maturity previously have been purchased or redeemed (other than through the operation of the sinking fund) and cancelled or surrendered for cancellation and have not been applied previously as such a credit.

If less than all of any maturity are called for redemption, the Series 2021A Bonds to be redeemed shall be selected by lot in such manner as the Bond Trustee in its discretion shall determine, or if the Series 2021A Bonds are held in a book-entry system by The Depository Trust Company in accordance with its procedures, each portion of \$5,000 principal amount being counted as one Bond for this purpose. If a portion of this Bond shall be called for redemption, a new Bond in the principal amount equal to the unredeemed portion thereof will be authenticated and delivered to the registered owner upon the surrender hereof.

If any of the Series 2021A Bonds or portions thereof are called for redemption, the Bond Trustee shall send to the registered owner of each Bond to be redeemed notification thereof by first class mail not less than 30 nor more than 60 days prior to the redemption date, at his address as it appears on the registration books; provided, however, that failure to give any such notice, or any defect therein, shall not affect the validity of any proceedings for the redemption of any Series 2021A Bonds with respect to which no such failure or defect has occurred. Provided funds for their redemption are on deposit at the place of payment on the redemption date, all Series 2021A Bonds or portions thereof so called for redemption shall cease to bear interest on such date, shall no longer be secured by the Bond Indenture and shall not be deemed to be outstanding under the provisions of the Bond Indenture.

The owner of this Bond shall have no right to enforce the provisions of the Bond Indenture or to institute action to enforce the covenants therein or to take any action with respect to any Event of Default under the Bond Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Bond Indenture. In certain events, on conditions, in the manner and with the effect set forth in the Bond Indenture, the principal of all the Series 2021A Bonds issued under the Bond Indenture and then outstanding may become or may be declared due and payable before their stated maturities, together with accrued interest thereon. Modifications or alterations of the Bond Indenture, the Loan Agreement or Obligation No. 1 or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Bond Indenture.

The Series 2021A Bonds are issuable only as registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. At the designated corporate trust office

of the Bond Trustee, in the manner and subject to the limitations and conditions and upon payment of charges provided in the Bond Indenture, Series 2021A Bonds may be exchanged for an equal aggregate principal amount of Series 2021A Bonds of different authorized denominations as requested by the owner hereof or his duly authorized attorney or legal representative.

The transfer of this Bond may be registered by the registered owner thereof in person or by his duly authorized attorney or legal representative at the designated corporate trust office of the Bond Trustee, but only in the manner and subject to the limitations and conditions provided in the Bond Indenture and upon surrender and cancellation of the Bond. Upon any such registration of transfer the Authority shall execute and the Bond Trustee shall authenticate and deliver in exchange for this Bond a new Bond, registered in the name of the transferee, of authorized denominations. The Bond Trustee, the Authority and the Borrower shall, prior to due presentment for registration of transfer, treat the registered owner as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the owner, except that all payments of interest shall be made to the registered owner as of the 15th day of the month preceding each Interest Payment Date.

Any exchange or registration of transfer shall be without charge except that the Bond Trustee shall make a charge to any Bondholder requesting such exchange or registration in the amount of any tax or other governmental charge required to be paid with respect thereto.

All acts, conditions and things required to happen, exist or be performed precedent to and in the issuance of this Bond have happened, exist and have been performed.

This Bond shall not become obligatory for any purpose or be entitled to any security or benefit under the Bond Indenture or be valid until the Bond Trustee shall have executed the Certificate of Authentication appearing hereon.

The Company has not received a notice or communication of any kind from the Internal Revenue Service directly or indirectly questioning its status described in the first sentence of this subsection or the tax-exempt status of any bonds issued on its behalf, or indicating that the Company or any such bonds specifically are being or will be audited with respect to such status. (d) There is no litigation at law or in equity or any proceeding before any governmental agency involving the Company pending or, to the knowledge of the Company, threatened in which any liability of the Company is not adequately covered by insurance or for which adequate reserves are not provided or for which any judgment or order would have a material adverse effect upon the business or assets of the Company or affect its existence or authority to do business, the operation of the Facilities, the Plan of Finance, the validity of the Financing Instruments or the performance of the Company's obligations thereunder.

(e) The execution and delivery of the Financing Instruments, the performance by the Company of its obligations thereunder and the consummation of the transactions therein contemplated do not and will not conflict with, or constitute a breach or result in a violation of, articles of incorporation or bylaws of the Company, any agreement or other instrument to which the Company is a party or by which it is bound or any constitutional or statutory provision or order, rule, regulation, decree or ordinance of any court, government or governmental authority having jurisdiction over the Company or its property.

(f) The Company has obtained all consents, approvals, authorizations and orders of any governmental or regulatory authority ("Consents") that are required to be obtained by the Company as a condition precedent to the issuance of the Series 2021A Bonds and the execution and delivery of the Financing Instruments. The Company has obtained all Consents obtainable to date for the performance by the Company of its obligations hereunder and thereunder, or required as of the date hereof for the acquisition, construction, renovation and equipping of the Project and the operation of the Facilities. The Company will obtain when needed all other Consents required for the performance of its obligations under the Financing Instruments, and for the operation of the Facilities and the undertaking of the Project and has no reason to believe that all such Consents cannot be promptly obtained when needed.

(a) Except with respect to earnings on funds covered by the exceptions provided by Section 148(f)(4)(B) of the Code, at its sole expense on behalf of the Authority, the Company shall determine and pay to the United States the rebate amount, as provided in the Tax Agreement, as and when due in accordance with the "rebate requirement" described in Section 148(f) of the Code and Treasury Regulations thereunder, including without limitation, Treasury Regulations Section 1.148. The Company shall retain records of all such determinations until six years after the Series 2021A Bonds are deemed paid under Section 801 of the Bond Indenture.

(b) Neither the Authority nor, as its assignee, the Bond Trustee, shall be liable to the Company by way of contribution, indemnification, counterclaim, set-off or otherwise for any payment made or expense incurred by the Company under this section or the Bond Indenture.

ARTICLE V

SPECIAL COVENANTS

Section 5.1 Compliance with Covenants, Conditions and Agreements in Master Indenture. So long as the Series 2021A Bonds are Outstanding, the Company shall comply with, and with respect to the other members of the Obligated Group (as defined in the Master Indenture), covenant to cause each such member to comply with, each and every covenant, condition and agreement in the Master Indenture. Each such covenant, condition and agreement in the Master Indenture is hereby incorporated by reference and made a part of this Loan Agreement with the same effect intended as though the text of each such covenant, condition and agreement were set forth in this Loan Agreement as express covenants, conditions and agreements of the Company.

Section 5.2 Merger, Sale and Transfer. Except as provided in Section 3.09 and Section 3.10 of the Master Indenture, the Company shall not consolidate with or merge into another entity, or permit one or more other entities to consolidate with or to merge into it, or sell or otherwise transfer to another entity all or substantially all of its assets and thereafter dissolve.

Section 5.3 Examination of Books and Records. The Bond Trustee and the Authority shall be permitted, during normal business hours and upon reasonable notice, to examine the books and records (other than confidential resident records) of the Company with respect to the Company's financial standing or its compliance with its obligations hereunder and under the Master Indenture.

Section 5.4 Damage, Destruction, Condemnation and Loss of Title. (a) The Company shall give prompt notice to the Bond Trustee and the Authority of (1) any material damage to or destruction of any part of the Facilities, (2) a taking of all or any part of the Facilities or any right therein under the exercise of the power of eminent domain, (3) any loss of any part of the Facilities because of failure of title thereto, or (4) the commencement of any proceedings or negotiations that might result in such a taking or loss. Each such notice shall describe generally the nature and extent of such damage, destruction, taking, loss, proceedings or negotiations.

(b) The Company shall apply any Net Proceeds consistent with the provisions of Section 3.05 of the Master Indenture. The Company shall simultaneously provide to the Bond Trustee the Officer's Certificates and Consultant reports required to be delivered to the Master Trustee under Section 3.04 of the Master Indenture.

The Company shall not by reason of the payment of the cost of replacement, repair, rebuilding or restoration be entitled to any reimbursement from the Authority or the Bond Trustee or to any abatement or diminution of the amount payable under the Note. All real and personal property acquired with Net Proceeds derived from Mortgaged Premises shall be free and clear of all liens and encumbrances of any kind except Permitted Liens (as defined in the Master Indenture) and become part of the Mortgaged Premises and the Company shall take all steps necessary to subject such property to the lien and security interest of the Deed of Trust and to obtain an amendment to the mortgagee title policy required by the Master Indenture to insure title to all such real property acquired. Prepayments of the Note shall be used to redeem Series 2021A Bonds under Section 301 of the Bond Indenture.

Section 5.5 Indemnification. (a) The Company shall (i) protect, indemnify and save harmless the Authority, the Bond Trustee and their respective officers, directors, employees and agents, and their respective counsel (collectively, the "Indemnitees") from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (hereinafter referred to as "Damages"), including without limitation (1) all amounts paid in settlement of any litigation commenced or threatened against the Indemnitees, if such settlement is effected with the written consent of the Company, (2) all expenses reasonably incurred in the investigation of, preparation for or defense of any litigation, proceeding or investigation of any nature whatsoever, commenced or threatened against the Company, the Facilities or the Indemnitees, (3) any judgments, penalties, fines, damages, assessments, indemnities or contributions, and (4) the reasonable fees of attorneys, auditors, and consultants, provided that the Damages arise out of:

(1) failure by the Company or its officers, employees or agents, to comply with the terms of the Financing Instruments, and any agreements, covenants, obligations, or prohibitions set forth therein;

(2) any action, suit, claim or demand contesting or affecting the title of the Facilities;

(3) any breach of any representation or warranty set forth in the Financing Instruments or any certificate delivered pursuant thereto, and any claim that any representation or warranty of the Company contains or contained any untrue or misleading statement of fact or omits or omitted to state any material facts necessary to make the statements made therein not misleading in light of the circumstances under which they were made;

(4) any action, suit, claim, proceeding or investigation of a judicial, legislative, administrative or regulatory nature arising from or in connection with the construction, acquisition, ownership, operation, occupation or use of the Facilities or the Project;

(5) any suit, action, administrative proceeding, enforcement action, or governmental or private action of any kind whatsoever commenced against the Company, the Facilities, the Project or the Indemnitees that might adversely affect the validity, enforceability or tax-exempt status of the Series 2021A Bonds, the validity or enforceability of the Financing Instruments, or the performance by the Company or any Indemnitee of any of their respective obligations thereunder; or

(6) the acceptance or administration of this Loan Agreement, the Bond Indenture, the Master Indenture or any related documents to which the Bond Trustee or the Authority are a party either originally or as an assignee;

provided that such indemnity shall be effective only to the extent of any loss that may be sustained by the Indemnitees in excess of the proceeds net of any expenses of collection, received by them or from any insurance carried with respect to such loss and provided further that the benefits of this section shall not inure to any person other than the Indemnitees.

(b) If any action, suit or proceeding is brought against the Indemnitees for any loss or damage for which the Company is required to provide indemnification under this section, the Company, upon request, shall at its expense resist and defend such action, suit or proceeding, or cause the same to be resisted and defended by counsel designated by the Company and approved by the Indemnitees, which approval shall not be unreasonably withheld, provided that such approval shall not be required in the case of defense by counsel designated by any insurance company undertaking such defense under any applicable policy of insurance. The obligations of the Company under this section shall survive any termination of this Loan Agreement, including prepayment of the Note and the resignation or removal of the Bond Trustee.

(c) Nothing contained herein shall require the Company to indemnify the Authority for any claim or liability resulting from the Authority's willful wrongful acts or the Bond Trustee for any claim or liability resulting from its gross negligence (under the standard of care set forth in Article X of the Bond Indenture) or its willful, wrongful acts.

(d) All references in this section to the Authority and the Bond Trustee, including references to Indemnitees, shall include their directors, commissioners, officers, employees and agents.

Section 5.6 Maintenance of 501(c)(3) Status; Prohibited Activities. The Company shall file all required reports and documents with the Internal Revenue Service so as to maintain its status as an organization described in Section 501(c)(3) of the Code, and the Company shall not operate the Facilities, including the Project, in any manner and shall not engage in any activities or take any action that might reasonably be expected to result in the Company ceasing to be a "501(c)(3) organization" within the meaning of Section 145 of the Code. The Company shall promptly notify the Bond Trustee and the Authority of any loss of the Company's status as a "501(c)(3) organization" or of any investigation, proceeding or ruling that might result in such loss of status.

Section 5.7 Tax Covenants; Compliance with Indenture. The Company agrees that it will not directly or indirectly use or permit the use of any of the proceeds of the Series 2021A Bonds or any other of its funds, or direct the Bond Trustee to invest any funds held by the Bond Trustee under the Bond Indenture or this Loan Agreement, in such manner as would, or enter into, or allow any other person to enter into, any arrangement, formal or informal, that would, or take or omit to take any other action that would, cause any Series 2021A Bond to be an "arbitrage bond" within the meaning of Section 148(a) of the Code. The Company acknowledges having read the Bond Indenture and agrees to perform all duties imposed upon it by the Bond Indenture, including, without limitation, the Company's obligation to deliver to the Bond Trustee a certificate to the effect that an Event of Taxability (as defined in the Bond Indenture) has occurred or will occur and setting forth the date of taxability, which certificate will be delivered promptly to the Bond Trustee upon the occurrence of an Event of Taxability, and by the Tax Agreement. Insofar as the Bond Indenture and the Tax Agreement impose duties and responsibilities on the Company, they are specifically incorporated by reference into this Loan Agreement.

Section 5.8 Investment and Use of Trust Funds. An Authorized Representative of the Company shall provide written instructions for the investment, in accordance with Article VII of the Bond Indenture, of all funds held by the Bond Trustee under the Bond Indenture.

Section 5.9 Operation of the Facilities. The Company will operate the Facilities, or cause such Facilities to be operated, as facilities for the residence and care of the aged until payment of the Note in full.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 6.1 Event of Default Defined. Each of the following events shall be an "Event of Default":

(a) Failure of the Company to make any payment on the Note when the same becomes due and payable, whether at maturity, redemption, acceleration or otherwise under the terms thereof or this Loan Agreement.

(b) Failure of the Company to observe or perform any of its other covenants, conditions or agreements hereunder, including covenants applicable to other Members of the Obligated Group under Section 5.1, for a period of 30 days after notice in writing (unless the Company and the Bond Trustee shall agree in writing to an extension of such time prior to its expiration), specifying such failure and requesting that it be remedied, given by the Authority or the Bond Trustee to the Company, or in the case of any default which can be cured, but cannot with due diligence be cured within such 30 day period, failure by the Company to proceed promptly to prosecute the curing of the same with due diligence and to cure such within 90 days.

(c) An Event of Default under the Master Indenture, the Deed of Trust or the Bond Indenture.

(d) The Master Trustee shall have declared the aggregate principal amount of any Obligation issued under the Master Indenture and all interest due thereon immediately due and payable in accordance with Section 4.02(a) of the Master Indenture.

Section 6.2 Remedies on Default. Whenever an Event of Default shall have happened and be continuing, the Bond Trustee as the assignee of the Authority, but subject to the provisions of the Bond Indenture, or the Authority (in the case of the Authority's Unassigned Rights) may:

(a) Declare all amounts due under this Loan Agreement and the Note to be immediately due and payable, whereupon all such payments shall become and shall be immediately due and payable; and

(b) Take any action at law or in equity necessary or desirable to collect the amounts then due and thereafter to become due or to enforce observance or performance of any covenant, condition or agreement of the Company under the Note or this Loan Agreement.

Notwithstanding any other provision of this Loan Agreement or any right, power or remedy existing at law or in equity or by statute, the Bond Trustee shall not under any circumstances declare the entire unpaid aggregate amount of the Note to be immediately due and payable except in accordance with the provisions of the Master Indenture or at the direction of the Master Trustee in the event the Master Trustee shall have declared the aggregate principal amount of the Obligations issued under the Master Indenture and all interest due thereon immediately due and payable in accordance with the Master Indenture.

If the Bond Trustee exercises any of its rights or remedies under this section, it shall give notice of such exercise to the Company (1) in writing in the manner provided in Section 8.2 and (2) by telephone or telegram, provided that failure to give such notice by telephone or telegram shall not affect the validity of the exercise of any right or remedy under this section.

Section 6.3 Application of Amounts Realized in Enforcement of Remedies. Any amounts collected under action taken under Section 6.2 hereof shall be applied in accordance with the provisions of the Bond Indenture.

Section 6.4 No Remedy Exclusive. No remedy herein conferred on or reserved to the Authority or the Bond Trustee or the holder of the Note is intended to be exclusive of any other

remedy, and every remedy shall be cumulative and in addition to every other remedy herein or now or hereafter existing at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon an Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, and any such right or power may be exercised from time to time and as often as may be deemed expedient.

Section 6.5 Attorneys' Fees and Other Expenses. Upon an Event of Default, the Company shall on demand pay to the Authority and the Bond Trustee the reasonable fees and expenses of attorneys and other reasonable expenses incurred by them in the collection of payments due on the Note or the enforcement of performance of any other obligations of the Company.

Section 6.6 No Additional Waiver Implied by One Waiver. If either party or its assignee waives a default by the other party under any covenant, condition or agreement herein, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other default hereunder.

ARTICLE VII

PREPAYMENT OF NOTE

Section 7.1 Option To Prepay Note. The Company shall have the option to prepay the Note in full and terminate this Loan Agreement if one of the following has occurred:

(a) Damage or destruction of the Mortgaged Premises by fire or other casualty to such extent that, or loss of title to or use of substantially all of the Mortgaged Premises as a result of the exercise of the power of eminent domain or failure of title to the extent that, in the opinion of both the Company's Board of Directors (expressed in a resolution) and an independent architect or engineer, both filed with the Bond Trustee, (1) the Mortgaged Premises cannot be reasonably repaired, rebuilt or restored within a period of 12 months to their condition immediately preceding such damage or destruction, or (2) the Company is prevented from carrying on its normal operations at the Mortgaged Premises for a period of 12 months, or (3) the cost of repairs, rebuilding or restoration would exceed, by more than one percent of Book Value (as defined in the Master Indenture), the Net Proceeds of insurance (including self-insurance) plus the amounts for which the Company is self-insured with respect to deductible amounts.

(b) A change in the Constitution of Virginia or of the United States of America or a legislative or administrative action (whether local, state or federal) or a final decree, judgment or order of any court or administrative body (whether local, state or federal) contested by the Company in good faith that (1) in an Opinion of Counsel (as defined in the Bond Indenture) causes this Loan Agreement or the Note to become void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed herein, or (2) based on a Consultant's report, causes unreasonable burdens or excessive liabilities to be imposed on the Authority or the Company.

(c) The Company shall have the option to prepay the Note in part without premium following loss of title to or use of a portion of the Mortgaged Premises as a result of the

exercise of the power of eminent domain or failure of title, or damage to or destruction of the Mortgaged Premises if the Company shall have furnished to the Bond Trustee:

(1) an Officer's Certificate certifying that the projected Obligated Group Long-Term Debt Service Coverage Ratio for each of the next two full Fiscal Years is not less than 1.30, as shown by projected financial statements for such period, accompanied by a statement of the relevant assumptions upon which such projected financial statements are based; or

(2) a written forecast, projection or other report of a Consultant to the effect that, for each of the next two full Fiscal Years, the projected Obligated Group Long-Term Debt Service Coverage Ratio is not less than 1.20.

The principal amount of the Note that may be prepaid in part may not exceed the principal amount of the Series 2021A Bonds permitted to be redeemed as determined in accordance with Section 301(a) of the Bond Indenture.

(d) To exercise any of the above options, the Company shall within 120 days after the event permitting their exercise file the required resolutions and opinions with the Authority and the Bond Trustee and specify a date not more than 60 days thereafter for making such prepayment. In such case the Authority shall cause the Bond Trustee to redeem the Series 2021A Bonds as provided in Section 301(a) of the Bond Indenture.

Section 7.2 Option to Prepay Note in Whole. The Company shall have the option to prepay the Note in whole, with any applicable premium, and terminate this Loan Agreement before payment of the Series 2021A Bonds so long as any such payment allocable to principal of the Note shall be used contemporaneously to discharge a like amount of Series 2021A Bonds; provided, however, that the covenants in Sections 4.7, 5.6, 5.7 and 5.8 shall continue until the final maturity date of all Series 2021A Bonds or the earlier date on which provision for payment for all Series 2021A Bonds has been made and the covenant in Section 4.7 shall continue for six years thereafter. In such case the Authority shall cause the Bond Trustee to redeem the Series 2021A Bonds as provided in Section 301 of the Bond Indenture.

Section 7.3 Option To Prepay Note in Part. The Company shall have the option to prepay the Note in part, with any applicable premium, so long as any such payment allocable to principal of the Note shall be used contemporaneously to discharge a like amount of Series 2021A Bonds. The amount so prepaid shall, so long as all payments then due under the Note have been made (a) if Series 2021A Bonds are then redeemable as provided in Section 301 of the Bond Indenture, be used to redeem Series 2021A Bonds to the extent possible under such section, and (b) if Series 2021A Bonds are not then redeemable, be transferred to the Bond Fund (as defined in the Bond Indenture).

Section 7.4 Amount Required for Prepayment. To prepay the Note in whole or in part under Sections 5.5, 7.1, 7.2 or 7.3, the Company shall pay to the Bond Trustee, for deposit in the Bond Fund of the Bond Indenture, an amount of cash and Defeasance Obligations (as defined in the Bond Indenture), that will be sufficient (1) in the case of prepayment in whole, to discharge the lien of the Bond Indenture under Section 801 thereof, and (2) in the case of prepayment in part,

to cause any Series 2021A Bonds that will be paid with the prepayment to be no longer Outstanding under the Bond Indenture. If the Company has prepaid the Note, as provided above, the Company shall not direct the expenditure of any funds from such prepayment in the Bond Fund for any purpose other than the payment of principal of or premium, if any, or interest on the Series 2021A Bonds to be paid. The Company shall instruct the Bond Trustee to give the notice of redemption required by Section 302 of the Bond Indenture if any of the Series 2021A Bonds are to be paid other than at maturity.

Section 7.5 Prepayment of Note Upon a Determination of Taxability. (a) The Company shall prepay the Note, with the applicable premium, as provided in Section 301(b) of the Bond Indenture upon a Determination of Taxability (as defined in the Bond Indenture), if the Determination of Taxability was the result of any action or failure to take action on the part of the Company.

(b) The Company shall have the option to prepay the Note, in whole or in part, as provided in Section 301(b) of the Bond Indenture upon a Determination of Taxability, if the Determination of Taxability was not the result of any action or failure to take action on the part of the Company.

ARTICLE VIII

This Note is (1) issued as a single Obligation, (2) designated as "Obligation No. 1," of the Corporation and any other Members of the Obligated Group, (3) limited to \$_____ in principal amount (except for any premium if prepaid under Article VII of the Loan Agreement), and (4) issued under the Master Indenture. This Note and all other Obligations Outstanding under the Master Indenture are equally and ratably secured by the provisions of the Master Indenture. This Note is issued as an Obligation under the Master Indenture, and, together with all other Obligations Outstanding under the Master Indenture, is equally and ratably secured by an Amended and Restated Deed of Trust and Security Agreement dated as of August 1, 2021, (as the same may be altered, amended, modified to supplemented from time to time, the "Deed of Trust"), from the Corporation to certain deed of trust trustees. All the terms, conditions and provisions of the Loan Agreement, Master Indenture and Deed of Trust are, by this reference thereto, incorporated herein as a part of this Note.

the Master Indenture, the terms and conditions on which, and the purposes for which, the Obligations are and are to be issued and the rights, duties and obligations of the Corporation and the Master Trustee under the Master Indenture, to all of which the Holder hereof, by acceptance of this Note, assents.

The Master Indenture permits the issuance of additional Obligations under the Master Indenture to be secured by the covenants made therein, all of which, regardless of the times of issue or maturity, are to be of equal rank without preference, priority or distinction of any Obligation issued under the Master Indenture over any other Obligation except as expressly provided or permitted in the Master Indenture.

To the extent permitted by and as provided in the Master Indenture, any modifications or changes to the Master Indenture as supplemented, and of the rights and obligations of the Corporation or of the Holders of the Obligations thereunder may be made by the execution and delivery of an indenture or indentures supplemental to the Master Indenture (each a "Supplement"). Certain modifications or changes which would affect the rights of the Holder of this Note may be made only with the consent of the Holders of not less than a majority in aggregate principal amount of the Obligations then Outstanding under the Master Indenture. No such modifications or changes shall be made without the consent of the Holders of all Obligations then Outstanding which will (i) effect a change in the times, amounts or currency of payment of the principal of, redemption premium, if any, and interest or other payment on any Obligation or a reduction in the principal amount or redemption price of any Obligation or the rate of interest thereon without the consent of the Holder of such Obligation; (ii) permit the preference or priority of any Obligation over any other Obligation without the consent of the Holders of all Obligations then Outstanding; or (iii) reduce the aggregate principal amount of Obligations then Outstanding the consent of the Holders of which is required to authorize such Supplement without the consent of the Holders of all Obligations then Outstanding. Any such consent by the Holder of this Note shall be conclusive and binding upon such Holder and all future holders and owners hereof irrespective of whether or not any notation of such consent is made upon this Note.

Upon the occurrence of certain Events of Default (as defined in the Master Indenture), the principal of all Obligations then Outstanding under the terms of the Master Indenture may be declared, and the same shall become due, in accordance with the Master Indenture.

The Holder of this Note shall have no right to enforce the provisions of the Master Indenture, or to institute an action to enforce the covenants therein, or to take any action regarding any default under the Master Indenture, or to institute, appear in or defend any suit or other proceeding related thereto, except as provided in the Master Indenture.

This Note is issuable only as a fully registered Obligation. This Note shall be registered on the registration books to be maintained by the Master Trustee for that purpose at the corporate trust office of the Master Trustee and the transfer of this Note shall be registrable only upon presentation of this Note at such office by the registered owner or by his duly authorized attorney and subject to the limitations, if any, set forth in the Master Indenture. No covenant or agreement contained in this Note or the Master Indenture shall be deemed to be a covenant or agreement of any officer, trustee, agent or employee of the Corporation or of the Master Trustee, in his individual capacity, and no officer, agent, employee or member of the Board of Directors of the Corporation shall be liable personally on this Note or be subject to any personal liability or accountability by reason of the issuance of this Note.

(“FINRA”) to assist in selling the Series 2021A Bonds, and the Underwriters agree to pay or re-allow such securities dealers a fee or selling commission to be paid from the underwriting fee provided in **Section 8** of this Bond Purchase Agreement. Subject to **Section 18**, the Representative, on behalf of the Underwriters, agrees that the Underwriters will exercise their best efforts not to sell the Series 2021A Bonds in a manner which will jeopardize the tax-exempt status of the interest on the Series 2021A Bonds and, in connection with this Bond Purchase Agreement, agree that they will exercise their best efforts not to sell Series 2021A Bonds to an “underwriter” or “dealer” for a price lower than 100% of the aggregate principal amount of Series 2021A Bonds being sold. (a) The Authority and the Obligor each hereby authorize and ratify the distribution by the Underwriters of the Preliminary Official Statement dated July __, 2021 (the “Preliminary Official Statement”) and Official Statement of even date with this Bond Purchase Agreement (collectively, the

“Official Statement”), relating to the Series 2021A Bonds. The Preliminary Official Statement is “deemed final” as of its date by the Authority and the Obligor for purposes of Rule 15c2-12 (“Rule 15c2-12”) promulgated by the Securities and Exchange Commission (the “Commission”) under the Securities Exchange Act of 1934, as amended (the “1934 Act”), except for the permitted omissions described in paragraph (b)(1) of Rule 15c2-12. The Official Statement is deemed to be a final official statement within the meaning of Rule 15c2-12. The Series 2021A Bonds will be offered for sale by the Underwriters pursuant to a definitive Official Statement.

(b) The Representative, on behalf of the Underwriters, acknowledges that (i) the Authority has not participated in the preparation of the Official Statement, has made no independent investigation regarding the Official Statement or furnished any information contained in the Official Statement, and (ii) the Authority assumes no responsibility with respect to the sufficiency, accuracy, or completeness of any of the information contained in the Official Statement or any other document used in connection with the offer and sale of the Series 2021A Bonds, except the information contained under the headings “THE AUTHORITY” and “LITIGATION” (as such heading contains information relating to the Authority).

(c) The Obligor shall deliver, or cause to be delivered, to the Underwriters copies of the Preliminary Official Statement in sufficient quantity in order for the Underwriters to comply with Rule 15c2-12(b)(2).

The Authority and the Obligor hereby confirm that they do not object to distribution of the Official Statement in electronic form.

(e) To the extent required by rules of the Commission or the MSRB, the Authority and the Obligor hereby authorize the Underwriters to deliver the Official Statement to the MSRB, and the Underwriters agree to make such delivery. The Authority and the Obligor will not amend or supplement the Official Statement without the consent of the Representative, which consent will not be unreasonably withheld. From the date hereof until the earlier of (i) 90 days from the end of the underwriting period (as defined in Rule 15c2-12) (the “End of the Underwriting Period”) or (ii) the time when the Official Statement is available to any person from a nationally recognized municipal securities information repository, but in no case less than 25 days following the End of the Underwriting Period, if any event occurs as a result of which the Authority or the Obligor believes it may be necessary to amend or supplement the Official Statement in order to correct any untrue statement of a material fact contained in the Official Statement or to make the statements therein, in light of the circumstances under which they were made, not misleading, the Authority or the Obligor, as applicable, will notify the Representative in writing of such event and, if such event requires, in the opinion of the counsel to the Underwriters, an amendment or supplement to the Official Statement, at the Obligor’s expense the Authority and the Obligor will amend or supplement the Official Statement in a form and in a manner jointly approved by the Authority, the Obligor and the Representative, which approval will not be unreasonably withheld, so that the Official Statement, as so amended or supplemented, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which such statements were made, not misleading.

(f) Each of the Authority and the Obligor agrees that it will cooperate with the Underwriters in the qualification of the Series 2021A Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriters shall designate; provided, however, the Authority shall not be required to register as a dealer or broker in any such jurisdiction, nor execute a general consent to service of process or qualify to do business in connection with any such qualification of the Series 2021A Bonds in any such jurisdiction. The Obligor will pay for the reasonable out-of-pocket expenses, including reasonable attorneys' fees, of the Authority in connection therewith.

SECTION 4. CONTINUING DISCLOSURE.

The Obligor will execute and deliver a Continuing Disclosure Certificate, dated as of September 1, 2021 (the "Continuing Disclosure Certificate"), in order to comply with the requirements for the dissemination of certain annual financial information and operating data, including audited financial statements, and notices required by Rule 15c2-12. Pursuant to the Continuing Disclosure Certificate, the Obligor will undertake, as applicable, to provide the annual financial information, operating data and notices of the occurrence of certain events specified therein at the times, to the persons and in the manner set forth therein.

SECTION 5. REPRESENTATIONS AND WARRANTIES OF THE AUTHORITY.

By the Authority's acceptance hereof it hereby represents and warrants to, and covenants and agrees with, the Underwriters and the Obligor (and it shall be a condition of the obligation of the Underwriters to purchase and accept delivery of the Series 2021A Bonds at the Closing that the Authority shall so represent and warrant as of the date of the Closing) that:

(a) The Authority is a validly existing political subdivision of the Commonwealth of Virginia, a body politic and corporate, and is vested with the rights and powers to issue the Series 2021A Bonds under the Act.

(b) The Authority has the power (1) to enter into and perform its obligations under this Bond Purchase Agreement, the Indenture and the Loan Agreement (collectively with the Offering Documents, hereinafter defined, the "Authority Documents") and the transactions contemplated thereby, (2) to secure the Series 2021A Bonds as provided in the Authority Documents, (3) to loan a portion of the proceeds of the Series 2021A Bonds to the Obligor so that it may undertake the Projects described in the Official Statement, which is authorized under the Act, such loan being in furtherance of the purposes for which the Authority was organized, and (4) to assign the Series 2021A Note to the Bond Trustee. The Authority has taken or will take all action required by the Act in connection therewith.

(c) The Authority (1) has duly authorized the execution and delivery of the Authority Documents, (2) has duly authorized the assignment of the Series 2021A Note and the issuance, sale and delivery of the Series 2021A Bonds, and (3) has taken or will take all action necessary or appropriate to carry out the issuance, sale and delivery of the Series 2021A Bonds to the Underwriters.

(d) To the knowledge of the Authority, the Authority is not in default in the payment of the principal of, premium, if any, or interest on any of its other indebtedness for borrowed money and is not in default under any instrument under or subject to which any indebtedness for borrowed money has been incurred that would adversely affect the Authority's power or authority to issue the Series 2021A Bonds, to execute and deliver the Authority Documents and to perform the obligations thereunder, and no event

has occurred and is continuing under the provisions of any such instrument that with the lapse of time or the giving of notice, or both, would constitute an event of default thereunder; provided, however, that this representation does not include a default with respect to other financings in which the Authority has acted as “conduit” issuer for other public or private entities not affiliated with the Obligor, wherein a default by such public or private entity would not have a material effect on the credit of the Authority or of the Obligor.

(e) The execution and delivery of the Authority Documents, the assignment of the Series 2021A Note and the performance by the Authority of its obligations thereunder are within the corporate powers of the Authority and will not conflict with or constitute a breach or result in a violation of (1) the Act or the Authority’s bylaws, (2) any federal or Virginia constitutional or statutory provision, (3) any current order, rule, regulation, decree or ordinance of any court, government or governmental authority having jurisdiction over the Authority or its property or (4) to the best of its knowledge, any agreement or other instrument to which the Authority is a party or by which it is bound.

(f) The Authority by resolution has approved the distribution of the Preliminary Official Statement and the distribution of the Official Statement in connection with the offer and sale of the Series 2021A Bonds.

(g) All authorizations, consents, approvals, findings and certificates of governmental bodies or agencies required to be obtained by the Authority in connection with (1) the execution and delivery by the Authority of the Authority Documents and the issuance of the Series 2021A Bonds, and (2) the performance by the Authority of its obligations under the Authority Documents and the Series 2021A Bonds have been obtained and are in full force and effect; provided, however, that no representation is made with respect to (1) compliance with any applicable Blue Sky or securities laws of any state or (2) consents, filings, approvals, etc., required in connection with the tax-exempt status of the interest on the Series 2021A Bonds.

(h) There is no litigation, inquiry or investigation of any kind before or by any judicial court or governmental agency pending or, to the knowledge of the Authority, threatened against the Authority with respect to (1) its organization or existence, (2) its authority to execute and deliver the Authority Documents or the Series 2021A Bonds or to perform its obligations thereunder, (3) the validity or enforceability of the Series 2021A Bonds or any of the Authority Documents, (4) the title of the officers executing the Authority Documents or the Series 2021A Bonds, or (5) any authority or proceedings relating to the authority of such officers to execute and deliver the Authority Documents or the Series 2021A Bonds on behalf of the Authority, and no such authority or proceedings have been repealed, revoked, rescinded or amended; provided, however, the foregoing does not include any litigation or administrative proceeding that may have been filed against, but not served on, the Authority, and of which it has no knowledge.

(i) When authenticated by the Bond Trustee and delivered to and paid for by the Underwriters in accordance with the terms of the Indenture and this Bond Purchase Agreement, the Series 2021A Bonds will (1) have been duly authorized, executed and issued, (2) constitute legal, valid and binding limited obligations of the Authority, enforceable in accordance with their terms except as limited by bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws and usual equity principles, and (3) be secured by the Indenture.

(j) The Preliminary Official Statement is deemed to be final as of its date within the meaning of the Rule, except for omitted information permitted by paragraph (b)(1) of the Rule, and the Official Statement is deemed to be a final official statement within the meaning of the Rule; provided, however, that the Authority makes no representation with respect to the statements made in the Preliminary Official Statement or the Official Statement except for those statements describing or relating to the Authority under the captions “THE AUTHORITY” and “LITIGATION” (but only regarding information about the Authority).

SECTION 6. REPRESENTATIONS AND WARRANTIES OF THE OBLIGOR.

By the Obligor’s acceptance hereof, the Obligor hereby represents and warrants to, and covenants and agrees with, the Underwriters and the Authority (and it shall be a condition of the obligation of the Underwriters to purchase and accept delivery of the Series 2021A Bonds at the Closing that the Obligor shall so represent and warrant as of the date of the Closing) that:

(a) The Obligor is a not-for-profit, nonstock corporation duly organized and validly existing in good standing under the laws of the Commonwealth of Virginia and has full power and authority to own its properties, **to undertake the Projects** described in the Official Statement, and to operate its business, as currently conducted.

(b) The Obligor is (1) an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “Code”), and (2) not a “private foundation” as defined in Section 509(a) of the Code. The Obligor has conducted its operations and filed all required reports or documents with the Internal Revenue Service so as to maintain such status. The Obligor is organized and operated exclusively for benevolent, fraternal, charitable or reformatory purposes, and not for pecuniary profit, and no part of its net earnings inures to the benefit of any person, private stockholder or individual, all within the meaning, respectively, of Subsection 3(a)(4) of the Securities Act of 1933, as amended (the “1933 Act”), and of Subsection 12(g)(2)(D) of the Securities Exchange Act of 1934, as amended. The Obligor has not received notice or communication of any kind from the Internal Revenue Service directly or indirectly questioning its status under Section 501(c)(3) of the Code or indicating that it is or will be audited with respect to such status.

(c) The Obligor has authorized the execution and delivery of this Bond Purchase Agreement, the Continuing Disclosure Certificate, the Master Indenture, the Series 2021A Note, the Series 2021A Supplement, the Loan Agreement and the Deed of Trust (collectively, the “Obligor Documents”). The Obligor has approved the Official Statement and the terms of the Indenture. The Obligor will take all action necessary or appropriate to cooperate in the issuance, sale and delivery of the Series 2021A Bonds by the Authority to the Underwriters.

(d) The execution and delivery of the Obligor Documents, the performance of its obligations thereunder and the approval of the Official Statement and the Obligor Documents are within the corporate powers of the Obligor and will not, in any material respect, conflict with or constitute a breach or result in a violation of (1) the articles of incorporation or bylaws of the Obligor, (2) any federal or Virginia constitutional or statutory provision, (3) any agreement or instrument to which the Obligor is a party or by which it is bound, or (4) any current order, rule, regulation, decree or ordinance of any court, government or governmental authority having jurisdiction over the Obligor or its property.

(e) The Obligor has obtained all consents, approvals, authorizations and orders of governmental or regulatory authorities (collectively, the “Consents”) that are required to be obtained by the Obligor as a condition precedent to the issuance of the Series 2021A Bonds, the execution and delivery of the Obligor Documents or the performance by the Obligor of its obligations thereunder and the Projects described in the Official Statement, with the exception of those Consents not yet required to be obtained and as otherwise disclosed in the Offering Documents. All such Consents previously obtained are in full force and effect. The Obligor will obtain when needed all other Consents required for the performance of its obligations under the Obligor Documents and has no reason to believe that all required or necessary Consents cannot be promptly obtained when needed.

(f) There is no litigation at law or in equity or any proceeding before any governmental agency pending or, to the knowledge of the Obligor, threatened, in which any liability of the Obligor is not adequately covered by insurance, or in which any judgment or order would have a material adverse effect on the business (financial or otherwise) or assets of the Obligor or affect its existence or authority to do business, the validity of the Obligor Documents or the performance by the Obligor of its obligations thereunder.

(g) The Obligor is not a party to any contract or agreement or subject to any charter or other restriction not disclosed in the Official Statement, the performance of or compliance with which may have a material adverse effect on the financial condition or operations of the Obligor.

(h) The Obligor is not in default in the payment of the principal of or interest on any of its indebtedness for borrowed money or under any instrument under or subject to which any indebtedness has been incurred. No event has occurred and is continuing that, with the lapse of time or the giving of notice or both, would constitute an event of default under any such instrument.

(i) The financial statements of the Obligor as set forth in Appendix B to the Official Statement described below (the “Financial Statements”), present fairly the financial condition of the Obligor as of the respective dates, and the results of operations for the respective periods, set forth therein and have been prepared in accordance with generally accepted accounting principles consistently applied, except as otherwise noted therein. Since May 31, 2018, no material and adverse change has occurred in the financial position or results of operations of the Obligor, nor has the Obligor incurred any material liabilities other than in the ordinary course of business or as set forth in or contemplated by the Official Statement.

SECTION 7. INDEMNIFICATION.

(a) The Obligor hereby agrees to indemnify and hold harmless the Authority and the Underwriters, together with each officer, employee, agent and member of the governing body of the Authority and the Underwriters and each person who controls the Authority or the Underwriters within the meaning of either the Securities Act of 1933, as amended (the “1933 Act”), or the 1934 Act from and against any and all losses, claims, damages, liabilities, costs and expenses (including, without limitation, fees and disbursements of counsel and other expenses incurred by them or any of them in connection with investigating or defending any loss, claim, damage, or liability or any suit, action, or proceeding, whether or not resulting in liability), joint or several, to which they or any of them may become subject under the 1933 Act, the 1934 Act, or any other applicable statute or regulation, whether federal or state, or at common law or otherwise, insofar as such losses, claims, damages, liabilities, costs and expenses (or any

suit, action, or proceeding in respect thereof) arise out of or are based upon any untrue or misleading statement or alleged untrue or misleading statement of a material fact contained in the Official Statement or in any amendment or supplement to any of the foregoing, or arise out of or are based upon the omission or alleged omission to state therein a fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which such statements were made, not misleading, provided, however, the Obligor will not be liable in any such case to (i) the Underwriters to the extent that any such loss, claim, damage, liability, cost, or expense arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished by the Underwriters specifically for use in connection with the preparation thereof, or (ii) the Authority with respect to statements and information contained therein under the headings “THE AUTHORITY” and “LITIGATION” (as such heading contains information relating to the Authority) in the Official Statement. This indemnity agreement will be in addition to any liability that the Obligor may otherwise have.

(b) The Underwriters shall indemnify and hold harmless the Authority and the Obligor, each of their respective members, officers and employees, and each person who controls the Authority or the Obligor within the meaning of Section 15 of the Securities Act, to the same extent as the foregoing indemnity from the Obligor to the Underwriter, but only with reference to written information relating to the Underwriters furnished by it specifically for inclusion in the Official Statement. This indemnity agreement will be in addition to any liability that the Underwriters may otherwise have. The Obligor acknowledges that the statements set forth under the heading “UNDERWRITING” in the Official Statement constitute the only information furnished in writing by or on behalf of the Underwriters for inclusion in the Official Statement. The Underwriters shall also pay for or reimburse the Authority for any legal or other expenses incurred by the Authority in connection with investigating any claim against it and defending any action alleging noncompliance with Blue Sky laws with respect to the Series 2021A Bonds.

(c) Promptly after receipt by any party entitled to indemnification under this Section of notice of the commencement of any suit, action, or proceeding, such indemnified party shall, if a claim in respect thereof is to be made against the Obligor or the Underwriters under this Section, notify the Obligor or the Underwriters, in writing, as the case may be, of the commencement thereof, but the omission so to notify the Obligor or the Underwriters shall not relieve such party from any liability which it may have to any indemnified party otherwise than under this Section or from any liability under this Section unless the failure to provide notice prejudices the defense of such suit, action, or proceeding. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party shall be entitled, but not obligated, to participate therein, and to the extent that it may elect by written notice delivered to the indemnified party, promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party, and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties at the sole cost and expense at the indemnifying party. Upon such indemnified party’s receipt of notice from the indemnifying party of the indemnifying party’s election to so assume the defense of such action and approval by the indemnified party of counsel, which approval shall not be unreasonably withheld, the indemnifying party shall not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred

by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel representing the indemnified parties under this paragraph who are parties to such action), (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after the indemnifying party's receipt of notice of commencement of the action, or (iii) the indemnifying party has authorized the employment of counsel for the indemnified party at the expense of the indemnifying party pursuant to the provisions hereof; and except that, if clause (i) or (iii) is applicable, such liability shall be only in respect of the counsel referred to in such clause (i) or (iii).

(d) An indemnifying party shall not be liable for any settlement of any such action effected without its consent, which consent shall not be unreasonably withheld, but if settled with the consent of the indemnifying party, the indemnifying party agrees to indemnify and hold the indemnified party or parties, including an officer, employee, agent, member or director, or other controlling person of an indemnified party, harmless from and against any loss or liability, including reasonable legal and other expenses incurred in connection with the defense of the action, by reason of such settlement to the extent of the indemnification provided for in this paragraph.

(e) In the event and to the extent that any indemnified party is entitled to indemnification from an indemnifying party under the terms of paragraph (a) or paragraph (b) above in respect of any of the losses, claims, damages, liabilities, costs, or expenses referred to therein, but such indemnification is unavailable to such indemnified party in respect of any such losses, claims, damages, liabilities, costs, or expenses due to such indemnification being impermissible under applicable law or otherwise, then the indemnifying party shall, in lieu of indemnifying such indemnified party, contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities, costs, or expenses in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party and such indemnified party, respectively, from the offering of the Series 2021A Bonds, the relative fault of the indemnifying party and such indemnified party, respectively, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities, costs, or expenses, as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact related to information supplied by the indemnifying party or the indemnified party and the relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission of the indemnifying party or the indemnified party. The Obligor and the Representative, on behalf of the Underwriters, respectively, agree that it would not be just and equitable if contribution pursuant to this paragraph (e) were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to above in this paragraph (e). The amount paid or payable by any indemnified party as a result of the losses, claims, damages, liabilities, costs, or expenses referred to above in this paragraph (e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with defending any such action or claim. This paragraph (e) shall not apply in the event of losses, claims, damages, liabilities, costs, or expenses caused by or attributable to the willful misconduct or gross negligence of an indemnified party. Notwithstanding, anything to the contrary contained in this paragraph (e), it is understood and agreed that this paragraph (e) is not intended, and shall not be construed, to expand, broaden, or increase in any way, whether in terms of scope, amount, or otherwise, the liability of the Obligor or the Underwriters in respect of any of the losses,

claims, damages, liabilities, costs, or expenses referred to in paragraph (a) or paragraph (b) or otherwise, as that liability is set forth in paragraph (a) or paragraph (b) above.

SECTION 8. UNDERWRITING FEE AND COSTS.

(a) In consideration of the Underwriters' execution of this Bond Purchase Agreement, and for the performance of the Underwriters' obligations hereunder, the Obligor agrees to pay or cause to be paid to the Underwriters a total underwriting fee, including all of their expenses, in an amount equal to \$_____ which shall be due and payable at the Closing. The Underwriters are authorized to deduct their underwriting fees from the proceeds of the Series 2021A Bonds as the Underwriters' discount.

(b) Whether or not the Series 2021A Bonds are sold by the Authority, the Underwriters shall be under no obligation to pay any expenses incident to the performance of the Authority's or the Obligor's obligations hereunder. All costs incurred in connection with the issuance or attempted issuance of the Series 2021A Bonds and all expenses and costs to effect the authorization, preparation, issuance, delivery and sale of the Series 2021A Bonds (including, without limitation, reasonable attorneys' fees and expenses, including bond counsel, Underwriters' Counsel (as identified herein), the Obligor's counsel, accountants' fees and expenses, trustee's fees, trustee's counsel, title insurance and the expenses and costs for the preparation, printing, photocopying, execution and delivery of the Series 2021A Bonds, the Bond Documents and all other agreements and documents contemplated hereby) shall be paid by the Obligor.

v. A copy, certified as of the date of the Closing by the Authority to be a true and correct copy, of the Resolution.

If any condition of the Underwriters’ obligations hereunder to be satisfied prior to the Closing is not so satisfied, this Bond Purchase Agreement may be terminated by the Underwriters by notice in writing to the Obligor and the Authority. The Underwriters may waive compliance by the Obligor or the Authority of any one or more of such conditions or extend the time for their performance and such waiver shall be evidenced by the Underwriters’ payment for the Series 2021A Bonds.

SECTION 10. THE UNDERWRITERS' RIGHT TO CANCEL.

The Underwriters shall have the right to cancel its obligations hereunder by notifying the Authority and the Obligor in writing and in compliance with **Section 13** hereof of its election so to do between the date hereof and the Closing, if at any time hereafter and on or prior to the Closing:

(a) A committee of the House of Representatives or the Senate of the Congress of the United States shall have pending before it legislation, or a tentative decision with respect to legislation shall be reached by a committee of the House of Representatives or the Senate of the Congress of the United States of America, or legislation shall be favorably reported by such a committee or be introduced, by amendment or otherwise, in, or be passed by, the House of Representatives or the Senate, or recommended to the Congress of the United States of America for passage by the President of the United States of America, or be enacted by the Congress of the United States of America, or an announcement or a proposal for any such legislation shall be made by a member of the House of Representatives or the Senate of the Congress of the United States, or a decision by a court established under Article III of the Constitution of the United States of America or the Tax Court of the United States of America shall be rendered, or a ruling, regulation, or order of the Treasury Department of the United States of America or the Internal Revenue Service shall be made or proposed having the purpose or effect of imposing federal income taxation, or any other event shall have occurred which results in or proposes the imposition of federal income taxation, upon revenues or other income of the general character to be derived by the Obligor, any of its affiliates, state and local governmental units or by any similar body or upon interest received on obligations of the general character of the Series 2021A Bonds which, in the Underwriters' opinion, materially and adversely affects the market price of the Series 2021A Bonds.

(b) Any legislation, ordinance, rule, or regulation shall be introduced in or be enacted by any governmental body, department, or agency of the United States or of any state, or a decision by any court of competent jurisdiction within the United States or any state shall be rendered which, in the Underwriters' reasonable opinion, materially adversely affects the market price of the Series 2021A Bonds.

(c) A stop order, ruling, regulation, or official statement by, or on behalf of, the Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering, or sale of obligations of the general character of the Series 2021A Bonds, or the issuance, offering, or sale of the Series 2021A Bonds, including all the underlying obligations, as contemplated hereby or by the Official Statement, is in violation or would be in violation of any provisions of the federal securities laws, including without limitation the registration provisions of the 1933 Act, or the registration provisions of the 1934 Act, or the qualification provisions of the Trust Indenture Act of 1939, as amended and as then in effect (the "1939 Act").

(d) Legislation shall be introduced by amendment or otherwise in, or be enacted by, the Congress of the United States of America, or a decision by a court of the United States of America shall be rendered to the effect that obligations of the general character of the Series 2021A Bonds including all the underlying obligations, are not exempt from registration under or from other requirements of the 1933 Act or the 1934 Act, or that the Bond Indenture is not exempt from qualification under or from other requirements of the 1939 Act, or with the purpose or effect of otherwise prohibiting the issuance, offering, or sale of obligations of the general character of the Series 2021A Bonds, as contemplated hereby or by the Official Statement.

(e) Any event shall have occurred, or information becomes known, which, in the Underwriters' reasonable opinion, makes untrue in any material respect any representation by or certificate of the Authority or the Obligor hereunder, or any statement or information furnished to the Underwriters by the Authority or the Obligor for use in connection with the marketing of the Series 2021A Bonds or any material statement or information contained in the Official Statement as originally circulated contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading; provided, however, that the Authority and the Obligor shall be granted a reasonable amount of time in which to cure any such untrue or misleading statement or information.

(f) Additional material restrictions not in force as of the date hereof shall have been imposed upon trading in securities generally by any governmental authority or by any national securities exchange.

(g) The New York Stock Exchange or any other national securities exchange, or any governmental authority, shall impose, as to the Series 2021A Bonds or obligations of the general character of the Series 2021A Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or a change to the net capital requirements of, the Underwriters.

(h) A general banking moratorium or suspension or limitation of banking services shall have been established by federal, District of Columbia, Connecticut or New York authorities.

(i) A default has occurred with respect to the obligations of, or proceedings have been instituted under the federal bankruptcy laws or any similar state laws by or against, any state of the United States or any city located in the United States having a population in excess of one million persons or any entity issuing obligations on behalf of such a city or state.

(j) Any proceeding shall be pending, or to the knowledge of the Underwriters, threatened, to restrain, enjoin, or otherwise prohibit the issuance, sale, or delivery of the Series 2021A Bonds by the Authority or the purchase, offering, sale, or distribution of the Series 2021A Bonds by the Underwriters, or for any investigatory or other proceedings under any federal or state securities laws or the rules and regulations of FINRA relating to the issuance, sale, or delivery of the Series 2021A Bonds by the Authority or the purchase, offering, sale, or distribution of the Series 2021A Bonds by the Underwriters.

(k) A war involving the United States of America shall have been declared, or any conflict involving the armed forces of the United States of America shall have escalated, or acts of terrorism shall have been committed against the citizens or the government of the United States of America or the property of either, or any other national emergency relating to the effective operation of government or the financial community shall have occurred, which, in the Underwriters' reasonable opinion, materially adversely affects the market price of the Series 2021A Bonds.

SECTION 11. CONDITIONS OF THE OBLIGOR'S AND AUTHORITY'S OBLIGATIONS.

The Obligor's and Authority's obligations hereunder are subject to the Underwriters' performance of its obligations hereunder. The Representative represents that it is duly authorized to execute and deliver this Bond Purchase Agreement and that upon execution and delivery of this Bond Purchase Agreement by the other parties hereto, this Bond Purchase Agreement shall constitute a legal, valid and binding agreement of the Underwriters enforceable in accordance with its terms, except as limited by applicable

bankruptcy, reorganization, insolvency, or other similar laws affecting the enforcement of creditor's rights generally and by general principles of equity affecting remedies. The Obligor covenants to use its best efforts to accomplish, or cause to be accomplished, the conditions set forth herein prior to the Closing.

The Authority's obligations hereunder to sell the Series 2021A Bonds to the Underwriters shall also be subject to the satisfaction of all of the conditions set forth in **Section 9** above (unless waived by the Underwriters and such waiver is reasonably acceptable to the Authority), the performance by the Authority and the Obligor of the obligations and agreements to be performed thereby at or prior to the date of Closing, including those hereunder, and to the accuracy in all material respects of the representations, warranties and covenants of the Authority and the Obligor contained herein and in the Authority Documents and the Obligor Documents as of the date hereof and as of the date of Closing; and shall also be subject to the following conditions: (i) the Authority shall receive the purchase price for the Series 2021A Bonds to be delivered and sold hereunder and (ii) all certificates, opinions and other documents relating to the transactions contemplated by this Bond Purchase Agreement shall be satisfactory in form and substance to the Authority, Bond Counsel and the Obligor.

SECTION 12. REPRESENTATIONS, WARRANTIES AND AGREEMENTS TO SURVIVE DELIVERY.

All of the Obligor's and the Authority's representations, warranties and agreements shall remain operative and in full force and effect (unless expressly waived in writing by the Underwriters), regardless of any investigations made by the Underwriters or on their behalf, and shall survive delivery of the Series 2021A Bonds to the Underwriters and the resale by the Underwriters on behalf of the Authority of the Series 2021A Bonds.

SECTION 14. APPLICABLE LAW; NONASSIGNABILITY.

This Bond Purchase Agreement shall be governed by the laws of the Commonwealth of Virginia. This Bond Purchase Agreement shall not be assigned by the Authority, the Obligor, or the Underwriters.

SECTION 15. PARTIES IN INTEREST.

This Bond Purchase Agreement shall be binding upon, and has been and is made for the benefit of, the Authority, the Obligor, the Underwriters and, to the extent expressed, any person controlling the Authority, the Obligor or the Underwriters and their respective executors, administrators, successors and assigns and no other person shall acquire or have any right or interest under or by virtue hereof. The term “successors and assigns” shall not include any purchaser, as such, of any Series 2021A Bond.

SECTION 16. NON-FIDUCIARY ACKNOWLEDGEMENT.

Each of the Authority and the Obligor acknowledges and agrees that (i) the purchase and sale of the Series 2021A Bonds pursuant to this Bond Purchase Agreement is an arm’s-length commercial transaction between it and the Underwriters, (ii) in connection with such transaction, each of the Underwriters is acting solely as a principal and not as an advisor, (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd-Frank Wall Street Reform and Consumer Protection Act)), agent or a fiduciary of the Obligor or the Authority, (iii) each of the Underwriters has not assumed (individually or collectively) a fiduciary responsibility in favor of the Obligor or the Authority with respect to the offering of the Series 2021A Bonds or the process leading thereto (whether or not such Underwriter, or any affiliate of such Underwriter, has advised or is currently advising the Obligor or the Authority on other matters) or any other obligation to the Obligor or the Authority except the obligations expressly set forth in this Bond Purchase Agreement, (iv) each of the Underwriters has financial and other interests that differ from those of the Obligor and the Authority and (v) it has consulted with its own legal and financial advisors to the extent it deemed appropriate in connection with the offering of the Series 2021A Bonds.

SECTION 17. WAIVER AND RELEASE OF PERSONAL LIABILITY.

Notwithstanding anything in this Bond Purchase Agreement to the contrary, the obligations and agreements of the Authority contained herein shall be deemed the obligations and agreements of the Authority, and not any member, director, officer, agent or employee of the Authority in his or her individual capacity, and the members, directors, officers, agents and employees of the Authority shall not be liable personally hereon or be subject to any personal liability or accountability based upon or in respect hereof or of any transaction contemplated hereby.

SECTION 18. ESTABLISHMENT OF ISSUE PRICE

(a) [Assumes at least 10% of each maturity of the Bonds are sold] The Representative confirms that the Underwriters will assist the Authority in establishing the issue price of the Series 2021A Bonds and shall execute and deliver to the Authority on the Closing Date an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the

form attached hereto as Appendix I, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriters, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2021A Bonds.

(b) The Authority will treat the first price at which 10% of each maturity of the Series 2021A Bonds (the “10% test”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Bond Purchase Agreement, the Underwriters shall report to the Authority the price or prices at which the Underwriters have sold to the public each maturity of Series 2021A Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2021A Bonds, the Underwriters agree to promptly report to the Authority the prices at which Series 2021A Bonds of that maturity have been sold by the Underwriters to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2021A Bonds of that maturity or until all Series 2021A Bonds of that maturity have been sold to the public.

(c) The Representative confirms that the Underwriters have offered the Series 2021A Bonds to the public on or before the date of this Bond Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in **Exhibit A** attached hereto, except as otherwise set forth therein. **Exhibit A** also sets forth, as of the date of this Bond Purchase Agreement, the maturities, if any, of the Series 2021A Bonds for which the 10% test has not been satisfied and for which the Authority and the Representative, on behalf of the Underwriters, agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2021A Bonds, the Underwriters will neither offer nor sell unsold Series 2021A Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriters have sold at least 10% of that maturity of the Series 2021A Bonds to the public at a price that is no higher than the initial offering price to the public.

The Representative shall promptly advise the Authority when the Underwriters have sold 10% of that maturity of the Series 2021A Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Representative, on behalf of the Underwriters, confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Series 2021A Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Series 2021A Bonds of each maturity allotted to it until it is notified by the Representative, on behalf of the Underwriters, that either the 10% test has been satisfied as to the Series 2021A Bonds of that maturity or all Series 2021A Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriters.

The Authority acknowledges that, in making the representation set forth in this subsection, the Underwriters will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2021A Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Series 2021A Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The Authority and the Obligor further acknowledge that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no Underwriter shall be liable for the failure of any other Underwriter, or, of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Series 2021A Bonds.

(e) The Representative, on behalf of the Underwriters, acknowledges that sales of any Series 2021A Bonds to any person that is a related party to the Underwriters shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2021A Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2021A Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Series 2021A Bonds to the public),

(iii) a purchaser of any of the Series 2021A Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Bond Purchase Agreement by all parties.

The Authority shall receive a credit against payments required to be made on any mandatory sinking fund redemption date specified by an Authorized Representative of the Obligor for the Series 2021A Bonds of the same series and maturity, in an amount equal to the principal amount of such Series 2021A Bonds that have been redeemed (otherwise than by mandatory sinking fund redemption) before the mandatory sinking fund redemption date or purchased by the Authority or the Obligor and delivered to the Bond Trustee for cancellation at least sixty (60) days before the mandatory sinking fund redemption date, provided the principal amount of such Series 2021A Bonds have not previously been applied as a credit against any other mandatory sinking fund redemption payment.

b. Optional Redemption

The Series 2021A Bonds will be subject to redemption by the Authority, at the direction of the Obligor, prior to maturity in whole, or in part by lot, at any time, on and after June 1, 2025, at the following redemption prices (expressed as a percentage of the principal amount of the Series 2021A Bonds to be redeemed) plus accrued interest thereon, if any, to the redemption date in the event the Company exercises its option to prepay all or a portion of the amounts available under Obligation No. __ pursuant to Sections 7.2 or 7.3 of the Loan Agreement:

c. Mandatory Redemption upon Determination of Taxability

The Series 2021A Bonds are subject to (i) extraordinary mandatory redemption in whole on any Business Day within 60 days after the occurrence of a Determination of Taxability at a redemption price equal to 103% of the principal amount of the Series 2021A Bonds to be redeemed, if the Determination of Taxability was the result of any action or failure to take action on the part of the Company, and (ii) optional redemption, at the direction of the Obligor, in whole on any Business Day within 60 days after the occurrence of a Determination of Taxability at a redemption price equal to 100% of the principal amount of the Series 2021A Bonds to be redeemed, if the Determination of Taxability was not the result of any action or failure to take action on the part of the Obligor, plus in either case accrued interest thereon to, but not including, the redemption date. Notwithstanding the foregoing, if, in the opinion of Bond Counsel, an extraordinary mandatory redemption or optional redemption, as applicable, on account of a Determination

of Taxability of less than all of the Series 2021A Bonds would result in the interest on the Series 2021A Bonds Outstanding following such redemption not being includable in the gross income of the Bondholders of such Outstanding Series 2021A Bonds, then the Series 2021A Bonds are subject to redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion, provided that such redemption must be in an Authorized Denomination.

“Determination of Taxability” means, with respect to the Series 2021A Bonds: (i) the issuance of a statutory notice of deficiency by the Internal Revenue Service (the “IRS”) which holds that an Event of Taxability has occurred; (ii) the issuance of a proposed written adverse determination by the IRS to the Obligor or the Authority, which holds that an Event of Taxability has occurred; provided that no Determination of Taxability will be deemed to occur if the Obligor or the Authority has initiated an administrative appeal of such written adverse determination or has begun negotiating a closing agreement with the IRS, until the earliest of (A) abandonment of the appeals process by the Obligor, or (B) the date on which such appeals process has been concluded adversely to the Obligor or the Authority and no further appeal is permitted or (C) twelve months after the receipt by the Obligor or the Authority of the proposed written adverse determination, unless the appeals process has been delayed other than by the Obligor, in which event 18 months, or as otherwise approved by the Owners of at least a majority in aggregate principal amount of the Series 2021A Bonds then Outstanding; (iii) the deposit by the Obligor with the Bond Trustee of a certificate to the effect that, except with respect to an Event of Taxability for which the Obligor is engaged in a proceeding with the IRS, an Event of Taxability has occurred or will occur and setting forth the date of taxability (i.e. the date on which the interest on the Series 2021A Bonds is declared taxable for federal income tax purposes); the Obligor will be obligated to deliver promptly to the Bond Trustee such a certificate upon the occurrence of an Event of Taxability; (iv) the rendering of a final and nonappealable decision, judgment, decree or other order by any court of competent jurisdiction to the effect that an Event of Taxability has occurred; (v) the delivery to the Bond Trustee of an unqualified opinion of Bond Counsel to the effect that an Event of Taxability has occurred; or (vi) as a result of any action or failure to take action on the part of the Obligor, Bond Counsel issues a written statement delivered to the Bond Trustee that Bond Counsel is unable to render an opinion to the effect that interest on the Series 2021A Bonds is excluded from gross income for purposes of federal income taxation.

“Event of Taxability” means, with respect to the Series 2021A Bonds, any conditions or circumstances that cause the interest on any of the Series 2021A Bonds to become includable in the gross income of the Bondholders thereof for federal income tax purposes.

d. Extraordinary Optional Redemption.

The Series 2021A Bonds are subject to redemption, in whole or in part, at a redemption price equal to 100% of the principal amount thereof, without premium, plus accrued interest to, but not including, the redemption date, without premium, on the earliest date for which notice of redemption can be given at the direction of the Obligor, to the extent the Obligor makes a prepayment on Obligation No. __ under the circumstances permitted by Section 7.1 of the Agreement and Section 3.05 of the Master Indenture. In the circumstance contemplated by Section 7.1(c) of the Agreement, the Series 2021A Bonds shall be subject to extraordinary optional redemption in an amount that bears the same pro rata relationship to the aggregate principal amount of the Series 2021A Bonds then outstanding as that portion of the Mortgaged Premises financed or refinanced with the proceeds of the Series 2021A Bonds (the “Bond Financed Property”) with respect to which the Net Proceeds have been received bears to all Bond Financed

Property. In the event of a partial extraordinary optional redemption, an Authorized Representative of the Obligor may direct the Bond Trustee to redeem as directed by the Obligor, the Series 2021A Bonds from each maturity then outstanding, to the extent practicable, in the proportion that the principal amount of Series 2021A Bonds of such maturity bears to the total principal amount of all Series 2021A Bonds issued under this Indenture and then outstanding or in inverse order of maturity, and the Bond Trustee shall redeem in accordance with such instructions.

Economic Development Authority of James City County, Virginia

Ladies and Gentlemen:

Reference is made to our opinion delivered today as Bond Counsel for the Economic Development Authority of James City County, Virginia (the “Authority”), in connection with the issuance and sale by the Authority of the above-referenced bonds (the “Bonds”). We hereby advise you that we now deliver such opinion for your benefit as well as the benefit of the Authority, and you are entitled to rely upon such opinion as if it was addressed to you. Unless otherwise defined, each capitalized term used in this opinion has the meaning given in the Bond Trust Indenture dated as of September 1, 2021 (the “Indenture”), between the Authority and The Bank of New York Mellon Trust Company, N.A., as bond trustee.

At your request, we have reviewed (a) the Bond Purchase Agreement dated August __, 2021 (the “Bond Purchases Agreement”), among the Authority, the Obligor, and B.C. Ziegler and Company, on behalf of itself and as representative of the other underwriter, with respect to the purchase and sale of the Bonds, (b) portions of the Official Statement of the Authority dated August __, 2021, relating to the Bonds (the “Official Statement”), and (c) certified copies of the Authority with respect to the Bond Purchase Agreement and the Official Statement, as well as such other papers as we deem necessary for purposes of the opinions expressed below.

Based on the foregoing, we are of the opinion that:

1. The Bond Purchase Agreement has been duly authorized, executed and delivered by the Authority and, assuming the due authorization and execution by the other parties thereto, constitutes a valid and legally binding obligation of the Authority, and is enforceable against the Authority in accordance with its terms. The enforceability of the obligations of the Authority under the Bond Purchase Agreement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and similar laws, and by usual equity principles.

2. The statements in the Official Statement in the sections entitled “GENERAL STATEMENT – Series 2021A Bonds, - Series 2021B Bonds, - Security for Obligations and – Master

Indenture”, “THE SERIES 2021A BONDS”, “SECURITY FOR THE SERIES 2021A BONDS,” “SERIES 2021A BONDS ELIGIBLE FOR INVESTMENT AND SECURITY FOR PUBLIC DEPOSITS,” “TAX MATTERS,” “LEGALITY,” “RELATIONSHIP OF PARTIES” (but only with respect to McGuireWoods LLP), “FINANCING DOCUMENTS AND SELECTED COVENANTS,” and “FINANCIAL REPORTING AND CONTINUING DISCLOSURE – Financial Reporting – Continuing Disclosure – General, and – Information Required,” and in Appendix D and Appendix E accurately and fairly summarize the material provisions of the Bonds and the documents, statutes and opinions referred to therein.

3. The offering, sale and delivery of the Bonds do not require registration of the Bonds, or any separate security represented by the Bonds, under the Securities Act of 1933, as amended, and the Indenture and the Supplemental Indenture for Obligation No. __ are not required to be qualified as Trust Indentures pursuant to the Trust Agreement Act of 1939, as amended.

Very truly yours,

§ _____
Economic Development Authority of James City County, Virginia
Residential Care Facilities Revenue Bonds
(WindsorMeade)
Series 2021A

Ladies and Gentlemen:

We have acted as counsel to Virginia United Methodist Homes of Williamsburg, Inc. d/b/a WindsorMeade Williamburg, a non-stock, not-for-profit Virginia corporation (the "Obligor"), in connection with the issuance by the Economic Development Authority of James City County, Virginia (the "Authority") of the above referenced bonds (the "Bonds"). Our opinion is being delivered at the request of the Obligor.

The Authority sold the bonds pursuant to the terms of a Bond Purchase Agreement dated August __, 2021 (the "Bond Purchase Agreement"), among the Authority, the Obligor, and B.C. Ziegler and Company, on behalf of itself and as representative of the other underwriter. The Authority issued the Bonds under a Bond Trust Indenture dated as of September 1, 2021 (the "Indenture"), between the Authority and The Bank of New York Mellon Trust Company, N.A., as bond trustee (the "Bond Trustee"). The Authority loaned the proceeds of the Bonds to the Obligor under a Loan Agreement dated as of September 1, 2021 (the "Loan Agreement"), between the Authority and the Obligor. To evidence its obligations under the Agreement, the Obligor has executed and delivered to the Authority a note dated the date of its delivery, in the principal amount of the Bonds ("Obligation No. __").

I. Documents Reviewed

In our capacity as counsel, we have examined the following documents:

1. Resolution of the Obligor adopting a plan of finance with the Authority and the issuance of bonds, adopted on _____, ____ (the “Resolution”);
2. Bond Purchase Agreement;

4. Obligation No. ___, with an Authority’s assignment thereof to the Bond Trustee;
5. Loan Agreement dated as of September 1, 2021, between the Authority and the Obligor (the “Loan Agreement”);
6. Preliminary Official Statement dated July __, 2021 (the “Preliminary Official Statement”), and the Official Statement dated August __, 2021 (the “Official Statement”), relating to the sale of the Bonds; and
7. Modification to Amended and Restated Deed of Trust and Security Agreement dated as of September 1, 2021 (the “Deed of Trust”), between the Obligor and the Deed of Trust Trustee(s) named therein, recorded in the Clerk’s Office of the Circuit Court of James City County, Virginia (the “James City County Clerk’s Office”), on March __, 2019 at ____ p.m. as Instrument Number _____.

The documents identified in (2) through (7) above shall be defined as the “Financing Instruments”.

In addition, we have examined the following:

- (i) originals, or copies identified to our satisfaction as being true copies, of such needs, documents and other instruments as we have deemed necessary for the purposes of this opinion letter;
- (ii) the articles of incorporation, bylaws and resolutions of the Obligor (such articles, bylaws and resolution being hereinafter collectively referred to as the “Organizational Documents”).
- (iii) a certificate issued by the State Corporation Commission of Virginia, attesting to the continued existence and good standing in the Commonwealth of Virginia of the Corporation (the “Good Standing Certificate”); and
- (iv) Letters dated April 21, 1967, December 6, 1973, and June 7, 2003, and other documents relating to the tax-exempt status of the Obligor under the Internal Revenue Code of 1986, as amended (the “Code”).

As to factual matters, we have assumed the correctness of and relied upon statements and other representations of the Obligor and the officers of Obligor set forth in the Financing Instruments and in certificates provided pursuant to or in connection with the Financing Instruments or otherwise provided to us, and upon certificates of public officials.

Except as otherwise indicated herein, we have not made or undertaken to make any investigation as to factual matters or as to the accuracy or completeness of any representation, warrant, data or any other information, whether written or oral, that may have been made by or on behalf of the parties to the Financing Instruments or otherwise. Whenever the phrase “to our knowledge after due inquiry” is used herein, it refers to the actual knowledge of the attorneys of this firm involved in the representation of the Obligor in this transaction after making inquiry of the Obligor into the subject matter of the referenced issue. Whenever the phrases “to our knowledge” or “to the best of our knowledge” are used herein, they each refer to the actual knowledge of the attorneys of this firm involved in the representation of the Obligor in this transaction without independent examination.

II. Assumptions Underlying Our Opinions

For all purposes of the opinions expressed herein, we have assumed, without independent investigation, that:

1. the signatures of individuals (other than the individuals signing on behalf of the Obligor) signing the Financing Instruments are genuine and authorized;
2. all documents submitted to us as originals are authentic, complete and accurate and all documents submitted to us as copies conform to authentic original documents;
3. all parties to the Financing Instruments (other than the Obligor) have the requisite capacity and full power and authority to execute, deliver and perform the Financing Instruments and the documents required or permitted to be delivered and performed thereunder;
4. all of the Financing Instruments and the documents required or permitted to be delivered thereunder have been duly authorized by all necessary corporate or other action on the part of the parties thereto (other than the Obligor), have been duly executed and delivered by such parties and are legal, valid and binding obligations enforceable against such parties in accordance with their terms;
5. all necessary consents, authorizations, approvals, permits or certificates (governmental and otherwise) which are required as a condition to the execution and delivery of the Financing Instruments by the parties thereto and to the consummation by the parties thereto (other than the Obligor) of the transactions contemplated thereby have been obtained;
6. no addressee of this opinion letter has any actual knowledge that any of our factual assumptions or opinions is inaccurate;

7. that the Obligor owns the property and/or interests in property that it purports to transfer, or in which it purports to grant a lien or security interest, pursuant to the Financing Instruments; and,

8. that all property descriptions used in the Financing Instruments accurately and sufficiently describe the subject property.

III. Our Opinions

Based on and subject to the foregoing and the other limitations, assumptions, qualifications and exceptions set forth in this opinion letter, we are of the opinion that:

1. The Obligor is a corporation duly organized, validly existing and in good standing under the laws of the Commonwealth of Virginia. The Obligor has the full power and authority to own its properties and to operate its business as currently conducted.

2. The Obligor (a) is an organization described in Section 501(c)(3) of the Internal Revenue Code (the “Code”), and (b) is not a “private foundation” as defined in Section 509(a) of the Code. To the best of our knowledge, (x) the Obligor has conducted its operations and filled all required reports or documents with the Internal Revenue Service so as to maintain such status, and (y) the facts and circumstances as represented by the Obligor to the Internal Revenue Service in connection with obtaining confirmation of its exempt status continue substantially to exist. To the best of our knowledge, the Obligor (i) has not received any notice or communication of any kind from the Internal Revenue Service questioning, directly or indirectly, the Obligor’s status under Section 501(c)(3) of the Code or indicating that the Obligor or any bonds issued on its behalf is or will be audited with respect to such status and (ii) has not failed to file with the Internal Revenue Service any information return that it is required to file. To the best of our knowledge, the Obligor is organized and operated exclusively for benevolent, fraternal, charitable or reformatory purposes (as defined in the Code) and not for pecuniary profit, and no part of its earnings inures to the benefit of any person, private stockholder or individual.

3. The Financing Instruments to which the Obligor is a party have been duly executed and delivered by the Obligor and constitute valid and binding legal obligations of the Obligor, enforceable against the Obligor in accordance with their terms.

4. The execution and delivery of the Financing Instruments, the performance by the Obligor of its obligations thereunder are within the corporate powers of the Obligor and will not conflict with or constitute a breach or result in a violation of: (a) the Articles of Incorporation or Bylaws of the Obligor, (b) any federal or Virginia constitutional or statutory provisions, (c) to the best of our knowledge, any agreement, indenture, lease or other instrument to which the Obligor is a party or by which it or any of its properties is bound, or (d) to the best of our knowledge, any current order, rule regulation, decree or ordinance of any court, government or governmental authority having jurisdiction over the Obligor or any of its property.

5. The Modification of Deed of Trust is in an appropriate form (i) to be accepted for recordation in the applicable land or records of the Commonwealth of Virginia and (ii) to create and constitute a valid deed of trust lien in form of the master trust in the Obligor's right, title and interest in the portions of the real estate (as defined in the Deed of Trust) constituting real property.

The statements and information concerning legal matters related to the Obligor contained in the portions of the Preliminary Official Statement and the Official Statement captioned as follows fairly summarize the legal matters referred to therein: "VIRGINIA UNITED METHODIST HOMES, INC.", "FINANCIAL STATEMENTS"; "PLAN OF FINANCE"; "ESTIMATED SOURCES AND USES OF FUNDS"; "ANNUAL DEBT SERVICE REQUIREMENTS"; "CERTAIN BONDHOLDERS' RISKS" (excluding "Limited Obligations"); "LITIGATION" as pertaining to the Obligor; "FINANCIAL REPORTING AND CONTINUING DISCLOSURE"; and "APPENDIX A – VIRGINIA UNITED METHODIST HOMES, INC." (excluding all financial and numerical information and statistical data contained therein.).

During the course of the preparation of the Preliminary Official Statement and the Official Statement, we participated in conferences with officers and other representatives of the Obligor and with you and your representatives. While we have not undertaken to determine independently, and we do not assume any responsibility for, the accuracy, completeness or fairness of the statements in the Preliminary Official Statement and the Official Statement, we may state (on the basis of these conferences and our review of the documents referenced above) that no facts have come to our attention which cause us to believe that the above-described sections in the Preliminary Official Statement and the Official Statement contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

IV. Exclusions Qualifications and Limitations

1. **General Exclusions.** Notwithstanding anything to the contrary contained herein, we express no opinion to any of the following:

Any provision in any Financing Instrument to the effect that rights or remedies are not exclusive, that every right or remedy is cumulative and may be exercised in addition to any other right or remedy, that the election of some particular remedy does not preclude recourse to one or more others or that failure to exercise or delay in exercising rights or remedies will not operate as a waiver of any such right or remedy;

2. **Exclusions as to Certain Provisions.** We also express no opinion as to the following matters:

a. We do not express any opinion as to provisions of any Financing Instrument purporting to select any state's law (other than Virginia's) as the governing law for such Financing Instrument.

b. We have not examined title to the Real Estate (as such term is defined in the Deed of Trust), and we express no opinion with respect to title or zoning of the property intended to be covered by the Financing Instruments, or, with respect to the creation of or the priority of any lien or security interest granted or created by any of the Financing Instruments. We understand that you are relying on title insurance with respect to the lien on the Real Estate and priority of the Deed of Trust with respect to the Real Estate and express no opinion with respect to such lien or priority (except that the Series 2021A Obligation is entitled to the benefits of any lien created by the Deed of Trust to the extent of the Obligor's interest as provided in Section III (5) hereof.

c. We do not express any opinion as to whether or not a court of competent jurisdiction would enforce any provisions of any of the Financing Instruments purporting to create or permit a standard of conduct or governing decision-making other than a standard of "commercial reasonableness."

3. **General Qualifications and Limitations.** The opinions set forth above are subject to the following qualifications and limitations:

a. Applicable Law. Our opinions are limited to the federal law of the United States and the laws of the Commonwealth of Virginia, and we do not express any opinion concerning any other law.

b. Bankruptcy. Our opinions are subject to the effect of any applicable bankruptcy, insolvency (including, without limitation, laws relating to preferences and fraudulent transfers or conveyances), reorganization, moratorium and other similar laws affecting creditors' rights generally.

c. Equitable Principles. Our opinions are subject to the effect of general principals of equity (regardless of whether considered in a proceeding in equity or at law), including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing. In applying such principles, a court, among other things, might limit the availability of specific equitable remedies (such as injunctive relief and the remedy of specific performance), might not allow a creditor to accelerate maturity of debt or exercise other remedies upon the occurrence of a default deemed immaterial or for non-credit reasons or might decline to order a debtor to preform covenants in a loan document.

d. Unenforceability of Certain Provisions. Certain of the provisions contained in the Financing Instruments may be unenforceable or ineffective, in whole or in part, but the inclusion of such provisions does not render any Financing Instrument invalid as a whole, and each of the Financing Instruments contains, in our opinion, adequate remedial provisions for the ultimate practical realization of the principal benefits purported to be afforded by such Financing Instrument, subject to the other qualifications contained in this opinion letter. We note, however, that the unenforceability of such provisions may result in delays in enforcement of the rights and remedies of the Master Trustee under the Financing Instruments, and we express no opinion as to the economic consequences, if any, of such delays.

e. Material Changes to Terms. Provisions in the Financing Instruments which provide that any obligations of the Obligor thereunder will not be affected by the action or failure to act on the part of the Master Trustee or by an amendment or waiver of the provisions contained in the other Financing Instruments might not be enforceable under circumstances in which such action, failure to act, amendment or waiver so materially change the essential terms of the guaranteed obligations that, in effect, a new contract has arisen between the Master Trustee and the Obligor.

f. Incorporated Documents. Except with respect to the Opinions set forth in Section III, Part 1 (1 & 2), this opinion does not relate to (and we have not reviewed) any documents or instruments other than the Financing Instruments, and we express no opinion as to such other documents or instruments (including, without limitation, any documents or instruments referenced or incorporated in any of the Financing Instruments) or as to the interplay between the Financing Instruments and any such other documents and instruments.

g. Mathematical Calculations. We have made no independent verification of any of the numbers, schedules, formulae or calculations in the Financing Instruments, and we render no opinion with regard to the accuracy, validity or enforceability of any of them.

V. Reliance on Opinions

This opinion is not to be used, circulated, quoted or otherwise referred to by persons other than participants in the financing for any other purpose, including, but not limited to, the registration, purchase or sale of securities; nor is it to be filed with or referred to in whole or in part in the Official Statement or any other document, except that reference may be made to it in the underwriting agreement or in a transcript of closing documents pertaining to the offering of the Series 2021A Bonds, and it may be included in the transcript of documents in connection with the Series 2021A Bonds.

Very truly yours,

Ladies and Gentlemen:

We have acted as counsel to the Economic Development Authority of James City County, Virginia (the “Authority”) in connection with the issuance by the Authority of the above-referenced bonds (the “Series 2021A Bonds”).

In so acting, we have reviewed, among other things, the Industrial Development and Revenue Bond Act, Chapter 49, Title 15.2, Code of Virginia of 1950, as amended (the “Act”), the Authority’s bylaws and minute books, and originals or certified copies of the following:

(a) Ordinances adopted and readopted by the Board of Supervisors of James City County, Virginia, on November 13, 1968 and December 11, 1968, respectively, creating the Authority pursuant to the Act;

(b) Resolutions of the Authority authorizing the issuance of the Bonds, adopted on _____ and _____ (collectively, the “Resolutions”), authorizing among other things, the execution and delivery or use of the following:

i. Bond Purchase Agreement dated August __, 2021 (the “Bond Purchase Agreement”), between the Authority, Virginia United Methodist Homes, Inc., d/b/a Pinnacle Living (“Pinnacle Living”), and B.C. Ziegler and Company on behalf of itself and Herbert J. Sims & Co. (the “Underwriters”);

iv. Promissory Note Constituting Obligation No. __ (the “2021A Note”), of the Borrowers in the original principal amount equal to the aggregate principal amount of the Series 2021A Bonds with an Authority’s assignment thereof to the Bond Trustee;

v. Bond Purchase and Loan Agreement dated as of September 1, 2021 (the “Bond Purchase and Loan Agreement”), between the Authority, the Borrower, and STI Institutional & Government, Inc.;

vi. Form of the Series 2021A Bond; and

vii. Preliminary Official Statement dated July __, 2021 (the “Preliminary Official Statement”), and the Official Statement dated as of even date with the Bond Purchase Agreement (the “Official Statement”), relating to the sale of the Bonds.

(c) Such other documents, records, agreements and certificates of the Authority and other parties as we deemed necessary or appropriate to enable us to render the opinions expressed below.

The Bond Purchase Agreement, the Indenture, the Loan Agreement, the Bond Purchase and Loan Agreement, and the assignment of Obligation No. __ are referred to in this letter as the “Authority Documents.”

For purposes of the opinions expressed below, we have assumed that all signatures on documents and instruments examined are genuine, all documents submitted as originals are authentic, and all documents submitted as copies conform to the originals. In addition, we have assumed, without independent investigation or verification, the due authorization, execution, and deliver of the Authority Documents by all parties thereto other than the Authority.

As to factual matters, we have relied upon findings of the Authority contained in the Authority Documents, certificates of public officials furnished to us, and certifications by representatives of the Authority. We have no reason to believe that such findings and certifications are incomplete or inaccurate. Whenever the phrase “to our knowledge” is used herein, it refers to the actual knowledge of the attorneys of this office involved in the representation of the Authority in this transaction without independent investigation.

Where reference is made in this letter to matters I know or which are within my knowledge, such reference should be understood to mean only that I do not know of any fact or circumstance contradicting the statement which ensures.

Based on the foregoing, and upon such other investigation as we consider necessary for the

purpose of expressing this opinion, and subject to the limitations contained herein, we are of the opinion that:

1. The Authority is duly organized and validly existing, and in good standing as an industrial development authority under the Act and has all necessary power and authority to (a) execute and deliver the Series 2021A Bonds and the Authority Documents and (b) perform its obligations under the Authority Documents.

2. The Resolutions have been duly adopted by the Authority and are in full force and effect on the date hereof. The officers of the Authority executing the Series 2021A Bonds, the Authority Documents and the Official Statement and the officers listed on the general certificate of the Authority delivered on the date hereof have been duly elected or appointed and are qualified to serve as such officers.

3. The Authority Documents have each been duly authorized, executed and delivered by the Authority, and, subject to paragraph 5 below, each constitutes a valid and binding agreement of the Authority, enforceable against the Authority in accordance with its terms.

4. The Series 2021A Bonds have been duly authorized, executed, issued and delivered by the Authority, constitute valid and binding limited obligations of the Authority, enforceable in accordance with their terms, subject to paragraph 5 below.

5. The obligations of the Authority under the Resolution, the Series 2021A Bonds and the Authority Documents are subject to the provisions of applicable bankruptcy, insolvency, reorganization, moratorium or similar laws, now or hereafter in effect, relating to or affecting the enforcement of creditors' rights generally. Such obligations are also subject to usual equitable principles, which may limit the specific enforcement of certain remedies but which do not affect the validity of such documents.

6. The adoption, execution and delivery of and performance by the Authority of its obligations under the Resolution, the Series 2021A Bonds, and this Authority Documents and the assignment of Obligation No. __ will not violate any provisions of (a) the Act or the Authority's bylaws, (b) any other Virginia law, or (c) to the best of our knowledge after due investigation, any agreement or other instrument, order, rule regulation, decree or ordinance to which the Authority is a party or by which it is bound.

7. To the best of our knowledge, no litigation, inquiry, or investigation of any kind in or by a judicial or administrative court or agency is pending or threatened against the Authority (a) with respect to the organization or existence of the Authority, its authority to execute or deliver the Series 2021A Bonds or the Authority Documents, the validity or enforceability of any of such instruments, or any authority or proceedings relating to the execution and delivery of such instruments on behalf of the Authority, or the assignment of Obligation No. __, and no such authority or proceedings have been repeated, revoked, rescinded, or amended or (b) to restrain or enjoin the issuance or delivery of the Series 2021A Bonds or any other bonds of the Authority or the execution or delivery by the Authority of the Authority Documents or the assignment by the Authority of Obligation No. __.

8. To the best of our knowledge, the information with respect to the Authority contained in the Official Statement under the sections entitled “THE AUTHORITY” and “LITIGATION” is true and correct and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made in such sections concerning the Authority, in light of the circumstances under which they were made, not misleading. The Authority has duly authorized and consented to the use of the Official Statement in the offering and sale of the Series 2021A Bonds. The Authority has not verified, has not passed upon, and does not assume any responsibility for the accuracy and completeness of the statements contained in the Official Statement except as specifically set out above in this paragraph 8.

We have not been requested to express, and therefore do not express, any opinion as to (1) the tax-exempt status of interest on the Series 2021A Bonds, (2) the necessity of registration of the Series 2021A Bonds under the Securities Act of 1933, as amended, or any state blue sky law, any required qualification or registration under the Trust Indenture Act of 1939, as amended, (3) the accuracy or completeness of any other information concerning the business or financial resources of Pinnacle Living or any other person that may have been relied on by the purchasers of the Series 2021A Bonds, (4) the ownership of or status of title to any property covered by the Authority Documents or the priority of any liens or encumbrances thereon or the enforceability of any remedy that may be dependent upon the status of ownership of such property, or (5) the applicability of, or the enforceability of any documents under, the laws of any state other than the Commonwealth of Virginia.

This opinion is solely for your benefit. This opinion may not be distributed to or relied upon by any other person or entity, quoted in whole or in part or otherwise reproduced in any other document, nor is it to be filed with any governmental agency other than the Authority, except with the prior written consent of the Office of the County Attorney for James City County, Virginia.

Finally, we do not undertake to advise you of any changes in the opinions expressed herein resulting from matters that might hereafter come or be brought to our attention.

Sincerely yours,

In the opinion of Bond Counsel, under current law and assuming the compliance with certain covenants by and the accuracy of certain representations and certifications of the Authority, WindsorMeade and other persons and entities described in the section herein "TAX MATTERS" interest on the Bonds (i) is excludable from the gross income of the owners thereof for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and (ii) is not a specific item of tax preference for purposes of the federal alternative minimum tax. Bond Counsel is further of the opinion that interest on the Bonds is excludable from gross income for purposes of income taxation by the Commonwealth of Virginia. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

Mandatory Redemption upon Determination of Taxability

The Series 2021A Bonds are subject to (i) extraordinary mandatory redemption in whole on any Business Day within 60 days after the occurrence of a Determination of Taxability at a redemption price equal to 103% of the principal amount of the Series 2021A Bonds to be redeemed, if the Determination of Taxability was the result of any action or failure to take action on the part of WindsorMeade, and (ii) optional redemption, at the direction of WindsorMeade, in whole on any Business Day within 60 days after the occurrence of a Determination of Taxability at a redemption price equal to 100% of the principal amount of the Series 2021A Bonds to be redeemed, if the Determination of Taxability was not the result of any action or failure to take action on the part of the Obligor, plus in either case accrued interest thereon to, but not including, the redemption date. Notwithstanding the foregoing, if, in the opinion of Bond Counsel, an extraordinary mandatory redemption or optional redemption, as applicable, on account of a Determination of Taxability of less than all of the Series 2021A Bonds would result in the interest on the Series 2021A Bonds Outstanding following such redemption not being includable in the gross income of the Bondholders of such Outstanding Series 2021A Bonds, then the Series 2021A Bonds are subject to redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion, provided that such redemption must be in an Authorized Denomination.

"Determination of Taxability" means, with respect to the Series 2021A Bonds: (i) the issuance of a statutory notice of deficiency by the Internal Revenue Service (the "IRS") which holds that an Event of Taxability has occurred; (ii) the issuance of a proposed written adverse determination by the IRS to WindsorMeade or the Authority, which holds that an Event of Taxability has occurred; provided that no Determination of Taxability will be deemed to occur if WindsorMeade or the Authority has initiated an administrative appeal of such written adverse determination or has begun negotiating a closing agreement with the IRS, until the earliest of (A) abandonment of the appeals process by WindsorMeade, or (B) the date on which such appeals process has been concluded adversely to WindsorMeade or the Authority and no further appeal is permitted or (C) twelve months after the receipt by WindsorMeade or the Authority of the proposed written adverse determination, unless the appeals process has been delayed other than by WindsorMeade, in which event 18 months, or as otherwise approved by the Owners of at least a majority in aggregate principal amount of the Series 2021A Bonds then Outstanding; (iii) the deposit by WindsorMeade with the Bond Trustee of a certificate to the effect that, except with respect to an Event of Taxability for which WindsorMeade is engaged in a proceeding with the IRS, an Event of Taxability has occurred or will occur and setting forth the date of taxability (i.e. the date on which the interest on the Series 2021A Bonds is declared taxable for federal income tax purposes); WindsorMeade will be obligated to deliver promptly to the Bond Trustee such a certificate upon the occurrence of an Event of Taxability; (iv) the rendering of a final and nonappealable decision, judgment, decree or other order by any court of competent jurisdiction to the effect that an Event of Taxability has occurred; (v) the delivery to the Bond Trustee of an unqualified opinion of Bond Counsel to the effect that an Event of Taxability has occurred; or (vi) as a result of any action or failure to take action on the part of WindsorMeade, Bond Counsel issues a written statement delivered to the Bond Trustee that Bond Counsel is unable to render an opinion to the effect that interest on the Series 2021A Bonds is excluded from gross income for purposes of federal income taxation.

"Event of Taxability" means, with respect to the Series 2021A Bonds, any conditions or circumstances that cause the interest on any of the Series 2021A Bonds to become includable in the gross income of the Bondholders thereof for federal income tax purposes.

Manner of Redemption

Whenever Series 2021A Bonds are redeemed, whether by mandatory sinking fund redemption, optional redemption, extraordinary redemption or otherwise, the Bond Trustee shall cause notice of the call for redemption identifying the Series 2021A Bonds to be redeemed to be sent by first class mail not less than 30 nor more than 60 days prior to the redemption date to the registered owner of each Series 2021A Bond to be redeemed at his address as it appears on the registration books of the Bond Trustee. **During the period that DTC or its nominee is the registered holder of the Bonds, the Bond Trustee will not be responsible for mailing notices of redemption to the Beneficial Owners of the Bonds.** See Appendix G - The DTC Book-Entry Only System hereto.

If less than all of the Series 2021A Bonds are called for extraordinary optional redemption, an Authorized Representative of WindsorMeade may direct the Bond Trustee to redeem specific maturities of the Series 2021A Bonds or the Series 2021A Bonds from each maturity then outstanding, to the extent practicable, in the proportion that the principal amount of the Series 2021A Bonds of such maturity bears to the total principal amount of all Series 2021A Bonds issued under the Bond Indenture and then outstanding, and the Bond Trustee shall redeem in accordance with such instructions. If less than all the Series 2021A Bonds of any maturity are called for optional redemption, the Series 2021A Bonds to be redeemed shall be selected by DTC in accordance with its procedures, or if DTC is not the securities depository, then by lot in such manner as the Bond Trustee shall determine. If funds have been deposited with the Bond Trustee for such purpose, each Series 2021A Bond duly called for redemption will cease to bear interest on its redemption date.

Purchase in Lieu of Redemption

In lieu of redeeming the Series 2021A Bonds, the Bond Trustee may, at the request of WindsorMeade, use such funds otherwise available under the Bond Indenture for redemption of Series 2021A Bonds to purchase Series 2021A Bonds in the open market at a price not exceeding the redemption price then applicable.

Acceleration Upon Default; Other Remedies

All principal and accrued interest on the Series 2021A Bonds may become immediately due and payable, without premium, upon an Event of Default under the Bond Indenture if the Bond Trustee (1) exercises its option to so declare or (2) is directed to so declare by the holders of at least 25% in aggregate principal amount of Series 2021A Bonds then outstanding. The Bond Trustee's receipt of proceeds upon acceleration may be dependent upon the Bond Trustee and the Master Trustee taking certain action. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

Pursuant to the Deed of Trust, as security for the payment of amounts due on any Obligations issued under the Master Indenture, including the Series 2021A Obligation, the Obligated Group will convey a first mortgage lien on the WindsorMeade campus, together with all buildings, improvements and fixtures thereon constituting the WindsorMeade campus subject to Permitted Liens. Simultaneously with the delivery of the Series 2021A Bonds, the Obligated Group will deliver to the Master Trustee a mortgagee title insurance policy on the WindsorMeade campus in an aggregate amount equal to the aggregate amount of the Obligations secured thereby.

In addition, pursuant to the Deed of Trust, WindsorMeade will pledge, assign and grant to the Master Trustee a security interest in the Equipment at the WindsorMeade campus as security for the payment of amounts due on the Series 2021A Obligations and any other Obligations issued under the Master Indenture. The security interest in the Equipment at the WindsorMeade campus will be perfected to the extent and only to the extent that such security interest may be perfected by filing financing statements under the UCC. Continuation statements with respect to such filings must be filed periodically to continue the perfection of such security interest. The security interest in the Equipment will be subject to Permitted Liens that exist prior to or that may be created subsequent to the time the security interest in the Equipment attaches and is subject to the right of the Members of the Obligated Group to transfer Property and Equipment free of the security interest created in the Equipment under certain circumstances.

The mortgage lien and security interest on real and personal property covers only the WindsorMeade campus and does not cover the real and personal property at the other facilities owned by or operated by WindsorMeade or any related entities. Under certain circumstances, if additional parity indebtedness is incurred by the Obligated Group to finance new facilities or improvements to existing facilities, the Obligated Group will be required to extend the lien and security interest of the Deed of Trust to cover such facilities (see **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto). All facilities owned and operated by the Obligated Group, including the Mortgaged Premises but excluding any Excluded Property, are referred to herein as the “Obligated Group Facilities.” For the circumstances in which Obligated Group Facilities may be transferred from the Obligated Group. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

“Pledged Assets” mean Gross Receipts and all inventory, accounts (including accounts receivable and contract rights), documents, instruments, other moneys, chattel paper and general intangibles, now owned or hereafter acquired by any Member of the Obligated Group, and all proceeds thereof, all as defined in the UCC, including without limitation all rights under residency agreements with respect to, or leases of, residential units in the residence and care facilities owned by WindsorMeade and other facilities owned by any Members; provided, however, that Pledged Assets shall not include contract rights consisting of charitable pledges that are designated by

the donor or the Member at the time made for certain specific purposes nor any assets derived from Excluded Property. "Gross Receipts" mean all revenues, income, receipts and money (other than proceeds of borrowings) received in any period by or on behalf of each Member, including, but without limiting the generality of the foregoing, (a) revenues derived from its operations, (b) gifts, grants, bequests, donations and contributions and the income therefrom, exclusive of any gifts, grants, bequests, donations and contributions to the extent specifically restricted by the donor to a particular purpose inconsistent with their use for the payment of Indebtedness, (c) proceeds derived from (i) insurance, except to the extent otherwise required by the Master Indenture to be used for a particular purpose inconsistent with their use for the payment of Obligations, (ii) accounts, (iii) securities and other investments, (iv) inventory and other tangible and intangible property, (v) medical or hospital or disability insurance including without limitation long-term care insurance, indemnity or reimbursement programs or agreements, and (vi) contract rights and other rights and assets now or hereafter owned, held, or possessed by each Member, (d) rentals received from the leasing of real or tangible personal property and (e) Entrance Fees; provided, however, that Entrance Fees shall be considered Gross Receipts only when and to the extent they are not held in escrow for the benefit of the payor thereof pursuant to any requirement of law.

Pledged Assets are not restricted to those arising from the operation of the WindsorMeade campus and include assets from all other Obligated Group Facilities. The security interest created thereby will extend to those Pledged Assets that are (1) inventory or proceeds therefrom, (2) accounts (including all rights to payments for services rendered) arising in the ordinary course of the Member's business or proceeds therefrom, (3) general intangibles and chattel paper or proceeds therefrom, all as defined by the UCC. Continuation statements with respect to such filings must be filed periodically to continue the perfection of such security interest.

Cash held by WindsorMeade may not be subject to any perfectible security interest under the UCC. The security interest in any item of inventory will be inferior to the interest of a buyer in the ordinary course of business and will be inferior to a purchase money security interest, as defined in the UCC, perfected in connection with the sale to WindsorMeade of such item. The lien on certain other Pledged Assets may not be enforceable against third parties unless such other Pledged Assets are transferred and delivered to the Master Trustee (which transfer the Obligated Group is not required by the Master Indenture to make prior to a default thereunder and which transfer may be set aside if it occurs within 90 days of the filing of a petition of bankruptcy), is subject to exception under the UCC and may be lost if the proceeds are commingled or expended by the Obligated Group. In addition, the federal government restricts the assignment of rights arising out of Medicare, Medicaid and other federal programs.

In the event of the bankruptcy of a Member of the Obligated Group pursuant to the Federal Bankruptcy Code, any receivables in favor of such bankrupt member coming into existence and any Pledged Assets of such bankrupt member received on or after the date which is 90 days (or, in some circumstances, one year) prior to the commencement of proceedings in the Bankruptcy Court with respect to such bankrupt member may no longer be subject to the lien granted to secure the Obligations and, with respect to the Pledged Assets, the interest of the Master Trustee holding Obligations for the benefit of the Holders would be shared with general creditors of such bankrupt member. Under certain circumstances, a Bankruptcy Court or a court of equity may have the power to direct the use of Pledged Assets to meet expenses of the bankrupt entity before paying debt service on the Obligations. With respect to Pledged Assets not subject to the lien, the holders of Obligations under the Master Indenture would occupy the position of an unsecured creditor.

The Master Indenture and the Obligated Group

Upon the issuance of the Series 2021A Bonds, the only Obligations that will be outstanding are the Series 2021A Obligation, Series 2021B Obligation, the 2021 Taxable Obligation and the Series 2023 Obligation. See **"PLAN OF FINANCE"** herein. See **"FINANCING DOCUMENTS AND SELECTED COVENANTS – Conditions Precedent to Additional Indebtedness."** The Series 2021A Obligation, Series 2021B Obligation, the 2021 Taxable Obligation and the Series 2023 Obligation and any other Obligation issued by the Members of the Obligated Group will be the joint and several obligations of each and every Member of the Obligated Group. All Obligations will rank on a parity basis with each other and will be equally and ratably secured by the Master Indenture. The Master Indenture requires all Members to make payments sufficient to pay all Obligations when due.

WindsorMeade is currently the sole Member of the Obligated Group. The Master Indenture provides that affiliates of any Member of the Obligated Group and other entities approved by such Members may be admitted to

the Obligated Group upon the satisfaction of certain conditions. Each Member, as a co-obligor and not as guarantor, will jointly and severally covenant to pay the principle of, premium, if any and interest on all Obligations issued under the Master Indenture and to perform any and all other covenants, agreements and obligations under the Master Indenture, subject to the right of such Member to withdraw from the Obligated Group under certain circumstances. WindsorMeade, however, will covenant not to withdraw from the Obligated Group so long as any Series 2021A Bonds remain outstanding. (See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.) The enforceability of the obligations of Members of the Obligated Group may be limited in certain circumstances. (See **“Bankruptcy”** and **“Limitations on Enforceability of Remedies”** in **“CERTAIN BONDHOLDERS’ RISKS.”**)

The Members agree in the Master Indenture that they will not create or suffer the creation or existence of any lien on any of their respective facilities, other than certain Permitted Liens. Any lien so created, although not a Permitted Encumbrance, may nonetheless be enforceable against such Members. In addition, the Members of the Obligated Group are subject to restrictions and limitations with respect to the incurrence of indebtedness, consolidation and merger, transfer of assets and addition and withdrawal of Members of the Obligated Group. In the Master Indenture, the Members of the Obligated Group will make certain covenants with respect to the maintenance of their property. The Members of the Obligated Group will also covenant that, upon the occurrence of an Event of Default, they will pay over to the Master Trustee, if so directed, all Pledged Assets. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

Covenants; Additional Indebtedness

The Members of the Obligated Group will be subject to covenants under the Master Indenture relating to maintenance of a Long-Term Debt Service Coverage Ratio, a Liquidity Covenant and restricting, among other things, incurrence of Indebtedness, creation of Liens, consolidation and merger, disposition of assets, addition of Members to the Obligated Group and withdrawal of Members from the Obligated Group (see **“FINANCING DOCUMENTS AND SELECTED COVENANTS – Conditions Precedent to Certain Additional Indebtedness”** and **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto).

THE MASTER INDENTURE PERMITS EACH MEMBER OF THE OBLIGATED GROUP TO INCUR ADDITIONAL INDEBTEDNESS EVIDENCED BY OBLIGATIONS ISSUED UNDER THE MASTER INDENTURE THAT WILL SHARE THE SECURITY FOR THE SERIES 2021A OBLIGATION ON A PARITY WITH THE SERIES 2021A OBLIGATION. SUCH ADDITIONAL OBLIGATIONS WILL NOT BE SECURED BY THE MONEY OR INVESTMENTS IN ANY FUND OR ACCOUNT HELD BY THE BOND TRUSTEE UNDER THE BOND INDENTURE AS SECURITY FOR THE SERIES 2021A BONDS.

Debt Service Reserve Fund

The Supplemental Indenture for Obligation No. 1 establishes the Reserve Fund to secure Obligation No. 17 (and the Series 2021A Bonds). The Debt Service Reserve Requirement for the Reserve Fund is an amount equal to maximum annual debt service on the Series 2021A Bonds (and any other Obligations secured by the Reserve Fund) less amounts already on deposit in Debt Service Reserve Funds for other Obligations. Upon issuance of the Series 2021A Bonds, \$_____ will be deposited in the Reserve Fund. Funds on deposit in the Reserve Fund will be used to make up any deficiencies in the bond funds for the Series 2021A Bonds (and any other Obligations secured by the Reserve Fund). The Master Indenture requires the Master Trustee to use amounts in the Reserve Fund to make transfers to the Bond Trustee for deposit in the Interest Account and the Principal Account of the Bond Fund to the extent necessary to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the sinking fund requirement therefor) the Series 2021A Bonds, whenever and to the extent that the money on deposit in the Interest Account and the Principal Account of the Bond Fund is insufficient for such purposes.

The Master Trustee may establish (or combine) one or more Debt Service Reserve Funds as security for one or more Obligations issued under the Master Indenture. Each Debt Service Reserve Fund, including the Reserve Fund, may serve as security for more than one Obligation under the Master Indenture, in which case all Obligations secured under such Debt Service Reserve Fund will be secured equally and ratably by amounts on deposit in such Debt Service Reserve Fund. The Reserve Fund will not serve as security for the Series 2021B Bond, the Taxable Loan and the Series 2023 Bond. Each Debt Service Reserve Fund will be required to be funded in an amount equal

to the applicable Debt Service Reserve Fund Requirement. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

Other Covenants of the Obligated Group

In the Loan Agreement, the Obligated Group will make certain additional covenants with respect to maintenance of the Obligated Group Facilities, use of bond proceeds and maintenance of their existence as tax-exempt, nonprofit corporations. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

Defeasance

When the interest on, and the principal and redemption premium (as the case may be) of all Series 2021A Bonds have been paid, or there have been deposited with the Bond Trustee an amount of money or other qualifying obligations (which includes securities other than government obligations) the maturing principal of which, when due and payable, shall provide sufficient amounts to pay the principal of, premium, if any, and interest due and to become due on the Series 2021A Bonds on or prior to the redemption date or maturity date thereof, such Series 2021A Bonds shall be no longer deemed outstanding under the Bond Indenture and the Bond Trustee shall cancel the obligations of the Authority to the holders of the Series 2021A Bonds. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

In addition, WindsorMeade will also borrow \$_____ on a taxable basis (the "Taxable Loan") from the Series 2021B Lender. The Series 2021B Bond is secured by a promissory note (the "Series 2021B Obligation") issued pursuant to the Master Indenture on a parity with all of the other Obligations (as defined herein), including the Series 2021A Obligation. The Taxable Loan is also secured by a promissory note (the "2021 Taxable Obligation") issued pursuant to the Master Indenture on a parity with all of the other Obligations, including the Series 2021A Obligation. **The Series 2021B Bond and the Taxable Loan are not being offered pursuant to this Official Statement. The delivery of the Series 2021A Bonds is [not] conditioned on delivery of the Series 2021B Bond and the Taxable Loan.**

Upon satisfaction of certain conditions set forth in the Forward Delivery Bond Purchase and Loan Agreement (expected to occur in 2023), the Series 2021B Bond will be converted to a tax-exempt bond (the "Series 2023 Bond"). A new Obligation will be issued to secure such tax-exempt bond (the "Series 2023 Obligation").

The Taxable Loan matures on _____, 20__ and the Series 2023 Bond matures on _____, 20__. **No debt service reserve fund will be established for the benefit of the Series 2021B Lender. CERTAIN BONDHOLDERS' RISKS

General Risk Factors

The Series 2021A Bonds are limited obligations of the Authority, payable solely from and secured exclusively by the funds pledged thereto, including the payments to be made by WindsorMeade under the Loan Agreement.

A BONDHOLDER IS ADVISED TO READ THE ENTIRE OFFICIAL STATEMENT, INCLUDING THE APPENDICES HERETO, AND SPECIAL REFERENCE IS MADE TO THE SECTION "SECURITY FOR THE SERIES 2021A BONDS" AND THIS SECTION FOR A DISCUSSION OF CERTAIN RISK FACTORS WHICH SHOULD BE CONSIDERED IN CONNECTION WITH AN INVESTMENT IN THE SERIES 2021A BONDS.

Certain risks are inherent in the successful development and operation of facilities such as Community, as described in **Appendix A**. Such risks should be considered in evaluating the Community's ability to generate sufficient revenues to pay principal of, premium, if any, and interest on the Series 2021A Bonds when due. This section discusses some of these risks but is not intended to be a comprehensive listing of all risks associated with the payment of the Series 2021A Bonds or any other indebtedness secured on a parity with the Series 2021A Bonds.

No representation or assurance is given or can be made that revenues will be realized by the Obligated Group (which in the context of this discussion of risk factors, should be understood to include WindsorMeade individually and together with future Members of the Obligated Group, if any) sufficient to ensure the payment of the principal and interest on the Series 2021A Bonds in the amounts and at the times required to pay debt service on the Series 2021A Bonds when due. The ability of the Obligated Group to generate sufficient revenues may be impacted by a number of factors. Some, but not necessarily all of these risk factors are discussed in this section below; these risk factors should be considered by investors considering any purchase of the Series 2021A Bonds. Neither the Underwriters nor the Authority has made any independent investigation of the extent to which any factors may have an adverse effect on the revenues of the Obligated Group.

Limited Obligations

The Series 2021A Bonds and the interest thereon are limited obligations of the Authority, payable solely from the funds pledged therefor, and not from any other fund or source of the Authority, and are secured under the Bond Indenture and the Master Indenture as described herein.

The Series 2021A Bonds and the premium, if any, and the interest thereon shall not be deemed to constitute a debt or a pledge of faith and credit of the Commonwealth of Virginia or any political subdivision thereof, including the Authority and James City County, Virginia. Neither the Commonwealth of Virginia nor any political subdivision thereof, including the Authority and James City County, Virginia, shall be obligated to pay the principal of or premium, if any, or interest on the Series 2021A Bonds or other costs incident thereto except from the revenues and receipts pledged therefor. Neither the faith and credit nor the taxing power of the Commonwealth of Virginia or any political subdivision thereof, including the Authority and James City County, Virginia, is pledged to the payment of the principal of or premium, if any, or interest on the Series 2021A Bonds or other costs incident thereto.

The Series 2021A Bonds are limited obligations of the Authority and have the following sources of payment:

(1) ***Loan payments received by the Bond Trustee from WindsorMeade pursuant to the terms of the Loan Agreement and the Series 2021A Obligation.*** The Authority has no obligation to pay the Series 2021A Bonds except from loan payments derived from WindsorMeade pursuant to the Loan Agreement and the Series 2021A Obligation. The Series 2021A Bonds and the interest thereon are limited obligations of the Authority as described above under "Limited Obligations." Under the Loan Agreement and the Series 2021A Obligation, which the Authority will assign to the Bond Trustee (excluding the Unassigned Rights), WindsorMeade will be required to make loan payments directly to the Bond Trustee in amounts sufficient to enable the Bond Trustee to pay the principal of, premium, if any, and interest on the Series 2021A Bonds. Such loan payments are, however, anticipated to be derived solely from operation of the Community and investment earnings. Profitable operation of

the Community depends in large part on achieving and maintaining certain occupancy levels throughout the term of the Series 2021A Bonds. However, no assurance can be made that the revenues derived from the operation of the Community will be realized by WindsorMeade in the amounts necessary, after payment of operating expenses of the Community, to pay maturing principal of, premium, if any, and interest on the Series 2021A Bonds.

(2) ***Revenues received from operation of the Community by a receiver upon a default under the Master Indenture.*** Attempts to have a receiver appointed to take charge of properties pledged to secure loans are frequently met with defensive measures such as the initiation of protracted litigation and/or the initiation of bankruptcy proceedings, and such defensive measures can prevent the appointment of a receiver or greatly increase the expense and time involved in having a receiver appointed. Prospects for uninterrupted payment of principal and interest on the Series 2021A Bonds in accordance with their terms are largely dependent upon the source described in (1) above, which is wholly dependent upon the success of WindsorMeade in operating the Community in a profitable manner.

(3) ***Proceeds realized from the sale or lease of the Community to a third party by the Master Trustee.*** Attempts to sell or foreclose on commercial property or otherwise realize upon security for obligations may be met with defensive measures such as protracted litigation and/or bankruptcy proceedings, and such defensive measures can greatly increase the expense and time involved in achieving such foreclosure or other realization. Only Community is pledged to secure the Series 2021A Obligation and the other Obligations under the Master Indenture. In addition, the Master Trustee could experience difficulty in selling or leasing the Community upon foreclosure or sale due to the special-purpose nature of a continuing care retirement facility and the proceeds of such sale may not be sufficient to fully pay the owners of the Series 2021A Bonds and the other holders of Obligations.

The best prospects for uninterrupted payment of principal and interest on the Series 2021A Bonds in accordance with their terms is the source described in (1) above, which is wholly dependent upon the success of WindsorMeade in operating the Community in a profitable manner. Even if the Community is operating profitably, other factors could affect WindsorMeade's ability to make loan payments under the Loan Agreement and the Series 2021A Obligation.

The Mortgaged Premises

WindsorMeade has executed the Deed of Trust encumbering the WindsorMeade campus to secure its obligations pursuant to the Master Indenture. The WindsorMeade campus and all facilities subsequently subjected to such lien are referred to herein as the "Mortgaged Premises." Similar deeds of trust may be executed and delivered under certain circumstances involving Additional Indebtedness or admission of any new Obligated Group Members. In the event that there is a default under the Master Indenture, the Master Trustee has the right to foreclose on or sell the Mortgaged Premises under certain circumstances.

Simultaneously with the delivery of the Series 2021A Bonds, the Obligated Group will deliver to the Master Trustee a mortgagee title insurance policy on the Mortgaged Premises in an aggregate amount equal to the aggregate amount of the Obligations secured thereby. There has been no survey of the mortgaged premises since the time at which the Series 2017C Bonds were issued, and the mortgagee title insurance policy may contain an exception for matters that a current survey would disclose. A current survey could reveal encumbrances which may adversely affect the value realized at foreclosure.

All amounts collected upon sale of the Mortgaged Premises pursuant to the Deed of Trust will be used to pay certain costs and expenses incurred by, or otherwise related to, the sale of the Mortgaged Premises and the performance of the Master Trustee under the Deed of Trust, and then to pay amounts owing under the Master Indenture in accordance with the provisions of the Master Indenture. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

In the event that the power of sale under the Deed of Trust is actually exercised, then, in addition to the customary costs and expenses of operating and maintaining the Mortgaged Premises, the party or parties succeeding to the interest of WindsorMeade in the Mortgaged Premises (including the Master Trustee, if such party was to acquire the interest of WindsorMeade in the Mortgaged Premises) could be required to bear certain associated costs and expenses, which could include: the cost of complying with federal, state or other laws, ordinances and

regulations related to the removal or remediation of certain hazardous or toxic substances; the cost of complying with laws, ordinances and regulations related to health and safety, and the continued use and occupancy of the Mortgaged Premises, such as the Americans with Disabilities Act; and costs associated with the potential reconstruction or repair of the Mortgaged Premises in the event of any casualty or condemnation.

In case of any sale under the Deed of Trust, by virtue of judicial proceedings or otherwise, the Mortgaged Premises may be sold as an entirety or in parcels, by one sale or by several sales, as may be deemed by the trustees to be appropriate and without regard to any right of WindsorMeade or any other person to the marshalling of assets (provided that all rights of residents under their respective residence and care or other occupancy agreements continue in full force and effect and that the beneficiary under the Deed of Trust and any purchaser accept and perform all of WindsorMeade's obligations under such residence and care or other occupancy agreements).

The Mortgaged Premises is not comprised of general purpose buildings and generally would not be suitable for industrial or commercial use. Additionally, parts of the Mortgaged Premises require a license from the Commonwealth of Virginia to operate. The Mortgaged Premises is intended to be used as an independent living facility for seniors and other types of senior living, such as assisted living, nursing care and health care services. Consequently, it would be difficult to find a buyer or lessee for the Mortgaged Premises, and, upon any default, the Master Trustee may not realize the amount of the outstanding Series 2021A Obligation and other Obligations secured thereby from the sale or lease of the Mortgaged Premises in the event of foreclosure.

Any valuation of the Mortgaged Premises is based on future projections of income, expenses, capitalization rates, and the availability of a partial or total property tax exemption. Additionally, the value of the Mortgaged Premises will at all times be dependent upon many factors beyond the control of WindsorMeade, such as changes in general and local economic conditions, changes in the supply of or demand for competing properties in the same locality, and changes in real estate and zoning laws or other regulatory restrictions. A material change in any of these factors could materially change the value of the Mortgaged Premises. Any weakened market condition may also depress the value of the Mortgaged Premises. Any reduction in the market value of the Mortgaged Premises could adversely affect the security available to the owners of the Series 2021A Bonds. There is no assurance that the amount available upon foreclosure or sale of the Mortgaged Premises after the payment of costs will be sufficient to pay the amounts owing by WindsorMeade on the Series 2021A Obligation and the other Obligations secured thereby.

In the event of sale, a prospective purchaser of the Mortgaged Premises may assign less value to the Mortgaged Premises than the value of the Mortgaged Premises while owned by WindsorMeade since such purchaser may not enjoy the favorable financing rates associated with the Series 2021A Bonds and other benefits. To the extent that buyers whose income is not tax-exempt may be willing to pay less for the Mortgaged Premises than nonprofit buyers, then the resale of the Mortgaged Premises after foreclosure or sale may require more time to solicit nonprofit buyers interested in assuming the financing now applicable to the Mortgaged Premises. In addition, there can be no assurance that the Mortgaged Premises could be sold at one hundred percent (100%) of its fair market value in the event of foreclosure or sale. Although the Master Trustee will have available the remedy of public sale under the Deed of Trust in the event of a default (after giving effect to any applicable grace periods, and subject to any legal rights which may operate to delay or stay such sale, such as may be applicable in the event of WindsorMeade's bankruptcy), there are substantial risks that the exercise of such a remedy will not result in recovery of sufficient funds to satisfy all WindsorMeade's obligations.

Limited Value at Foreclosure

The Mortgaged Premises have been specifically constructed for skilled nursing, personal care and senior independent living purposes. The number of entities that could be expected to purchase the Mortgaged Premises at a foreclosure sale is limited, and thus the ability of the Master Trustee to realize funds from the sale of the Mortgaged Premises for any use except as a nursing, personal care and senior independent living facility, upon an event of default may be limited. Under State law, licenses to operate skilled nursing and personal care facility are not transferable. Accordingly, an entity purchasing the Mortgaged Premises at a foreclosure sale would need to obtain its own license to operate the nursing and personal care portion of the Mortgaged Premises.

Risks of Real Estate Investment

Ownership and operation of real estate, such as The Mortgaged Premises, involves certain risks, including the risk of adverse changes in general economic and local conditions (such as the possible future oversupply and lagging demand for rental housing for the aged), adverse use of adjacent or neighboring real estate, initial and continued community acceptance of The Mortgaged Premises, increased competition from other senior living facilities, changes in the cost of operation of The Mortgaged Premises, difficulties or restrictions in WindsorMeade's ability to raise rents charged, damage caused by adverse weather, climate change and delays in repairing such damage, population decreases, uninsured losses, failure of residents to pay rent, operating deficits and mortgage foreclosure, lack of attractiveness of The Mortgaged Premises to residents, adverse changes in neighborhood values, and adverse changes in zoning laws, federal and local rent controls, other laws and regulations and real property tax rates. Such losses also include the possibility of fire or other casualty or condemnation. If The Mortgaged Premises, or any parts of The Mortgaged Premises, becomes uninhabitable during restoration after damage or destruction, the residence units or common areas affected may not be available during the period of restoration, which could adversely affect the ability of WindsorMeade to generate sufficient revenues to pay debt service on the Series 2021A Bonds.

Changes in general or local economic conditions and changes in interest rates and the availability of mortgage funding may render the sale or refinancing of The Mortgaged Premises difficult or unattractive. These conditions may have an adverse effect on the demand for the services provided by The Mortgaged Premises as well as the market price received for The Mortgaged Premises in the event of a sale or foreclosure of The Mortgaged Premises. Many other factors may adversely affect the operation of The Mortgaged Premises and cannot be determined at this time.

Uncertainty of Full Occupancy and Entrance Fee Collection

Payment of the Series 2021A Bonds is dependent on the continuing ability of the Obligated Group to (i) fill those facilities that accept residents who purchase the right to live there by paying "entrance fees" ("Entrance Fees"), (ii) collect new Entrance Fees from residents occupying apartment and cottage units vacated by deceased residents, residents permanently transferred to assisted living or nursing care facilities operated by the Obligated Group or residents leaving such facilities for other reasons, and (iii) keep the Obligated Group Facilities substantially occupied by residents who can pay the full amount of the Entrance Fees and/or monthly service fees. See **"THE COMMUNITY"** in **Appendix A** for a description of the Obligated Group Facilities that receive Entrance Fees. See also **THE FINANCIAL FEASIBILITY STUDY** in **Appendix C** for a Summary of Revenue and Entrance Fee Assumptions.

Management assumes that regular increases in both Entrance Fees and monthly service fees will be necessary to offset increasing costs due primarily to inflation. There can be no assurance that such increases can or will be made or that increases in expenses will be no greater than assumed. Also, since many of the residents may be living on fixed incomes or incomes that do not readily change in response to changes in economic conditions, there can be no assurance that any such fee increases can be paid by residents or that such increases will not adversely affect the utilization of the Obligated Group Facilities. While WindsorMeade can accept new residents unable to pay in full the Entrance Fees and monthly service fees, it intends to do so only to the extent of available fellowship funds to pay their expenses. Residents are generally financially qualified prior to admission. Residents who unexpectedly become unable to make their monthly payments through no fault of their own are generally allowed to remain residents, even though the costs of caring for them could have an adverse effect on the financial condition of WindsorMeade. As a charitable tax-exempt organization, WindsorMeade may be unable or unwilling to require residents who lack adequate financial resources to leave the Community. In the future, the Obligated Group could possibly be required to accept residents unable to pay all fees or be required to provide services to a certain number of indigent persons unable to pay any fees, in order to maintain its tax exempt status. See **"Financial Assistance; Obligation to Residents"** below.

In addition, the number of persons who can afford payment of the substantial Entrance Fees and monthly service fees may be affected by general economic conditions. In particular, a depressed housing market may prevent prospective residents from selling their homes and generating cash to pay Entrance Fees.

Prior to the occurrence of an Event of Default, Entrance Fees on deposit in the Entrance Fee Account of the Master Indenture will be applied on a quarterly basis to prepay the Series 2021B Bond. See “**Application of Initial Entrance Fees**” above.

The Entrance Fees and monthly fees for the Obligated Group Facilities are described in “**THE COMMUNITY**” in **Appendix A**. As set forth therein, the Obligated Group has set such fees based on, among other things, anticipated revenue needs and analysis of the market areas. If actual operating experience is substantially different from that anticipated, the revenues of the Obligated Group could be less than needed.

The ability of the Obligated Group to generate income to pay the Series 2021A Bonds will be affected by its ability to attract and retain residents who can afford to pay the Entrance Fees and the monthly service fees associated with the Obligated Group Facilities. Other residential care facilities have demonstrated a wide variety of factors that can adversely affect occupancy.

Competition

The Community is located in an area where other continuing care retirement facilities and other competitive facilities exist or may be developed. The Community may also face additional competition in the future as a result of changing demographic conditions and the construction of new, or the renovation or expansion of existing, continuing care facilities in the geographic area served by the Community. WindsorMeade will also face competition from other forms of retirement living including condominiums, apartment buildings and facilities not specifically designed for the elderly, some of which may be designed to offer similar facilities, but not necessarily similar services, at lower prices. In addition, there are few entry barriers to future competitors because competing facilities generally do not require a certificate of need approval for residential living facilities. All of these factors combine to make the elderly housing industry volatile and subject to material change that cannot be currently predicted. See “**THE COMMUNITY**” in **Appendix A**.

Potential Refund of Entrance Fees

The Community offers a refundable entrance fee. Under certain circumstances, WindsorMeade is obligated to refund all or a portion of a resident’s entrance fee upon the resident’s departure from the Community; however, as of this Official Statement approximately ____% of the contracts entered into by current residents at the Community are Standard Declining Refund. See “**THE COMMUNITY**” – **Fee Schedules** in **Appendix A** hereto for a description of “Standard Declining Refund”) or Direct Admit to Health Care, which do not require payment of an Entrance Fee.

Caution Regarding Forward-Looking Statements

When used in this Official Statement and in any continuing disclosure by the Obligated Group, in the Obligated Group’s press releases and in oral statements made with the approval of an authorized representative of the Obligated Group, the words or phrases “will likely result,” “are expected to,” “will continue,” “is anticipated,” “estimate,” “project” or similar expressions are intended to identify “forward looking statements.” Such statements are subject to certain risks and uncertainties that could cause actual results to differ materially from those presently anticipated or projected. The Obligated Group cautions readers not to place undue reliance on any such forward-looking statements. The Obligated Group advises readers that certain factors could affect the financial performance of the Obligated Group and could cause the actual results of the Obligated Group for future periods to differ materially from any opinions or statements expressed with respect to future periods in any current statements.

COVID-19 and Future Pandemics or any Future Similar Related or Unrelated Disease Outbreaks

The COVID-19 pandemic, together with public and private sector responses to the virus, has affected, and is expected to continue to affect for the foreseeable future, normal economic operations worldwide, including in Virginia. Although the full impact of COVID-19 on the Obligated Group’s operations or its future operating revenues and expenses cannot be fully predicted at this time, the COVID-19 situation had, and may continue to have, an impact on the Obligated Group’s finances and operations. Further, the Obligated Group’s business and financial results may be affected by a similar related or unrelated international, national, or localized outbreak of a highly contagious disease, epidemic, or pandemic. While most residents and staff at the

Communities have been vaccinated against COVID-19, an outbreak of COVID-19 or another international, national, or localized outbreak of highly contagious disease, epidemic, or pandemic could result in decreased occupancy, temporary shutdown or diversion of residents, direct or indirect liability, increased costs, staffing shortages, marketing and branding concerns and other adverse impacts on the Obligated Group. For specific information on the Obligated Group's response to the COVID-19 pandemic, including its efforts to comply with guidelines of the Centers for Disease Control and Prevention, Centers for Medicaid and Medicare Services and the Commonwealth of Virginia, and the impact of the COVID-19 pandemic on the Obligated Group's finances, see "**COVID-19 PANDEMIC**" in Appendix A hereto.

Further, the COVID-19 pandemic has altered the behavior of businesses and people in a manner that is having substantial negative effects on local, regional and global economies. Stock markets in the U.S. and globally have recently seen significant volatility attributed to COVID-19 concerns. The continued spread of COVID-19 or any other similar international, national, or localized outbreaks of contagious diseases in the future may materially adversely impact global, national, state and local economies and, accordingly, may materially adversely impact the financial condition of the Obligated Group.

Utilization Demand

Several factors could, if implemented, affect demand for services provided at the Community including: (i) efforts by insurers and governmental agencies to reduce utilization of skilled nursing home and long-term care facilities by such means as preventive medicine and home health care programs; (ii) advances in scientific and medical technology; (iii) a decline in the population, a change in the age composition of the population or a decline in the economic conditions of the service area for the Community; and (iv) increased or more effective competition from retirement communities and long-term care facilities now or hereafter located in the service area of the Community.

Impact of Market Turmoil

The economic turmoil of the past few years has had and may continue to have negative repercussions upon the United States and global economies. To date, this turmoil has particularly impacted the financial sector, prompting a number of banks and other financial institutions to seek additional capital, to merge and, in some cases, to cease operations. These events collectively have led to a scarcity of credit, lack of confidence in the financial sector, volatility in the financial markets, fluctuations in interest rates, reduced economic activity, increased business failures and increased consumer and business bankruptcies. Current market conditions have affected investment earnings and values and could adversely affect the value of the Obligated Group's investments and those of prospective residents, as well as future investment earnings. Further, sales of residential real estate have been negatively impacted. As a result, prospective residents of the Community may encounter difficulty in liquidating investments and selling homes in order to raise necessary cash to pay their Entrance Fees and monthly service fees ("Monthly Fees"). As investor confidence has waned, investments previously recognized as stable, such as tax-exempt money market funds (which are one of the largest purchasers of tax-exempt bonds), have at times experienced significant withdrawals. This could affect the market and demand for the Series 2021A Bonds.

Sale of Homes

It is anticipated that many prospective residents of the Community will be required to sell their current homes to pay the Entrance Fee prior to occupancy or to meet other financial obligations under their residence agreements (the "Residence and Care Agreements"). Housing prices have declined nationally and in many areas longer time periods have been needed for homeowners to sell their homes. If prospective residents encounter difficulties in selling their current homes due to local or national economic conditions affecting the sale and finance of residential real estate, such prospective residents may not have sufficient funds to pay the Entrance Fee or to meet other obligations under their Residence and Care Agreements, thereby causing a delay in remarketing of vacated independent living units, which would have an adverse impact on the revenues of WindsorMeade.

Nature of Income of the Elderly

A large percentage of the monthly income of some residents of the Community is fixed income derived from pensions and social security. If, due to inflation or otherwise, substantial increases in Monthly Fees are

required to cover increases in operating costs, nursing care costs, wages, benefits and other expenses, residents may have difficulty paying or may be unable to pay such increased Monthly Fees. WindsorMeade's actuary conducts a financial analysis of each potential resident before a Residence and Care Agreement is executed to determine the likely ability of the resident to meet the financial obligations to WindsorMeade; however, no assurance may be given that future events, including life expectancy, will not result in residents encountering difficulty in paying Monthly Fees.

Financial Assistance

WindsorMeade may assist residents financially who become unable to pay monthly service and other fees of WindsorMeade by reason of circumstances beyond their control through its Samaritan Fund. See **"BENEVOLENT CARE"** in **Appendix A** hereto. The increased cost of care resulting from cost increases generally and financial assistance to a significant number of residents could adversely affect the financial condition of WindsorMeade.

State Regulation; Rights and Activities of Residents

The Virginia Continuing Care Provider Registration and Disclosure Act (the "Statute") requires WindsorMeade to provide to the Commonwealth of Virginia and each resident a detailed disclosure statement and requires the escrowing of deposits of Entrance Fees. The Statute also regulates the form of residency agreements and establishes certain rights of residents, including the right to organize, to obtain refunds under certain circumstances and not to have residency agreements cancelled except for good cause. The Statute gives the State Corporation Commission of Virginia power to promulgate regulations and issue injunctions and cease-and-desist orders. WindsorMeade's management believes that it is in compliance with the Statute and that continued compliance will not materially affect its operations, but there is no certainty that the Statute and the regulations promulgated under the Statute will not adversely affect operations of the Community or the financial condition of WindsorMeade.

Future expansion at the Community, especially related to nursing care beds, could require a Certificate of Public Need (COPN) approval, which can be a time-consuming and expensive process with no guarantee of success. The inability of WindsorMeade to obtain future COPNs or other governmental approvals to undertake additional Projects necessary to remain competitive, both as to rates and charges as well as quality and scope of care, could adversely affect the operations of WindsorMeade and its ability to attract residents.

The enactment of additional legislation restricting or regulating the operation of residential care facilities, creating additional residents' rights, including the right to representation on WindsorMeade's Board of Directors or requiring certain financial reserves, could adversely affect the financial condition of WindsorMeade and may limit the terms and enforceability of and remedies under residency agreements. In addition, the ability of the Master Trustee to foreclose its lien on the Mortgaged Premises or enforce other rights and remedies under the Financing Instruments may be adversely affected by litigation on behalf of residents. Although under the current residency agreement, residents have no special lien or claim against any property of WindsorMeade, there can be no certainty that residents could not successfully claim or otherwise restrict the use of WindsorMeade's property in bankruptcy proceedings or other disputes. Although WindsorMeade expects to continue to use the continuing care concept of contracting with residents, it is under no obligation to do so.

A small number of residents at certain of the Community have brought and may continue to bring pressure in an attempt to influence WindsorMeade's operating and financial decisions. Such pressure has generally related to (1) balancing the tension between increasing services and amenities and keeping down costs of monthly fees and other charges, (2) undertaking additional Projects and other capital improvements at the Community and related indebtedness and (3) the mechanisms used to set resident fees, including both entrance fees and monthly fees. In the future, such pressure could also take the form of lobbying for additional legislative restrictions or for regulatory action by the State Corporation Commission. Management of WindsorMeade does not believe that any such pressure will affect WindsorMeade's ability to continue to make operating and financial decisions that are in the best interests of WindsorMeade and its residents.

Certificate of Public Need

Under the Virginia Medical Care Facilities Certificate of Public Need Law, the Obligated Group must obtain a Certificate of Public Need ("COPN") for any significant changes in its capacity to provide nursing bed services, for the addition of certain nursing bed services, or for certain capital expenditures for nursing bed services. WindsorMeade has a COPN for sixty (60) beds at Cedarfield. With respect to the Projects, the Obligated Group has registered with the Virginia Department of Health, Division of Certificate of Public Need and received a letter from the Director acknowledging that only registration is required due to the total estimated expenditure on the nursing bed portions of the Projects. Additional and supplemental registration may also be required. Although the Obligated Group does not foresee undertaking any other Projects requiring a COPN in the near future or that any increase in expenditures on the nursing bed portion of the Projects will take it above the registration amount requiring a new COPN, the COPN law generally may affect the Obligated Group's ability to undertake the Projects and other improvements to Cedarfield necessary to attract new residents.

Limitations on Enforceability of Remedies

The realization of any rights upon a default will depend upon the exercise of various remedies specified in the Bond Indenture, the Master Indenture, the Loan Agreement and the Deed of Trust. Any attempt by the Bond Trustee or Master Trustee to enforce such remedies may require judicial action, which is often subject to discretion and delay. Under existing law, certain of the legal and equitable remedies specified in the Bond Indenture, the Master Indenture, the Loan Agreement and the Deed of Trust may not be readily available.

Any default in the performance of most of the covenants set forth in the Bond Indenture, the Master Indenture, the Loan Agreement or the Deed of Trust would constitute an Event of Default only following notice and lapse of time, as further described in **Appendix D – Copies and Proposed Forms of the Financing Documents**. The Master Trustee may give such notice of a default under the Master Indenture at any time in its discretion, but is not required to give such notice without the request of the holders of at least 25% in aggregate principal amount of the Obligations outstanding under the Master Indenture. Events of Default specified by the Master Indenture are remediable through enforcement action taken by the Master Trustee in its discretion or at the request of the holders of not less than 25% in aggregate principal amount of the Obligations outstanding under the Master Indenture, subject to the right of the holders of a majority in aggregate principal amount of Obligations then outstanding to waive such Event of Default and otherwise direct all proceedings to be taken in connection with the enforcement of the terms and conditions of the Master Indenture or any other proceedings thereunder.

Upon issuance of the Series 2021A Bonds, the principal amount of the Series 2021A Obligation will constitute approximately 31% of all Obligations outstanding under the Master Indenture. The proportion of the principal amount of the Series 2021A Obligation to the principal amount of all Obligations at any time outstanding under the Master indenture is subject to change. The bank or trust company serving as Bond Trustee or Master Trustee may acquire other Obligations, either as holder for its own account or in a fiduciary capacity similar to that of the Master Trustee. In exercising its duties and discretion, the Master Trustee might exercise its rights under different Obligations differently, reducing such proportion that otherwise might have been sufficient for the Master Trustee to control enforcement proceedings under the Master Indenture. The Master Trustee and Bond Trustee may in certain circumstances have other conflicts of interest. Upon an acceleration of the Series 2021A Obligation with the other Obligations issued under the Master Indenture, after paying the expenses and other amounts due the Master Trustee, amounts available to pay the Obligations will be prorated among all holders of Obligations without preference or priority of principal or premium over interest or of interest over principal or premium, or of any Obligation over any other Obligation.

Organized Resident Activity

WindsorMeade may, from time to time, be subject to pressure from organized groups of residents seeking, among other things, to raise the level of services or to maintain the level of monthly service fees with respect to the Community or other charges without increase. Moreover, WindsorMeade may be subject to conflicting pressures from different groups of residents, some of whom may seek an increase in the level of services while others wish to hold down monthly service fees and other charges. No assurance can be given that WindsorMeade will be able satisfactorily to meet the needs of such resident groups.

Personnel

WindsorMeade employed approximately 748 full-time and part-time employees as of the date of this Official Statement. Management of WindsorMeade believes that its salary and benefits package is competitive with other comparable institutions in the respective areas in which WindsorMeade operates and that its employee relations are satisfactory. The health care industry has at times experienced a shortage of qualified health care personnel. WindsorMeade competes with other health care providers and with non-health care providers for both professional and nonprofessional employees. WindsorMeade, like many similar institutions, has experienced turnover with its personnel. However, while WindsorMeade has been able to retain the services of an adequate number of qualified personnel to staff its Community appropriately and maintain its standards of quality care, there can be no assurance that continued shortages will not in the future affect its ability to attract and maintain an adequate staff of qualified health care personnel. A lack of qualified personnel could result in significant increases in labor costs or otherwise adversely affect its operating results.

Nursing Shortage

The healthcare industry has experienced a shortage of nursing staff that has resulted in increased costs for healthcare providers due to the need to hire agency nursing personnel at higher rates. If a nursing shortage were to occur with WindsorMeade, it could possibly adversely affect WindsorMeade's operations or financial condition. WindsorMeade's management believes that it will be able to retain current personnel and hire any additional required staff, but the presence of other health care providers may make it difficult over time to attract and retain skilled personnel. If the Obligated Group is forced to employ temporary staff through employment agencies, its employment costs will be substantially increased.

Labor Union Activity

Certain residential care facilities are being subjected to increasing union organizational efforts. WindsorMeade is not presently a party to any collective bargaining agreements. There can be no assurance, however, that employees will not seek to establish collective bargaining agreements with WindsorMeade, and if so established, such collective bargaining agreements could result in significantly increased labor costs to WindsorMeade and have an adverse effect on the financial condition of WindsorMeade.

Increases of Medical Costs

The cost of providing healthcare services may increase due to many reasons, including increases in salaries paid to nurses and other healthcare personnel and shortages in such personnel that may require the use of employment agencies.

Malpractice Claims and Losses

The Obligated Group maintains professional and general liability insurance through Wells Fargo Insurance Services USA, Inc. The operations of the Obligated Group may be affected by increases in the incidence of malpractice lawsuits against elder care facilities and care providers in general and by increases in the dollar amount of client damage recoveries. These may result in increased insurance premiums and an increased difficulty in obtaining or renewing malpractice insurance. It is not possible at this time to determine either the extent to which malpractice coverage will continue to be available to the Obligated Group or the premiums at which such coverage can be obtained.

Insurance and Legal Proceedings

The provision of personal and health care services entails an inherent risk of liability. In recent years, participants in the senior living and health care services industry have become subject to an increasing number of lawsuits alleging negligence, malpractice or related legal theories, many of which involve large claims and result in the incurrence of significant defense costs. WindsorMeade carries insurance coverage in amounts deemed adequate by management and consistent with other comparable institutions. However, there can be no assurance that any current or future claims will not be covered by or exceed applicable insurance coverage. A claim against

WindsorMeade not covered by, or in excess of, WindsorMeade's insurance could have a material adverse effect upon WindsorMeade.

In addition, WindsorMeade's insurance policies must be renewed annually. Because the increased litigation in the retirement and nursing care business has resulted in increased insurance premiums and an increased difficulty in obtaining insurance at reasonable rates, there can be no assurance that insurance coverage will continue to be available to WindsorMeade at reasonable premiums, if at all.

In its role as an owner and operator of real properties, the Obligated Group may be subject to liability for investigating and remedying any hazardous substances that have come to be located on its real property, including any such substances that may have migrated off of its real property. In addition, WindsorMeade's operations include the handling, use, storage and disposal of hazardous, infectious and toxic materials and wastes. Such handling, use or release by WindsorMeade may produce risks of damage to individuals, property or the environment; interruption of operations or increased costs; legal liability, damages, injunctions or fines, or the triggering of investigations, administrative proceedings, penalties or other government agency actions. There can be no assurance that WindsorMeade will not encounter such risks in the future, and such risks may result in material adverse consequences to the operations or financial condition of WindsorMeade. WindsorMeade is not aware of any environmental liability with respect to any of its properties that it believes would have a material adverse effect on WindsorMeade's business, financial condition, or results of operations. WindsorMeade believes that its operations and Facilities are in compliance in all material respects with all federal, state, and local laws, ordinances, and regulations regarding hazardous or toxic substances or petroleum products.

WindsorMeade currently is not a party to any legal proceeding that its management believes would have a material adverse effect on its business, financial condition, or results of operations.

The Master Indenture requires WindsorMeade to carry certain insurance. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto. Uninsured claims and increases in insurance premiums could, to the extent not covered by increased revenues, adversely affect the financial condition of WindsorMeade.

Environmental Matters

Health care providers are subject to a wide variety of federal, state and local environmental and occupational health and safety laws and regulations which address, among other things, health care operations, facilities and properties owned or operated by health care providers. Among the type of regulatory requirements faced by health care providers are (a) air and water quality control requirements, (b) waste management requirements, including medical waste disposal, (c) specific regulatory requirements applicable to asbestos, polychlorinated biphenyls and radioactive substances, (d) requirements for providing notice to employees and members of the public about hazardous materials handled by or located at the clinics, (e) requirements for training employees in the proper handling and management of hazardous materials and wastes and (f) other requirements.

In its role as the owner and operator of properties or facilities, WindsorMeade may be subject to liability for investigating and remedying any hazardous substances that may have migrated off of its property. Typical health care operations include, but are not limited to, in various combinations, the handling, use, storage, transportation, disposal and discharge of hazardous, infectious, toxic, radioactive, flammable and other hazardous materials, wastes, pollutants or contaminants. As such, health care operations are particularly susceptible to the practical, financial and legal risks associated with compliance with such laws and regulations. Such risks may (a) result in damage to individuals, property or the environment, (b) interrupt operations and increase their cost, (c) result in legal liability, damages, injunctions or fines and (d) result in investigations, administrative proceedings, penalties or other governmental agency actions. There is no assurance that WindsorMeade will not encounter such risks in the future, and such risks may result in material adverse consequences to the operations or financial condition of WindsorMeade.

At the present time management of WindsorMeade is not aware of any pending or threatened claim, investigation or enforcement action regarding such environmental issues which, if determined adversely to WindsorMeade, would have a material adverse effect on its operations or financial condition.

Tax-Exempt Status of WindsorMeade

WindsorMeade has received a letter from the Internal Revenue Service (“IRS”) recognizing it as exempt from federal income taxes pursuant to Section 501(c)(3) of the Code of 1986, as amended (an “Exempt Organization”). In order to maintain such status, WindsorMeade will be required to conduct its operations in a manner consistent with representations it has previously made to the IRS and with current and future IRS regulations and rulings governing Exempt Organizations operating facilities for the residence and care of the elderly. In recent years, the IRS and members of Congress have expressed concern about the need for more restrictive rules governing Exempt Organizations generally and, in particular, the acceptance of low to moderate income residents by retirement communities in order to utilize tax-exempt financing. Loss of tax-exempt status would likely have a significant adverse effect on WindsorMeade and its operations and could result in the includability of interest on the Series 2021A Bonds in gross income for federal income tax purposes for holders of the Series 2021A Bonds retroactively to their date of issue. See **“TAX MATTERS”**. Although WindsorMeade has covenanted in the Loan Agreement to take all appropriate measures to maintain its tax-exempt status, compliance with current and future regulations and rulings of the IRS could adversely affect its ability to charge and collect revenues, finance or refinance indebtedness on a tax exempt basis or otherwise generate revenues necessary to provide for payment of the Series 2021A Bonds.

Market for Series 2021A Bonds; Absence of Rating

The Series 2021A Bonds have not received any credit rating by any securities rating agency. The absence of any such rating could adversely affect the ability of holders to sell the Series 2021A Bonds or the price at which the Series 2021A Bonds can be sold. Although the Underwriters for the Series 2021A Bonds intend to maintain a secondary market for the Series 2021A Bonds, they are under no obligation to do so.

Support of Related Organization

WindsorMeade is currently providing certain financial assistance to a related organization, Virginia United Methodist Homes of Williamsburg, Inc. (“WindsorMeade”), which owns and operates a retirement facility in James City County, near Williamsburg, Virginia. This assistance and related agreements are described in **“RELATIONSHIP WITH WINDSORMEADE AND HCRC”** in **Appendix A** to this Official Statement. WindsorMeade is the sole corporate member of WindsorMeade with the power to appoint its directors, but WindsorMeade has no legal responsibility for WindsorMeade’s debt or its obligations to its residents other than as discussed in **Appendix A**. WindsorMeade’s financial condition could be adversely affected by any decision by WindsorMeade to continue or expand its current support of WindsorMeade or to assist WindsorMeade in debt restructuring or other undertakings. In all cases, WindsorMeade’s assistance would be subject to the restrictions imposed by the Master Indenture, including limitations on guarantees, the disposition of assets, the incurrence of debt and the admission of other entities into the Obligated Group. These restrictions are described in **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto. **FOR A DISCUSSION OF CERTAIN FINANCIAL IMPLICATIONS OF THE RELATIONSHIP WITH WINDSORMEADE, SEE ALSO APPENDIX B “FINANCIAL STATEMENTS; ADDITIONAL FINANCIAL INFORMATION - Statement of Activities.”**

Additions and Changes in the Obligated Group

The Master Indenture allows WindsorMeade, in certain circumstances, to add members to the Obligated Group. Although any entity that becomes an Obligated Group Member is required to guarantee or to assume joint and several liability for the Master Obligations issued under the Master Indenture, the enforceability of the guaranty or assumption may be limited under the Federal Bankruptcy Code or the Virginia Uniform Voidable Transaction Act or similar laws affecting creditors’ rights if the Obligated Group Member was insolvent or undercapitalized at the time of (or became insolvent or undercapitalized by reason of) the guaranty or assumption and did not receive “reasonably equivalent value” for the guaranty or assumption.

When an entity becomes an Obligated Group Member, the allowable amount of debt which may be incurred under the Master Indenture by the Obligated Group Members may increase because the amount of such debt that the Obligated Group Members may incur is based on the historical or projected combined revenues of the Obligated Group Members. If an Obligated Group Member incurred additional debt based upon the revenues of another Obligated Group Member whose guaranty or assumption subsequently was held unenforceable, the interests of the

owners of the Series 2021A Bonds would be diluted, because all outstanding debt then must be paid from a diminished, legally accessible flow of revenues.

The security interest in Gross Revenues granted by the Obligated Group Members to the Master Trustee pursuant to the Master Indenture may be affected by various matters, including (i) federal bankruptcy laws which could, among other things, preclude enforceability of the security interest as to Gross Revenues arising subsequent to the commencement of bankruptcy proceedings and limit such enforceability as to Gross Revenues arising prior to such commencement, to the extent a security interest therein would constitute a voidable preference, (ii) rights of third parties in cash, securities and instruments not in possession of the Master Trustee, including accounts and general intangibles converted to cash, (iii) rights arising in favor of the United States of America or any agency thereof, (iv) present or future prohibitions against assignment in any federal statutes or regulations, (v) constructive trusts, equitable liens or other rights impressed or conferred by any state or federal court in the exercise of its equitable jurisdiction and rights of donors of property, (vi) claims that might obtain priority if continuation statements are not filed in accordance with applicable laws, (vii) the rights of holders of prior perfected security interest in equipment and other goods owned by the Obligated Group Members and in the proceeds of sale of such property, (viii) statutory liens, and (ix) the rights of parties secured by Permitted Liens (as defined in **Appendix D** hereto). If an event of default does occur, it is uncertain that the Master Trustee could successfully obtain an adequate remedy at law or in equity on behalf of the owners of the Series 2021A Bonds. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

Additional Indebtedness

The Master Indenture permits any Member of the Obligated Group to incur Additional Indebtedness, which may be equally and ratably secured with the Series 2021A Obligation. Any such additional parity indebtedness would be entitled to share ratably with the holders of the Series 2021A Obligation, as set forth in the Master Indenture, in any money realized from the exercise of remedies in the event of a default under the Master Indenture. The issuance of additional parity indebtedness could impair the ability of WindsorMeade to maintain its compliance with certain covenants described in the proposed form of Master Indenture in **Appendix D** hereto. There is no assurance that, despite compliance with the conditions upon which Additional Indebtedness may be incurred at the time such debt is created, the ability of WindsorMeade to make the necessary payments to repay the Series 2021A Obligation may not be materially adversely affected upon the incurrence of Additional Indebtedness. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

Risk of Early Redemption

Purchasers of the Series 2021A Bonds, including those who purchase Series 2021A Bonds at a price in excess of their principal amount or who hold such bonds trading at a price in excess of par, should consider the fact that the Series 2021A Bonds are subject to optional and mandatory redemption at a redemption price equal to their principal amount plus accrued interest upon the occurrence of certain events. This could occur, for example, in the event that the Series 2021A Bonds are prepaid as a result of a casualty or condemnation award affecting The Mortgaged Premises or there is a default under the Deed of Trust. See “**THE SERIES 2021A BONDS.**” Under such circumstances, a purchaser of the Series 2021A Bonds whose bonds are called for early redemption may not have the opportunity to hold such bonds for a time period consistent with such purchaser’s original investment intentions and may lose any premium paid for the Series 2021A Bonds.

Risk of Loss Upon Redemption

The rights of holders to receive interest on the Series 2021A Bonds will terminate on the date, if any, on which such Series 2021A Bonds are to be redeemed pursuant to a call for redemption, notice of which has been given under the terms of the Bond Indenture, and interest on such Series 2021A Bonds will no longer accrue on and after such date of redemption. There can be no assurance that WindsorMeade will be able or will be obligated to pay for any amounts not available under the Bond Indenture. In addition, there can be no guarantee that present provisions of the Code or the rules and regulations thereunder will not be adversely amended or modified, thereby rendering the interest earned on the Series 2021A Bonds taxable for federal income tax purposes. Interest earned on the principal amount of the Series 2021A Bonds may or may not be subject to state or local income taxes under applicable state or local tax laws. Each prospective purchaser of the Series 2021A Bonds should consult his or her own tax advisor regarding the taxable status of the Series 2021A Bonds in a particular state or local jurisdiction.

Bankruptcy

Although the security under the Deed of Trust and the lien on the Pledged Assets given for the benefit of holders of Obligations are superior to the claims of other creditors (subject to the limitations set forth in “**SECURITY FOR THE SERIES 2021A BONDS**”), bankruptcy and similar proceedings against WindsorMeade and usual equity principles may affect the enforcement of rights to such security. The filing by, or against, WindsorMeade or the Authority for relief under the United States Bankruptcy Code (the “Bankruptcy Code”) would have an adverse effect on the ability of the Master Trustee and holders of the Series 2021A Bonds to enforce their claim or claims to the security granted by the Master Indenture, and their claim or claims to money owed them as unsecured claimants, if any. The filing would operate as an automatic stay of the commencement or continuation of any judicial or other proceeding against WindsorMeade or the Authority, as applicable, and their respective property and as an automatic stay of any act or proceeding to enforce a lien against such property. Moreover, following such a filing the revenues and accounts receivable and other property of WindsorMeade or the Authority, as applicable, acquired after the filing (and under some conditions prior to the filing) would not be subject to the liens and security interests created under the Master Indenture. In addition, the bankruptcy court has the power to issue any order, process or judgment that is necessary or appropriate to carry out the provisions of the Bankruptcy Code; such a court order could require that the property of WindsorMeade or the Authority, as applicable, including the Gross Receipts of WindsorMeade and proceeds thereof, to be used for the benefit of WindsorMeade, despite the lien and security interest of the Master Trustee and the Deed of Trust therein.

The amount of the secured claim which could be filed by the Master Trustee on behalf of the holders of the Series 2021A Bonds would be limited to the value of the Pledged Assets and The Mortgaged Premises. This amount would likely be less than the principal amount of all Obligations including the Series 2021A Obligation, since the failure of The Mortgaged Premises to produce sufficient revenues to pay operating expenses and debt service requirements prior to the bankruptcy would reduce the value of The Mortgaged Premises. To the extent the amount owed with respect to the Series 2021A Obligation and any other Obligations exceeded the value of The Mortgaged Premises and the Pledged Assets as of the date of the valuation, the excess would be an unsecured claim which would rank on parity with the claims of unsecured general creditors of WindsorMeade. As a result, if The Mortgaged Premises was sold following commencement of a bankruptcy proceeding, it is unclear how much the holders of the Series 2021A Bonds would receive.

In a bankruptcy proceeding, the debtor could file a plan of reorganization which modifies the rights of creditors generally, or any class of creditors, secured or unsecured. The holders of the Series 2021A Bonds may only receive post-petition interest on the Series 2021A Bonds to the extent the value of their security exceeds their claim. The plan, when confirmed by the court, binds all creditors who had notice or knowledge of the plan and discharges all claims against the debtor provided for in the plan.

No plan may be confirmed unless, among other conditions, the plan is in the best interests of creditors, is feasible and has been accepted by each class of claims impaired thereunder. Each class of claims has accepted the plan if at least two-thirds in dollar amount and more than one-half in number of the allowed claims of the class that are voted with respect to the plan are cast in its favor. Even if the plan is not so accepted, it may be confirmed if the court finds that the plan is fair and equitable with respect to each class of non-accepting creditors impaired thereunder and does not discriminate unfairly in favor of junior creditors. More particularly, the Bankruptcy Code would permit the liquidation of WindsorMeade or the adoption of a reorganization plan for WindsorMeade or the Authority, as applicable, even though such plan had not been accepted by (1) the holders of a majority in aggregate principal amount of the Series 2021A Bonds, if the plan is “fair and equitable” and does not discriminate unfairly against the holders of the Series 2021A Bonds as a class and is in the “best interest of the creditors,” which may mean that the holders of the Series 2021A Bonds are provided with the benefit of their original lien or the “indubitable equivalent;” or (2) any holder of the Series 2021A Bonds if the holders of the Series 2021A Bonds, as a class, are deemed unimpaired under the plan.

In addition, if the bankruptcy court were to conclude that the holders of the Series 2021A Bonds have “adequate protection,” it may (1) substitute other security for the security subject to the lien of the Master Indenture or (2) subordinate the lien of the holders of the Series 2021A Bonds to persons who supply credit to WindsorMeade or the Authority, as applicable, after commencement of the case. In the event of the bankruptcy of WindsorMeade or the Authority, any amount realized by the Master Trustee or holders of the Series 2021A Bonds may depend on the bankruptcy court’s interpretation of “indubitable equivalent” and “adequate protection” under the existing

circumstances. Any transfers made to the holders of the Series 2021A Bonds or the Master Trustee at or prior to the commencement of the case may be avoided and recaptured if such transfers are (1) avoidable by a judicial lien creditor who obtained its lien on the date the case commenced (regardless of whether such a creditor actually exists), (2) preferential or fraudulent or (3) voidable under applicable law by any actual unsecured creditor. The holders of the Series 2021A Bonds may also be subject to avoidance and recapture of post-petition transfers, turnover of property of the debtor which they, the Master Trustee or a custodian hold and assumption, assignment or rejection of executory contracts.

Certain judicial decisions have cast doubt upon the right of a trustee, in the event of a health care facility's bankruptcy, to collect and retain for the benefit of holders of the Series 2021A Bonds portions of revenues consisting of Medicare and other governmental receivables.

Amendments to Documents

Certain amendments to the Master Indenture, the Bond Indenture, the Loan Agreement and the Deed of Trust may be made without notice to or the consent of the holders of the Series 2021A Bonds. Such amendments could affect the security for the Series 2021A Bonds. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

Certain Amendments to Bond Indenture and Master Indenture

In general, the Bond Indenture permits amendments to be made thereto (except for certain amendments that do not require Bondholder consent) only with the consent of the holders of a majority in aggregate principal amount of the Bonds of all series Outstanding affected by such amendment and not less than a majority in aggregate principal amount of all other Series 2021A Bonds so affected. The Bond Indenture further provides that without the consent of the owners of all Bonds at the time Outstanding nothing therein contained shall permit, or be construed as permitting, any of the following:

- (1) an extension of the maturity of the principal of or the interest on any Series 2021A Bond, or
- (2) a reduction in the principal amount of any Series 2021A Bond or the rate of interest thereon, or
- (3) an extension of time or a reduction in amount of any payment required by any sinking fund that may be applicable to any Series 2021A Bond, or
- (4) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or
- (5) a reduction in the aggregate principal amount of Series 2021A Bonds required for consent to such supplemental indenture, without the consent and approval of the holders of all of the Series 2021A Bonds then outstanding.

Notwithstanding the foregoing, the Bond Indenture provides that (i) during any period of time in which an Event of Default has occurred and is continuing, an amendment of the type described in clauses described in clauses (1), (2), (3), (4) or (5) above may be made with the consent of the Holders of at least eighty percent (80%) in aggregate principal amount of all Outstanding Series 2021A Bonds; provided, however, any such amendment shall not result in a change in preference or priority of any Series 2021A Bond over any other Series 2021A Bond and no such amendment described in clauses (1), (2), (3), (4) or (5) shall result in a disproportionate change, reduction or modification with respect to any Series 2021A Bonds.

This provision is intended to make it easier for WindsorMeade to restructure its indebtedness, including the Series 2021A Bonds, if an Event of Default has occurred, without having to file for bankruptcy under the federal Bankruptcy Code. In the absence of a provision such as this in the Bond Indenture, such a change in payment terms of the Series 2021A Bonds could only be made under a plan of reorganization approved by a Bankruptcy Court. The consent of the holders of 100% of the Series 2021A Bonds would be extremely difficult to obtain, and a bankruptcy filing would necessarily involve delay and expense which could affect the ability of WindsorMeade to

accomplish a successful reorganization. The eighty percent (80%) consent requirement would only be in effect if an Event of Default occurred and was continuing.

Prospective purchasers of the Series 2021A Bonds are advised that this provision means there is a risk that if an Event of Default occurs, there may be an amendment made to the Bond Indenture which affects the payment provisions of the Series 2021A Bonds such purchaser holds, the priority of payment of such Series 2021A Bonds or other matters described in clauses (1) through (5) above. This amendment may be made without the consent of such purchasers, if the holders of eighty percent (80%) in aggregate principal amount of the Series 2021A Bonds of the same maturity consent to such amendment, and the other conditions to such are met.

The Master Indenture contains a similar provision to that described above; provided, however, that the consent of all of the Holders of Obligation No. 1 is required for such changes and the consent of the Holders of at least eighty percent (80%) in aggregate principal amount of Obligation No. 6 and all future Obligations issued under the Master Indenture is required for such changes. See **Appendix D – Copies and Proposed Forms of Principal Financing Documents** hereto.

Certain Matters Relating to Enforceability of the Master Indenture

The obligations of the Obligated Group and any future Member of the Obligated Group under the Series 2021A Obligations will be limited to the same extent as the obligations of debtors typically are affected by bankruptcy, insolvency and the application of general principles of creditors' rights and as additionally described below.

The accounts of the Obligated Group and any future Member of the Obligated Group will be combined for financial reporting purposes and will be used in determining whether various covenants and tests contained in the Master Indenture (including tests relating to the incurrence of Additional Indebtedness) are met, notwithstanding the uncertainties as to the enforceability of certain obligations of the Obligated Group contained in the Master Indenture which bear on the availability of the assets and revenues of the Obligated Group to pay debt service on Master Obligations, including the Series 2021A Obligation pledged under the Master Indenture as security for the Series 2021A Bonds. The obligations described herein of the Obligated Group to make payments of debt service on Master Obligations issued under the Master Indenture (including transfers in connection with voluntary dissolution or liquidation) may not be enforceable to the extent (1) enforceability may be limited by applicable bankruptcy, moratorium, reorganization or similar laws affecting the enforcement of creditors' rights and by general equitable principles and (2) such payments (a) are requested with respect to payments on any Master Obligations issued by a Member other than the Member from which such payment is requested, issued for a purpose which is not consistent with the charitable purposes of the Member of the Obligated Group from which such payment is requested or issued for the benefit of a Member of the Obligated Group which is not a "governmental unit" within the meaning of Section 141 of the Code or any person organized under the laws of the United States of America, or any state thereof, that is an organization described in Section 501(c)(3) of the Code exempt from federal income taxation under Section 501(a) of the Code; (b) are requested to be made from any money or assets which are donor-restricted or which are subject to a direct or express trust which does not permit the use of such money or assets for such a payment; (c) would result in the cessation or discontinuation of any material portion of the health care or related services previously provided by the Member of the Obligated Group from which such payment is requested; or (d) are requested to be made pursuant to any loan violating applicable usury laws. The extent to which the assets of any future Member of the Obligated Group may fall within the categories (b) and (c) above with respect to the Series 2021A Obligation cannot now be determined. The amount of such assets which could fall within such categories could be substantial.

A Member of the Obligated Group may not be required to make any payment on any Obligation, or portion thereof, the proceeds of which were not loaned or otherwise disbursed to such Member of the Obligated Group to the extent that such payment would render such Member of the Obligated Group insolvent or which would conflict with or not be permitted by or which is subject to recovery for the benefit of other creditors of such Member of the Obligated Group under applicable laws. There is no clear precedent in the law as to whether such payments from a Member of the Obligated Group in order to pay debt service on the Series 2021A Obligation may be voided by a trustee in bankruptcy in the event of bankruptcy of a Member of the Obligated Group, or by third-party creditors in an action brought pursuant to Virginia fraudulent conveyance statutes. Under the Bankruptcy Code, a trustee in bankruptcy and, under Virginia fraudulent conveyance statutes and common law, a creditor of a related guarantor,

may avoid any obligation incurred by a related guarantor if, among other bases therefor, (1) the guarantor has not received fair consideration or reasonably equivalent value in exchange for the guaranty and (2) the guaranty renders the guarantor insolvent, as defined in the Bankruptcy Code or Virginia fraudulent conveyance statutes, or the guarantor is undercapitalized.

Application by courts of the tests of “insolvency,” “reasonably equivalent value” and “fair consideration” has resulted in a conflicting body of case law. It is possible that, in an action to force a Member of the Obligated Group to pay debt service on an Obligation for which it was not the direct beneficiary, a court might not enforce such a payment in the event it is determined that such Member is analogous to a guarantor of the debt of the Obligated Group who directly benefited from the borrowing and that sufficient consideration for such Member’s guaranty was not received and that the incurrence of such Obligation has rendered or will render the such Member insolvent.

Liquidation of Security May Not be Sufficient in the Event of a Default

The Bond Trustee and the Authority must look solely to the Mortgaged Premises, the Pledged Assets, and any funds held under the Bond Indenture and the Master Indenture to pay and satisfy the Series 2021A Bonds in accordance with their terms. The Bondholders are dependent upon the success of the Community and the value of the assets of WindsorMeade for the payment of the principal of, redemption price, if any, and interest on, the Series 2021A Bonds. WindsorMeade has not made any representations to Bondholders regarding the current market value of the Community. In the event of a default, the value of the Mortgaged Premises may be less than the amount of the outstanding Series 2021A Bonds, since The Mortgaged Premises exists for the narrow use as a continuing care retirement community. The special design features of a continuing care facility and the continuing rights of residents under continuing care and lease agreements may make it difficult to convert The Mortgaged Premises to other uses, which may have the effect of reducing its attractiveness to potential purchasers.

Availability of Remedies

The remedies available to the Bond Trustee, the Master Trustee and the owners of the Series 2021A Bonds upon an event of default under the Bond Indenture and the Master Indenture are in many respects dependent upon judicial actions that are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including, specifically, the United States Bankruptcy Code, the remedies provided in the Bond Indenture and the Master Indenture may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2021A Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principals of equity and by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors’ generally and laws relating to fraudulent conveyances.

Limitations on Security Interest in Pledged Assets and Other Collateral

The security interest in the Pledged Assets and the proceeds thereof will be perfected to the extent, and only to the extent, that such security interest may be perfected by filing financing statements under the Uniform Commercial Code of the Commonwealth of Virginia (the “UCC”). Continuation statements with respect to such filings must be filed periodically as required by law to continue the perfection of such security interest. To the extent that the security interest in such property cannot be perfected by filing a financing statement, the security interest therein may not be enforceable against third parties unless such collateral is transferred to the Master Trustee (which is required only upon the occurrence of an Event of Default under the Master Indenture). In such event, the Master Trustee may not be able to compel certain third-party payors to make payment directly to the Master Trustee. The enforcement of the security interest in such collateral may further be limited by the following: (a) statutory liens, (b) rights arising in favor of the United States of America or any agency thereof, (c) current or future prohibitions against assignment contained in any federal or State statutes or regulations, (d) constructive trusts, equitable liens or other rights impressed or conferred by any state or federal court in the exercise of its equitable jurisdiction and (e) federal bankruptcy laws, Commonwealth of Virginia receivership or fraudulent conveyance laws or similar laws affecting creditors’ rights that may affect the enforceability of the Master Indenture or the security interest in such collateral.

See also subsections “**Mortgage; Equipment**” and “**Pledged Assets**” in the section “**SECURITY FOR THE SERIES 2021A BONDS**” herein on limitations on security interest in the Pledged Assets and the Equipment.

Federal Health Care Laws and Regulations

The Obligated Group's independent living units are not currently subject to significant federal governmental regulation, other than laws and regulations applicable generally to developers and operators of residential real estate. For example, the Obligated Group must comply with the federal Fair Housing Act and Fair Housing Amendments Act of 1988, 42 U.S.C.A. §3601 et seq., as amended, (which among other things, prohibits discrimination in housing) and the Americans with Disabilities Act of 1990, 42 U.S.C.A. §12101 et seq., as amended (which mandates the elimination of discrimination against individuals with disabilities and imposes certain standards relating to the construction and/or renovation of certain buildings and structures). Compliance with such regulatory requirements can increase operating costs and thereby adversely affect the Obligated Group's financial results. Failure to comply with such requirements could also result in the imposition of various fines and other remedies.

Health Care Legislation

In the future, some The Mortgaged Premises's skilled nursing beds may be certified for participation in the Medicare program. Recently passed health care reform law at the federal level would impose certain expanded contracting requirements on participating long-term care facilities regarding coordination of care with hospitals and hospital systems going forward. In addition, legislation is periodically introduced in Congress and in the General Assembly of the Commonwealth of Virginia that could result in limitations on revenues, reimbursements or charges for health care facilities. At this time, no determination can be made as to whether such federal or state legislation will be enacted or, if enacted, its impact on the operations or financial condition of WindsorMeade or The Mortgaged Premises.

Health care is a dynamic area of law. Recent legislation, including the Patient Protection and Affordable Care Act and the Health Care and Education Affordability Reconciliation Act of 2010 (together referred to herein as the “Health Reform Act”) are complex and therefore additional legislation and regulations modifying or repealing portions of applicable healthcare laws are likely to be considered and enacted over time. These laws and regulations could affect how consumers pay for health care; how insurers determine eligibility for health insurance coverage; require increased costs for healthcare providers to meet regulatory requirements, including obligations related to the provision of care and services to residents; or the amount of reimbursement providers receive for their services. While the affect that any such changes would have on the Obligor’s operations and financial condition cannot be predicted with any certainty, they could be materially adverse.

Some of the specific provisions of the Health Reform Act that may affect the Obligor’s operations, financial performance or financial condition should The Mortgaged Premises elect to participate in Medicare in the future include the following (this listing is not, is not intended to be, nor should be considered to be comprehensive):

- With varying effective dates, the annual Medicare market basket updates for many providers, including skilled nursing, would be reduced, and adjustments to payment for expected productivity gains would be implemented.
- The Health Reform Act included the Communities Living Assistance Services and Supports (CLASS) Act, which attempted to create a national, voluntary, long-term care insurance program to supplement Medicaid and provide long term care insurance. The CLASS Act was repealed as part of the American Taxpayer Relief Act of 2012, signed by the President on January 2, 2013.
- With varying effective dates, the Health Reform Act mandates a reduction of waste, fraud and abuse in public programs by allowing provider enrollment screening, enhanced oversight periods for new providers and suppliers, and enrollment moratoria in areas identified as being at elevated risk of fraud in all public programs, and by requiring Medicare and Medicaid program providers and suppliers to establish compliance programs. The legislation requires the development of a database to capture and share healthcare provider data across federal healthcare programs and also provides for increased penalties for fraud and abuse violations, and increased funding for anti-fraud activities.

- A 15-member Independent Payment Advisory Board was established to develop proposals to improve the quality of care and limitations on Medicare cost increases. Those proposals would be automatically implemented if Congress does not act to invalidate them.

Budget Control Act. The Budget Control Act of 2011 (the “Budget Control Act”) originally limited the federal government’s discretionary spending caps at levels necessary to reduce expenditures by \$917 billion from the current federal budget baseline through fiscal year 2021. Medicare, Social Security, Medicaid and other entitlement programs were not affected by the limit on discretionary spending caps. Provisions of the Budget Control Act, as modified by the Taxpayer Relief Act of 2012, set in place a protocol for severe spending cuts (known as sequestration) resulting in an automatic 2% reduction in Medicare program payments for all healthcare providers effective March 27, 2013. The Consolidated and Further Continuing Appropriations Act of 2013, was subsequently enacted, providing funds for operation of the federal government through September 30, 2013 and off-setting some of the sequestration mandated reductions for federal fiscal year 2014. In December 2013, then-President Barack Obama signed the Bipartisan Budget Act of 2013 that increased the sequestration caps for federal fiscal years 2014 and 2015 by \$45 billion and \$18 billion, respectively, but extended the caps into 2023. On November 2, 2015, then-President Barack Obama signed into law the Bipartisan Budget Act of 2015, increasing the discretionary spending caps imposed by the Budget Control Act for fiscal years 2016 and 2017 and authorizing \$80 billion in increased spending over the two years. The Bipartisan Budget Act of 2015 also suspended the limit on the federal government’s debt until March 15, 2017. On March 16, 2017, the debt limit reset to account for all debt issued while it was suspended. On February 7, 2018, Congressional leaders reached a bipartisan agreement to fund the federal government through March 23, 2018. The agreement was approved by the House of Representatives and the Senate on February 9, 2018.

Bipartisan Budget Act of 2018. On February 7, 2018, Congressional leaders reached a bipartisan agreement to fund the federal government through March 23, 2018. The agreement was approved by the House of Representatives and the Senate on February 9, 2018. On February 9, 2018, President Trump signed the Bipartisan Budget Act of 2018 which raises caps on domestic spending by \$296 billion over the next two years and waives limits on federal borrowing until March 1, 2019. The act also includes health care policy changes impacting Medicare, Medicaid, and other federal health agencies, and addresses a number of key health funding issues.

Because Congress may make changes to the budget in the future, it is impossible to predict the impact any spending cuts that are approved may have on the Obligor’s operations and financial condition. Further, with no long-term resolution in place for federal deficit reduction, health care reimbursement is likely to continue to be a target for reductions with respect to any interim or long-term federal deficit reduction efforts. These and any additional reductions in Medicare spending could have a material adverse effect upon the financial condition and operations of WindsorMeade should it elect to participate in Medicare in the future.

In addition, other legislative proposals which could have an adverse effect on the Obligated Group include: (a) any changes in the taxation of non-profit corporations or in the scope of their exemption from income or property taxes; (b) limitations on the amount or availability of tax exempt financing for corporations recognized under Section 501(c)(3) of the Code; (c) regulatory limitations affecting the Obligated Group’s ability to undertake capital Projects or develop new services; and (d) a requirement that non-profit health care institutions pay real estate property tax and sales tax on the same basis as for-profit entities.

In late May 2018, Virginia lawmakers passed a budget that provides for Medicaid expansion starting in January 2019 coupled with authorization for the Virginia Department of Medical Assistance Services to apply for a Section 1115 waiver to authorize certain non-standard provisions in connection with accessing federal Medicaid expansion dollars, including work requirements for enrollees who are able-bodied, working age adults. The legislation also imposes numerous operating and reporting requirements on health care providers.

The discussion above (or as otherwise discussed herein) is not an exhaustive study of the laws and regulations which may apply to the Obligated Group and its operations. Other laws and regulations not set forth herein (or elsewhere herein) may also apply to the Obligated Group and its operations and may have an adverse impact thereon.

Third-Party Payments and Managed Care

General. In the environment of increasing managed care, the Obligated Group can expect additional challenges in maintaining its resident population and attendant revenues. Third-party payors, such as health maintenance organizations, direct their subscribers to providers who have agreed to accept discounted rates or reduced per diem charges. Continuing care retirement communities are less sensitive to this directed utilization than standalone skilled nursing facilities; however, the risk may increase and the Obligated Group may be required to accept residents under such conditions should managed care cost reduction measures now pervasive in the health care industry continue to grow.

The health care industry in general is subject to regulation by a number of federal, state and local governmental agencies. As a result, the industry is sensitive to legislative changes in such programs and is affected by reductions in governmental spending for such programs. Congress has in the past enacted a number of provisions that affect health care providers, and additional legislative changes can be expected. Previous legislative actions have included limitation of payments to nursing homes under the Medicare program. Additional legislation dealing with nursing home revenues could be introduced that, if enacted, might have an adverse impact upon the revenues of the Obligor.

Federal Health Care Laws and Regulations; Medicare [To be reviewed]

The Obligated Group's independent living units are not currently subject to significant federal governmental regulation, other than laws and regulations applicable generally to developers and operators of residential real estate. For example, the Obligated Group must comply with the federal Fair Housing Act and Fair Housing Amendments Act of 1988, 42 U.S.C.A. §3601 et seq., as amended, (which among other things, prohibits discrimination in housing) and the Americans with Disabilities Act of 1990, 42 U.S.C.A. §12101 et seq., as amended (which mandates the elimination of discrimination against individuals with disabilities and imposes certain standards relating to the construction and/or renovation of certain buildings and structures). Compliance with such regulatory requirements can increase operating costs and thereby adversely affect the Obligated Group's financial results. Failure to comply with such requirements could also result in the imposition of various fines and other remedies.

Skilled nursing facilities ("SNFs") that accept payment from Medicare are required to comply with federal laws that affect the rights of residents, including the Federal Nursing Home Reform Act and related regulations. In addition, state laws establish the rights and responsibilities of residents of nursing homes and assisted living facilities. Failure to comply with these laws can result in regulatory action, monetary fines, loss or restriction of licensure or certification, and other remedies. There is no certainty that compliance with the laws or regulatory actions under them will not adversely affect operation of the Community or the financial condition of the Obligated Group.

The health care industry in general is subject to regulation by a number of federal, state and local governmental agencies, including the Centers for Medicare and Medicaid Services ("CMS"). As a result, the industry is sensitive to legislative changes in such programs and is affected by reductions in governmental spending for such programs. Congress has in the past enacted a number of provisions that affect health care providers and additional legislative changes can be expected. Previous legislative actions have included limitation of payments to nursing homes under the Medicare program. Additional legislation dealing with nursing home revenues could be introduced that, if enacted, might have an adverse impact upon the revenues of the Community, should it elect to certify some of its beds in the future.

General. The Mortgaged Premises does not currently have any Medicare or Medicaid beds, though it may certify up to twenty (20) of its sixty (60) nursing care facility beds as Medicare beds upon completion of the Projects. Medicare is a federal insurance program that, among other things, provides reimbursement for nursing facility care in Medicare-certified facilities. Generally, a resident will qualify for Medicare reimbursement only if the resident's admission to the nursing home facility is immediately subsequent to the resident's three or more day stay at an acute care facility. Medicare reimbursement for nursing care is limited to a renewable 100-day period for each qualified resident. Medicare currently reimburses providers of nursing care through a Prospective Payment System that pays a per diem rate based on resident acuity. Actual payment rates are subject to change. The Medicare SNF prospective payment system uses a resource classification system known as Resource Utilization Groups Version 4 ("RUG-IV"), which assigns a patient to a RUG group to determine a daily payment rate. Each RUG group consists of case mix

indexes that reflect a patient's severity of illness and the services that a patient requires in the SNF. In a July 30, 2015 final rule, CMS projected an increase in payment rates to SNFs by 1.2 percent for Fiscal Year 2017. The rule also established a new quality reporting system for SNFs, as called for in the Improving Medicare Post-Acute Care Transformation of 2014, and established a SNF "all-cause, all-condition readmission measure" to be used in a new SNF value-based purchasing program. CMS projected that the rule would boost SNF payments by \$430 million in Fiscal Year 2017. CMS also projected in a July 29, 2017 final rule that aggregate payments to SNFs will increase in FY 2017 by \$920 million, or 2.4 percent, from payments in FY 2017.

Other future legislation, regulation or actions by the federal government are expected to continue the trend toward more limitations on reimbursement for long term care services. At present, no determination can be made concerning whether or in what form such legislation could be introduced and enacted into law. Similarly, the impact of future cost control programs and future regulations upon the Obligated Group's financial performance cannot be determined at this time. The current congressional discussions regarding decreasing the federal budget in connection with raising the federal debt decision may result in lowering Medicare payments to providers.

Medicare Reporting Requirements. Medicare regulations provide that all entities furnishing services for which payment may be made under Medicare are required to submit certain information to CMS. Persons who fail to submit the required information or who fail to report the information accurately and completely are subject to civil or criminal money penalties. As these requirements are numerous, technical and complex, there can be no assurance that the Obligated Group may not incur such penalties in the future. These penalties could have a material adverse effect on revenues of WindsorMeade and/or its ability to operate should it choose to participate.

Government Health Program Regulations Governing Fraud and Abuse and Certain Referrals. Federal and state health care fraud and abuse laws generally regulate services furnished to beneficiaries of federal and state (including Medicare) and private health insurance plans, and they impose penalties for improper billing and other abuses. Under these laws, health care providers may be punished for billing for services that were not provided, not medically necessary, provided by an improper person, accompanied by an illegal inducement to use or not use another service or product, or billed in a manner that does not comply with applicable government requirements. Violations of these laws are punishable by a range of criminal, civil and administrative sanctions. If the Obligated Group violates one of the fraud and abuse laws, among other possible sanctions, federal or state authorities could recover amounts paid, exclude the Obligated Group from participation in the Medicare program, impose civil monetary penalties, and suspend Medicare payments. The federal government (and individuals acting on its behalf) have brought many investigations, prosecutions and civil enforcement actions under the fraud and abuse laws in recent years. In some cases, the scope of the fraud and abuse laws are so broad that they may result in liability for business transactions that are traditional or commonplace in the health care industry.

There is an increasingly expanding and complex body of state and federal law, regulation and policy relating to relationships between providers of health care services to patients and potential referral sources such as, but not limited to, physicians. The federal and state illegal remuneration statutes and anti-kick-back statutes applicable to Medicare and all federal and state health care programs ("Government Programs") prohibits the offer, payment, solicitation, or receipt of any remuneration, directly or indirectly, covertly or overtly, in cash or in kind, for (1) the referral of patients, or arranging for the referral of patients, for the provision of items or services for which payment may be made under the Government Programs; or (2) the purchase, lease or order, or arranging for the purchase, lease or order, of any good, facility, service or item for which payment may be made under the Government Programs. A violation of the illegal remuneration statute constitutes a felony criminal offense, and applicable sanctions include imprisonment of up to five years, fines up to \$25,000 and exclusion from the Medicare program.

In addition to potential liability under State law related to the submission of a false record or statement in order to secure reimbursement, the federal Civil False Claims Act ("Civil FCA") prohibits anyone from knowingly submitting a false, fictitious or fraudulent claim to the federal government. Violation of the Civil FCA can result in civil money penalties and fines, including treble damages. Private individuals may initiate actions on behalf of the federal government in lawsuits called qui tam actions. The plaintiffs, or "whistleblowers," can recover significant amounts from the damages awarded to the government. In several cases, Civil FCA violations have been alleged solely on the existence of alleged kickback arrangements or violations of Section 1877 of the Social Security Act (commonly known as the "Stark Law"), even in the absence of evidence that false claims had been submitted as a result of those arrangements. The Patient Protection and Affordable Care Act ("PPACA") creates Civil FCA liability

for knowingly failing to report and return an overpayment within a specified time. The federal criminal False Claims Act ("Criminal FCA") prohibits the knowing and willful making of a false statement or misrepresentation of a material fact in submitting a claim to the government. Sanctions for violation of the Criminal FCA include imprisonment, fines, and exclusions.

The Civil Monetary Penalties Law in part authorizes the government to impose money penalties against individuals and entities committing a variety of acts. For example, penalties may be imposed for the knowing presentation of claims that are (i) incorrectly coded for payment, (ii) for services that are known to be medically unnecessary, (iii) for services furnished by an excluded party, or (iv) otherwise false. An entity that offers remuneration to an individual that the entity knows is likely to induce the individual to receive care from a particular provider may also be fined. Moreover, the Obligated Group may not knowingly make a payment, directly or indirectly, to a physician as an inducement to reduce or limit services to Medicare patients under the physician's direct care. The Health Reform Act amended the Civil Monetary Penalties Law to authorize civil monetary penalties for a number of additional activities, including (i) knowingly making or using a false record or statement material to a false or fraudulent claim for payment; (ii) failing to grant the Office of Inspector General timely access for audits, investigations or evaluations; and (iii) failing to report and return a known overpayment within statutory time limits. Violations of the Civil Monetary Penalties Law can result in substantial civil money penalties plus three times the amount claimed.

In addition to the anti-kickback and illegal remuneration statutes, the Stark Law imposes certain restrictions upon referring physicians and providers of certain designated health services, including long term care services, under the Medicare program. Subject to certain exceptions, the Federal Stark Law and similar State laws provide that if a physician (or a family member of a physician) has a financial relationship with an entity (i) the physician may not make a referral to the entity for the furnishing of designated health services reimbursable under the Federal healthcare programs, and (ii) the entity may not bill for designated health services furnished pursuant to a prohibited referral. Entities and physicians committing an act in violation of the Stark Law are subject to civil money penalties and exclusion from the Medicare program. Mandated by the Health Reform Act, the recently published Medicare self-referral disclosure protocol ("SRDP") is intended to allow providers to self-disclose actual or potential violations of the Stark Law. The Health Reform Act provides for discretion to reduce penalties for providers submitting an SRDP. As a result of the scarcity of case law interpreting the Stark Law, there can be no assurance that the Obligated Group will not be found in violation of the Stark Law or that self-disclosure of a potential violation would result in reduced penalties for the Obligated Group. The precise impact on the Obligated Group of any of the foregoing violations and corresponding sanctions cannot be predicted at this time, but would be negative if any such sanction is imposed.

Sanctions could be applied in many situations where skilled nursing facilities participate in joint ventures with entities that may be in a position to make referrals or to which skilled nursing facilities may be in a position to make referrals, enter into personal service and management contracts, enter into space and equipment rental agreements, waive co-payments and deductibles, etc. Such sanctions could result in a material adverse effect on the financial position of the Obligated Group, exclusion from government programs, loss of license or disciplinary action by licensing agencies, and/or substantial civil monetary penalties.

Management of the Obligated Group does not believe that it is involved in activities that pose a significant risk of sanctions under these referral laws. However, there can be no assurance that such challenge or investigation will not occur in the future.

Audits. Most health care providers are audited for compliance with the requirements for participation in the Medicare program. If WindsorMeade elects to participate in Medicare and if audits discover alleged overpayments, the Obligated Group could be required to pay a substantial rebate of prior payments. The federal government contracts with Recovery Audit Programs (RACs) on a contingent fee basis, to audit the propriety of payments to Medicare providers. The Obligated Group has not received claims or been a party to settlement negotiations outside of the routine audit processes. Nevertheless, ultimate liability could exceed reserves, and any excess could be substantial. Medicare regulations also provide for withholding payment in certain circumstances, which could adversely affect the Obligated Group's cash flow should it decide to participate in Medicare.

Future Healthcare and Regulatory Risks

The Obligated Group is and will continue to be subject to certain governmental regulations. Participants in the healthcare industry are subject to significant regulatory requirements of federal, state and local governmental agencies and independent professional organizations and accrediting bodies, technological advances and changes in treatment modes, various competitive factors and changes in third party reimbursement programs. In addition, the operations of the healthcare industry have been subject to increasing scrutiny by federal, state and local governmental agencies. In response to perceived abuses and actual violations of the terms of existing federal, state and local healthcare payment programs, such agencies have increased their audit and enforcement activities, and federal and state legislation has been considered or enacted, providing for civil and criminal penalties against certain activities.

Bills proposing to regulate or control, in some manner, health care costs and revenues and a number of proposals for a national health insurance program are regularly submitted to Congress. There are wide variations among these proposals and the effect on the health care industry and the Obligated Group cannot be determined. There can be no assurance that the implementation of any such bill or proposal or any future bill or proposal, or the implementation by the federal or state administrative bodies of cost containment or revenue control programs, would not adversely affect the revenues of the Community, and thus the revenues of the Obligated Group.

In the environment of increasing managed care, the Obligated Group can expect additional challenges in maintaining its resident population and attendant revenues. Third-party payors, such as health maintenance organizations, direct their subscribers to providers who have agreed to accept discounted rates or reduced per diem charges. Continuing care retirement communities are less sensitive to this directed utilization than stand-alone skilled nursing facilities; however, the risk may increase and the Obligated Group may be required to accept residents under such conditions should managed care cost reduction measures now pervasive in the health care industry continue to grow.

Uncertainty of Investment Income

A portion of WindsorMeade's revenues available to pay debt service is expected to come from investment income and net realized gains on the investment of available funds. The amount of such interest earnings and gains will fluctuate with changes in prevailing interest rates and financial market conditions. Investment earnings were approximately _____ WindsorMeade's operating income for the fiscal year ended May 31, 2020.

Cybersecurity

Like many organizations, the Obligated Group is highly dependent on digital technologies. These systems necessarily hold large quantities of highly sensitive protected health information that is highly valued on the black market for such information. As a result, the electronic systems and networks of organizations like the Obligated Group are considered likely targets for cyber-attacks and other potential breaches of their systems. In addition to regulatory fines and penalties, the healthcare entities subject to the breaches may be liable for the costs of remediating the breaches, damages to individuals whose information has been breached, reputational damage and business loss, and damage to the information technology infrastructure. The Obligated Group has taken, and continues to take, measures to protect its information technology system against such cyber-attacks, but there can be no assurance that the Obligated Group will not experience a significant breach. If such a breach occurs, the financial consequences of such a breach could have a materially adverse impact on the Obligated Group.

Bank Debt [More information needed to complete]

After the issuance of the Series 2021A Bonds, the Series 2021B Bond, the Series 2023 Bond and the Taxable Loan, the Obligated Group will have approximately \$ _____ in outstanding privately held debt, which represents approximately ____% of its total outstanding debt. [Any CCA provisions need to mentioned?]

Risks Specific to Bank Debt. In addition to the Series 2021B Bond, the Series 2023 Bonds and the 2021 Taxable Loan, the Obligated Group may incur additional debt in the future, through private placements with one or more financial institutions (each, "Bank Debt"). The terms of each Bank Debt will likely be negotiated separately

and could create certain risks that could negatively affect the Obligated Group's ability to make the payments on the 2021 Bonds. The risks associated with Bank Debt include, but are not limited to, the following:

- (a) being variable rate (which would subject the Obligated Group to interest rate risk, if interest rates were to increase);
- (b) having a balloon payment at maturity or call date (which would subject the Obligated Group to either a large payment of cash at maturity or require the Obligated Group to obtain alternate financing, and there could be no guarantee that the Obligated Group could accomplish either); and
- (c) having financial covenants that are more restrictive than those in the Master Indenture, the Bond Indenture, the Loan Agreement or Obligation No. 11 (which could result in a situation where the Obligated Group is in default of its obligations under Bank Debt but not the 2021 Bonds), including but not limited to the right to accelerate if a cross default occurs with respect to other indebtedness of the Obligated Group.

Risks Associated with Swaps. The Obligated Group may from time to time enter into interest rate swap transactions as a hedging device. Under certain circumstances, a swap may be terminated prior to its termination date. If a swap is terminated under certain market conditions, the Obligated Group may owe a termination payment to the swap provider. Such a termination payment generally would be based upon the market value of the swap on the date of termination and could be substantial. In addition, a partial termination of a swap could occur to the extent that any outstanding principal amount of the indebtedness hedged with the swap is prepaid. If such a prepayment occurs, a termination payment related to the portion of the swap to be terminated will be owed by either the Obligated Group or the swap provider, depending on market conditions. In the event of an early termination of a swap, there can be no assurance that (a) the Obligated Group will receive any termination payment payable to it by the swap provider, (b) the Obligated Group will have sufficient amounts to pay a termination payment payable by it to the swap provider, and (c) the Obligated Group will be able to obtain a replacement swap agreement with comparable terms. The University has credit risk to the extent the swap provider's credit or ability to perform is reduced.

Other Risk Factors

Various other risk factors, such as fluctuations in interest rates and changes in tax laws affecting WindsorMeade's cost of capital, could also affect the future financial strength or operational efficiency of WindsorMeade, and therefore its ability to make required payments of principal and interest on the Series 2021A Obligations. A significant portion of the budget of WindsorMeade relates to fixed expenses, which cannot be easily reduced or eliminated.

The occurrence of any of the following events, or other unanticipated events, could adversely affect the operations of WindsorMeade:

- (1) Litigation;
- (2) Reinstatement or establishment of mandatory governmental wage, rent or price controls;
- (3) Inability to control increases in operating costs, including salaries, wages and fringe benefits, supplies and other expenses, given an inability to obtain corresponding increases in revenues from residents whose incomes will largely be fixed;
- (4) Adoption of other federal, state or local legislation or regulations having an adverse effect on the future operating or financial performance of WindsorMeade;
- (5) The cost and availability of energy;
- (6) Increased unemployment or other adverse economic conditions in the service areas of the Obligated Group which would increase the proportion of patients who are unable to pay fully for the cost of their care

- (7) Any increase in the quantity of indigent care provided which is mandated by law or required due to increased needs of the Community in order to maintain the charitable status of WindsorMeade;
- (8) Inflation or other adverse economic conditions;
- (9) Inability to control the diminution of patients' assets or insurance coverage with the result that the patients' charges are reimbursed from government reimbursement programs rather than private payments;
- (10) Changes in tax, pension, social security or other laws and regulations affecting the provisions of health care and other services to the elderly;
- (11) The occurrence of natural disasters, including hurricanes, volcanic eruptions and typhoons, floods or earthquakes, which may damage the Community, interrupt utility service to the Community, or otherwise impair the operation and generation of revenues from the Community;
- (12) Cost and availability of any insurance, such as malpractice, fire, automobile and general comprehensive liability, that organizations such as WindsorMeade generally carry.
- (13) The actuarial assumptions regarding life expectancy and inflation used by the Obligated Group to calculate Entrance Fees and Monthly Service Fees prove inaccurate.
- (14) Unionization, employee strikes and other adverse labor actions which could result in a substantial increase in expenditures without a corresponding increase in revenues.

UNDERWRITING

The Authority, WindsorMeade and B.C. Ziegler and Company (on its own behalf and as representative for Herbert J. Sims & Co., Inc., collectively, the "Underwriters") will enter into a Bond Purchase Agreement (the "Bond Purchase Agreement") which provides that the Underwriters will purchase the Series 2021A Bonds at a purchase price reflecting an Underwriters' discount of \$_____.

The obligation of the Underwriters to pay for the Series 2021A Bonds is subject to certain terms and conditions set forth in the Bond Purchase Agreement, including delivery of specified opinions of counsel and of a certificate of WindsorMeade that there has been no material adverse change in its condition (financial or otherwise) from that set forth in this Official Statement. WindsorMeade has agreed in the Bond Purchase Agreement to indemnify the Underwriters against certain liabilities relating to this Official Statement.

The Underwriters may offer and sell Series 2021A Bonds to certain dealers (including dealer banks and dealers depositing Series 2021A Bonds into investment trusts) and others at prices lower than the public offering prices stated on the inside cover of this Official Statement. Such initial public offering prices may be changed from time to time by the Underwriters.

SERIES 2021A BONDS ELIGIBLE FOR INVESTMENT AND SECURITY FOR PUBLIC DEPOSITS

The Act provides that bonds issued pursuant thereto shall be securities in which all public officers and public bodies of the Commonwealth of Virginia and all its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, trustees and other fiduciaries may properly and legally invest funds. No representation is made as to the eligibility of the Series 2021A Bonds for investment or any other purpose under any law of any other state. The Act also provides that bonds issued pursuant thereto may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the Commonwealth of Virginia for any purpose for which the deposit of bonds or obligations of the Commonwealth of Virginia is now or may hereafter be authorized by law.

TAX MATTERS

Opinion of Bond Counsel - Federal Income Tax Status of Interest The opinion of McGuireWoods LLP, Richmond, Virginia, ("Bond Counsel"), will state that, under current law and assuming the compliance with the Covenants, as hereinafter defined, by the Authority, WindsorMeade and certain other persons and entities, interest

on the Series 2021A Bonds (including any accrued "original issue discount" properly allocable to the owners of the Series 2021A Bonds) (i) is excludable from the gross income of the owners of the Series 2021A Bonds for purposes of federal income taxation under Section 103 of the Code, and (ii) is not a specific item of tax preference for purposes of the federal alternative minimum tax. See **Appendix E** for the form of the opinion of Bond Counsel for the Bonds.

Bond Counsel will express no opinion regarding other federal tax consequences arising with respect to the Series 2021A Bonds.

Bond Counsel's opinion speaks as of its date, is based on current legal authority and precedent, covers certain matters not directly addressed by such authority and precedent, and represents Bond Counsel's judgment as to the proper treatment of interest on the Series 2021A Bonds for federal income tax purposes. Bond Counsel's opinion does not contain or provide any opinion or assurance regarding the future activities of the Issuer or the Obligated Group or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Authority and WindsorMeade have covenanted, however, to comply with the requirements of the Code.

Reliance and Assumptions; Effect of Certain Changes

As to questions of fact materials to its opinion, Bond Counsel is relying upon and assuming the accuracy of certifications and representations of the Authority, WindsorMeade, public officials and certain other third parties, which Bond Counsel has not independently verified.

In addition, Bond Counsel is assuming continuing compliance with the Covenants (as hereinafter defined) so that interest on the Series 2021A Bonds will remain excludable from gross income for federal income tax purposes. The Code and the regulations promulgated thereunder contain a number of requirements that must be satisfied after the issuance of the Series 2021A Bonds for interest on the Series 2021A Bonds to be and remain excludable from gross income for purposes of federal income taxation. These requirements include, by way of example and not limitation, the requirement that each Member of the Obligated Group maintain its status as an organization described in Section 501(c)(3) of the Code, restrictions on the use, expenditure and investment of the proceeds of the Series 2021A Bonds and the use of the property financed or refinanced by the Series 2021A Bonds, limitations on the source of the payment of and the security for the Series 2021A Bonds, and the obligation to rebate certain excess earnings on the gross proceeds of the Series 2021A Bonds to the Treasury of the United States (the "Treasury"). The Bond Indenture, the Loan Agreement and the tax certificate delivered at closing contain covenants (the "Covenants") under which the Authority and WindsorMeade have agreed to comply with such requirements. A failure to comply with the Covenants could cause interest on the Series 2021A Bonds to become includable in gross income for federal income tax purposes retroactively to their date of issue. In the event of noncompliance with the Covenants, the available enforcement remedies may be limited by applicable provisions of law and, therefore, may not be adequate to prevent interest on the Series 2021A Bonds from becoming includable in gross income for federal income tax purposes. Compliance by the Authority with its respective Covenants does not require the Authority to make any financial contribution for which it does not receive funds from the Obligated Group.

Bond Counsel has no responsibility to monitor compliance with the Covenants after the date of issue of the Series 2021A Bonds.

Certain requirements and procedures contained, incorporated or referred to in the Bond Indenture, the Loan Agreement and the tax certificate, including the Covenants, may be changed and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth therein. Bond Counsel expresses no opinion concerning any effect on the excludability of interest on the Series 2021A Bonds from gross income for federal income tax purposes of any such subsequent change or action that may be made, taken or omitted upon the advice or approval of counsel other than Bond Counsel.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral federal income tax matters with respect to the Series 2021A Bonds. It does not purport to address all aspects of federal taxation that may be relevant to a particular owner thereof. Prospective purchasers of the Series 2021A Bonds, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of owning or disposing of the Series 2021A Bonds.

Prospective purchasers of the Series 2021A Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, certain insurance companies, certain corporations (including S corporations and foreign corporations), certain foreign corporations subject to the "branch profits tax," individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations and taxpayers attempting to qualify for the earned income tax credit.

In addition, prospective purchasers should be aware that the interest paid on, and the proceeds of the sale of, tax-exempt obligations, including the Series 2021A Bonds, are in many cases required to be reported to the IRS in a manner similar to interest paid on taxable obligations. Additionally, backup withholding may apply to any such payments made after March 31, 2007 to any owner of a Series 2021A Bond who fails to provide an accurate Form W-9 Request for Taxpayer Identification Number and Certification, or a substantially identical form, or to any owner of a Series 2021A Bond who is notified by the IRS of a failure to report all interest and dividends required to be shown on federal income tax returns. The reporting and withholding requirements do not in and of themselves affect the excludability of interest on the Series 2021A Bonds from gross income for federal tax purposes or any other federal tax consequence of purchasing, holding or selling tax-exempt obligations.

Original Issue Discount

The "original issue discount" ("OID") on any Series 2021A Bond is the excess of such bond's stated redemption price at maturity (excluding certain "qualified stated interest" that is unconditionally payable at least annually at prescribed rates) over the issue price of such bond. The "issue price" of a bond is the initial offering price to the public at which price a substantial amount of such bonds of the same maturity was sold. The issue price for each maturity of the Series 2021A Bonds is expected to be the initial public offering price set forth on the inside front cover page of this Official Statement, but is subject to change based on actual sales. Accrued OID on the Series 2021A Bonds with OID (the "OID Bonds") is excludable from gross income for purposes of federal and Virginia income taxation. However, the portion of the OID that is deemed to have accrued to the owner of an OID Bond in each year may be included in determining the alternative minimum tax with respect to the Series 2021A Bonds and the distribution requirements of certain investment companies and may result in some of the collateral federal income tax consequences mentioned in the preceding subsection. Therefore, owners of OID Bonds should be aware that the accrual of OID in each year may result in alternative minimum tax liability, additional distribution requirements or other collateral federal and Virginia income tax consequences although the owner may not have received cash in such year.

OID is treated under Section 1288 of the Code as accruing under a constant yield method that takes into account compounding on a semiannual or more frequent basis. If an OID Bond is sold or otherwise disposed of between semiannual compounding dates, then the OID which would have accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

In the case of an original owner of an OID Bond, the amount of OID that is treated as having accrued on such OID Bond is added to the owner's cost basis in determining, for federal income tax purposes, gain or loss upon its disposition (including its sale, redemption or payment at maturity). The amounts received upon such disposition that are attributable to accrued OID will be excluded from the gross income of the recipients for federal income tax purposes. The accrual of OID and its effect on the redemption, sale or other disposition of OID Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above.

Prospective purchasers of OID Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of the OID accrued upon sale or redemption of such OID Bonds and with respect to state and local tax consequences of owning OID Bonds.

Bond Premium

In general, if an owner acquires a bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the bond after the acquisition date (excluding certain "qualified stated interest" that is unconditionally payable at least annually at prescribed rates), that premium constitutes "bond premium" on that bond (a "Premium Bond"). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner's yield over the remaining term of the Premium Bond, determined based on constant yield principles. An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner's regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner's original acquisition cost. Prospective purchasers of any Premium Bond should consult their own tax advisors regarding the treatment of bond premium for federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond premium on, sale, exchange, or other disposition of such Premium Bond.

Effects of Future Enforcement, Regulatory and Legislative Actions

The IRS has established a program to audit tax-exempt obligations to determine whether the interest thereon is includable in gross income for federal income tax purposes. If the IRS does audit the Series 2021A Bonds, the IRS will, under its current procedures, treat the Issuer as the taxpayer. As such, the beneficial owners of the Series 2021A Bonds will have only limited rights, if any, to participate in the audit or any administrative or judicial review or appeal thereof. Any action of the IRS, including but not limited to the selection of the Series 2021A Bonds for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the marketability or market value of the Series 2021A Bonds.

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and various state legislatures. Such legislation may effect changes in federal or state income tax rates and the application of federal or state income tax laws (including the substitution of another type of tax), or may repeal or reduce the benefit of the excludability of interest on the tax-exempt obligations from gross income for federal or state income tax purposes.

The U.S. Department of the Treasury and the IRS are continuously drafting regulations to interpret and apply the provisions of the Code and court proceedings may be filed the outcome of which could modify the federal or state tax treatment of tax-exempt obligations. There can be no assurance that legislation proposed or enacted after the date of issue of the Series 2021A Bonds, regulatory interpretation of the Code or actions by a court involving either the Series 2021A Bonds or other tax-exempt obligations will not have an adverse effect on the Series 2021A Bonds' federal or state tax status, marketability or market price of the Series 2021A Bonds or on the economic value of the tax-exempt status of the interest on the Series 2021A Bonds.

Prospective purchasers of the Series 2021A Bonds should consult their own tax advisors regarding the potential consequences of any such pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Opinion of Bond Counsel -Virginia Income Tax Consequences

Bond Counsel's opinion also will state that, under current law, interest on the Series 2021A Bonds is excludable from the gross income of the owners thereof for purposes of income taxation by the Commonwealth of Virginia. Bond Counsel will express no opinion regarding (i) other tax consequences arising with respect to the Bonds under the laws of the Commonwealth of Virginia or (ii) any consequences arising with respect to the Series

2021A Bonds under the tax laws of any state or local jurisdiction other than the Commonwealth of Virginia. Prospective purchasers of the Series 2021A Bonds should consult their own tax advisors regarding the tax status of interest on the Series 2021A Bonds in a particular state or local jurisdiction other than the Commonwealth of Virginia.

LEGALITY

Certain legal matters relating to the authorization, issuance and sale of the Series 2021A Bonds are subject to the approving opinion of McGuireWoods LLP, Richmond, Virginia, Bond Counsel. Such opinion will be available at the time of delivery of the Series 2021A Bonds. Bond Counsel's opinion, in substantially the form set forth in **Appendix E**, will be limited to matters relating to the authorization and validity of the Series 2021A Bonds and to the exemption of interest on the Series 2021A Bonds under current Federal and Virginia income tax laws and will make no statement as to the ability of the Obligated Group to provide for payment of the Series 2021A Bonds.

Certain legal matters will be passed upon for the Authority by the **Office of the County Attorney for James City County, Virginia**, for WindsorMeade by its counsel, Spotts Fain PC, Richmond, Virginia, and for the Underwriters by its counsel, Parker Poe Adams & Bernstein LLP, Raleigh, North Carolina.

LITIGATION

There is now no litigation of any nature to which the Authority is a party pending or, to the knowledge of the Authority, threatened against it to restrain or enjoin the issuance, sale, execution or delivery of the Series 2021A Bonds or in any way contesting or affecting the validity of the Series 2021A Bonds or any proceedings taken with respect to the issuance or sale thereof, or in any way contesting or affecting the validity of or application of any moneys or the security provided for the Series 2021A Bonds or the existence or powers of the Authority in connection with the issuance of the Series 2021A Bonds; provided, however, the foregoing does not include any litigation that may have been filed but not served against the Authority and of which it has no knowledge.

WindsorMeade is, from time to time, subject to occasional litigation or proceedings brought by residents, employees or families of current or former residents as is customary for organizations of its type; however, management of WindsorMeade is of the opinion that there is no litigation or any proceedings of any nature pending or, to its knowledge, threatened against WindsorMeade that, if decided adverse to WindsorMeade, would have a material adverse effect on the financial position of WindsorMeade.

RELATIONSHIP OF PARTIES

McGuireWoods LLP, which serves as Bond Counsel, provides legal services to WindsorMeade and its affiliates from time to time, and also serves as counsel to the Underwriters, the Bond Trustee and the Master Trustee in unrelated matters.

FINANCING DOCUMENTS AND SELECTED COVENANTS

The Bond Indenture, the Master Indenture and the Loan Agreement contain certain covenants of the Obligated Group with respect to maintenance of the Obligated Group Facilities, incurrence of additional debt, creation of Liens, disposition of assets, use of bond proceeds, maintenance of WindsorMeade's existence as a tax-exempt, nonprofit corporation and information reporting. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto. Below is a summary of selected covenants contained in the Financing Documents and reference is made to the respective documents, copies of which are on file with the Master Trustee, for a complete statement of the rights, duties and obligations of the parties thereto.

Rate Covenant

Under the Master Indenture, the Obligated Group covenants to set rates and charges for the Obligated Group Facilities and the services and products provided therein, without considering any forecasted capital gains or losses, such that the Long Term Debt Service Coverage Ratio calculated at the end of each Fiscal Year will not be less than 1.20; provided, however, that in any case where Long Term Indebtedness has been incurred to acquire or construct Improvements that include living units or beds, such Long Term Indebtedness shall not be taken into

account in making the foregoing calculation until the earlier to occur of (1) the first full Fiscal Year next succeeding the date on which the occupancy of living units or beds in such Improvements is expected to reach 85%, or (2) the first full Fiscal Year following the Fiscal Year in which occurs that date which is 18 months from the date such Improvements were completed. This covenant permits the Obligated Group to exclude from the calculation of required debt service coverage, for certain limited periods, payments on indebtedness incurred for capital improvements although such payments will be made from revenues generated by the Obligated Group. Revenues included in the calculation of the Long Term Debt Service Coverage Ratio include revenues from all Facilities of the Obligated Group, not just Mortgaged Premises.

If, for any Fiscal Year (beginning in the Fiscal Year ending May 31, 2022), the Long Term Debt Service Coverage Ratio is less than 1.20 but not below 1.00 and the Days' Cash on Hand is at least 300, then the covenant described above shall be deemed to have been met; provided, however, in any case where Long Term Indebtedness has been incurred to acquire or construct Improvements that include living units or beds, until the earlier to occur of (1) the first full Fiscal Year next succeeding the date on which the occupancy of living units or beds in such Improvements is expected to reach 85%, or (2) the first full Fiscal Year following the Fiscal Year in which occurs that date which is 18 months from the date such Improvements were completed, the Days' Cash on Hand shall be calculated excluding such Long Term Indebtedness and shall not include any funds or portions of such funds held by a trustee, fiscal agent or depository with respect to such Long Term Indebtedness.

If, for any Fiscal Year, the Long Term Debt Service Coverage Ratio is less than 1.20 and the Days' Cash on Hand is less than 300, the Obligated Group covenants, within 30 days following the calculation, to retain a Consultant to make recommendations to increase such Long Term Debt Service Coverage Ratio in the following Fiscal Year to 1.20. Within 60 days of retaining such Consultant, the Group Representative will file the Consultant's report and recommendations with the Master Trustee, each Member and EMMA. So long as the Obligated Group shall follow such Consultant's recommendations to the extent permitted by law, the covenant described above shall be deemed to have been met, unless (1) for any two successive Fiscal Years, the Long Term Debt Service Coverage Ratio is less than 1.20 and the Obligated Group has less than 180 Days' Cash on Hand as of each such Fiscal Year, or (2) the Long-Term debt Service Coverage Ratio is less than 1.00 for any single Fiscal Year. Therefore, failure to maintain a Long-Term Debt Service Coverage Ratio of at least 1.00 for any single Fiscal Year will be an Event of Default under the Master Indenture.

If a report of a Consultant is delivered to the Master Trustee which states that governmental restrictions have been imposed which make it impossible for the coverage requirements above to be met, then such coverage requirement shall be reduced to the maximum coverage permitted by such governmental restrictions but in no event shall the Long Term Debt Service Coverage Ratio be less than 1.00.

This section shall not be construed to (1) limit the right of the Members to establish and implement policies for the admission of residents to the Obligated Group Facilities, (2) prohibit the Members from providing services without charge or at reduced rates to persons unable to pay in whole or in part if reasonably deemed necessary by the Members to retain their tax-exempt status under applicable law or to comply with any applicable requirements of law then in effect, or (3) limit the ability of Members to grant fellowships to residents from funds received from non-recurring revenue sources designated specifically for such purpose.

Liquidity Covenant

The Obligated Group will agree to conduct its business so that, on each Liquidity Testing Date, the Obligated Group has not less than 120 Days' Cash on Hand. If the Obligated Group does not have at least 120 Days' Cash on Hand as of any Liquidity Testing Date, the Obligated Group shall promptly notify the Master Trustee. If the number of Days' Cash on Hand as of a Liquidity Testing Date is less than 120 but greater than 90, the Obligated Group shall, not later than 30 days after receipt of the financial statements disclosing such deficiency, deliver to the Master Trustee a management report setting forth in reasonable detail the reasons for such deficiency and adopting a specific plan setting forth the steps to be taken to achieve the required Days' Cash on Hand by the end of the third fiscal quarter immediately following the Liquidity Testing Date on which the Days' Cash on Hand was less than 120 but greater than 90. If the number of Days' Cash on Hand for any Liquidity Testing Date is less than 90, or if the Obligated Group has not achieved 120 Days' Cash on Hand by the end of the third fiscal quarter following the issuance of the management report, the Obligated Group shall, not later than 60 days after receipt of the financial statements disclosing such deficiency, as applicable, obtain a Consultant's report setting forth in detail

the reasons for such deficiency and a specific plan setting forth the steps designed to achieve 120 Days' Cash on Hand by the end of the third fiscal quarter immediately following the Liquidity Testing Date on which the Days' Cash on Hand was less than 90, or by the end of the fifth fiscal quarter immediately following the Liquidity Testing Date on which the Days' Cash on Hand was less than 120 but greater than 90, as the case may be.

The Obligated Group shall follow any management report and plan or any Consultant's recommendations and plan, except to the extent that (i) any of the Consultant's recommendations conflict with law or existing contracts, (ii) the implementation of such recommendations would have an adverse effect on the validity of the Series 2021A Bonds or the exclusion of interest on the Series 2021A Bonds from the gross income of the owners thereof for purposes of federal income taxation or (iii) the Board of Directors of WindsorMeade determines by resolution that such recommendations are unreasonable, impractical or unfeasible. So long as the Obligated Group shall deliver the management report and plan or retain a Consultant and so long as the Obligated Group shall follow such management report and plan or such Consultant's recommendations and plan to the fullest extent feasible, such requirement of the Loan Agreement shall be deemed to have been complied with for a Liquidity Testing Date even if the Days' Cash on Hand is less than 120 on such Liquidity Testing Date, and such circumstances shall not constitute an event of default under the Master Indenture. Liquidity Testing Date means each May 31.

Conditions Precedent to Certain Additional Indebtedness - [DISCUSS IF NEEDED HERE SINCE THIS ISN'T THE COMPLETE SECTION]

The following covenant must be met with respect to Long-Term Indebtedness (other than refunding indebtedness) to be incurred by Members of the Obligated Group:

(i) Long-Term Indebtedness (other than a Guaranty) may be incurred if,

(1) prior to the incurrence thereof:

(a) there is delivered to the Master Trustee an Officer's Certificate certifying that the Long-Term Debt Service Coverage Ratio, taking into account all Outstanding Long-Term Indebtedness and the Long-Term Indebtedness to be incurred as if it had been incurred at the beginning of such period, for the most recent Fiscal Year preceding the date of delivery of the Officer's Certificate for which audited financial statements are available is not less than 1.25; or

(b) there is delivered to the Master Trustee (A) an Officer's Certificate (accompanied by the report of the Consultant mentioned below) certifying that the Long-Term Debt Service Coverage Ratio, taking into account all Outstanding Long-Term Indebtedness, but not the Long-Term Indebtedness then proposed to be incurred, for the most recent Fiscal Year preceding the date of delivery of the Officer's Certificate, for which audited financial statements are available is not less than 1.25; and (B) a report of a Consultant stating that the forecasted Long-Term Debt Service Coverage Ratio, taking the proposed Long-Term Indebtedness into account, for (i) in the case of Long-Term Indebtedness to finance capital improvements, the Fiscal Year immediately succeeding the year in which such capital improvements are expected to be placed in operation (except that with respect to capital improvements including living units or beds, such forecast shall be for the earlier to occur of (1) the first full Fiscal Year succeeding the date on which the average occupancy of such living units or beds is expected to reach 85%, or (2) the first full Fiscal Year following the Fiscal Year in which occurs the date which is 18 months from the date such capital improvements are expected to be put in service), or (ii) in the case of Long-Term Indebtedness not financing capital improvements, the Fiscal Year immediately succeeding the year in which the Long-Term Indebtedness is incurred, is not less than 1.25; or

(c) there is delivered to the Master Trustee a report of a Consultant stating that the forecasted Long-Term Debt Service Coverage Ratio, taking the proposed Long-Term Indebtedness into account, for (i) in the case of Long-Term Indebtedness to finance capital improvements, the Fiscal Year immediately succeeding the year in which such capital improvements are expected to be placed in operation (except that to the extent that such capital improvements include living units or beds, such forecast shall be for the earlier to occur of (1) the first full Fiscal Year succeeding the date on which the average occupancy of such living units or beds is expected to reach 85%, or (2) the first full Fiscal Year following the Fiscal Year in which occurs the date which is 18 months from the date such capital improvements are expected to be put in service), or (ii) in the case of Long-Term Indebtedness not financing capital improvements, the Fiscal Year immediately succeeding the year in which the Long-Term Indebtedness is incurred, is not less than 1.35; and

(d) if Long-Term Indebtedness is incurred for the purpose of completing the construction or equipping of facilities for which Long-Term Indebtedness has theretofore been incurred, the Master Trustee shall also receive prior to the incurrence thereof (i) a written statement of the architect for such facility setting forth the architect's estimate of the cost of completing the facility and the date on which the facility will be completed and (ii) an Officer's Certificate stating that the proceeds of such additional Long-Term Indebtedness, together with any other moneys available for such purpose, will be sufficient to cover the cost of completing the facility.

See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

FINANCIAL REPORTING AND CONTINUING DISCLOSURE

Financial Reporting

[Future disclosure to be discussed] The Master Indenture requires that the Obligated Group Representative provide to the Master Trustee the following:

(a) As soon as practical, but in any case within 120 days after the end of the applicable Fiscal Year, a copy of the audited Financial Statements as of the end of such fiscal reporting period, accompanied by the report of independent certified public accountants thereon. Such audited Financial Statements are to be prepared in accordance with generally accepted accounting principles and are to include such statements as necessary for a fair presentation of unrestricted fund financial position, results of operations and changes in unrestricted net assets and financial position as of the end of such fiscal reporting period. For the purposes of this Section, "audited Financial Statements" means (1) the audited Financial Statements of WindsorMeade, and (2) the audited Financial Statements of each Member of the Obligated Group (to the extent not included in the audited Financial Statements of another Member), all such audited Financial Statements prepared in accordance with generally accepted accounting standards and presented in the form of supplementary information to the consolidated statements of WindsorMeade; provided, however, that such Financial Statements shall exclude the financial results of Affiliates that are not Members unless a Member owns the stock thereof, regardless of whether generally accepted accounting principles would dictate consolidation with such Affiliate.

(b) If an Event of Default shall have occurred and be continuing, such other financial statements and information concerning its operations and financial affairs (or of any consolidated or combined group of companies, including its consolidated or combined Affiliates, including any Member) as the Master Trustee may from time to time reasonably request, and each Member is to provide access to its facilities for the purpose of inspection by the Master Trustee during regular business hours or at such other times as the Master Trustee may reasonably request; provided that such obligation to file or allow inspection shall exclude donor records, patient records and personnel records.

(c) Within 60 days after its receipt thereof, a copy of each report required hereunder to be prepared by a Consultant or an Insurance Consultant.

(d) As soon as practical, but in any case within 120 days after the end of the applicable Fiscal Year, the annual disclosure statement, if any, filed with the Commonwealth of Virginia pursuant to the Virginia Continuing Care Provider Registration and Disclosure Act with respect to any facility located within the Commonwealth of Virginia.

(e) Any material that the Corporation submits (directly or indirectly) to the Municipal Securities Rulemaking Board (or any successor entity) for dissemination to the public in the electronic format prescribed by the Municipal Securities Rulemaking Board (or such successor entity).

The Master Trustee has no duty to review or analyze any Financial Statements delivered to it under the Master Indenture and holds such Financial Statements solely as a repository for the benefit of the Holders; the Master Trustee is not to be deemed to have notice of any information contained therein or Event of Default which may be disclosed therein in any manner.

Continuing Disclosure – General

To permit compliance by the Underwriters of the Series 2021A Bonds with the continuing disclosure requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission, as amended (the “Rule”), WindsorMeade will execute at closing a Continuing Disclosure Certificate (the “CDC”) requiring WindsorMeade to provide certain quarterly and annual financial information and event notices required by the Rule. The proposed form of the CDC is set forth in **Appendix F**. Such information will be filed through the Electronic Municipal Market Access System (“EMMA”) maintained by the Municipal Securities Rulemaking Board and may be accessed through the Internet at emma.mrsb.org.

Information Required

WindsorMeade has covenanted in the CDC to file through EMMA (1) certain annual operational and financial information (the “Annual Financial Information”) no later than 120 days following the end of each Fiscal Year of WindsorMeade, commencing with the Fiscal Year ended May 31, 2020, and (2) certain quarterly operational and financial information (the “Quarterly Financial Information”) with respect to any fiscal quarter no later than 45 days following the end of each fiscal quarter of WindsorMeade, commencing with the fiscal quarter ended November 30, 2021.

As described in Appendix F, the CDC requires WindsorMeade to provide only limited information at specific times, and the information provided may not be all the information necessary to value the Series 2021A Bonds at any particular time. WindsorMeade or the Obligated Group may from time to time disclose certain information and data in addition to that required by the CDC. If WindsorMeade or the Obligated Group chooses to provide any additional information, it shall have no obligation to continue to update such information or to include it in any future disclosure filing.

Failure by the Obligated Group to comply with the continuing disclosure provisions of the Disclosure Agreement shall be an event of default under the Loan Agreement giving rise to the right to accelerate payments on the Series 2021A Obligation if not cured within 30 days after notice (subject to extension by the Bond Trustee and in certain other circumstances) given by the Authority or the Bond Trustee to the Obligated Group. See **Appendix D – Copies and Proposed Forms of the Financing Documents** hereto.

In the event of any failure of the Obligated Group to provide the required continuing disclosure, any Bondholder may, after notice to the Obligated Group and Bond Trustee, bring an action seeking specific performance of the Obligated Group’s obligations to provide such continuing disclosure. No assurance can be given as to the outcome of any such proceeding.
